PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

AUGUST 12, 2009
SOLICITATION, EXECUTION AND REVOCATION OF PROXIES

The mailing address of the principal corporate office of the Company is 9449 Science Center Drive, New Hope, MN 55428. This Proxy Statement and the form of proxy, which is enclosed, are being mailed to the Company's shareholders commencing on or about July 28, 2009.

Proxies in the accompanying form are solicited on behalf, and at the direction, of the Board of Directors of the Company. All shares of common stock represented by properly executed proxies, unless such proxies have previously been revoked, will be voted in accordance with the direction of the proxies. If no direction is indicated, the shares will be voted in accordance with the direction of the proxies. If any other matters are properly presented at the meeting for action, including a question of adjourning the meeting from time to time, the persons named in the proxies and acting thereunder will have discretion to vote on such matters in accordance with their best judgement.

When stock is in the name of more than one person, each such person must sign the proxy. If the shareholder is a corporation, an executive or other authorized officer must sign the proxy in the name of such corporation. If signed as attorney, executor, administrator, trustee, and guardian or in any other representative capacity, the signer's full title should be given and, if not previously furnished, a certificate or other evidence of appointment must be furnished.

A shareholder executing and returning a proxy has the power to revoke it at any time before it is voted. A shareholder who wishes to revoke a proxy can do so by executing a later dated proxy relating to the same shares and delivering it to the Secretary of the Company prior to the vote at the Annual Meeting, by written notice of revocation received by the Secretary prior to the vote at the Annual Meeting, or by appearing in person at the Annual Meeting and voting in person the shares to which the proxy relates.

In addition to the use of the mail, proxies may be solicited by personal interview, telephone and telegram by the Directors, officers and regular employees of the Company. Such persons will receive no additional compensation for such services. Arrangements will also be made with certain brokerage firms and certain other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of common stock held of record by such persons, and such brokers, custodians, nominees and fiduciaries will be reimbursed by the Company for their reasonable out-of-pocket expenses incurred by them in connection therewith. All expenses incurred in connection with this solicitation will be borne by the Company.

The Company is including with this Proxy Statement its Annual Report to shareholders for the year ended December 31, 2008, which includes a copy of the Company's Form 10-K, as filed with the Securities and Exchange Commission. Shareholders may receive, without charge, additional copies of the Form 10-K, by writing to Multiband Corporation at its principal corporate office.

The presence at the Annual Meeting in person or by proxy of the holders of 34% of the outstanding shares of the Company's common stock entitled to vote shall constitute a quorum for the transaction of business. If a broker returns a "non-vote" proxy, indicating a lack of voting instructions by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. An abstention as to any proposal will therefore have the same effect as a vote against the proposal.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Only shareholders of record at the close of business on July 7, 2009 (the Record Date) will be entitled to vote at this meeting. On the Record Date, there were 9,650,928 shares of common stock issued and outstanding. Board of Directors and its Committees

The Board of Directors met four times in 2008. As permitted by Minnesota Law, the Board of Directors also acted from time to time during 2008 by unanimous written consent in lieu of conducting formal meetings. Last year, there were four such actions and accompanying Board Resolutions passed. The Board has designated an audit committee consisting of Jonathan Dodge, Donald Miller and Frank Bennett. The Board also designated a compensation committee consisting of Jonathan Dodge, Eugene Harris, and Donald Miller.

Shareholder Communication with the Board

Our Board welcomes your questions and comments. If you would like to communicate directly to our Board, or if you have a concern related to the Company's business ethics or conduct, financial statements, accounting practices or internal controls, then you may contact our website via www.multibandusa.com, section Investor Relations. All communications will be forwarded to our audit committee.

Directors' attendance at Annual Meetings can provide shareholders with an opportunity to communicate with Directors about issues affecting the Company. The Company does not have a policy regarding director attendance, but all Directors are encouraged to attend the Annual Meeting of Shareholders. Six of our directors attended our Annual Meeting in 2008.

Audit Committee

Our audit committee:

- recommends to our Board of Directors the independent registered public accounting firm to conduct the annual audit of our books and records;
- reviews the proposed scope and results of the audit;
- approves the audit fees to be paid;
- reviews accounting and financial controls with the independent registered public accounting firm and our financial and accounting staff; and
- reviews and approves transactions between us and our Directors, officers and affiliates.

Our audit committee has a formal charter.

Our Audit Committee met four times during 2008. The Audit Committee is comprised entirely of individuals who meet the independence and financial literacy requirements of NASDAQ listing standards. Our Board has determined that all three members, Jonathan Dodge, Donald Miller, and Frank Bennett qualify as an "audit committee financial expert" independent from management as defined by Item 401(h)(2) of Regulation S-K under the Securities Act of 1933, as amended. The Company acknowledges that the designation of the members of the audit committee as financial experts does not impose on them any duties, obligations or liability that are greater than the duties, obligations and liability imposed on them as a member of the audit committee and the Board of Directors in the absence of such designation.

Report of the Audit Committee

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, and financial reporting practices of the Company. During the year ended December 31, 2008, the Audit Committee met four times, and Frank Bennett, as the Audit Committee chair and representative of the Audit Committee, discussed the interim financial information contained in quarterly and annual filings on Forms 10-K and 10-Q, respectively, with the Company's Chief Financial Officer and the Company's independent registered public accounting firm prior to public release.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent registered public accounting firm a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with the Securities Acts and Standards of the Public Company Accounting Oversight Board, discussed with the auditors any relationships that may affect their objectivity and independence and satisfied itself as to the auditors' independence. The Audit Committee also discussed with management and the independent registered public accounting firm the quality and adequacy of the Company's internal controls. The Audit Committee reviewed with the independent registered public accounting firm their audit plans, audit scope, and identification of audit risks.

The Audit Committee discussed and reviewed with the Company's independent registered public accounting firm all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees" and, both with and without management present, discussed and reviewed the results of the independent registered public accounting firm's examination of the Company's consolidated financial statements. The Audit Committee reviewed the audited consolidated financial statements of the Company as of and for the fiscal year ended December 31, 2008 with management and the independent registered public accounting firm. Management has the responsibility for the preparation of the Company's consolidated financial statements and the Company's independent registered public accounting firm has the responsibility for the examination of those statements.

Based on the review referred to above and discussions with management and the independent auditors, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2008 for filing with the Securities and Exchange Commission. The Audit Committee also recommended the reappointment, subject to shareholder approval, of the independent registered public accounting firm and the Board of Directors concurred in such recommendation.

Nominating Committee

The Nominating Committee was formed by our Board in April 2004 and consisted in 2008 of Frank Bennett, Eugene Harris and Bernard Schafer. The Nominating Committee's duties include adopting criteria for recommending candidates for election or re-election to our Board and its committees, considering issues and making recommendations considering the size and composition of our Board. The Nominating Committee will also consider nominees for Director suggested by shareholders in written submissions to the Company's Secretary.

