The number of shares of common stock of Net Element International, Inc. being registered represents the estimated (1) maximum number of shares of Net Element International's common stock to be issued in connection with the proposed business combination described herein.

Calculated as the product obtained by multiplying (a) the shares of common stock, par value \$0.001 per share, of Net Element, Inc. estimated to be issued and outstanding (on a fully diluted basis) immediately prior to the consummation of the merger by (b) the Exchange Ratio of 0.025 set forth in the merger

(2) agreement (as hereinafter defined). This amount also includes shares of common stock of Net Element International that may, under certain circumstances, be issued to the extent a holder of common stock of Net Element, Inc. would receive fewer than 100 shares of common stock of Net Element International as a result of the Exchange Ratio.

Estimated solely for the purpose of calculating the registration fee, based on the average of the high and low prices (3) of the ordinary shares of Cazador Acquisition Corporation Ltd. on The NASDAQ Capital Market on June 5, 2012 (\$9.875 per share), in accordance with Rule 457(f)(1).

The number of shares of common stock of Net Element International being registered includes all ordinary shares (4) of Cazador Acquisition Corporation Ltd. that are issued and outstanding upon Cazador domestication (as hereinafter defined), which shares will automatically be converted by operation of law into shares of common stock of Net Element International in the Cazador domestication.

Upon effectiveness of the Cazador domestication, all outstanding warrants to acquire ordinary shares of Cazador (5) Acquisition Corporation Ltd. will become warrants to acquire the same number of shares of Net Element International at the same price and for on same terms. No registration fee is required pursuant to Rule 457(g) under the Securities Act.

Pursuant to Rule 416, there is also being registered such indeterminable number of additional shares of common (6) stock of Net Element International as may be issued to prevent dilution resulting from share dividends, split-up, reverse split-up or similar event.

(7) Previously paid by Cazador Acquisition Corporation Ltd.

Prior the effectiveness of the business combination described herein, the Registrant intends to effect a domestication under Section 388 of the General Corporation Law of the State of Delaware and a migration under Cayman Islands *law, pursuant to which the Registrant's jurisdiction of incorporation will be changed from the Cayman Islands to the State of Delaware. In connection with the domestication and the merger, the Registrant intends to change its legal corporate name to Net Element International, Inc.

The Registrant hereby amends this Registration Statement on such date or dates as may be necessary to delay its effective date until the Registrant shall file a further amendment which specifically states that this Registration Statement shall thereafter become effective in accordance with Section 8(a) of the Securities Act of 1933 or until this Registration Statement shall become effective on such date as the Securities and Exchange Commission, acting pursuant to said Section 8(a), may determine.

CAZADOR ACQUISITION
CORPORATION LTD.

NET ELEMENT, INC.

To the Shareholders of Cazador Acquisition Corporation Ltd. and Net Element, Inc.:

Each of the respective boards of directors of Cazador Acquisition Corporation Ltd., or Cazador, and Net Element, Inc., or Net Element, have approved an agreement and plan of merger by and between Cazador and Net Element, or the merger agreement, pursuant to which Net Element will merge with and into Cazador, with Cazador as the surviving entity. The foregoing transaction is referred to in this joint proxy statement/prospectus as the merger.

As a condition to closing the merger pursuant to the terms of the merger agreement, the board of directors of Cazador has unanimously approved a change of Cazador's jurisdiction of incorporation by discontinuing as an exempted company in the Cayman Islands and continuing and domesticating as a corporation incorporated under the laws of the State of Delaware, which we refer to as the Cazador domestication. To effect the Cazador domestication, Cazador will file a notice of de-registration with the Cayman Islands Registrar of Companies, together with the necessary accompanying documents, and file a certificate of incorporation and a certificate of corporate domestication with the Secretary of State of the State of Delaware, under which Cazador will be domesticated and continue as a Delaware corporation, at which time Cazador will change its name, in connection with the effectiveness of the merger, to Net Element International, Inc. We refer to Cazador following effectiveness of the Cazador domestication as NEI. On the effective date of the Cazador domestication, each currently issued and outstanding ordinary share, par value \$0.0001 per share, of Cazador Cayman, or Cazador Ordinary Shares, will automatically convert by operation of law, on a one-for-one basis, into shares of common stock, par value \$0.0001 per share, of NEI, or NEI Common Stock. Similarly, outstanding options, warrants and other rights to acquire Cazador Ordinary Shares will become options, warrants or rights to acquire the corresponding shares of NEI Common Stock. No other changes will be made to the terms of any outstanding options, warrants and other rights to acquire Cazador Ordinary Shares as a result of the Cazador domestication.

The Cazador domestication, together with the merger, is referred to as the business combination. Unless the context otherwise requires, in this joint proxy statement/prospectus, the term Cazador refers to Cazador Acquisition Corporation Ltd. as it currently exists under Cayman Islands law and as it will continue to exist under the Delaware General Corporation Law, or the DGCL, following the Cazador domestication. The term Cazador Cayman refers to Cazador prior to the Cazador domestication.

Prior to the effective time of the merger, each holder of outstanding securities of Net Element that are convertible into or exchangeable or exercisable for shares of common stock, par value \$0.001 per share, of Net Element, or the Net Element Common Stock, will enter into conversion agreements, pursuant to which all such outstanding securities of

Net Element will be either terminated or converted into or exchanged or exercised for shares of Net Element Common Stock (in the case of outstanding Net Element stock options and warrants that are exercised, on a cashless basis); provided that certain option holders that received their options in lieu of cash compensation will have the ability to elect to terminate their options in exchange for cash in the amount of such compensation.

