Forward-Looking Statements

Except for the historical information presented in this document, the matters discussed in this Form 10-K for the fiscal year ended August 31, 2011 contain forward-looking statements which involve assumptions and our future plans, strategies, and expectations. These statements are generally identified by the use of words such as “may,” “will,” “should,” “expect,” “anticipate,” “estimate,” “believe,” “intend,” or “project” or the negative of these words or other variations on words or comparable terminology. These statements are expressed in good faith and based upon a reasonable basis when made, but there can be no assurance that these expectations will be achieved or accomplished.

Such forward-looking statements include statements regarding, among other things, (a) the potential markets for our technologies, our potential profitability, and cash flows (b) our growth strategies (c) expectations from our ongoing research and development activities (d) anticipated trends in the technology industry (e) our future financing plans and (f) our anticipated needs for working capital. This information may involve known and unknown risks, uncertainties, and other factors that may cause our actual results, performance, or achievements to be materially different from the future results, performance, or achievements expressed or implied by any forward-looking statements. These statements may be found under “Management’s Discussion and Analysis of Financial Condition and Results of Operations” as well as in this Form 10-K generally. Actual events or results may differ materially from those discussed in forward-looking statements as a result of various factors, including, without limitation, the matters described in this Form 10-K generally. In light of these risks and uncertainties, there can be no assurance that the forward-looking statements contained in this filing will in fact occur. In addition to the information expressly required to be included in this filing, we will provide such further material information, if any, as may be necessary to make the required statements, in light of the circumstances under which they are made, not misleading.

Although forward-looking statements in this report reflect the good faith judgment of our management, forward-looking statements are inherently subject to known and unknown risks, business, economic and other risks and uncertainties that may cause actual results to be materially different from those discussed in these forward-looking statements. Readers are urged not to place undue reliance on these forward-looking statements, which speak only as of the date of this report. We assume no obligation to update any forward-looking statements in order to reflect any event or circumstance that may arise after the date of this report, other than as may be required by applicable law or regulation. Readers are urged to carefully review and consider the various disclosures made by us in our reports filed with the Securities and Exchange Commission which attempt to advise interested parties of the risks and factors that may affect our business, financial condition, results of operation and cash flows. If one or more of these risks or uncertainties materialize, or if the underlying assumptions prove incorrect our actual results may vary materially from those expected or projected.

Except where the context otherwise requires and for purposes of this 10-K only, “we,” “us,” “our,” “Company,” “our Company” and “MicroChannel” refer to MicroChannel Technologies Corporation, a Nevada corporation.

ITEM 1. BUSINESS

Description of Business

MicroChannel Technologies Corporation (the “Company”) was formed as a wholly-owned subsidiary of New Energy Technologies, Inc. (formerly, Octillion Corp.). New Energy Technologies, Inc. (“New Energy”) spun off our issued and outstanding shares to New Energy’s shareholders on December 18, 2007. We were incorporated under the name MultiChannel Technologies Corporation on February 28, 2005 in the State of Nevada, and changed to our existing name, MicroChannel Technologies Corporation, on April 4, 2005.

We are a development stage company previously engaged in an effort to develop technologies and products for peripheral and optic nerve damage and nerve regeneration. Until September 30, 2008, we were engaged in the development of the Iowa State University Research Foundation Inc. ("ISURF") Nerve Regeneration Technology. On September 30, 2008, the Option Agreement and Sponsored Project Agreement between us and ISURF expired, thereby concluding our research and development of technologies and products for peripheral and optic nerve damage and nerve regeneration. Upon conclusion of these agreements with ISURF, researchers were unable to identify suitable, commercially-available cells for use in this technology. We did not renew these agreements with ISURF.

We do not currently engage in any business operations. We are, however, in the process of attempting to identify, locate, and if warranted, acquire new and potentially commercial opportunities. As of the date of the filing of this report, we have no agreement or understanding with any person regarding the acquisition by us of any new and potentially commercial opportunities. There is no assurance that we will be able to identify and acquire any new and potentially commercial opportunities; the form and structure of any such acquisition may include, but are not limited to, a reverse merger resulting in our existing shareholders becoming minority shareholders on a post merger basis; however, the actual terms, conditions and form of any such acquisition are not ascertainable at this time.

Research and Development

Research and development costs represent costs incurred pursuant to our former research agreement with ISURF, which included salaries and benefits for research and development personnel, allocated overhead and facility occupancy costs, supplies, equipment purchase and repair, and other costs. Research and development costs are expensed when incurred, except for nonrefundable advance payments for future research and development activities which are capitalized and recognized as expense as the related services are performed.

We did not incur any research and development expense during the years ended August 31, 2011 and 2010. Research and development expense from the period of inception (February 28, 2005) to August 31, 2011 was \$175,839, comprised entirely of payments made pursuant to the ISURF Research Agreement.

Employees

As of August 31, 2011, we did not have any employees.

ITEM 2. PROPERTIES

Our corporate office is located at 9192 Red Branch Road, Suite 110, Columbia, MD, 21045. This premise is leased by the MVP Law Group, P.A, of which our former Chief Executive Officer is the founder. The MVP Law Group, P.A. does not currently charge us rent to utilize this space.

ITEM 3. LEGAL PROCEEDINGS

As of the date of this report, we are not a party to any material pending legal proceedings or government actions, including any bankruptcy, receivership, or similar proceedings. In addition, management is not aware of any known litigation or liabilities involving the operators of our properties that could affect our operations. Should any liabilities incur in the future, they will be accrued based on management's best estimate of the potential loss. As such, there is no adverse effect on our financial position, results of operations or cash flow at this time. Furthermore, we do not believe that there are any proceedings to which any of our directors, officers, or affiliates, or any beneficial owner of record of more than five percent of our common stock, or any associate of any such director, officer, affiliate, or security holder is a party adverse or has a material interest adverse to us.