Director Nomination Procedures

DIRECTOR MANAGER QUALIFICATIONS. The Company's Nominating Committee has established policies for the desired attributes of our Board as a whole. The Board will seek to ensure that a majority of its members are independent as defined in the NASDAQ listing standards. Each member of our Board must possess the individual qualities of integrity and accountability, informed judgment, financial literacy, high performance standards and must

be committed to representing the long-term interests of the Company and the shareholders. In addition, Directors must be committed to devoting the time and effort necessary to be responsible and productive members of our Board. Our Board values diversity, in its broadest sense, reflecting, but not limited to, profession, geography, gender, ethnicity, skills and experience.

7

IDENTIFYING AND EVALUATING NOMINEES. The Nominating Committee regularly assesses the appropriate number of Directors comprising our Board, and whether any vacancies on our Board are expected due to retirement or otherwise. The Nominating Committee may consider those factors it deems appropriate in evaluating Director candidates including judgment, skill, diversity, strength of character, experience with businesses and organizations comparable in size or scope to the Company, experience and skill relative to other Board members, and specialized knowledge or experience. Depending upon the current needs of our Board, certain factors may be weighed more or less heavily by the Nominating Committee. In considering candidates for our Board, the Nominating Committee evaluates the entirety of each candidate's credentials and, other than the eligibility requirements established by the Nominating Committee, does not have any specific minimum qualifications that must be met by a nominee. The Nominating Committee considers candidates for the Board from any reasonable source, including current Board members, shareholders, professional search firms or other persons. The Nominating Committee does not evaluate candidates differently based on who has made the recommendation. The Nominating Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates.

CHARTER OF THE NOMINATING COMMITTEE. A copy of the charter of the Nominating Committee is available on our website at www.multibandusa.com.

Code of Ethics for Senior Financial Management

Our Code of Ethics for Senior Financial Management applies to all of our executive officers, including our president and our chief financial officer, and meets the requirements of the Securities and Exchange Commission. We have posted our Code of Ethics for Senior Financial Management on our website at www.multibandusa.com. We intend to disclose any amendments to and any waivers from a provision of our Code of Ethics for Senior Financial Management on our website within four business days following the amendment or waiver.

Compensation Discussion and Analysis

Our Compensation Committee

- reviews and recommends the compensation arrangements for management, including the compensation for our chief executive officer; and
- establishes and reviews general compensation policies with the objective to attract and retain superior talent, to reward individual performance and to achieve our financial goals.

We are committed to attracting, hiring and retaining an experienced management team that can successfully sell and operate our services. The fundamental policy of our Compensation Committee is to provide our executive officers with competitive compensation opportunities based upon their contribution to our development and financial success and long-term shareholder interest, as well as each officer's personal performance. The compensation package for each executive officer is comprised of three elements (i) base salary which reflects individual performance and is designed primarily to be competitive with salary levels in the industry; (ii) potential for cash bonus payments contingent upon specific corporate and individual milestones; and (iii) long-term stock-based incentive awards which strengthen the mutuality of interests between the executive officers and our shareholders.

At the beginning of each year, certain performance objectives are set by the Compensation Committee for management. 2008 corporate objectives included goals based on subscriber sales and certain financial metrics. By year end, the Compensation Committee reviews the performance of the Company against the corporate objectives and reviews the performance of each executive officer against their individual objectives. Based upon results achieved, the executive officers may receive part or all of a targeted bonus award.

Our Compensation Committee met four times during 2008. The Compensation Committee is comprised entirely of non-employee Directors who meet the independence requirements of the NASDAQ listing standards. The Compensation Committee is comprised of Jonathan Dodge, Eugene Harris, and Donald Miller.

Dividends on Class B preferred are cumulative and payable monthly at 10% per annum. The Class B preferred was offered to certain note payable holders at a conversion of \$10 per Class B preferred share. The dividends are based on \$10.00 per share for Class A, B, C, D, E, F and G cumulative preferred stock. Dividends for Class G stock are payable in common stock at a fixed rate of \$1.60 per share which is higher rate than fair market value. All preferred stock is non-voting. Warrants to purchase shares of the Company's common stock were given with the issuance of Class A, Class B, Class D, Class E, Class G and Class H preferred stock and were valued at fair value using the Black Scholes pricing model. The Company may, but is not obligated to, redeem the preferred stock at \$10.50 per share for Class A and Class B and \$10.00 per share for Class C, Class D, Class E, Class F, and Class G whenever the

Company's common stock price exceeds certain defined criteria as defined in the preferred stock agreements. The Class H shares can be redeemed for \$100,000 per share. The Class I shares can be redeemed for \$100 per share. Upon the Company's call for redemption, the holders of the preferred stock called for redemption have the option to convert each preferred share into shares of the Company's common stock. Holders of preferred stock cannot require the Company to redeem their shares with the exception of the 50,000 shares of Class F converted into mandatory redeemable preferred stock (see below). The liquidation preference is the same as the redemption price for each class of preferred stock.

Series I Convertible Preferred Stock

On February 3, 2005, Multiband Corporation completed a \$10 million private placement of the Company's Series I Convertible Preferred Stock. Under the terms of the preferred stock offering, the Company issued 100,000 shares of its Series I Convertible Preferred Stock in the aggregate offering amount of \$10 million. The shares of Series I Convertible Preferred Stock contain a monthly dividend that is payable at prime plus 10% through August 31, 2005, at prime rate from September 1, 2005 through August 31, 2006, and at prime rate plus 1% thereafter, (8.25% and 9.25% at December 31, 2007 and 2006, respectively). At December 31, 2007, \$3,950,000 worth of preferred stock value remains to be converted into 526,667 shares of common stock at a rate of \$1.50 per share (\$7.50 per share as adjusted for August 2007 reverse stock split). In addition, the investors received three-year warrants to purchase shares of common stock at exercise prices of \$1.57 and \$1.73 per share. In February, 2008 these warrants have expired. The Company was also required to file a registration statement providing for the resale of shares issuable upon the conversion of the Series I Convertible Preferred Stock and upon exercise of the warrants which was declared effective in September 2005. On March 18, 2008, the remaining \$3,950,000 worth of preferred stock value was converted into 526,667 shares of common stock.

Mandatory Redeemable Preferred Stock

In 2004, the Company issued 50,000 shares of mandatory redeemable preferred stock valued at \$500,000 pursuant to the purchase of assets and a put option given to the sellers. The sellers have exercised \$350,000 value of the put option equal to 35,000 shares of preferred stock. The mandatory redeemable preferred stock had an outstanding balance of \$150,000, and \$220,256 as of December 31, 2008 and 2007, respectively. In January 2009, the parties amended their redemption agreement to provide for full redemption of the remaining balance, net of a negotiated discount of \$22,000, by the end of May 2009.