Pursuant to the terms of the merger agreement, upon completion of the merger, each share of then-issued and outstanding Net Element Common Stock (other than shares held by Net Element as treasury stock or by any of its direct or indirect wholly-owned subsidiaries, which will be cancelled upon the effectiveness of the merger, and shares with respect to which appraisal rights, to the extent available under the DGCL, are properly exercised and not withdrawn) will be automatically cancelled and converted into the right to receive the number of shares of NEI Common Stock equal to the Exchange Ratio. The Exchange Ratio is 0.025 shares of NEI Common Stock per share of Net Element Common Stock, which reflects a 66% premium over the last reported sale price of the Net Element Common Stock on the OTCQB electronic quotation system of \$0.15 per share on August 21, 2012. The Exchange Ratio is subject to adjustment to reflect appropriately the effect of any stock split, reverse stock split, stock dividend, extraordinary cash dividends, reorganization, recapitalization, reclassification, combination, exchange of shares or other like change, although no such events are currently contemplated. However, the Exchange Ratio will not be adjusted to reflect any changes in the market prices of Cazador Ordinary Shares, NEI Common Stock or Net Element Common

TABLE OF CONTENTS

Stock. Notwithstanding the foregoing, to the extent a holder of Net Element Common Stock would receive fewer than 100 shares of NEI Common Stock as a result of the Exchange Ratio, Cazador shall have the right, exercisable in Cazador's sole and absolute discretion, to issue to any such holder an additional number of shares of NEI Common Stock so that such holder receives, in the aggregate, 100 shares of NEI Common Stock in connection with the merger. In addition, no fractional shares of NEI Common Stock will be issued in connection with the merger. Instead, Cazador will issue one share of NEI Common Stock to each holder that would otherwise be entitled to a fraction of a share of NEI Common Stock.

Immediately following the completion of the business combination (without taking into account any shares of NEI Common Stock held by Net Element shareholders prior to the completion of the business combination, and assuming cashless exercise of outstanding warrants and options of Net Element and that no holders of Public Cazador Ordinary Shares exercise their redemption rights), the former shareholders of Net Element are expected to own approximately 80.9% of the outstanding NEI Common Stock (or approximately 65.6% of the outstanding NEI Common Stock calculated on a fully diluted basis) and the current holders of Cazador Ordinary Shares are expected to own approximately 19.1% of the outstanding NEI Common Stock (or approximately 34.4% of the outstanding NEI Common Stock calculated on a fully diluted basis).

The Cazador Ordinary Shares are listed on The NASDAQ Capital Market and trade under the symbol CAZA. On , 2012, the latest practicable date before the printing of this proxy statement/prospectus, the last reported sale price of the Cazador Ordinary Shares on The NASDAQ Capital Market was \$ per share. Cazador intends to apply to list the NEI Common Stock on The NASDAQ Capital Market under the symbol NETE. There can be no assurance that the NEI Common Stock will be listed on The NASDAQ Capital Market.

The Net Element Common Stock is quoted on the OTCQB electronic quotation system under the symbol NETE. On , 2012, the latest practicable date before the printing of this proxy statement/prospectus, the last reported sale price of the Net Element Common Stock on the OTCQB electronic quotation system was \$ per share.

Completion of the merger requires, among other things, that the holders of (i) a majority of the outstanding Cazador Ordinary Shares issued in Cazador's initial public offering and not held by Cazador's Sponsor, or the Public Cazador Ordinary Shares, and (ii) a majority of the outstanding shares of Net Element Common Stock vote in favor of the approval and adoption of the merger agreement. Completion of the Cazador domestication, which is a condition to close the merger, requires that the holders of at least two-thirds of the outstanding Cazador Ordinary Shares which attend and vote at a general meeting in favor of the approval of the Cazador domestication. To obtain these required approvals, Cazador will hold a special meeting of Cazador shareholders on September 28, 2012 and Net Element will hold a special meeting of Net Element shareholders on September 28, 2012.

Cazador Sub Holdings Ltd, including all of Cazador's directors and executive officers (which we refer to, collectively, as the Sponsor), has agreed to vote its Cazador Ordinary Shares in the same manner as holders of the majority of the Public Cazador Ordinary Shares in connection with the votes required to approve the business combination. As of August 21, 2012, the Sponsor beneficially owned and was entitled to vote approximately 20.0% of the total outstanding Cazador Ordinary Shares on that date.

Mike Zoi, Net Element's Chairman and Chief Executive Officer, owns, in combination with the holdings of entities that he controls, approximately 59.4% of the issued and outstanding Net Element Common Stock as of August 21, 2012 (67.2% assuming a cashless exercise of options and warrants Mr. Zoi owns which are currently exercisable), and therefore holds enough shares to approve and adopt the merger agreement without the vote of any other Net Element shareholder. Mr. Zoi intends to vote his shares FOR the approval and adoption of the merger agreement. Following consummation of the merger, Mr. Zoi will control approximately 54.3% of NEI's voting power if no holders of Public

Cazador Ordinary Shares exercise their redemption rights described below (or approximately 58.7% of NEI's voting power if the maximum permissible number of holders of Public Cazador Ordinary Shares exercise their redemption rights whereby Cazador may proceed with the merger). As a result, Mr. Zoi will have the ability to exert significant influence over NEI's corporate affairs and to control the outcome of virtually all matters submitted to a vote of NEI's shareholders. Mr. Zoi's interests may conflict with or differ from the interests of NEI's other shareholders.

TABLE OF CONTENTS

Cazador is offering each holder of Public Cazador Ordinary Shares the right to have such holder's shares redeemed into cash if such holder either (i) votes against the business combination and timely exercises such redemption right or (ii) votes in favor of the business combination but elects to exercise such shareholder's right to redeem. However, although an abstention or failure to vote on the business combination will have the same effect as a vote against the business combination, such abstention or failure to vote will not be sufficient to enable holders of Public Cazador Ordinary Shares to exercise their redemption rights. Cazador's Sponsor and its beneficial owners will not have shareholder redemption rights with respect to any Cazador Ordinary Shares owned by them, directly or indirectly, including Cazador Ordinary Shares purchased by them in Cazador's initial public offering or in the secondary market. The actual per-share redemption price will be equal to the aggregate amount then in the trust account, and including accrued interest, net of any interest income on the trust account balance required for Cazador to pay its tax obligations incurred and net of interest income of up to \$2.0 million previously released to Cazador to fund its working capital requirements (calculated as of two business days prior to the consummation of the business combination), divided by the number of Public Cazador Ordinary Shares. As of August 21, 2012, the per-share redemption price would be approximately \$10.036. There will be no redemption rights upon the consummation of the business combination with respect to outstanding Cazador warrants.