PART II

ITEM 5. MARKET FOR REGISTRANT'S COMMON EQUITY, RELATED STOCKHOLDER MATTERS AND ISSUER PURCHASES OF EQUITY SECURITIES

Market Information

Our common stock is quoted on the OTC Markets Group, Inc. OTCQBTM tier (the "OTCQB") and was previously traded on the Over the Counter Bulletin Board (the "OTCBB") under the symbol "MCTC."

The following table sets forth the high and low bid quotations for our common stock for each quarter during the past two fiscal years as quoted on the OTCQB and the OTCBB. The quotations below reflect inter-dealer prices, without retail mark-up, mark-down or commission and may not necessarily represent actual transactions:

	High	Low
Fiscal Year Ended August 31, 2011		
First Quarter 2011 (September 1 – November 30, 2010)	\$ 0.09	\$ 0.02
Second Quarter 2011 (December 1, 2010 – February 28, 2011)	\$ 0.15	\$ 0.02
Third Quarter 2011 (March 1 – May 31, 2011)	\$ 0.08	\$ 0.03
Fourth Quarter 2011 (June 1 – August 31, 2011)	\$ 0.04	\$ 0.01
Fiscal Year Ended August 31, 2010		
First Quarter 2010 (September 1 – November 30, 2009)	\$ 0.05	\$ 0.01
Second Quarter 2010 (December 1, 2009 – February 28, 2010)	\$ 0.10	\$ 0.02
Third Quarter 2010 (March 1 – May 31, 2010)	\$ 0.08	\$ 0.02
Fourth Quarter 2010 (June 1 – August 31, 2010)	\$ 0.04	\$ 0.02

As of October 14, 2011, there were approximately 31 stockholders of record of our common stock.

Dividend Policy

We have not paid any dividends on our common stock and our board of directors presently intends to continue a policy of retaining earnings, if any, for use in our operations. The declaration and payment of dividends in the future, of which there can be no assurance, will be determined by the board of directors in light of conditions then existing, including earnings, financial condition, capital requirements and other factors. The Nevada Revised Statutes prohibit us from declaring dividends where, if after giving effect to the distribution of the dividend:

- We would not be able to pay our debts as they become due in the usual course of business; or
- Our total assets would be less than the sum of our total liabilities plus the amount that would be needed to satisfy the rights of stockholders who have preferential rights superior to those receiving the distribution.

Except as set forth above, there are no restrictions that currently materially limit our ability to pay dividends or which we reasonably believe are likely to limit materially the future payment of dividends on common stock.

Our Board of Directors has the right to authorize the issuance of preferred stock, without further stockholder approval, the holders of which may have preferences over the holders of the common stock as to payment of dividends.

Securities Authorized for Issuance Under Equity Compensation Plans

As of August 31, 2011, we do not have an incentive stock option plan and have not granted any warrants or other rights to employees, directors or consultants.

ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Overview

The following Management's Discussion and Analysis ("MD&A") is intended to help the reader understand our results of operations and financial condition. The MD&A is provided as a supplement to, and should be read in conjunction with, our financial statements and the accompanying notes to the financial statements included in this Form 10-K.

The MD&A is based on our financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America. The preparation of these financial statements requires us to make estimates and judgments that affect the reported amounts of assets, liabilities and expenses and related disclosure of contingent assets and liabilities. Management bases its estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions or conditions.

Background

We were incorporated under the name MultiChannel Technologies Corporation on February 28, 2005 in the State of Nevada, and changed to our existing name, MicroChannel Technologies Corporation, on April 4, 2005.

We are a development stage company previously engaged in an effort to develop technologies and products for peripheral and optic nerve damage and nerve regeneration. Until September 30, 2008, we were engaged in the development of the Iowa State University Research Foundation Inc. ("ISURF") Nerve Regeneration Technology. On September 30, 2008, the Option Agreement and Sponsored Project Agreement between us and ISURF expired, thereby concluding our research and development of technologies and products for peripheral and optic nerve damage and nerve regeneration. Upon conclusion of these agreements with ISURF, researchers were unable to identify suitable, commercially-available cells for use in this technology. We did not renew these agreements with ISURF.

We do not currently engage in any business operations. We are, however, in the process of attempting to identify, locate, and if warranted, acquire new commercial opportunities.

Results of Operations

Years Ended August 31, 2011 and 2010

Below is a summary of our operating expenses for the years ended August 31, 2011 and 2010:

	2011	Year Ended August 31, 2010	Increase / (Decrease)
Operating expenses			
Director and officer fees	\$ 9,000	\$ 27,000	\$ (18,000)
Professional fees	38,372	41,880	(3,508)
Other operating expenses	1,545	1,249	296
Total operating expenses	\$ 48,917	\$ 70,129	\$ (21,212)

Director and Officer Fees

Through August 31, 2010, our Chief Executive Officer (the "CEO") received \$1,250 per month and our Chief Financial Officer (the "CFO") received \$750 per month for their services as executive officers

Non-employee directors receive \$250 per month for their services as directors.

Effective September 1, 2010, Mr. Meetesh Patel resigned as a member of our Board of Directors (the "Board") and from all executive officer positions held with us and Ms. Pattiann Hiranandani resigned as a member of our Board. In order to fill the vacancies created by these resignations, the Board appointed Mr. David Gamache to the positions of President and CEO and Mr. Jeet Sidhu to our Board. The Board approved a curtailment in the amount paid to Mr. Gamache for services rendered as our CFO and CEO from \$750 per month to \$500 per month, effective September 9, 2010.

During the years ended August 31, 2011 and 2010, we incurred \$6,000 and \$24,000, respectively, as compensation for services provided to us by our executive officers. The decrease of \$18,000 is due to the resignation of Mr. Patel and the curtailment of the amount paid to Mr. Gamache.