Related Party Transactions

Proceeds for the acquisition of US Install Inc. by the Company completed in February 2008 were obtained via an unsecured promissory note in the amount of \$100,000 between Multiband and Bas Mattingly Master, LLC, a trust controlled by J. Bas Mattingly, chairman of DTHC, which is a 20% owner of various Multiband subsidiary companies. The note carries an interest rate of 7% per annum and is due August 20, 2009.

Multiband nc, inc. (NC) ((formerly Michigan Microtech, Inc. (MMT)) leases warehouse space from two individuals that have ownership via related trusts in DTHC. DTHC owns 20% of DirecTECH as a noncontrolling interest shareholder (see Note 3). Lease payments amount to \$9,000 per month plus expenses, expiring in December 2010.

Multiband and its subsidiaries lease principal offices located at 2000 44th Street SW, Fargo, ND 58013. The Fargo base rate is \$14,354 per month. The Fargo property is owned in part by David Ekman, Chief Information Officer, Multiband.

Jim Mandel, CEO of Multiband, loaned DTHC \$100,000 in a short-term subordinated note paying simple interest monthly at 10% and is due December 2012.

In 2008, Bernard Schafer was a director of both DTHC and Multiband. DTHC is the minority shareholder of DirecTECH.

In 2008, Multiband and DTHC performed certain management and information systems functions for one another pursuant to management consulting and employee leasing agreements. During the year ended December 31, 2008, the Company has reduced selling, general and administrative expenses by \$1,285,000 as a reimbursement of direct

expenses in relation to this management consulting agreement. Included in accounts receivable at December 31, 2008 is \$518,024 related to these expenses.

Multiband earned a performance bonus as part of the aforementioned management consulting agreement with DTHC of \$2,366,466, of which \$420,466 was received in cash and \$1,946,000 was paid with a reduction of the debt incurred in the acquisition of NC. The Company recorded this consulting income as part of other income and expense on the statement of operations because the income does not constitute the entity's ongoing major or central operations. The consulting income was not a reimbursement of direct expenses. Approximately \$535,000 of this consulting income is included as an expense in the HSP segment in selling, general and administrative expenses.

In 2008, Multiband provided support center services to DirecTECH MDU (DTMDU), a subsidiary of DTHC. The Company has recorded MCS segment revenue of \$415,922 and \$69,925 from DTMDU for the years ended December 31, 2008 and 2007. DTMDU was also one of the system operators in the MDU segment during 2008 and 2007. The Company has recorded MDU segment revenue of \$2,917,197 and cost of products and services of \$2,895,176 for the year ended December 31, 2008 related to this system operator. The Company had \$771,427 in accounts receivable and \$1,127,005 in accounts payable related to these agreements at December 31, 2008.

Multiband also had receivables with DTHC at December 31, 2008 of \$7,666,295. Of this amount, \$5,843,942 was offset in January 2009 against the purchase of the majority ownership of the operating subsidiaries of DTHC.

During 2008, the Company did have certain transactions with DTHC as described above. In January 2009, the Company purchased 80% of the operating subsidiaries of DTHC. The following table is a condensed balance sheet as of December 31, 2008 and a condensed statement of operations for the year ended December 31, 2008, which presents the proforma financial results for the Company excluding all 2008 transactions with DTHC (unaudited):

These persons are required to provide us with copies of all Section 16(a) reports that they file. Based solely upon a review these reports and written representations from our directors and executive officers, we believe that our directors, executive officers and 10% owners complied with all Section 16(a) filing requirements applicable to them during the year ended December 31, 2008.

2. RATIFICATION OF INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee of the Company selected Virchow, Krause & Company, LLP (now known as Baker Tilly Virchow Krause, LLP) (Baker Tilly), independent registered public accounting firm with offices in Minneapolis, Minnesota, to audit the Company's consolidated financial statements for the years ended December 31, 2008, 2007 and 2006. The following table details the fees paid to Baker Tilly for the years ended December 31, 2008 and 2007.

- (1) Fees related to accounting required for the acquisition of NC.
- (2) Fees related to S-3 and S-1 filings and accounting for possible merger with the Form S-4 filings.

The Company's Audit committee consists of Frank Bennett, Jonathan Dodge and Donald Miller. All three are considered audit committee financial experts independent from management. The Company's current audit committee charter has been filed previously as exhibit 3.5. The Audit Committee is responsible for engaging the independent registered public accounting firm and fees related to their services.

The policy of the Company's Audit Committee is to review and pre-approve both audit and non-audit services to be provided by the independent registered public accounting firm (other than with de minimis exceptions permitted by the Sarbanes-Oxley Act of 2002). This duty may be delegated to one or more designated members of the Audit Committee with such approval reported to the Audit Committee at its next regularly scheduled meeting. Approval of non-audit services shall be disclosed to investors in periodic reports required by section 13(a) of the Securities Exchange Act of 1934. Approximately 95% of the fees paid to Baker Tilly were pre-approved by the Audit Committee.

No services in connection with appraisal or valuations services, fairness opinions or contribution-in-kind reports were rendered by Baker Tilly. Furthermore, no work of Baker Tilly with respect to its services rendered to the Company was performed by anyone other than Baker Tilly.

It is expected that a representative of Baker Tilly will be present at this meeting. The representative will have an opportunity to make a statement and will be available to respond to appropriate questions.

3. AMENDMENTS TO 2000 NON-EMPLOYEE DIRECTORS STOCK COMPENSATION PLAN

The Company's Board of Directors is recommending and seeking shareholder approval of an amendment to its 2000 Non-Employee Directors Stock Compensation Plan (the Directors Plan). The Company is seeking approval of an amendment to the Directors Plan to increase the total number of common stock shares reserved for awards to Non-Employee Directors under the Directors Plan from 160,000 to 5,000,000.

The purpose of the 2000 Directors Plan as amended is to enable to Company through the grant of non-qualified stock options and restricted stock grants to non-employee outside Directors of the Company to attract and retain highly-qualified outside Directors and, by providing them with such a stock-based incentive, to motivate them to promote the best interests of the Company and its shareholders. For the purposes of the Directors Plan, outside Directors are Directors who, at the time of granting of options under the Directors Plan, are not and for the prior

twelve months have not been employees of the Company or any of its subsidiaries.