Each holder of Public Cazador Ordinary Shares may elect to redeem his, her or its Public Cazador Ordinary Shares irrespective of whether he, she or it votes for or against the business combination. Cazador will not complete the business combination if holders of Public Cazador Ordinary Shares, owning, in the aggregate, more than 49.9% of the Public Cazador Ordinary Shares, both vote against and exercise their shareholder redemption rights with respect to the business combination. Additionally, as per the terms of the merger agreement, the merger will not be consummated unless Cazador has at least \$23.5 million of cash held in the trust account (after giving effect to payment of all holders of Public Cazador Ordinary Shares who exercise their redemption right but excluding payments to be made for transaction fees and related expenses and pay-off of related party debt). Holders of Public Cazador Ordinary Shares will be able to redeem their shares up to the business day immediately prior to the vote on the proposals to approve the business combination.

As set forth in Cazador's Second Amended and Restated Memorandum and Articles of Association, or the Cazador Cayman Charter, a holder of Public Cazador Ordinary Shares, together with any affiliate of his or any other person with whom he is acting in concert or as a partnership, syndicate or other group for the purpose of acquiring, holding or disposing of Cazador Cayman's securities, will be prohibited from exercising shareholder redemption rights with respect to more than 10% of the Public Cazador Ordinary Shares.

Cazador may enter into privately negotiated transactions to purchase shares of NEI Common Stock from its public shareholders using proceeds released from the trust account immediately following consummation of the transactions contemplated by the merger agreement.

CAZADOR'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE IN FAVOR OF THE PROPOSAL TO APPROVE AND ADOPT THE MERGER AGREEMENT.

CAZADOR'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE IN FAVOR OF THE PROPOSAL TO APPROVE THE CAZADOR DOMESTICATION.

NET ELEMENT'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE IN FAVOR OF THE PROPOSAL TO APPROVE AND ADOPT THE MERGER AGREEMENT.

Information about the special meetings, the transactions contemplated by the merger agreement and the other business to be considered by Cazador shareholders and Net Element shareholders is contained in this document and the

documents incorporated by reference, which we urge you to read carefully. **In particular, see Risk Factors beginning on page 31.**

Your vote is very important. Whether or not you plan to attend the special meeting of Cazador shareholders or the special meeting of Net Element shareholders, as applicable, please submit a proxy to vote your shares as soon as possible to make sure your shares are represented at the applicable special meeting. Your failure to vote will have the same effect as voting against the various proposals.

to be held on September 28, 2012**

To Our Shareholders:

A special meeting of shareholders of Cazador Acquisition Corporation Ltd. (*Cazador*) will be held at the offices of Reed Smith LLP located at 599 Lexington Avenue, New York, New York 10022 on September 28, 2012, at 10:00 a.m., Eastern time (the *Cazador special meeting*). The purposes of the *Cazador* special meeting are to vote on the following matters and to transact such other business that may properly come before the *Cazador* special meeting:

1. Approve and adopt the Agreement and Plan of Merger, dated as of June 12, 2012, between *Cazador* and Net Element, Inc. (*Net Element*), as it may be amended (the *merger agreement*), a copy of which is attached to the accompanying joint proxy statement/prospectus as Annex A. The board of directors of *Cazador* (the *Cazador board*) recommends a vote **FOR** this proposal.
2. If, and only if, the merger agreement is approved and adopted, approve the change of *Cazador*'s jurisdiction of incorporation by discontinuing as an exempted company in the Cayman Islands and continuing and domesticating as a corporation incorporated under the laws of the State of Delaware (the *Cazador domestication* and with the merger contemplated by the merger agreement, the *business combination*). The *Cazador* board recommends a vote **FOR** this proposal.
3. Approve one or more adjournments of the *Cazador* special meeting (including, if necessary, to solicit additional proxies because there are not sufficient votes to approve and adopt the merger agreement and/or approve the *Cazador* domestication). The *Cazador* board recommends a vote **FOR** this proposal.
4. Transact any other business that may properly come before the *Cazador* special meeting.

The *Cazador* board has fixed August 27, 2012 as the record date for the determination of shareholders entitled to notice of, and to vote at, the *Cazador* special meeting or one or more adjournments thereof. CAZADOR IS OFFERING EACH HOLDER OF PUBLIC CAZADOR ORDINARY SHARES THE RIGHT TO HAVE SUCH HOLDER'S SHARES REDEEMED INTO CASH IF SUCH HOLDER EITHER (I) VOTES AGAINST

THE BUSINESS COMBINATION AND TIMELY EXERCISES SUCH REDEMPTION RIGHT OR (II) VOTES IN FAVOR OF THE BUSINESS COMBINATION BUT ELECTS TO EXERCISE SUCH SHAREHOLDER'S RIGHT TO REDEEM. HOWEVER, ALTHOUGH AN ABSTENTION OR FAILURE TO VOTE ON THE BUSINESS COMBINATION WILL HAVE THE SAME EFFECT AS A VOTE AGAINST THE BUSINESS COMBINATION, SUCH ABSTENTION OR FAILURE TO VOTE WILL NOT BE SUFFICIENT TO ENABLE HOLDERS OF PUBLIC CAZADOR ORDINARY SHARES TO EXERCISE THEIR REDEMPTION RIGHTS. CAZADOR SUB HOLDINGS LTD. (CAZADOR'S SPONSOR) AND ITS BENEFICIAL OWNERS WILL NOT HAVE SHAREHOLDER REDEMPTION RIGHTS WITH RESPECT TO ANY CAZADOR ORDINARY SHARES OWNED BY THEM, DIRECTLY OR INDIRECTLY, INCLUDING CAZADOR ORDINARY SHARES PURCHASED BY THEM IN CAZADOR'S INITIAL PUBLIC OFFERING OR IN THE SECONDARY MARKET. THE ACTUAL PER-SHARE REDEMPTION PRICE WILL BE EQUAL TO THE AGGREGATE AMOUNT THEN IN THE TRUST ACCOUNT, AND INCLUDING ACCRUED INTEREST, NET OF ANY INTEREST INCOME ON THE TRUST ACCOUNT BALANCE REQUIRED FOR CAZADOR TO PAY ITS TAX OBLIGATIONS INCURRED AND NET OF INTEREST INCOME OF UP TO \$2.0 MILLION PREVIOUSLY RELEASED TO CAZADOR TO FUND ITS WORKING CAPITAL REQUIREMENTS (CALCULATED AS OF TWO BUSINESS DAYS PRIOR TO THE CONSUMMATION OF THE BUSINESS COMBINATION),

TABLE OF CONTENTS

DIVIDED BY THE NUMBER OF PUBLIC CAZADOR ORDINARY SHARES. AS OF AUGUST 21, 2012, THE PER-SHARE REDEMPTION PRICE WOULD BE APPROXIMATELY \$10.036. THERE WILL BE NO REDEMPTION RIGHTS UPON THE CONSUMMATION OF THE MERGER AGREEMENT WITH RESPECT TO OUTSTANDING CAZADOR WARRANTS.