During both of the years ended August 31, 2011 and 2010, we incurred \$3,000 as compensation for services provided to us by our non-employee directors.

Professional Fees

Professional fees primarily consist of accounting, audit, tax, legal, and transfer agent fees and fees related to the filing of documents with the Securities and Exchange Commission.

Professional fees decreased \$3,508 during the year ended August 31, 2011 compared to the year ended August 31, 2010, substantially as a result of the decrease in accounting and audit related fees of approximately \$6,500 offset by an increase in legal fees of approximately \$2,400. The decrease in accounting and audit related fees is primarily due to the decrease in the level of services we require while we are in the process of identifying new commercial opportunities. The increase in legal fees is due to additional services required of legal counsel upon the resignation of Mr. Patel and Ms. Hiranandani and the appointment of Mr. Sidhu to our Board (see "Director and Officer Fees" above).

Liquidity and Capital Resources

The accompanying financial statements have been prepared assuming we will continue as a going concern. We have incurred cumulative losses of \$444,316 through August 31, 2011 and do not have positive cash flows from operating activities. Due to the "start up" nature of our business, we expect to incur losses as we continue to identify and develop new technologies. These conditions raise substantial doubt about our ability to continue as a going concern. Management recognizes that in order to meet our capital requirements, and continue to operate, additional financing will be necessary. We are evaluating alternative sources of financing to improve our cash position and are undertaking efforts to raise capital, but there is no assurance that such additional funds will be available for us to finance our operations on acceptable terms, if at all. If we are unable to raise additional capital or generate positive cash flow, it is unlikely that we will be able to continue as a going concern. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Our principal source of liquidity is cash in the bank. At August 31, 2011, we had cash and cash equivalents of \$115,421. We have financed our operations primarily from \$400,000 received from New Energy, our former parent company. This amount was subsequently converted to equity as part of the spin-off in December 2007.

Net cash used in operating activities was \$53,043 for the year ended August 31, 2011 compared to net cash used in operating activities of \$73,381 for the year ended August 31, 2010. The decrease in cash used in operating activities of \$20,338 is substantially due to a decrease in the amount paid for director and officer fees (see “Director and Officer Fees” above).

7

Other Contractual Obligations

As of August 31, 2011, we do not have any contractual obligations.

Off-Balance Sheet Arrangements

We have no off-balance sheet arrangements.

Recently Issued and Adopted Accounting Pronouncements

We review new accounting standards as issued. Although some of these accounting standards issued or effective after the end of our previous fiscal year may be applicable to us, we have not identified any standards that we believe merit further discussion. We believe that none of the new standards will have a significant impact on our financial statements.

Subsequent Events

Change in Control

On September 28, 2011, Kalen Capital Corporation, a private corporation formed and existing under the laws of the Province of Alberta, Canada, wholly owned by Mr. Harmel Rayat, a former officer, director and controlling stockholder in two separate private transactions, sold an aggregate of 29,749,600 of its 36,749,600 shares of the Company, representing 55.2% of the Company's issued and outstanding common stock to Messrs. Jatinder Bhogal and Jeet Sidhu, a current director of the Company, for total compensation of \$2,974.96. Pursuant to the terms of their respective stock purchase agreements, Mr. Bhogal purchased 23,000,000 shares of the Company's common stock for \$2,300 and Mr. Sidhu purchased 6,749,600 shares of the Company's common stock for \$674.96; each of Messrs. Bhogal and Sidhu used their personal funds to purchase their respective shares. These transactions constitute a change in control of the Company. At the current time the Company will remain a "shell company" as that term is defined in Rule 405 of the Securities Act of 1933, as amended and Rule 12b-2 of the Securities Exchange Act of 1934, as amended. There are no arrangements between Messrs. Bhogal and Sidhu and Kalen Capital Corporation with respect to the election of directors, changes to the Company's current management or any other matters.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors
MicroChannel Technologies Corporation
Columbia, Maryland

We have audited the accompanying balance sheets of MicroChannel Technologies Corporation ("the Company") (a development stage company) as of August 31, 2011 and 2010, and the related statements of operations, stockholders' equity (deficit), and cash flows for the years then ended, and for the cumulative period from February 28, 2005 (inception), to August 31, 2011. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company has determined that it is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of MicroChannel Technologies Corporation as of August 31, 2011 and 2010, and the results of its operations and its cash flows for the years then ended, and for the cumulative period from February 28, 2005 (inception), to August 31, 2011, in conformity with accounting principles generally accepted in the United States.

The accompanying financial statements have been prepared assuming the Company will continue as a going concern. As discussed in Note 2 to the financial statements, the Company has experienced recurring losses from operations since inception and has a substantial accumulated deficit. These conditions raise substantial doubt about the Company's ability to continue as a going concern. Management's plans regarding these matters are also described in Note 2. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

MICROCHANNEL TECHNOLOGIES CORPORATION
(A Development Stage Company)

NOTES TO FINANCIAL STATEMENTS

August 31, 2011

(Expressed in U.S. Dollars)

Note 1. Organization and Description of Business

MicroChannel Technologies Corporation (“the Company”) was formed as a wholly-owned subsidiary of New Energy Technologies, Inc. (formerly, Octillion Corp.). New Energy Technologies, Inc. (“New Energy”) spun off the Company’s issued and outstanding shares to New Energy’s shareholders on December 18, 2007, the date on which a registration statement was declared effective by the United States Securities and Exchange Commission (“SEC”). The Company was incorporated under the name MultiChannel Technologies Corporation on February 28, 2005 in the State of Nevada, and changed to its existing name on April 4, 2005.