All grants will provide for an exercise price equal to 100% of the fair market value of a Share at the date of the grant. Options will become exercisable upon issuance and will expire ten years after date of grant, subject to earlier exercise and termination in certain circumstances. If an outside Director ceases to be a Director due to death, any of his outstanding options that have not yet become exercisable will accelerate, and all of his outstanding Options will remain exercisable for various specified periods of time up to a maximum of approximately one year. If an outside Director ceases to be a Director due to disability, all of his or her outstanding options not fully vested will immediately terminate, and those that are fully vested will remain exercisable for various specified periods of time up to a maximum of approximately one year. If an outside Director ceases to be a Director for any other reason, all of his or her outstanding options not fully vested will immediately terminate.

The Company believes the proposed change to the Directors Plan will make it more competitive with regards to attracting qualified independent and outside directors.

The closing sale price of a share of the Company's common stock was \$1.96 on July 7, 2009.

The Directors Plan as amended is attached hereto as an Appendix A.

4. AMENDMENT TO 1999 STOCK COMPENSATION PLAN

The Company's Board of Directors is recommending and seeking shareholder approval of an amendment to its 1999 Stock Compensation Plan (the Employee Plan) related to employee stock options and grants. The Company is seeking approval of an amendment to the Employee Plan to increase the total number of common stock shares reserved for awards to employees under the Employee Plan from 860,000 to 15,000,000.

The purpose of the Employee Plan is to promote the interest of the Company and its shareholders by providing employees of the Company with an opportunity to receive a proprietary interest in the Company and thereby develop a stronger incentive to contribute to the Company's continued success and growth. The Employee Plan is administered by a Committee of the Board of Directors. Awards pursuant to the Employee Plan may be in the form of either a restricted stock grant, which means that stock issued will vest over a three year vesting period, or stock options.

Options granted under the Employee Plan may be either "incentive" stock options within the meaning of Section 422 of the Internal Revenue Code ("IRC") or "nonqualified" stock options that do not qualify for special tax treatment under the IRC. No incentive stock option may be granted with a per share exercise price less than the fair market value of a share of the Company's common stock on the date the option is granted; in the case of any shareholder owning 10 percent or more of the common stock to whom an incentive stock option has been granted under the Employee Plan, the exercise price thereof is required to be not less than 110 percent of the fair market value of the common stock on the date the option is granted. Options are not transferable. An optionee, or his or her personal representative, may exercise his or her option for a period of ninety (90) days following termination of employment, disability or death. The term of each option, which is fixed by the Committee, may not exceed 10 years from the date the option is granted, or 5 years in the case of incentive stock options granted to shareholder owing 10 percent or more of the common stock to whom options have been granted. Options may be made exercisable in whole or in installments as determined by the Committee or Board. The Committee or Board may cancel an option of an employee who has been terminated for cause or takes employment with a competitor.

The closing sale price of a share of the Company's common stock was \$1.96 on July 7, 2009.

The Company believes the proposed changes to the Employee Plan will make the Employee Plan more competitive with regards to attracting and retaining qualified employees. The Company also believes it needs to increase the

number of shares in the plan to reflect a significantly increased employee population since January 1, 2009 due to the acquisition of 80% of the former subsidiaries of DTHC.

The Employee Plan as amended is attached hereto as an Appendix B.

5. AMENDMENT TO INCREASE THE NUMBER OF AUTHORIZED SHARES

The Board of Directors proposes that the Company amend its Articles of Incorporation to increase the total number of authorized shares from 20 million to 100 million.

Reasons for the Amendment

An increase in the total number of authorized shares will provide the shares needed for employee stock plans and convertible securities that are currently outstanding, as well as additional shares of common stock for potential growth in the Company. With the increased authorized common stock, the Company would have greater flexibility in structuring possible future financings and acquisitions and meeting other corporate needs which might arise. The Company has no current commitments or plans for the issuance of common stock other than in connection with our stock option plans and convertible securities. The Company does have a commitment in its stock purchase agreement of November 2008 with Directech Holding Co. to issue \$10,000,000 worth of preferred shares by December 31, 2009 to purchase the remaining 20% of the Directech Holding Co. former operating subsidiaries. As of June 30, 2009, the number of authorized common shares reserved for issuance under our stock option and employee stock purchase plans is 1,020,000, upon exercise of outstanding warrants is 1,668,273 shares, upon vesting of employee stock options, 951,715 shares, upon conversion of outstanding preferred stock (described above, page 11) is 166,027 shares, upon conversion of secured note, 13,333 shares. If this proposal is approved by the shareholders, almost 87 million authorized shares would be unreserved and available for future issuances.

The Company may use additional shares to (partially) finance potential acquisitions. In addition, the Company may consider conducting an equity offering to raise capital or reduce existing debt. Future issuances of common stock may have a significant dilutive effect on the equity interests of current shareholders.

Approval of an increase in the authorized number of shares of common stock generally empowers the directors of the Company to issue additional shares of common stock without giving notice to the shareholders or obtaining their approval, except in certain circumstances such as in connection with the adoption of certain employee benefit plans or the issuance of private equity that is subject to the applicable NASDAQ shareholder approval rules. The NASDAQ rules generally require us to obtain shareholder approval for issuances of common stock in connection with (i) the acquisition of another company if an officer, director or significant shareholder has a 5% or greater interest (or a 10% interest collectively) or the issuance or potential issuance of stock will be equal to 20% or more of the outstanding shares or voting power before the issuance, (ii) the sale of common stock in a private transaction if the sale is equal to 20% or more of the outstanding common stock or voting power and is sold for less than the greater of book or market value of the stock, (iii) the issuance of common stock that results in a change of control or (iv) the adoption of certain stock option or purchase plans or other equity compensation arrangements.

The Company's proposal to increase the authorized number of shares of common stock is not submitted in response to any accumulation of stock or threatened takeover. However, the increase in authorized common stock could, under certain circumstances, be construed as having an anti-takeover effect by, for example, diluting the stock ownership of shareholders and possibly making it more difficult to effect a change in the composition of the Board of Directors through the removal or addition of directors, or to accomplish a given transaction that may be in the shareholders' interests. Further, the dilutive effect may limit the participation of shareholders in a merger or similar business combination, whether or not management favors such transaction. Except as noted below, the Company does not have any provisions in its governing documents that have an anti-takeover effect nor does it have plans to subsequently implement measures having anti-takeover effects.

The Company's Articles of Incorporation authorize the issuance of stock and authorize the Board of Directors to establish by resolution different classes or series of shares and fix the rights and preferences of such shares. In the

event of a proposed merger, tender offer or other attempt to gain control of the Company of which the Board does not approve, the Board could create an additional series of preferred stock with rights and preferences that could impede the completion of such a transaction and issue such preferred stock to persons who would support the Board in opposing the transaction. The Board does not intend to issue any additional shares of preferred stock except on terms that the Board deems to be in the best interests of the Company and its then existing shareholders.

6. OTHER MATTERS

The management of the Company is unaware of any other matters that are to be presented for action at the meeting. Should any other matter come before the meeting, however, the persons named in the enclosed proxy will have discretionary authority to vote all proxies with respect to such matter in accordance with their judgment.