Cazador and Net Element will consummate the merger contemplated by the merger agreement only if, among other conditions, the holders of (i) a majority of the outstanding Cazador Ordinary Shares issued in Cazador's initial public offering and not held by Cazador's Sponsor (Public Cazador Ordinary Shares) and (ii) a majority of the outstanding shares of common stock, par value \$0.001 per share of Net Element (Net Element Common Stock) vote in favor of the approval and adoption of the merger agreement. Cazador will effect the Cazador domestication (as described in the accompanying joint proxy statement/prospectus), which is a condition to close the merger, only if the holders of at least two-thirds of the outstanding Cazador Ordinary Shares which attend and vote at the Cazador special meeting in favor of the approval of the Cazador domestication.

Cazador's Sponsor has agreed to vote its Cazador Ordinary Shares in the same manner as holders of the majority of the Public Cazador Ordinary Shares in connection with the votes required to approve the business combination. As of August 21, 2012, the Sponsor beneficially owned and was entitled to vote approximately 20.0% of the total outstanding Cazador Ordinary Shares on that date.

Mike Zoi, Net Element's Chairman and Chief Executive Officer, owns, in combination with the holdings of entities that he controls, approximately 59.4% of the issued and outstanding Net Element Common Stock as of August 21, 2012 (67.2% assuming a cashless exercise of options and warrants Mr. Zoi owns which are currently exercisable), and therefore holds enough shares to approve and adopt the merger agreement without the vote of any other Net Element shareholder. Mr. Zoi intends to vote his shares FOR the approval and adoption of the merger agreement. Following consummation of the merger, Mr. Zoi will control approximately 54.3% of NEI's voting power if no holders of Public Cazador Ordinary Shares exercise their redemption rights described below (or approximately 58.7% of NEI's voting power if the maximum permissible number of holders of Public Cazador Ordinary Shares exercise their redemption rights whereby Cazador may proceed with the merger). As a result, Mr. Zoi will have the ability to exert significant influence over NEI's corporate affairs and to control the outcome of virtually all matters submitted to a vote of NEI's shareholders. Mr. Zoi's interests may conflict with or differ from the interests of NEI's other shareholders.

Each holder of Public Cazador Ordinary Shares may elect to redeem his, her or its Public Cazador Ordinary Shares irrespective of whether he, she or it votes for or against the business combination. Cazador will not complete the business combination if holders of Public Cazador Ordinary Shares, owning, in the aggregate, more than 49.9% of the Public Cazador Ordinary Shares, both vote against and exercise their shareholder redemption rights with respect to the business combination. Additionally, as per the terms of the merger agreement, the merger will not be consummated unless Cazador has at least \$23.5 million of cash held in the trust account (after giving effect to payment of all holders of Public Cazador Ordinary Shares who exercise their redemption right but excluding payments to be made for transaction fees and related expenses and pay-off of related party debt). Holders of Public Cazador Ordinary Shares will be able to redeem their shares up to the business day immediately prior to the vote on the proposals to approve the business combination.

As set forth in Cazador's Second Amended and Restated Memorandum and Articles of Association, a holder of Public Cazador Ordinary Shares, together with any affiliate of his or any other person with whom he is acting in concert or as a partnership, syndicate or other group for the purpose of acquiring, holding or disposing of Cazador Cayman's securities, will be prohibited from exercising shareholder redemption rights with respect to more than 10% of the Public Cazador Ordinary Shares.

Only holders of record of ordinary shares, par value \$0.0001 per share, of Net Element (Net Element Common Stock) at the close of business on August 27, 2012 are entitled to notice of, and to vote at, the Net Element special meeting or one or more adjournments or postponements thereof.

Cazador and Net Element will consummate the merger contemplated by the merger agreement only if, among other conditions, the holders of (i) a majority of the outstanding ordinary shares, par value \$0.0001 per share, of Cazador (Cazador Ordinary Shares) issued in Cazador s initial public offering and not held by Cazador Sub Holdings Ltd. (Cazador s Sponsor)(Public Cazador Ordinary Shares) and (ii) a majority of the outstanding shares of Net Element Common Stock vote in favor of the approval and adoption of the merger agreement. Cazador will effect the Cazador domestication (as described in the accompanying joint proxy statement/prospectus), which is a condition to close the merger, only if the holders of at least two-thirds of the outstanding Cazador Ordinary Shares which attend and vote at the Cazador special meeting in favor of the approval of the Cazador domestication.

Cazador s Sponsor has agreed to vote its Cazador Ordinary Shares in the same manner as holders of the majority of the Public Cazador Ordinary Shares in connection with the votes required to approve the business combination. As of

Edgar Filing: Cazador Acquisition Corp Ltd. - Form S-4/A

August 21, 2012, the Sponsor beneficially owned and was entitled to vote approximately 20.0% of the total outstanding Cazador Ordinary Shares on that date.

