Explanatory Note

This Current Report on Form 8-K/A is filed as an amendment to the Current Report on Form 8-K filed by Repros Therapeutics Inc. (the "Company") on July 10, 2009 (the "Original 8-K"). The Company is amending Item 9.01(d) (Exhibits) to replace the Sixth Amendment to PHS Patent License Agreement (the "Amendment") dated July 7, 2009 between the Company and certain agencies of the United States Public Health Service within the Department of Health and Human Services that was filed as Exhibit 10.1 to the Original 8-K. The Company has clarified that no redactions are contained on pages 3-5 of the Amendment in response to comments received from the Securities and Exchange Commission to the Company's Confidential Treatment Request filed separately with the Securities and Exchange Commission. It should be noted that on October 28, 2009 the Company announced in a Form 8-K that it had entered into a Seventh Amendment to PHS Patent License Agreement that revised the existing milestones and dates for performance to provide additional time to lift the current clinical hold on Proellex® or select a second generation molecule for further development from the family of anti-progestational agents covered by such agreement. This Seventh Amendment amended many of the provisions contained in the Amendment filed herewith and will be made available on EDGAR within the time permitted by SEC rules.

Exhibit 10.1 of this Current Report on Form 8-K/A includes the revised Amendment and replaces Exhibit 10.1 of the Original 8-K in its entirety. All other disclosures of the Original 8-K remain unchanged.