Shareholders Proposals

Proposals of shareholders of the Company intended to be presented by such shareholders at the Company's 2010 Annual Meeting of Shareholders must be received by the Company no later than December 30, 2009, in order that they may be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

Also, if a shareholder proposal intended to be presented at the 2010 Annual Meeting but not included in the Company's proxy statement and proxy is received by the Company after March 15, 2010, then management named in the Company's proxy form for the 2010 Annual Meeting will have discretionary authority to vote shares represented by such proxies on the shareholder proposal, if presented at the meeting, without including information about the proposal in the Company's proxy materials.

3. ADMINISTRATION

The Directors Plan shall be administered by the Company’s Board of Directors (the Board). The Board shall have all the powers vested in it by the terms of the Directors Plan, such powers to include authority (within any limitations described herein) to prescribe the form of the agreement embodying awards of Options. The Board shall, subject to the provisions of the Directors Plan, implement the grant of Options under the Directors Plan and shall have the power to construe the Directors Plan, to determine all questions arising thereunder and to adopt and amend such rules and regulations for the administration of the Directors Plan as it may deem desirable. Any decisions of the Board in the administration of the Directors Plan, as described herein, shall be final and conclusive. The Board may authorize any one or more of its number or the Secretary or any other officer of the Company to execute and deliver documents on behalf of the Board. No member of the Board shall be liable for anything done or omitted to be done by him or by any other member of the Board in connection with the Directors Plan, except for his own willful misconduct or as expressly provided by statute.

4. ELIGIBILITY

The persons who shall be eligible to receive Options under the Directors Plan (Non-Employee Directors) shall be those directors of the Company who:

- (a) Are not employees of the Company or of any Related Corporation; and
- (b) Have not been employees of the Company or of any Related Corporation during the immediately preceding twelve (12) month period.

5. AUTHORIZED SHARES

Options and Restricted Stock may be granted under the Directors Plan to purchase up to a maximum of five million (5,000,000) shares of Common Stock, par value \$.01 per share, subject to adjustment as hereinafter provided. Shares issuable under the Directors Plan shall be treasury shares and the Company may purchase shares of Common Stock against which Options and Restricted Stock may be granted hereunder, from time to time, if it deems such purchases to be advisable.

If any Award granted under the Directors Plan expires or otherwise terminates, in whole or in part, for any reason whatever (including, without limitation, a Non-Employee Director's surrender thereof) without having been exercised, the shares subject to the unexercised portion of such Award shall continue to be available for the granting of Awards under the Directors Plan as fully as if such shares had never been subject to an Award.

6. GRANTING OF AWARDS

Subject to the terms, conditions and limitations set forth in this Plan, the Company, by action of the Board, may from time to time grant Awards to those eligible Non-Employee Directors that are serving on the Board of Directors as may be selected by the Board, in such amounts and on such other terms as the Board in its sole discretion shall determine. The date of which the Board approves the granting of Awards shall be the date on which such Award is granted.

7. TERMS AND CONDITIONS OF OPTIONS

- 7.01 Number of Shares A statement of the number of shares to which the Option pertains.
- 7.02 Price A statement of the option exercise price (the Option Price). The Option Price shall be one hundred percent (100%) of the Fair Market Value of the Common Stock.
- 7.03 Term Subject to earlier termination as provided in Sections 7.05, 7.06, and 7.07 and in Section 8 hereof, the term of each Option shall be ten (10) years from the date of grant.
- 7.04 Exercise Options shall be exercisable commencing one (1) year after the date of grant, except that, if the date of the next succeeding annual meeting of shareholders is less than one (1) year from the date of grant of the Options, then such Options shall be exercisable, commencing on the day preceding the date of the annual meeting of shareholders next succeeding the date of grant of such Options. Except as otherwise provided in Sections 7.05, 7.06, and 7.07 hereof, Options shall only be exercisable while a Non-Employee Director remains a director of the Company. Any Option shares, the right to the purchase of which has accrued, may be purchased at any time up to the expiration or termination of the Option. Exercisable Options may be exercised, in whole or part, from time to time by giving written notice of exercise to the Company at its principal office, specifying the number of shares to be purchased and accompanied by payment in full of the aggregate price for such shares. Only full shares shall be issued under the Directors Plan, and any fractional share which might otherwise

be issuable upon exercise of an Option granted hereunder shall be forfeited.

The Option Price shall be payable:

(i) In United States dollars by cash or check,

(ii) In lieu thereof, by tendering to the Company Common Stock owned by the person exercising the Option and having a Fair Market Value on the date of exercise equal to the Option Price applicable to such Option; or

(iii) By a combination of United States dollars and Common Stock as aforesaid.

7.05 Termination of Service as a Director If a Non-Employee Director's service as a director of the Company terminates prior to the expiration date of his or her Options for any reasons (such as, without limitation, failure to be re-elected by the shareholders or resignation) other than those set forth in sections 7.06 and 7.07 below, all such Non-Employee Director's outstanding options not fully vested shall immediately terminate. Fully vested options may be exercised by the former Non-Employee Director, at any time prior to the earlier of:

(i) The expiration date specified in such Options; or

(ii) Ninety Days after the date of such termination of service as a director if said termination occurs prior to December 31, 2007 and Twenty-Four Months after the date of such termination of service as a director if said termination occurs subsequent to December 31, 2007.

7.06 Disability of Non-Employee Director If a Non-Employee Director shall become disabled (within the meaning of section 22 (e) (3) of the Code) during the period in which he or she is a director of the Company and, prior to the expiration date fixed for his or her Options, his or her service as a director with the Company is terminated as a consequence of such disability, all such Non-Employee Director's outstanding options not fully vested shall immediately terminate. Fully vested options may be exercised by the former Non-Employee Director, at any time prior to the earlier of:

- (i) The expiration date specified in such Options; or
- (ii) One (1) year after the date of the Non-Employee Director's death.

In the event of a Non-Employee Director's legal disability, such Options may be so exercised by the Non-Employee Director's legal representative.

7.07 Death of Non-Employee Director If a Non-Employee Director ceases to be a director of the Company by reason of his or her death prior to the expiration date fixed for his or her Options, all of such Non-Employee Director's outstanding Options immediately shall become fully exercisable, and such Options may be exercised at any time prior to the earlier of:

- (i) The expiration date specified in such Option; or
- (ii) One (1) year after the date of the Non-Employee Director's death.

If a Non-Employee Director who ceases to be a director for reasons described in Sections 7.06 and 7.07 hereof shall die following his or her ceasing to be a director but prior to the earlier of the expiration date fixed for his or her Options, or the expiration of the period determined under Sections 7.06 and 7.07 hereof, as the case may be, such Options may be exercised, to the extent of the number of shares with respect to which the Non-Employee Director could have exercised it on the date of his or her death, at any time prior to the earlier of:

- (i) The expiration date specified in such Option; or
- (ii) One (1) year after the date of the Non-Employee Director's death.