Mike Zoi, Net Element's Chairman and Chief Executive Officer, owns, in combination with the holdings of entities that he controls, approximately 59.4% of the issued and outstanding Net Element Common Stock as of August 21, 2012 (67.2% assuming a cashless exercise of options and warrants Mr. Zoi owns which are currently exercisable), and therefore holds enough shares to approve and adopt the merger agreement without the vote of any other Net Element shareholder. Mr. Zoi intends to vote his shares FOR the approval and adoption of the merger agreement. Following consummation of the merger, Mr. Zoi will control approximately 54.3% of NEI's voting power if no holders of Public Cazador Ordinary Shares exercise any redemption rights afforded to them (or approximately 58.7% of NEI's voting power if the maximum permissible number of holders of Public Cazador Ordinary Shares exercise their redemption rights whereby Cazador may proceed with the merger). As a result, Mr. Zoi will have the ability to exert significant influence over NEI's corporate affairs and to control the outcome of virtually all matters submitted to a vote of NEI's shareholders. Mr. Zoi's interests may conflict with or differ from the interests of NEI's other shareholders.

For more information about the proposals and the Net Element special meeting, please review carefully the accompanying joint proxy statement/prospectus.

Your vote is important. Whether or not you expect to attend the Net Element special meeting in person, please submit a proxy by telephone or over the internet as instructed in these materials, or complete, date, sign and return the enclosed proxy card, as promptly as possible in order to ensure that we receive your proxy with respect to your shares of Net Element Common Stock. Instructions are shown on the enclosed proxy card and a return envelope (postage pre-paid if mailed in the United States) is enclosed for your convenience. If your shares of Net Element Common Stock are held in a stock brokerage account or by a bank or other nominee, please follow the instructions that you receive from your broker, bank or other nominee to vote your shares.

If you sign, date and mail your proxy card without indicating how you wish to vote, your proxy will be voted in favor of the approval and adoption of the merger agreement and in favor of the proposal to adjourn the meeting if necessary to solicit additional proxies. If you fail to return your proxy card or fail to submit your proxy by telephone or over the internet, or fail to instruct your broker how to vote, and do not attend the Net Element special meeting in person, the effect will be that your shares will not be counted for purposes of determining whether a quorum is present at the Net Element special meeting and, if a quorum is present, will have the same effect as a vote against the approval and adoption of the merger agreement. If you are a shareholder of record and you attend the Net Element special meeting and wish to vote in person, you may withdraw your proxy and vote in person.

Please do not send documents or certificates representing your ownership of Net Element Common Stock at this time. If the transactions contemplated by the merger agreement are consummated, we will notify you of the procedures for exchanging your shares of Net Element Common Stock.

By Order of the Board of Directors,

Secretary

QUESTIONS AND ANSWERS

*The following questions and answers are intended to address briefly some commonly asked questions regarding the transactions contemplated by the business combination and the special meetings of Cazador and Net Element. These questions and answers may not address all questions that may be important to you as a shareholder. To better understand these matters, and for a description of the legal terms governing the transactions contemplated by the business combination, you should carefully read this entire joint proxy statement/prospectus, including the annexes, as well as the documents that have been incorporated by reference in this joint proxy statement/prospectus. See *Where You Can Find More Information* beginning on page 208. Unless the context otherwise requires, in this joint proxy statement/prospectus, the term *Cazador* refers to Cazador Acquisition Corporation Ltd. as it currently exists under Cayman Islands law and as it will continue to exist under the DGCL following the Cazador domestication; the term *Cazador Cayman* refers to Cazador prior to the Cazador domestication; the term *NEI* refers to Cazador following effectiveness of the Cazador domestication; all references in this joint proxy statement/prospectus to *Net Element* refer to Net Element, Inc., a Delaware corporation; unless otherwise indicated or as the context requires, all references in this joint proxy statement/prospectus to *we* refer to Cazador and Net Element; all references to the merger agreement refer to the Agreement and Plan of Merger, dated as of June 12, 2012, as it may be amended from time to time, between Cazador and Net Element, a copy of which is attached as Annex A to this joint proxy statement/prospectus; and all references to the *Cazador Cayman Charter* refer to Cazador's Second Amended and Restated Memorandum and Articles of Association, a copy of which is attached as Annex B to this joint proxy statement/prospectus.*

General Questions and Answers

Q: Why am I receiving this joint proxy statement/prospectus?

A: Cazador is proposing to acquire Net Element pursuant to the merger agreement. Cazador and Net Element have entered into the merger agreement pursuant to which Net Element will merge with and into Cazador, with Cazador as the surviving entity. As a condition to closing the merger pursuant to the terms of the merger agreement, Cazador is proposing to change its jurisdiction of incorporation by discontinuing as an exempted company in the Cayman Islands and continuing and domesticating as a corporation incorporated under the laws of Delaware, at which time Cazador will change its name, in connection with the effectiveness of the merger, to Net Element International, Inc. As a result of the merger, former Net Element shareholders will own NEI Common Stock. Cazador intends to apply to list the NEI Common Stock on The NASDAQ Capital Market. There can be no assurance that the NEI Common Stock will be listed on The NASDAQ Capital Market.

Cazador is holding a special meeting of shareholders, which we refer to as the Cazador special meeting, in order to obtain the shareholder approval necessary to approve and adopt the merger agreement and the merger contemplated thereby, which we refer to as the Cazador merger approval. Pursuant to the terms of the merger agreement, Cazador shareholders will also be asked to approve the Cazador domestication, which we refer to as the Cazador domestication proposal, and, together with the Cazador merger approval, as the Cazador business combination approval. In addition, Cazador shareholders will be asked to approve the adjournment of the Cazador special meeting (if it is necessary or appropriate to solicit additional proxies because there are not sufficient votes to obtain the Cazador business combination approval).

Net Element is holding a special meeting of shareholders, which we refer to as the Net Element special meeting, in order to obtain the shareholder approval necessary to approve and adopt the merger agreement and the merger contemplated thereby, which we refer to as the Net Element business combination approval. In addition, Net Element

shareholders will be asked to approve the adjournment of the Net Element special meeting.

We will be unable to complete the business combination unless both the Cazador business combination approval and the Net Element business combination approval are obtained at the respective special meetings and the continuance to Delaware is approved.

We have included elsewhere in this joint proxy statement/prospectus important information about the business combination, the merger agreement (a copy of which is attached as Annex A) and the Cazador and

TABLE OF CONTENTS

Net Element special meetings. You should read this information carefully and in its entirety. The enclosed voting materials allow you to vote your shares without attending the applicable special meeting.