The Company was previously engaged in an effort to develop technologies and products for peripheral and optic nerve damage and nerve regeneration. Until September 30, 2008, the Company was engaged in the development of the Iowa State University Research Foundation Inc. (“ISURF”) Nerve Regeneration Technology. On September 30, 2008, the Option Agreement and Sponsored Project Agreement between the Company and ISURF expired, thereby concluding the Company’s research and development of technologies and products for peripheral and optic nerve damage and nerve regeneration. Upon conclusion of these agreements with ISURF, researchers were unable to identify suitable, commercially-available cells for use in this technology. The Company did not renew these agreements with ISURF.

The Company does not currently engage in any business operations. It is, however, in the process of attempting to identify, locate, and if warranted, acquire new commercial opportunities.

Note 2. Going Concern Uncertainties

The Company is a development stage company, has not generated any revenues, has an accumulated deficit of \$444,316 as of August 31, 2011, and does not have positive cash flows from operating activities. The accompanying financial statements have been prepared in conformity with generally accepted accounting principles in the United States of America, which contemplates continuation of the Company as a going concern, which is dependent upon the Company’s ability to establish itself as a profitable business.

Due to the start-up nature of the Company’s business, the Company expects to incur additional losses as it continues to identify and develop new technologies. To date, the Company’s cash flow requirements have been met by \$400,000 received from New Energy, its former parent company. Management recognizes that in order to meet the Company’s capital requirements, and continue to operate, additional financing will be necessary. The Company expects to raise additional funds through private or public equity investments in order to expand the range and scope of its business operations. The Company will seek access to private or public equity but there is no assurance that such additional funds will be available for the Company to finance its operations on acceptable terms, if at all. Furthermore, there is no assurance that the net proceeds received from any successful financing arrangement will be sufficient to cover cash requirements during the initial stages of the Company’s operations. If the Company is unable to raise additional capital or generate positive cash flow, it is unlikely that the Company will be able to continue as a going concern.

In view of these conditions, the ability of the Company to continue as a going concern is in substantial doubt and dependent upon achieving a profitable level of operations and on the ability of the Company to obtain necessary

financing to fund ongoing operations. These financial statements do not give effect to any adjustments which will be necessary should the Company be unable to continue as a going concern and therefore be required to realize its assets and discharge its liabilities in other than the normal course of business and at amounts different from those reflected in the accompanying financial statements.

Note 3. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States (“U.S. GAAP”).

Estimates

The preparation of the Company’s financial statements requires management to make estimates and use assumptions that affect the reported amounts of assets, liabilities, and expenses. These estimates and assumptions are affected by management’s application of accounting policies. On an on-going basis, the Company evaluates its estimates. Actual results and outcomes may differ materially from these estimates and assumptions.

Cash and Cash Equivalents

Cash and cash equivalents includes highly liquid investments with original maturities of three months or less. On occasion, the Company has amounts deposited with financial institutions in excess of federally insured limits.

Income Taxes

The Company accounts for income taxes using the asset and liability method. Under the asset and liability method, deferred tax assets and liabilities are recognized for the future tax consequences attributed to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and tax credits and loss carry-forwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences and carry-forwards are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. A valuation allowance is established when necessary to reduce deferred tax assets to amounts expected to be realized. The Company reports a liability for unrecognized tax benefits resulting from uncertain income tax positions taken or expected to be taken in an income tax return. Estimated interest and penalties are recorded as a component of interest expense or other expense, respectively. See “Note 6. Income Taxes” for further discussion.

Fair Value of Financial Instruments

The carrying value of cash and cash equivalents and accounts payable approximate their fair value because of the short-term nature of these instruments and their liquidity. Management is of the opinion that the Company is not exposed to significant interest or credit risks arising from these financial instruments.

Net Loss per Share

The computation of basic net loss per common share is based on the weighted average number of shares that were outstanding during the year. The computation of diluted net loss per common share is based on the weighted average number of shares used in the basic net loss per share calculation plus the number of common shares that would be issued assuming the exercise of all potentially dilutive common shares outstanding using the treasury stock method for shares subject to stock options and warrants. See “Note 4. Net Loss Per Share” for further discussion.

Segment Reporting

The Company's business is considered as operating in one segment based upon the Company's organizational structure, the way in which the operations are managed and evaluated, the availability of separate financial results and materiality considerations.

Related Party Transactions

A related party is generally defined as (i) any person that holds 10% or more of the Company's securities and their immediate families, (ii) the Company's management, (iii) someone that directly or indirectly controls, is controlled by or is under common control with the Company, or (iv) anyone who can significantly influence the financial and operating decisions of the Company. A transaction is considered to be a related party transaction when there is a transfer of resources or obligations between related parties.

Recently Issued and Adopted Accounting Pronouncements

The Company reviews new accounting standards as issued. Although some of these accounting standards issued or effective after the end of the Company's previous fiscal year may be applicable to the Company, it has not identified any standards that it believes merit further discussion. The Company believes that none of the new standards will have a significant impact on its financial statements.

Note 4. Net Loss Per Share

Basic net loss per share is computed by dividing the net loss by the weighted average number of common shares outstanding during the period. The Company does not have any stock options or warrants outstanding that would be anti-dilutive.

For purposes of earnings per share computations, shares of common stock that are issuable at the end of a reporting period are included as outstanding.

Following is the computation of basic net loss per share for the years ended August 31, 2011 and 2010:

	Year Ended August 31,	
	2011	2010
Numerator - net loss	\$ (48,917)	\$ (70,129)
Denominator - weighted average number of common shares outstanding – basic	53,864,600	53,864,600
Basic net loss per common share	\$ (0.00)	\$ (0.00)

Note 5. Related Party Transactions

Director Fees

Non-employee directors receive \$250 per month for their services as directors.

During both of the years ended August 31, 2011 and 2010, the Company incurred \$3,000 as compensation for services provided by its non-employee directors.