In the event of a Non-Employee Director's death, such Options may be so exercised by the Non-Employee Director's estate, personal representative or beneficiary who acquired the right to exercise such Option by bequest or inheritance or by reason of the death of the Non-Employee Director.

7.08 Non-Transferability Except as otherwise provided in any Option Agreement (as defined in Section 8 hereof), no Option shall be assignable or transferable by the Non-Employee Director otherwise than by will or by the laws of descent and distribution, and during the lifetime of the Non-Employee Director, the Option shall be exercisable only by him or by his or her guardian or legal representative. If the Non-Employee Director is married at the time of exercise and if the Non-Employee Director so requests at the time of exercise, the share certificate or certificates shall be registered in the name of the Non-Employee Director's spouse, jointly, with right of survivorship.

7.09 Rights as a Shareholder A Participant under the Directors Plan shall have no rights as a shareholder with respect to any shares covered by his or her Option until the issuance of a stock certificate to him or her for such shares.

7.10 Listing and Registration of Shares Each Option shall be subject to the requirement that, if at any time the Board shall determine, in its discretion, that the listing, registration or qualification of the shares covered thereby upon any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection within the granting of such Option or the purchase of shares thereunder, or that action by the Company or by a Non-Employee Director should be taken in order to obtain an exemption from any such requirement, no such Option may be granted or be exercised, in whole or in part, unless and until such listing, registration, qualification, consent, approval, or action shall have been effected, obtained, or taken under conditions acceptable to the Board. Without limiting the generality of the foregoing, each Non-Employee Director or his or her legal representative or beneficiary may also be required to give satisfactory assurance that shares purchased upon exercise of an Option are being purchased for investment and not with a view to distribution, and certificates representing such shares may be legended accordingly.

8. RESTRICTED STOCK

The Board has the authority to grant Awards of Restricted Stock to Participants in any amount and at any time prior to the Directors Plan's expiration with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Directors Plan as the Board shall determine.

8.01 Restrictions Shares of Restricted Stock shall be subject to such restrictions as the Board may impose, including and without limitation, any limitation on the right to vote a share of Restricted Stock or the right to receive any dividend or other right or property with respect thereto, which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Board may deem appropriate.

8.02 Stock Certificates Any restricted stock granted under the Directors Plan shall be evidenced by issuance of a stock certificate or certificates, which certificate or certificates shall be held by the Company. Such certificate or certificates shall be registered in the name of the Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock.

8.03 Forfeiture Except as otherwise determined by the Board, upon termination of service during the applicable restriction period, all shares of Restricted Stock at such time subject to restrictions shall be forfeited and reacquired by the Company. However, the Board may, when it determines a waiver of the restrictions may be in the best interest of the Company, waive in whole or in part any or all of the remaining restrictions with Respect to Restricted Stock, at the sole discretion of the Board.

9. AWARD AGREEMENTS – OTHER PROVISIONS

Awards granted under the Directors Plan shall be evidenced by written documents (Award Agreements) in such form as the Board shall from time to time, approve which Award Agreements shall contain such provisions of the Directors Plan as the Board shall deem advisable. Each Non-Employee Director shall enter into, and be bound by, such Award Agreements.

10. CAPITAL ADJUSTMENTS

The number of shares of Common Stock which may be issued under the Directors Plan, as stated in Section 6 hereof, the number of shares covered by future Option grants, as stated in Section 5 hereof, and the number of shares issuable upon exercise of outstanding Options under the Directors Plan (as well as the Option price per share under such outstanding Options) shall be adjusted proportionately to reflect any stock dividend, stock split, share combination, or similar change in the capitalization of the Company.

In the event of a corporate transaction (as that term is described in section 424(a) of the Code and the Treasury Regulations issued thereunder as, for example, a merger, consolidation, acquisition of property or stock, separation, reorganization, or liquidation) and provision is not made for the continuance and assumption of Options under the Directors Plan to be delivered in connection with the transaction, the Board shall, by written notice to the holders of Options, provide that all unexercised Options will terminate immediately prior to the consummation of such merger, consolidation, acquisition, reorganization, liquidation, sale or transfer unless exercised by the holder within a specified number of days (which shall not be less than fourteen (14) days) following the date of such notice. On the date of such notice all such unexercised Options automatically shall become fully exercisable.

11. AMENDMENT, SUSPENSION AND DISCONTINUANCE OF THE DIRECTORS PLAN

The Board, from time to time, may suspend or discontinue the Directors Plan or amend the Directors Plan or any Option outstanding under it in any respect whatsoever, provided, however, that:

(a) without shareholder approval:

(i) the number of shares available under the Directors Plan shall not be increased, except pursuant to Section 9 hereof,

(ii) the duration of the Directors Plan shall not be extended and

(iii) the Option Price of an Option shall not be reduced, whether through amendment, cancellation, replacement grants or other similar means;

(b) no amendment to the Directors Plan shall become effective without shareholder approval if such shareholder approval is required by applicable law, rule or regulation; and

(c) no amendment shall materially impair the rights of any holder of an outstanding Option without the consent of such holder.

12. **TERMINATION OF DIRECTORS PLAN**

Unless earlier terminated or extended in the Directors Plan, the Directors Plan and all authority granted hereunder shall terminate absolutely at 12:00 midnight on December 31, 2015, and no Awards hereunder shall be granted thereafter. Nothing contained in this Section 11, however, shall terminate or affect the continued existence in accordance with their terms of Awards outstanding on the date of termination of the Directors Plan.

13. **MISCELLANEOUS PROVISIONS**

13.01 Additional Compensation Nothing contained in the Directors Plan shall prevent the Board from adopting other or additional compensation arrangements for directors (subject to shareholder approval if such approval is required); and such arrangements may be either generally applicable or applicable only in specific cases.

13.02 Right to Continued Service The adoption of the Directors Plan and the receipt of grants hereunder shall not confer upon any person any right to continue service as a Non-Employee Director of the Company.

13.03 Withhold Taxes In the event of exercise of an Option, the Participant shall pay to the Company, upon its demand, such amount as may be requested by the Company for the purpose of satisfying any liability to withhold Federal, state, local, or foreign income or other taxes (which payment may be made in any manner prescribed in Section 6(d) hereof). The obligations of the Company under the Directors Plan shall be conditioned on such payment, and the Company shall have the right to withhold the issuance of shares to the Participant and, to the extent permitted by law, shall have the right to deduct any such taxes from any payment of any kind otherwise due to the Non-Employee Director.