YOUR VOTE IS IMPORTANT. YOU ARE ENCOURAGED TO VOTE AS SOON AS POSSIBLE AFTER CAREFULLY REVIEWING THIS JOINT PROXY STATEMENT/PROSPECTUS.

Q: What equity stake will current Net Element shareholders and current Cazador shareholders hold in Cazador immediately after the consummation of the business combination?

A: Immediately following the completion of the business combination (without taking into account any shares of NEI Common Stock held by Net Element shareholders prior to the completion of the business combination, and assuming cashless exercise of outstanding warrants and options of Net Element and that no holders of Public Cazador Ordinary Shares exercise their redemption rights), the former shareholders of Net Element are expected to own approximately 80.9% of the outstanding NEI Common Stock (or approximately 65.6% of the outstanding NEI Common Stock calculated on a fully diluted basis) and the current holders of Cazador Ordinary Shares are expected to own approximately 19.1% of the outstanding NEI Common Stock (or approximately 34.4% of the outstanding NEI Common Stock calculated on a fully diluted basis).

Q: What conditions must be satisfied to complete the business combination?

A: Cazador and Net Element are not required to complete the business combination unless a number of conditions are satisfied or waived. These conditions include, among others: (i) receipt of both the Cazador business combination approval and the Net Element business combination approval; (ii) completion of the Cazador domestication; (iii) absence of any injunctions, orders or laws that would prohibit, restrain or make illegal the merger; (iv) effectiveness of the registration statement on Form S-4, of which this joint proxy statement/prospectus forms a part, and the absence of any stop order; (v) the holders of Public Cazador Ordinary Shares, owning, in the aggregate, more than 49.9% of the Public Cazador Ordinary Shares, must not both vote against and exercise their shareholder redemption rights with respect to the business combination; and (vi) Cazador's having at least \$23.5 million of cash held in the trust account (after giving effect to payment of all holders of Public Cazador Ordinary Shares who exercise their redemption right but excluding payments to be made for transaction fees and related expenses and pay-off of related party debt).

For a more complete summary of the conditions that must be satisfied or waived prior to completion of the business combination, see The Merger Agreement Description of the Merger Agreement Conditions to the Closing of the Merger beginning on page 168.

Q: When do you expect the business combination to be completed?

A: Cazador and Net Element are working to complete the business combination as quickly as possible, and we anticipate that it will be completed in the third quarter of 2012. However, the business combination is subject to various regulatory approvals and other conditions which are described in more detail in this joint proxy statement/prospectus, and it is possible that factors outside the control of Cazador and Net Element could result in the

Q: What equity stake will current Net Element shareholders and current Cazador shareholders hold in Cazador immediately after the consummation of the business combination?

business combination not being completed at all.

Q: What are my U.S. federal income tax consequences as a result of the merger?

A: As a condition to the completion of the merger, each of Reed Smith LLP, or Reed Smith, tax counsel to Cazador, and Bilzin Sumberg Baena Price & Axelrod LLP, or Bilzin, tax counsel to Net Element, must have delivered an opinion, dated the closing date of the merger, to the effect that the merger will be treated as a reorganization for U.S. federal income tax purposes within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, or the Code. Assuming that the merger qualifies as a reorganization, Net Element shareholders will not recognize any gain or loss for U.S. federal income tax purposes on the exchange of Net Element Common Stock for shares of NEI Common Stock in the merger.

The tax opinions regarding the merger will not address any state, local or foreign tax consequences of the merger. The opinions will be subject to customary qualifications and assumptions, including that the merger will be completed according to the terms of the merger agreement. In rendering the tax opinions, each counsel will require and rely on representations and statements of Net Element, Cazador and their affiliates, which will be delivered at the time of the closing of the merger. If any such assumption, representation or statement is or becomes inaccurate, the U.S. federal income tax consequences of the merger could be adversely affected.

TABLE OF CONTENTS

An opinion of counsel represents such counsel's best legal judgment but is not binding on the Internal Revenue Service, or IRS, or any court. Neither Net Element nor Cazador intends to request any ruling from the IRS as to the U.S. federal income tax consequences of the merger. Consequently, no assurance can be given that the IRS will not assert, or that a court will not sustain, a position contrary to any of the tax consequences described in this joint proxy statement/prospectus or any of the tax consequences described in the tax opinions.

Tax matters are very complicated, and the tax consequences of the merger to a particular shareholder will depend on such shareholder's circumstances. Accordingly, you are strongly urged to consult your tax advisor for a full understanding of the tax consequences of the merger to you, including the applicability and effect of U.S. federal, state, local and foreign income and other tax laws. For a more complete discussion of the material U.S. federal income tax consequences of the merger, see Material U.S. Federal Income Tax Consequences Material U.S. Federal Income Tax Consequences of the Merger beginning on page 155.

Q: What happens if I sell my Cazador Ordinary Shares or Net Element Common Stock before the applicable special meeting?

A: The record dates for the Net Element special meeting, which we refer to as the Net Element record date, and for the Cazador special meeting, which we refer to as the Cazador record date, are earlier than the date of the special meetings and the date that the business combination is expected to be completed. If you transfer your shares after the applicable record date, but before the applicable special meeting, unless the transferee requests a proxy, you will retain your right to vote at such special meeting, but will have transferred the right to receive the merger consideration, in the case of Net Element shareholders, in the merger. In order to receive the merger consideration, holders of Net Element Common Stock must hold their shares through completion of the merger.

Q: What happens if I sell my shares of Net Element Common Stock after the Net Element special meeting, but before the effective time of the merger?

A: If you transfer your shares of Net Element Common Stock after the Net Element special meeting, but before the effective time of the merger, you will have transferred the right to receive the merger consideration in the merger. In order for holders of Net Element Common Stock to receive the merger consideration, such holders must hold their shares through completion of the merger.

Q: What if I hold shares in both Cazador and Net Element?