Officer Fees

Through August 31, 2010, the Company's Chief Executive Officer (the "CEO") received \$1,250 per month and its Chief Financial Officer (the "CFO") received \$750 per month for their services as executive officers.

Effective September 1, 2010, Mr. Meetesh Patel resigned as a member of the Company's Board of Directors (the "Board") and from all executive officer positions held with the Company, and Ms. Pattiann Hiranandani resigned as a member of the Company's Board. In order to fill the vacancies created by these resignations, the Board appointed Mr. David Gamache to the positions of President and CEO and Mr. Jeet Sidhu to the Company's Board. The Board approved a curtailment in the amount paid to Mr. Gamache for services rendered as the Company's CFO and CEO from \$750 per month to \$500 per month, effective September 9, 2010.

During the years ended August 31, 2011 and 2010, the Company incurred \$6,000 and \$24,000, respectively, as compensation for services that executive officers provided to the Company.

Related party transactions are in the normal course of operations and are recorded at amounts established and agreed between the related parties.

Note 6. Income Taxes

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. Significant components of the Company's deferred tax assets at August 31, 2011 and 2010 are as follows:

	Year Ended August 31,	
	2011	2010
Deferred tax assets:		
Net operating loss carryforwards	\$ 94,352	\$ 76,140
Capitalized research and development	10,476	12,056
Research and development credit carry forward	1,963	1,963
Total deferred tax assets	106,791	90,159
Less: valuation allowance	(106,791)	(90,159)
Net deferred tax asset	\$ —	\$ —

The net increase in the valuation allowance for deferred tax assets was \$16,632 and \$24,042 for the years ended August 31, 2011 and 2010. The Company evaluates its valuation allowance requirements on an annual basis based on projected future operations. When circumstances change and this causes a change in management's judgment about the realizability of deferred tax assets, the impact of the change on the valuation allowance is reflected in current operations.

For federal income tax purposes, the Company has net U.S. operating loss carry forwards at August 31, 2011 available to offset future federal taxable income, if any, of \$277,505, which will fully expire by the fiscal year ended August 31, 2031. Accordingly, there is no current tax expense for the years ended August 31, 2011 and 2010. In addition, the Company has research and development tax credit carry forwards of \$1,963 at August 31, 2011, which are available to offset federal income taxes and fully expire by August 31, 2028.

The utilization of the tax net operating loss carry forwards may be limited due to ownership changes that have occurred as a result of sales of common stock.

The effects of state income taxes were insignificant for the years ended August 31, 2011 and 2010.

The following is a reconciliation between expected income tax benefit and actual, using the applicable statutory income tax rate of 34% for the years ended August 31, 2011 and 2010:

	Year Ended August 31,	
	2011	2010
Income tax benefit at statutory rate	\$ 16,632	\$ 23,844
Other	-	198
Change in valuation allowance	(16,632)	(24,042)
	\$ -	\$ -

The fiscal years 2008 through 2011 remain open to examination by federal authorities and other jurisdictions in which the Company operates.

Note 7. Subsequent Events

Change in Control

On September 28, 2011, Kalen Capital Corporation, a private corporation formed and existing under the laws of the Province of Alberta, Canada, wholly owned by Mr. Harmel Rayat, a former officer, director and controlling stockholder in two separate private transactions, sold an aggregate of 29,749,600 of its 36,749,600 shares of the Company, representing 55.2% of the Company's issued and outstanding common stock to Messrs. Jatinder Bhogal and Jeet Sidhu, a current director of the Company, for total compensation of \$2,974.96. Pursuant to the terms of their respective stock purchase agreements, Mr. Bhogal purchased 23,000,000 shares of the Company's common stock for \$2,300 and Mr. Sidhu purchased 6,749,600 shares of the Company's common stock for \$674.96; each of Messrs. Bhogal and Sidhu used their personal funds to purchase their respective shares. These transactions constitute a change in control of the Company. At the current time the Company will remain a "shell company" as that term is defined in Rule 405 of the Securities Act of 1933, as amended and Rule 12b-2 of the Securities Exchange Act of 1934, as amended. There are no arrangements between Messrs. Bhogal and Sidhu and Kalen Capital Corporation with respect to the election of directors, changes to the Company's current management or any other matters.

ITEM 9. CHANGE IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE

None.

ITEM 9A. CONTROLS AND PROCEDURES

(a) Evaluation of Disclosure Controls and Procedures

Under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, we conducted an evaluation of the effectiveness of the design and operation of our disclosure controls and procedures, as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934 (the "Exchange Act"), as of the end of the period covered by this annual report. Based on this evaluation, our Chief Executive Officer and Chief Financial Officer concluded that as of August 31, 2011, our disclosure controls and procedures were effective such that the information required to be disclosed in our reports filed under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms, and is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure.

(b) Management's Report on Internal Control over Financial Reporting

Our management is responsible for establishing and maintaining effective internal control over financial reporting, as such term is defined in Exchange Act Rule 13a-15(f). Under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, we conducted an evaluation of the effectiveness of our internal control over financial reporting based on the framework in Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission. Based on this evaluation, management concluded that our internal control over financial reporting was effective as of August 31, 2011.

This annual report does not include an attestation report of our registered public accounting firm regarding internal control over financial reporting. Management's report was not subject to attestation by our registered public accounting firm pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, which permanently exempts non-accelerated filers (generally issuers with a public float under \$75 million) from complying with Section 404(b) of the Sarbanes-Oxley Act of 2002.

(c) Changes in Internal Control over Financial Reporting

There were no changes in our internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) that occurred during the period covered by this report that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

ITEM 9B. OTHER INFORMATION

None.

PART III

ITEM 10. DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE

DIRECTORS AND EXECUTIVE OFFICERS

The following table sets forth the names and ages of all of our directors and executive officers. We have a board of directors comprised of two members. Each director holds office until a successor is duly elected or appointed. Executive officers serve at the discretion of the Board and are appointed by the Board.