13.04 Indemnification and Hold Harmless Each person who is or shall have been a member of the Board shall be indemnified and held harmless by the Company, to the fullest extent permissible by Minnesota Law, against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such person in connection with or resulting from any claim, action, suit, or proceeding to which such person may be made a party or in which such person may be involved by reason of any action from any and all amounts paid by such person in settlement thereof, with the Company's approval, or paid by such person in satisfaction of any judgment in any such action, suit, or proceeding against such person, provided such person shall give the Company an opportunity, at the Company's expense, to handle and defend the same before such person undertakes to handle and defend it on such person's own behalf. The foregoing right of indemnification shall not be exclusive and shall be independent of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or By-laws, by contract, as a matter of law, or otherwise.

13.05 Governing Law The Directors Plan and all awards made and actions taken thereunder shall be governed by and construed in accordance with laws of the State of Minnesota.

14. EFFECTIVE DATE

The Directors Plan shall become effective when the Directors Plan is approved and adopted by the Company's shareholders.

3.3 The Board may correct any defect, supply and omission, or reconcile any inconsistency in the Employee Plan or in any Award granted hereunder in the manner and to the extent it shall deem necessary to carry out the terms of the Employee Plan.

3.4 Any decision made, or action taken, by the Board arising out of or in connection with the interpretation and administration of the Employee Plan shall be final, conclusive and binding upon participants.

3.5 If the Board has appointed a Committee pursuant to Section 2.4 of the Employee Plan, then the Committee shall administer the Employee Plan and exercise the powers with respect to such administration enumerated in Sections 3.1 through 3.4 and any other powers granted to the Board in the Employee Plan.

4. SHARES SUBJECT TO THE EMPLOYEE PLAN

4.1 Number The total number of shares of Stock reserved for Awards under the Employee Plan is 15,000,000. This included the 700,000 authorized under the Company's 1997 Stock Option Plan. Such shares may consist, in whole or in part, of authorized but unissued Stock or Treasury Stock, as determined by the Board. If any Award granted under the Employee Plan lapses or terminates for any reason before being completely exercised or vested, the shares covered by the un-exercised or un-vested portion of such Award may again be made subject to Awards under the Employee Plan.

4.2 Change in Capitalization In the event of any change in the outstanding shares of Stock of the Company by reason of any stock dividend, split, recapitalization, merger, consolidation, combination, exchange of shares or other similar corporate change, the aggregate number of shares which may be subject to Awards under the Employee Plan and the terms of any outstanding Award may be appropriately adjusted by the Board at its sole discretion. Notwithstanding the preceding sentence, in no event shall any fraction of a Share of stock be issued upon exercise of an Option and no fractional share of Restricted Stock may be issued.

5. ELIGIBLE EMPLOYEES

Awards may be granted by the Board to any employee or agent of the Company, including any such employee who is also an officer of the Company.

6. AWARDS

6.1 Generally Subject to the terms, conditions, and limitation set forth in this Plan, the Company, by action of the Board, may from time to time grant Awards to those eligible employees as may be selected by the Board, in such amounts and on such other terms as the Board in its sole discretion shall determine. The date on which the Board approves the granting of Awards shall be the date on which such Award is granted.

6.2 Options The Board has the authority to grant Awards of Options to Participants with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Employee Plan as the Board shall determine:

(a) Exercise Price The purchase price for a share of Stock subject to an Option granted hereunder shall be no less than 100% of the Fair Market Value of the Stock. Notwithstanding the foregoing, in the case of an Incentive

Stock Option granted to any participant then owning more than 10% of the voting power of all classes of the Company's stock, the purchase price per share of the Stock subject to such Option shall not be less than 110% of the Fair Market Value of the Stock on the date of grant of the Incentive Stock Option, determined as provided above.

(b) Option Term An Incentive Stock Option Award shall be exercisable for a period of 10 years from the date of the grant thereof and NQSO Awards shall be exercisable for a period of 10 years and 1 day from the date of the grant thereof.

(c) Time and Method of Exercise An Option may be exercised, in whole or in part, and shall be exercised by the Participant delivering a written notice of exercise to the Board and paying to the Company the full purchase price of the shares acquired upon exercisable until the Employee Plan is approved by the Shareholders of the Company, and as provided in Section 14 hereof.

The full purchase price of each share of Stock purchased upon the exercise of an Option shall be paid:

- (i) in United States dollars in cash or by check, bank draft or money order payable to the order of the Company; or
- (ii) at the discretion of the Board, through the delivery of shares of Stock, having initially or as a result of successive exchanges of shares, an aggregate fair market value (as determined in the manner provided under this Plan) equal to the Option price;
- (iii) by a combination of both (a) and (b) above;

provided, however, that the benefit received by a Participant upon exercise of an Option for which payment has been made in whole or in part by delivery of shares of Stock shall not exceed the spread inherent in such Option. For purposes of this Paragraph 7, the "spread inherent" in such Option shall equal the difference between the aggregate exercise price of the Option and the fair market value of the shares of Stock acquired upon the exercise of such Option.

The Board shall determine acceptable methods for tendering Stock as payment upon exercise of an Option and may impose such additional limitations and prohibitions on the use of stock as payment upon the exercise of an Option as it deems appropriate.

(d) Limits The aggregate fair market value (determined as of the date of the Option grant) of all Incentive Stock Options granted under the Employee Plan to any Optionee in any calendar year shall not exceed \$100,000, except to the extent of any unused carryover amount as permitted under Section 42A(b)(8) and Section 422A(c) (4) of the Code.

In addition to any other limitations or conditions that may be established by the Board with respect to an Incentive Stock Option granted under the Employee Plan, no Incentive Stock Option granted pursuant to the Employee Plan to any employee then owning more than 10% of the voting power of all classes of the Company's stock may be exercised by its terms after the expiration of five years from the date of the grant thereof. Until certificates for the shares acquired upon the exercise of an Option are issued to a Participant, such Participant shall not have any rights of a shareholder.

6.3 Restricted Stock The Board has the authority to grant Awards of Restricted Stock to Participants with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Employee Plan as the Board shall determine.

(a) Restrictions Shares of Restricted Stock shall be subject to such restrictions as the Board may impose, including and without limitation, any limitation on the right to vote share of Restricted Stock or the right to receive any dividend or other right or property with respect thereto, which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Board may deem appropriate.

(b) Stock Certificates Any Restricted Stock granted under the Employee Plan shall be evidenced by issuance of a stock certificate or certificates, which certificate or certificates shall be held by the Company. Such certificate or certificates shall be registered in the name of the Participant and shall bear and appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock.

(c) Forfeiture Except as otherwise determined by the Board upon termination of employment during the applicable restriction period, all shares of Restricted Stock at such time subject to restrictions shall be forfeited and reacquired by the Company. However, the Board may, when it determines a waiver of the restrictions may be in the best interest of the Company, waive in whole or in part any or all of the remaining restrictions with respect to Restricted Stock, at the sole discretion of the Board.