A: If you are a shareholder of both Cazador and Net Element, you will receive two separate packages of proxy materials. A vote as a Net Element shareholder for the proposal to approve and adopt the merger agreement will not constitute a vote as a Cazador shareholder for the proposal to approve and adopt the merger agreement, or vice versa. **THEREFORE, PLEASE MARK, SIGN, DATE AND RETURN ALL PROXY CARDS THAT YOU RECEIVE, WHETHER FROM CAZADOR OR NET ELEMENT, OR SUBMIT A PROXY AS BOTH A CAZADOR AND NET ELEMENT SHAREHOLDER OVER THE INTERNET OR BY TELEPHONE.**

Q: My shares are held in street name by my broker. Will my broker automatically vote my shares for me?

A: No. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial holder of the shares held for you in what is known as street name. If this is the case, this joint proxy statement/prospectus has been forwarded to you by your brokerage firm, bank or other nominee, or its agent. As the beneficial holder, you have the right to direct your broker, bank or other nominee as to how to vote your shares. If you do not provide voting instructions to your broker on a particular proposal on which your broker does not have discretionary authority to vote, your shares will not be voted on that proposal. This is called a broker non-vote.

Cazador believes that under Cayman Islands law, broker non-votes should be counted for purposes of determining the presence or absence of a quorum at the Cazador special meeting. Furthermore, under the rules of the NYSE, brokers, banks and other nominees that are members of the NYSE do not have discretionary authority to vote on non-routine proxy statement proposals, including the proposals to approve the business

TABLE OF CONTENTS

combination at the special meetings. Accordingly, to the extent that there are any broker non-votes, a broker non-vote will have the same effect as a vote **AGAINST** the proposal to approve and adopt the merger agreement but will have no effect on the other proposals.

Net Element believes that, under the DGCL, broker non-votes will be counted for purposes of determining the presence of a quorum at the Net Element special meeting. As noted in the previous paragraph, however, brokers, banks and other nominees that are members of the NYSE do not have discretionary authority to vote on non-routine proxy statement proposals, including the proposals to approve the business combination at the special meetings. To the extent that there are any broker non-votes, a broker non-vote will have the same effect as a vote **AGAINST** the proposal to approve and adopt the merger agreement but will have no effect on the other proposals.

Q: What do I need to do now?

A: Read and consider the information contained in this joint proxy statement/prospectus carefully, and then please vote your shares as soon as possible so that your shares may be represented at your special meeting.

Q: How do I vote?

A: You can vote in person by completing a ballot at the special meeting, or you can vote by proxy before the special meeting. Even if you plan to attend your company's special meeting, we encourage you to vote your shares by proxy as soon as possible. After carefully reading and considering the information contained in this joint proxy statement/prospectus, please submit your proxy by telephone or over the Internet in accordance with the instructions set forth on the enclosed proxy card, or mark, sign and date the proxy card, and return it in the enclosed postage-paid envelope as soon as possible so that your shares may be voted at your company's special meeting. For detailed information, see *The Special Meeting of Cazador Shareholders How to Vote* beginning on page 124 and *The Special Meeting of Net Element Shareholders How to Vote* beginning on page 131. **YOUR VOTE IS VERY IMPORTANT.**

Q: Can I change my vote after I have submitted a proxy by telephone or over the Internet or submitted my completed proxy card?

A: Yes. If you are a shareholder of record, you can change your vote by revoking your proxy at any time before it is voted at the Cazador or Net Element special meeting, as applicable. You can do this in one of four ways: (1) submit a proxy again by telephone or over the Internet prior to midnight on the night before the special meeting; (2) sign another proxy card with a later date and return it by mail prior to midnight on the night before the special meeting; (3) attend the applicable special meeting and complete a ballot; or (4) send a written notice of revocation to the secretary of Cazador or Net Element, as applicable, so that it is received prior to midnight on the night before the Cazador or Net Element special meeting, as applicable.

If you have instructed a broker to vote your shares, you must follow directions received from your broker to change your vote.

Q: What should shareholders do if they receive more than one set of voting materials for a special meeting?

A: You may receive more than one set of voting materials for a special meeting, including multiple copies of this joint proxy statement/prospectus and multiple proxy cards or voting instruction cards. Please complete, sign, date and return each proxy card and voting instruction card that you receive. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a holder of record and your shares are registered in more than one name, you will receive more than one proxy card.

Q: Who should I call if I have questions about the proxy materials or voting procedures?

A: If you have questions about the business combination, or if you need assistance in submitting your proxy or voting your shares or need additional copies of this joint proxy statement/prospectus or the enclosed proxy card, you should contact the company in which you hold shares as follows:

If you are a Cazador shareholder, you should contact Morrow & Co., LLC, or Morrow, by mail at 470 West Avenue, Stamford, CT 06902, or by telephone at (800) 662-5200

Questions and Answers for Cazador Shareholders

Q: Why is Cazador proposing the merger?

A: Cazador is proposing to acquire Net Element pursuant to the merger agreement.

Cazador is a recently organized blank check company incorporated as a Cayman Islands exempted company for the purpose of effecting a merger, share capital exchange, asset acquisition, share purchase, reorganization or similar business combination. Cazador's business plan is not limited to a particular industry, geographic region or minimum transaction value for purposes of consummating an initial business combination, except that its initial business combination must be with one or more target businesses whose fair market value, individually or collectively, is equal to at least 80% of the balance in the trust account at the time of such initial business combination plus any amounts previously distributed to Cazador shareholders who have exercised their shareholder redemption rights. Additionally, Cazador must acquire at least a controlling interest in a target business (meaning more than 50% of the voting securities of such target business), although after consummating a business combination with a target business, holders of Cazador Ordinary Shares may own less than a majority of the voting securities of the combined businesses.

Cazador determined that the fair market value of Net Element is approximately \$97.7 million (based on the aggregate shares of Net Element Common Stock to be acquired by Cazador in the merger multiplied by the last reported sale price per share of Net Element Common Stock on the OTCQB electronic quotation system on June 11, 2012, which was the date immediately preceding the public announcement of the merger). Because the balance of the Cazador trust account was approximately \$46.2 million as of June 11, 2012, Cazador concluded that the fair market value of Net Element is greater than 80% of the balance of the Cazador trust account. Pursuant to the terms of the merger agreement, upon completion of the merger, each share of then-issued and outstanding Net Element Common Stock will be automatically cancelled and converted into the right to receive the number of shares of NEI Common Stock equal to the Exchange Ratio. Although, following completion of the business combination, the current holders of Cazador Ordinary Shares are expected to own approximately 19.1% of the outstanding NEI Common Stock (or 34.4% of the outstanding NEI Common Stock calculated on a fully diluted basis), Cazador concluded that it is acquiring a controlling interest in Net Element since, pursuant to the terms of the merger agreement, Cazador will acquire 100% of the voting securities of Net Element.