Also provided herein are brief descriptions of the business experience of each of the directors and officers during the past five years, and an indication of directorships held by each director in other companies subject to the reporting requirements under the Federal securities law.

Name	Age	Position With Company	Director Since
David Gamache	61	Chief Executive Officer, Chief Financial Officer, President, Secretary, Treasurer, and Director	August 5, 2008
Jeet S. Sidhu	39	Director	September 2, 2010

David Gamache. From August 2001 until present, Mr. Gamache has been the owner of Allen Lee Group. Allen Lee Group does personal achievement coaching, business development consulting, and health coaching with various Network Marketing companies. From March 2007 to June 2008 Mr. Gamache was President, Treasurer, and Director of Lake Victoria Mining Company, Inc. Lake Victoria Mining Company, Inc. is an exploration gold company doing business in Tanzania, Africa. From June 2008 to present, Mr. Gamache also has served and continues to serve as the President, Treasurer, and Director of Kibo Resources Company, Inc. Kibo Resources is an exploration gold company doing business in Tanzania, Africa. From September 2008 to present, Mr. Gamache has served and continues to serve as President, Treasurer, and Director of Duke Mountain Resources, Inc. Duke Mountain Resources, Inc. is a development stage innovative company that focuses on the exploration and development of precious metal deposits in British Columbia, Canada. Mr. Gamache was invited to join the Board of Directors due to his experience with public companies in the matters relating to management, administration, and business development.

Jeet S. Sidhu. Mr. Sidhu graduated from the British Columbia Institute of Technology with a Diploma in Corporate Finance in 1995. From 2002-2009, Mr. Sidhu was Vice-President of Montgomery Asset Management Corporation, a privately held firm providing financial and management consulting services to emerging growth corporations. Mr. Sidhu served as a member of the Board of Directors for U.S. Petroleum Corporation from August 2003 until August 2006. Mr. Sidhu served as a Director of Entheos Technologies, Inc. from September 8, 2008 to August 26, 2010. Mr. Sidhu currently serves as a member of the Board of Directors of PhytoMedical Technologies, Inc. Mr. Sidhu was invited to join the Board of Directors due to his experience with public companies in the matters relating to management, administration, financial reporting, legal compliance, and business development.

Recent Management Changes

Effective September 1, 2010, Mr. Meetesh Patel resigned as a member of our Board and from all executive officer positions held with us and Ms. Pattiann Hiranandani resigned as a member of our Board. In order to fill the vacancies created by these resignations, the Board appointed Mr. Gamache to the position of President and Chief Executive Officer.

The resignations of each of Mr. Patel and Ms. Hiranandani were not the result of any disagreement with us on any matter relating to our operations, policies or practices, but rather the declared desire of each of Mr. Patel and Ms.

Hiranandani to pursue other interests, which would no longer permit either of them to continue to serve as one of our directors or an officer.

Effective September 2, 2010, the Board appointed Mr. Jeet Sidhu to serve as a member of our Board.

Family Relationships and Other Matters

There are no family relationships among or between any of our officers and directors.

Legal Proceedings

During the past ten years none of our directors, executive officers, or promoters have been involved in any of the following legal proceedings:

1. A petition under the Federal bankruptcy laws or any state insolvency law was filed by or against, or a receiver, fiscal agent or similar officer was appointed by a court for the business or property of such person, or any partnership in which he was a general partner at or within two years before the time of such filing, or any corporation or business association of which he was an executive officer at or within two years before the time of such filing;
2. Such person was convicted in a criminal proceeding or is a named subject of a pending criminal proceeding (excluding traffic violations and other minor offenses);
3. Such person was the subject of any order, judgment, or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction, permanently or temporarily enjoining him from, or otherwise limiting, the following activities:
 - a. Acting as a futures commission merchant, introducing broker, commodity trading advisor, commodity pool operator, floor broker, leverage transaction merchant, any other person regulated by the Commodity Futures Trading Commission, or an associated person of any of the foregoing, or as an investment adviser, underwriter, broker or dealer in securities, or as an affiliated person, director or employee of any investment company, bank, savings and loan association or insurance company, or engaging in or continuing any conduct or practice in connection with such activity;
 - b. Engaging in any type of business practice; or
- c. Engaging in any activity in connection with the purchase or sale of any security or commodity or in connection with any violation of Federal or State securities laws or Federal commodities laws;
4. Such person was the subject of any order, judgment or decree, not subsequently reversed, suspended or vacated, of any Federal or State authority barring, suspending or otherwise limiting for more than 60 days the right of such person to engage in any activity described in paragraph 3(a) or to be associated with persons engaged in any such activity;
5. Such person was found by a court of competent jurisdiction in a civil action or by the Commission to have violated any Federal or State securities law, and the judgment in such civil action or finding by the Commission has not been subsequently reversed, suspended, or vacated;
6. Such person was found by a court of competent jurisdiction in a civil action or by the Commodity Futures Trading Commission to have violated any Federal commodities law, and the judgment in such civil action or finding by the Commodity Futures Trading Commission has not been subsequently reversed, suspended or vacated;

7. Such person was the subject of, or a party to, any Federal or State judicial or administrative order, judgment, decree, or finding, not subsequently reversed, suspended or vacated, relating to an alleged violation of:

- a. Any Federal or State securities or commodities law or regulation; or

b. Any law or regulation respecting financial institutions or insurance companies including, but not limited to, a temporary or permanent injunction, order of disgorgement or restitution, civil money penalty or temporary or permanent cease-and-desist order, or removal or prohibition order; or

c. Any law or regulation prohibiting mail or wire fraud or fraud in connection with any business entity; or

8. Such person was the subject of, or a party to, any sanction or order, not subsequently reversed, suspended or vacated, of any self-regulatory organization (as defined in Section 3(a)(26) of the Exchange Act (15 U.S.C. 78c(a)(26))), any registered entity (as defined in Section 1(a)(29) of the Commodity Exchange Act (7 U.S.C. 1(a)(29))), or any equivalent exchange, association, entity or organization that has disciplinary authority over its members or persons associated with a member.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Because we do not have a class of equity securities registered pursuant to section 12 of the Exchange Act we are not required to make the disclosures required by Item 405 of Regulation SK.

