INFORMATION ABOUT THE PARTIES

CEA Holding is a state-owned enterprise established in the PRC. The principal activities of CEA Holding are investment holding.

CES Global is a company incorporated in Hong Kong, and an indirectly wholly owned subsidiary of CEA Holding. Its principal activities are selling of air tickets and investment holding.

The Company is an international airline company incorporated in the PRC whose H Shares, A Shares and American depository shares are listed on the Stock Exchange, the Shanghai Stock Exchange and the New York Stock Exchange, Inc., respectively.

REASONS FOR AND BENEFITS OF THE SUBSCRIPTIONS

The US subprime mortgage crisis since 2008 has resulted in continuous fluctuations in global financial markets, which in turn affected the economy and prompted an immediate threat of a global recession. The domestic economy has experienced a slowdown due to the impact of global economic slowdown. The civil aviation industry is highly sensitive to the economic cycle. In 2008, the civil aviation industry is in a difficult operating condition as a result of the economic slowdown, snow storms, earthquake, fluctuations in oil prices and reduction in exchange gains due to the slowdown of RMB appreciation. As at the end of the third quarter of 2008, almost all airline in the domestic civil aviation industry in China suffered losses. It is estimated that the operating conditions will not turn around in the fourth quarter of 2008 which is traditionally a low season for the aviation industry. It is widely expected that the civil

aviation industry in China will experience losses as a whole in 2008.

8

As a result of the above, the Company's operating and financial condition is under enormous pressure. The continuous fluctuations in global financial markets make it extremely difficult for the Company to obtain financial support in the short run.

Further, the subscription price for A Share Subscription is determined pursuant to (Administrative relation to the Acquisition of the Listing Rules) which requires that the subscription price for A Share Subscription shall not be less than, 90% of the average trading price of A Shares during the Fixed Price Period. The subscription price for H Share Subscription is determined pursuant to PRC Company Law which requires that the subscription price of H Share cannot be below its par value. The net asset value per share of the Company as at 30 June 2008 (unaudited as shown in the interim report 2008 of the Company) is only RMB0.6842 and both the subscription prices for the Subscriptions represented a high premium of such value.

Through the Subscriptions, the Company believes it will improve the financial position of the Company and in the long term, enhance the Company's competitiveness and help to improve its operational position.

The terms and conditions of the Subscriptions are agreed after arm's length negotiations between the parties. Considering all these factors, the Directors believe that the terms and conditions of the Subscriptions are fair and reasonable and in the interests of the shareholders of the Company as a whole.

RECENT FUND RAISING ACTIVITIES AND USE OF PROCEEDS

The Company has not conducted any fund raising activities within the 12 months immediately prior to the date of this announcement. The total proceeds of the Subscriptions will be approximately RMB3,000,028,000. After deduction of relevant expenses for the Subscriptions, the total proceeds are intended to be used as working capital of the Company.

RISKS ASSOCIATED WITH THE SUBSCRIPTIONS

There are certain risks that are associated with the Subscriptions, including market risk, business and operation risk, financial risk, management risk, supervisory policy risk and other risks. Investors are advised to exercise caution when dealing in the shares of the Company.

IMPLICATIONS UNDER THE LISTING RULES

Since CEA Holding is the controlling shareholder of the Company, and hence a connected person of the Company, the issue of new A Shares to CEA Holding pursuant to the A Share Subscription Agreement constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules and is subject to reporting, announcement and independent shareholders' approval requirements under that Chapter. Further, since CES Global is an indirectly wholly owned subsidiary of CEA Holding, and hence a connected person of the Company, the issue of new H Shares to CES Global pursuant to the H Share Subscription Agreement constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules and is subject to reporting, announcement and independent shareholders' approval requirements under that chapter. Thus, an Independent Board Committee comprising the independent non-executive Directors of the Company will be formed to advise the Independent Shareholders on the terms of the Subscriptions. An independent financial adviser will, in accordance with the Listing Rules, be appointed to advise the Independent Board Committee and the Independent Shareholders on the same.

Meanwhile, the issue of new A Shares and new H Shares pursuant to the A Share Subscription Agreement and the H Share Subscription respectively will be conducted under specific mandates and will constitute a variation of class rights of the holders of A Shares and the holders of H Shares under the articles of association of the Company. Pursuant to the articles of association of the Company and Rule 19A.38 of the Listing Rules, the issue of such new A Shares and new H Shares are required to be subject to approvals of shareholders of the Company by way of special resolutions at a general meeting and separate class meetings. Voting on the general meeting and class meetings will be taken by way of poll. CEA Holding and its associates will abstain from voting at the general meeting and the class meetings of holders of A Shares and H Shares (if applicable) convened for the purpose of approving the issue of new A Shares and new H Shares.

A circular containing further details of the Subscriptions as well as other related matters, together with notices of the various shareholders meetings, will be issued by the Company and despatched to its shareholders in due course. In relation to the Subscriptions, certain consequential changes to the articles of association of the Company will have to be made. However, the proposed amendments to the articles of association of the Company have not been finalized yet. It is proposed that once such proposed amendments to the articles of association of the Company are finalized, they will be disclosed in the circular to be issued by the Company, or, in subsequent announcement(s) to be published by the Company.

At the request of the Company, trading of the H Shares of the Company on the Stock Exchange was suspended with effect from 9:30 a.m. on 27 November 2008 pending the release of this announcement.
