ITEM 1.01

Entry into a Material Definitive Agreement.

On July 31, 2011, Windstream Corporation ("Windstream"), PAETEC Holding Corp., a Delaware corporation ("PAETEC"), and Peach Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of Windstream ("Merger Sub"), entered into an agreement and plan of merger (the "Merger Agreement") pursuant to which, among other things, Merger Sub will be merged (the "Merger") with and into PAETEC, with PAETEC surviving the Merger as a wholly-owned subsidiary of Windstream, subject to the terms and conditions of the Merger Agreement.

Under the terms of the Merger Agreement, PAETEC stockholders will receive 0.460 shares of common stock of Windstream ("Windstream Common Stock") for each share of PAETEC common stock upon the closing of the Merger. Windstream expects to issue approximately 73 million shares of Windstream Common Stock valued at approximately \$891 million, based on Windstream's closing stock price on July 29, 2011.

The Merger Agreement contains representations and warranties customary for transactions of this type. PAETEC has agreed to various customary covenants and agreements, including, among others, (1) to conduct its business in the ordinary course consistent with past practice during the interim period between the execution of the Merger Agreement and the effective time of the Merger, (2) not to engage in certain kinds of transactions during this period, (3) to convene and hold a meeting of its stockholders to consider and vote upon the Merger, and (4) not to (A) solicit, initiate, or knowingly encourage any alternative proposal to acquire PAETEC, or (B) subject to certain exceptions, provide any non-public information in connection with any such proposal, or engage in any discussions or negotiations regarding or any such proposal.

The Merger Agreement has been approved by the Board of Directors of each of Windstream and PAETEC. Consummation of the Merger is subject to certain customary conditions, including, among others, approval of the stockholders of PAETEC, governmental filings and regulatory approvals and expiration of applicable waiting periods, accuracy of the representations and warranties of the other party (generally subject to a material adverse effect standard), and material compliance by the other party with its obligations under the Merger Agreement.

Subject to the satisfaction of the closing conditions, the parties anticipate completing the transaction within six months of the date of the Merger Agreement.

The Merger Agreement also contains certain termination provisions for Windstream and PAETEC and provides that, in connection with the termination of the Merger Agreement under specified circumstances, PAETEC will be required to pay Windstream a termination fee.

Concurrently with the execution of the Merger Agreement, certain of PAETEC's executive officers and directors (the "Covered Stockholders"), in their capacities as stockholders of PAETEC, entered into a Voting Agreement with Windstream and Merger Sub (the "Voting Agreement"). Pursuant to the Voting Agreement, the Covered Stockholders, who collectively have the power to vote approximately 6.7% of PAETEC common stock as of July 27, 2011, agreed to vote all shares beneficially owned by them in favor of adoption of the Merger Agreement and the transactions contemplated thereby and against any alternative proposal or any other any action that is reasonably likely to adversely affect or interfere with the consummation of the transactions contemplated by the Merger Agreement. The Voting Agreement terminates (i) upon the earlier of the approval and adoption of the Merger Agreement by PAETEC's stockholders and the termination of the Merger Agreement in accordance with its terms, or (ii) at any time upon notice by Windstream or Merger Sub to the Covered Stockholders.

In connection with the Merger, Windstream has entered into a commitment letter with J.P. Morgan Securities LLC and JPMorgan Chase Bank, N.A., pursuant to which JPMorgan Chase Bank, N.A. has agreed to provide up to \$1,100,000,000 of senior unsecured loans under a bridge loan facility or backstop facility to Windstream, subject to the terms and conditions set forth therein. The proceeds from such facility will be used, if necessary, to refinance indebtedness of PAETEC at the closing of the transactions contemplated in the Merger Agreement. The commitment letter is subject to termination in the event that PAETEC obtains consents under the indentures relating to certain of its outstanding notes waiving applicable change of control puts and Windstream obtains a consent from the lenders under its credit agreement to an amendment that would waive the obligation to cause PAETEC and its subsidiaries to become guarantors under the credit agreement and waive any breach of the credit agreement caused by the change of control provisions under PAETEC's indentures. In addition, the commitment of J.P. Morgan Securities LLC and JPMorgan Chase Bank, N.A. under the commitment letter is subject to certain conditions, including the consummation of the Merger and the absence of a material adverse effect with respect to Windstream under the Merger Agreement.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 (incorporated by reference to Exhibit 2.1 to Current Report on Form 8-K of PAETEC, dated July 31, 2011), and is incorporated by reference herein. The Merger Agreement has been attached as an exhibit to provide investors and security holders with information regarding its terms. It is not intended to provide any other financial information about Windstream or its subsidiaries or affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates, are solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the parties that differ from those applicable to investors. Investors should not rely on the representations, warranties, or covenants or any description thereof as characterizations of the actual state of facts or condition of Windstream or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties, and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by Windstream.

#### ITEM 8.01 Other Events.

On August 1, 2011, Windstream announced that, in connection with the Merger, Windstream was seeking to amend its senior secured credit agreement by, among other things, (i) permitting the issuance of bridge loans, (ii) permitting the issuance and repayment of escrow notes, (iii) waiving guaranty and security requirements with regard to PAETEC and its subsidiaries, (iv) deleting the capital expenditures covenant and (v) waiving any breach due to the change of control provisions under PAETEC's outstanding notes. In addition, Windstream is seeking to amend its security agreement by, among other things, waiving the obligation to grant security on accounts relating to escrow notes and the proceeds of notes held in such accounts.

Following consummation of the Merger, and subject to the receipt of the proposed amendment to Windstream's senior secured credit agreement, Windstream intends to guarantee PAETEC's outstanding 9.5% senior notes due 2015, 8 7/8% senior secured notes due 2017, and 9 7/8% senior notes due 2018.

J.P. Morgan Chase Bank, N.A., serves as administrative agent under the Company's senior secured credit facilities.