CODE OF ETHICS

We have adopted a Code of Ethics that applies to all of our officers, directors and employees, including our Chief Financial Officer and Chief Executive Officer. The Code of Ethics is designed to deter wrongdoing, and to promote, among other things, honest and ethical conduct, full, fair, accurate, timely, and understandable disclosure in reports and documents that we file with, or submit to the SEC, compliance with applicable governmental laws, rules and regulations, the prompt internal reporting of violations of the Code of Ethics, and accountability for adherence to the Code of Ethics. A copy of our Code of Ethics may be obtained at no charge by sending a written request to our Chief Executive Officer, David Gamache, 9192 Red Branch Road, Suite 110, Columbia, MD 21045.

CORPORATE GOVERNANCE

Director Independence

We are not listed on a U.S. securities exchange and, therefore, are not subject to the corporate governance requirements of any such exchange, including those related to the independence of directors. However, at this time, after considering all of the relevant facts and circumstances, our Board of Directors has determined that Mr. Jeet Sidhu is independent from our management and qualifies as an “independent director” under the standards of independence of the FINRA listing standards. We do not currently have a majority of independent directors as required by the FINRA listing standards. Upon our listing on any national securities exchange or any inter-dealer quotation system, we will elect such independent directors as is necessary under the rules of any such securities exchange.

Board Leadership Structure

We have no fixed policy on whether the roles of Chairman of the Board and Chief Executive Officer should be separate or combined, with this decision being made based on our best interests considering the circumstances at the time. Currently, these roles are combined with Mr. David Gamache serving as both the Chairman of the Board and the Chief Executive Officer. We believe that combining these positions provides an effective leadership structure for our company, given the size of our Board. As Chief Executive Officer, Mr. Gamache is intimately involved in our day-to-day operations and thus is in a position to elevate important business issues for consideration by the Board. The Board also believes that the combined role of Chief Executive Officer and Chairman of the Board promotes effective execution of strategic goals and facilitates information flow between management and the Board. Nevertheless, the

Board intends to carefully evaluate from time to time whether our Chief Executive Officer and Chairman positions should be combined based on what the Board believes is best for us and our stockholders.

Board Role in Risk Oversight

Risk is inherent in every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including strategic risks, enterprise risks, financial risks, and regulatory risks. While our management is responsible for day to day management of various risks we face, the Board of Directors is responsible for evaluating our exposure to risk and to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

Board of Directors Meetings, Committees of the Board of Directors, and Annual Meeting Attendance

During the fiscal year ended August 31, 2011, each director attended at least 75% of all meetings of the Board of Directors. We do not maintain a policy regarding director attendance at annual meetings and we did not have an annual meeting during the fiscal year ended August 31, 2011.

We do not currently have any standing committees of the Board of Directors. The full Board is responsible for performing the functions of: (i) the Audit Committee, (ii) the Compensation Committee and (iii) the Nominating Committee.

Audit Committee

The Board does not currently have a standing Audit Committee. The full Board performs the principal functions of the Audit Committee. The full Board monitors our financial reporting process and internal control system and reviews and appraises the audit efforts of our independent accountants.

Compensation Committee

The Board does not currently have a standing Compensation Committee. The full Board establishes our overall compensation policies and reviews recommendations submitted by our management.

Nominating Committee

The Board does not currently have a standing Nominating Committee. We do not maintain a policy for considering nominees. Our Bylaws provides that the number of Directors shall be fixed from time to time by the Board, but in no event shall be less than the minimum required by law. The Board shall be large enough to maintain our required expertise but not too large to function efficiently. Director nominees are recommended, reviewed and approved by the entire Board. The Board believes that this process is appropriate due to the relatively small number of directors on the Board and the opportunity to benefit from a variety of opinions and perspectives in determining director nominees by involving the full Board.

While the Board is solely responsible for the selection and nomination of directors, the Board may consider nominees recommended by stockholders as it deems appropriate. The Board evaluates each potential nominee in the same manner regardless of the source of the potential nominee's recommendation. Although we do not have a policy regarding diversity, the Board does take into consideration the value of diversity among Board members in background, experience, education and perspective in considering potential nominees for recommendation to the Board for selection. Stockholders who wish to recommend a nominee should send nominations to our Chief Executive Officer, David Gamache, 9192 Red Branch Road, Suite 110, Columbia, MD 21045, that include all information relating to such person that is required to be disclosed in solicitations of proxies for the election of directors. The recommendation must be accompanied by a written consent of the individual to stand for election if nominated by the Board and to serve if elected.

Compensation Consultants

We have not historically relied upon the advice of compensation consultants in determining Named Executive Officer compensation. Instead, the full Board reviews compensation levels and makes adjustments based on their personal knowledge of competition in the market place, publicly available information and informal surveys of human resource professionals.

Stockholder Communications

Stockholders who wish to communicate with the Board of Directors may do so by addressing their correspondence to the Board of Directors at MicroChannel Technologies Corporation, Attention: David Gamache, 9192 Red Branch Road, Suite 110, Columbia, MD 21045. The Board of Directors shall review and respond to all correspondence received, as appropriate.