(d) Delivery of Shares Any share representing Restricted Stock that is no longer subject to restrictions shall be delivered to the holder promptly after the applicable restrictions lapse or are waived.

7.

AWARD AGREEMENTS

Upon the grant of an Award under the Employee Plan, the Participant shall enter into an agreement with the Company setting forth the terms and conditions under which the Award is so granted pursuant to the Employee Plan and containing such other terms with respect to the Award as the Board in its sole discretion may determine.

8.

INVESTMENT PURPOSES

Unless a registration statement under the Securities Act of 1933 is in effect with respect to Stock to be purchased or Awards to be granted under the Employee Plan, the Company shall require that a Participant agree with and represent to the Company in writing that he or she is acquiring such shares of Stock for the purpose of investment and with no present intention to transfer, sell or otherwise dispose of such shares of stock other than by transfers which may occur by will or the laws of descent and distribution. No shares of Stock may be transferred unless, in the opinion of counsel to Company, such transfer shall at such time be in compliance with applicable securities laws. In addition, unless a registration statement under the Securities Act of 1933 is in effect with respect to the Stock to be purchased under the Employee Plan, each certificate representing any shares of Stock issued to a Participant hereunder shall have the endorsed thereon legends in substantially the following form:

THE SHARES REPRESENTED BY THIS CERTIFICATE WERE ISSUED WITHOUT REGISTRATION UNDER THE SECURITIES ACT OF 1933 AS AMENDED (THE ACT) AND WITHOUT REGISTRATION UNDER ANY APPLICABLE STATE SECURITIES LAWS, IN RELIANCE UPON EXEMPTION(S) CONTAINED THEREIN. NO TRANSFER OF THESE SHARES OR ANY INTEREST THEREIN MAY BE MADE EXCEPT PURSUANT TO EFFECTIVE REGISTRATION STATEMENTS UNDER SIAD LAWS UNLESS THE CORPORATION HAS RECEIVED AN OPINION OF COUNSEL SATISFACTORY TO IT THAT SUCH TRANSFER OR DISPOSITION DOES NOT REQUIRE REGISTRATION UNDER SAID LAWS AND, FOR ANY SALES UNDER RULE 144 OR THE ACT, SUCH EVIDENCE AS IT SHALL REQUEST FOR COMPLIANCE WITH THAT RULE, OR APPLICABLE STATE SECURITIES LAWS.

9.

TRANSFERABILITY OF AWARDS

No award granted under the Employee Plan shall be transferable by a Participant (whether by sale, assignment, hypothecation or otherwise) other than by will or the laws of descent and distribution. Any option granted under the Employee Plan shall be exercisable during the Participant's lifetime only by the Participant.

26

10. TERMINATION OF EMPLOYMENT

10.1 Generally Except as otherwise provided in this Section 10, if the employment of a Participant with the Company should be terminated (Termination of Employment), other than by death or Disability (as hereinafter defined) the Participant may, but only within ninety (90) days after the date of the Participant's Termination of Employment, exercise an Option granted under the Employee Plan, but only to the extent the Participant was entitled to exercise the Option at the Date of Termination of Employment and only if the term of the Option has not expired. The exercise of an Option under this Section shall be deemed to have occurred one (1) day prior to the date of Termination of Employment. All shares of Restricted Stock granted to a Participant in which any restrictions have not lapsed at the Date of Termination shall be forfeited. For options awarded subsequent to December 31, 2007, Participants may, but only within 24 months after the date of the Participant's Termination of Employment, exercise an Option granted under the Employee Plan, but only to the extent the Participant was entitled to exercise the Option at the Date of Termination of Employment and only if the term of the Option has not expired.

10.2 Death or Disability of Participant In the event of the death or Disability of a Participant prior to the expiration of an Option held by him or her:

(a) If the Participant is at the time of his or her death or Disability employed by the Company and had been in continuous employment (as determined by the Board in its sole discretion) since the date of the Grant of the Option, then the Option may be exercised: (i) in the case of Disability, by the Participant within ninety (90) days following the date of such Disability. But only to the extent the Participant was entitled to exercise such Option at the time of his or her Disability; or (ii) in the case of death, by the Participant's estate, or by a person who acquired the right to exercise the Option by will of the laws of descent or distribution within ninety (90) days from the date of the Participant's death, but only to the extent the Participant was entitled to exercise the Option at the time of death. For the purpose of this Section, the term "Disability" shall have meaning given to it in Section 105(d) (4) of the Code. The Disability of a Participant within the meaning of Section 105(d) (4) shall be determined by the Board, in its sole discretion.

(b) If the Participant dies within ninety (90) days after the Termination of Employment, the option may be exercised at any time within six months following the date of death, by the Participant's estate or by a person who acquired the right to exercise the Option by will or the laws of descent or distribution but only to the extent the Participant was entitled to exercise the Option at the time of Termination of Employment.

10.3 Cancellation of Awards If the employment of a Participant is terminated by the Company for cause, or if a Participant enters into competition with or becomes employed by a competitor of the Company, or if the Participant otherwise conducts himself or herself in a manner which the Board determines detrimental to the Company, then the Board shall have the right to cancel any Option granted or other Award not fully vested under the Employee Plan.

10.4 Agreement Not To Induce If a Participant enters into competition with or becomes employed by a competitor of the Company, the Participant agrees not to induce or attempt to induce, either directly or indirectly, any present Company employee to discontinue such employee's employment with the Company. The Participant further agrees not to induce or attempt to induce, either directly or indirectly, any present Company customer to discontinue the purchase of product or service from the Company.

10.5 Compromise of Proprietary Information The Board, without approval by the Shareholders of the Company, reserves the right at any time to enact terms and conditions to the Award covenants which would protect proprietary company information and prohibit Participants from obtaining employment with competing or conflicting organizations.

11. AMENDMENT AND TERMINATION PLAN

11.1 The Board, without approval by the shareholders of the Company, may at any time, and from time to time, suspend or terminate the Employee Plan in whole or in part or amend it from time to time in such respects as may be in the Best interests of the Company, provided, however, that no such amendment shall be made without approval of the shareholders which would: a) materially modify the eligibility requirements for Awards; (b) increase the total number of shares of Stock which may be issued pursuant to Awards, except in accordance with Section 4.2 of the Employee Plan; (c) reduce the minimum option price per share; (4) extend the period of granting awards; or (e) materially increase in any other way the benefits accruing to Participants.

11.2 No amendment, suspension or termination of this Plan shall, without the Participant's consent, alter or impair any of the rights or obligations under any Award theretofore granted to him or her under the Employee Plan.