ITEM 11. EXECUTIVE COMPENSATION

Summary Compensation

The following table and descriptive materials set forth information concerning compensation earned for services rendered to us by: the Chief Executive Officer (the “CEO”); the Chief Financial Officer (the “CFO”); and the two other most highly-compensated executive officers other than the CEO and CFO who were serving as executive officers during the fiscal year ended August 31, 2011 (the “Named Executive Officers”).

SUMMARY COMPENSATION TABLE

The following table summarizes the compensation earned by the Named Executive Officers during the fiscal years ended August 31, 2011 and 2010:

Name and Principal Position	Year Ended		
	August 31,	Salary (\$)	Total (\$)
David Gamache (1) Chief Executive Officer, Chief Financial Officer, Secretary, Treasurer, and Director	2011	6,000	6,000
	2010	9,000	9,000
Meetesh Patel (2) Former President and Chief Executive Officer, and Former Director	2011	-	-
	2010	15,000	15,000

(1)Mr. Gamache was appointed our CFO, Secretary, Treasurer, and as a member of our Board, effective August 5, 2008. In order to fill the vacancy created by the resignation of Mr. Patel, the Board appointed Mr. Gamache to the position of President and Chief Executive Officer, effective September 1, 2010. Through August 31, 2010, Mr. Gamache received compensation of \$750 per month for services rendered as our CFO. The Board approved a curtailment in the amount paid to Mr. Gamache from \$750 per month to \$500 per month, effective September 9, 2010.

(2)Mr. Patel was appointed our President and CEO and as a member of our Board, effective August 5, 2008. Mr. Patel received compensation of \$1,250 per month for services rendered as our President and CEO. Effective September 1, 2010, Mr. Patel resigned as a member of our Board and from all executive officer positions held with us.

OUTSTANDING EQUITY AWARDS AT FISCAL-YEAR END

We do not have an employee stock option plan or other benefit plans. Therefore, as of August 31, 2011, there were no equity awards outstanding for the Named Executive Officers.

COMPENSATION OF DIRECTORS

We do not pay director compensation to directors who are also our employees. Our Board of Directors determines the non-employee directors' compensation for serving on the Board and its committees. In establishing director compensation, the Board is guided by the following goals:

- Compensation should consist of a combination of cash and equity awards that are designed to fairly pay the directors for work required for a company of MicroChannel Technologies Corporation's size and scope;
 - Compensation should align the directors' interests with the long-term interests of stockholders; and
 - Compensation should assist with attracting and retaining qualified directors.

Non-employee directors receive \$250 per month for their services as directors. We also reimburse directors for any actual expenses incurred to attend meetings of the Board.

Mr. Jeet S. Sidhu was appointed as a member of our Board, effective September 1, 2010, in order to fill the vacancy created by the resignation of Ms. Pattiann Hiranandani on the same date.

During the year ended August 31, 2011, we paid \$3,000 to Mr. Sidhu as compensation for services rendered as a non-employee director.

During the year ended August 31, 2010, we paid \$3,000 to Ms. Hiranandani as compensation for services rendered as a non-employee director.

PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

There are no understandings or agreements known by management at this time which would result in a change in control.

We do not have any change-of-control or severance agreements with any of our executive officers or directors.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

We do not have a formal written policy for the review and approval of transactions with related parties. However, our Code of Ethics and Corporate Governance Principles require actual or potential conflict of interest to be reported to the Chairman of the Board. Our employees are expected to disclose personal interests that may conflict with ours and they may not engage in personal activities that conflict with their responsibilities and obligations to us. Periodically, we inquire as to whether or not any of our Directors have entered into any transactions, arrangements or relationships that constitute related party transactions. If any actual or potential conflict of interest is reported, our entire Board of Directors and outside legal counsel review the transaction and relationship disclosed and the Board makes a formal determination regarding each Director's independence. If the transaction is deemed to present a conflict of interest, the Board of Directors will determine the appropriate action to be taken.

Transactions with Related Persons

Since the beginning of the fiscal year ended August 31, 2011, there have been no transactions in which we were or are a participant in which the amount involved exceeded \$120,000 and in which any related person (as that term is defined for purposes of Section 404 (a) of Regulation S-K) had or will have a direct or indirect material interest and there are currently no such proposed transactions. For related party transactions that do not exceed \$120,000 please see "Note 5. Related Party Transactions" in the notes to the financial statements included in this Form 10-K.

Review, Approval or Ratification of Transactions with Related Persons

Our policy with regard to transactions with related persons is that all material transactions are to be reviewed by the entire Board of Directors for any possible conflicts of interest. In the event of a potential conflict of interest, the Board will generally evaluate the transaction in terms of the following standards: (i) the benefits to us; (ii) the impact on a director's independence in the event the related person is a director, an immediate family member of a director or an entity in which a director is a partner, shareholder or executive officer; (iii) the availability of other sources for comparable products or services; (iv) the terms and conditions of the transaction; and (v) the terms available to unrelated parties or the employees generally. The Board will then document its findings and conclusion in written minutes.

Director Independence

Please refer to "Director Independence" under the section titled "CORPORATE GOVERNANCE" in "ITEM 10. DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE".

ITEM 14. PRINCIPAL ACCOUNTING FEES AND SERVICES

INDEPENDENT PUBLIC ACCOUNTANTS

Peterson Sullivan, LLP ("Peterson Sullivan") currently serves as our independent registered public accounting firm to audit our financial statements for the fiscal year ended August 31, 2011. To the knowledge of management, neither such firm nor any of its members has any direct or material indirect financial interest in us or any connection with us in any capacity otherwise than as independent accountants.

Our Board of Directors, in its discretion, may direct the appointment of different public accountants at any time during the year, if the Board believes that a change would be in the best interests of the stockholders. The Board of Directors has considered the audit fees, audit-related fees, tax fees and other fees paid to Peterson Sullivan, as disclosed below,

and has determined that the payment of such fees is compatible with maintaining the independence of the accountants.

We do not currently have an audit committee.