On October 14, 2010, Cazador closed its initial public offering of 4,600,000 units (including 600,000 units subject to the underwriters' over-allotment option which were exercised on October 14, 2010). Each unit consisted of one ordinary share, par value \$0.001, and one warrant. The units were sold at an offering price of \$10.00, generating gross proceeds to Cazador of approximately \$46.0 million. Prior to Cazador's initial public offering, it sold an aggregate of 4,340,000 warrants to Cazador's Sponsor in a private placement for a purchase price of \$0.50 per warrant, generating total proceeds of approximately \$2.2 million to Cazador. After deducting the underwriting discounts and commissions and Cazador's initial public offering expenses, the total net proceeds to Cazador from the initial public offering and private placement were approximately \$46.5 million, of which approximately \$46.2 million was deposited into a trust account, with the remaining proceeds being used to provide for business, legal and accounting due diligence and advisory fees in connection with prospective business combinations, compliance with securities laws and regulations,

Q: Who should I call if I have questions about the proxy materials or voting procedures?

and continuing general and administrative expenses.

In accordance with the Cazador Cayman Charter (which is included as Annex B to this joint proxy statement/prospectus and incorporated by reference), if Cazador was unable to complete a business combination by April 14, 2012, Cazador would be required to repurchase all of the Public Cazador Ordinary Shares and liquidate the trust account and distribute the proceeds pro rata to the holders of Public Cazador Ordinary Shares in return for such shares (which will be subsequently cancelled upon completion of the

TABLE OF CONTENTS

redemption of such shares). On March 28, 2012, Cazador filed a Form 8-K with the SEC in which it announced that it had entered into a non-binding letter of intent with respect to an initial business combination. Pursuant to the Cazador Cayman Charter, the execution of the letter of intent affords the Company a six-month extension for the completion of its initial business combination until October 14, 2012.

See The Business Combination Recommendation of the Cazador Board; Cazador's Reasons for the Business Combination.

Q: Why is Cazador proposing the Cazador domestication?

A: Although, pursuant to the merger agreement, Net Element will merge with and into Cazador, with Cazador as the surviving entity, the operations of Net Element will become the core business of the combined entity following completion of the merger. Net Element believes that being a Delaware corporation increases its ability to attract long-term investors. As a result, Net Element's key shareholders required that it be a condition to close the merger pursuant to the terms of the merger agreement that Cazador change its jurisdiction of incorporation from the Cayman Islands to Delaware, referred to as the Cazador domestication. To effect the Cazador domestication, Cazador will file a notice of de-registration with the Cayman Islands Registrar of Companies, together with the necessary accompanying documents, and file a certificate of incorporation and a certificate of corporate domestication with the Secretary of State of Delaware, under which Cazador will be domesticated and continue as a Delaware corporation, at which time Cazador will change its name, in connection with the effectiveness of the merger, to Net Element International, Inc. The Cazador domestication requires the approval of the holders of at least two-thirds of the outstanding Cazador Ordinary Shares which attend and vote at the Cazador special meeting. If, however, the merger agreement is not approved and adopted by Cazador's shareholders, then the Cazador domestication will not be submitted to Cazador's shareholders for approval.

Q: What are my U.S. federal income tax consequences as a result of the Cazador domestication?

A: In the opinion of Reed Smith, tax counsel to Cazador, the Cazador domestication will constitute a reorganization within the meaning of Section 368(a)(1)(F) of the Code. Assuming that the Cazador domestication qualifies as a reorganization, U.S. holders (as defined in Material U.S. Federal Income Tax Consequences below) of Cazador Ordinary Shares will be subject to Section 367(b) of the Code and, as a result:

A U.S. holder of Cazador Ordinary Shares whose Cazador Ordinary Shares have a fair market value of less than \$50,000 on the day of the Cazador domestication will not recognize any gain or loss and will not be required to include any part of the all earnings and profits amount in income.

A U.S. holder of Cazador Ordinary Shares whose Cazador Ordinary Shares have a fair market value of \$50,000 or more but who on the day of the Cazador domestication owns (actually and constructively) less than 10% of the total combined voting power of all classes of Cazador Cayman shares entitled to vote generally will recognize gain (but not loss) on the exchange of Cazador Ordinary Shares for NEI Common Stock pursuant to the Cazador domestication. As an alternative to recognizing gain, however, a U.S. holder may elect to include in income as a dividend the all earnings and profits amount, as the term is defined in Treasury Regulation Section 1.367(b)-2(d), attributable to the Cazador Ordinary Shares it directly owns, provided certain requirements are satisfied. Cazador does not expect that Cazador Cayman's cumulative earnings and profits will be greater than zero as of the day of the Cazador domestication.

A U.S. holder of Cazador Ordinary Shares whose Cazador Ordinary Shares have a fair market value of \$50,000 or more, and who on the day of the Cazador domestication owns (actually and constructively) 10% or more of the total combined voting power of all classes of Cazador Cayman shares entitled to vote generally will be required to include in income as a dividend the all earnings and profits amount, as the term is defined in Treasury Regulation Section 1.367(b)-2(d), attributable to the Cazador Ordinary Shares it directly owns. However, Cazador does not expect that Cazador Cayman's cumulative earnings and profits will be greater than zero as of the day of the Cazador domestication.

TABLE OF CONTENTS

Cazador Cayman should be considered a passive foreign investment company, or PFIC, for U.S. federal income tax purposes. As a result, notwithstanding the foregoing U.S. federal income tax consequences of the Cazador domestication, proposed Treasury regulations under Section 1291(f) of the Code (which have a retroactive effective date), if finalized in their current form, generally would require a U.S. holder to recognize gain on the exchange of Cazador Ordinary Shares for NEI Common Stock pursuant to the Cazador domestication. The tax on any such gain so recognized would be imposed at the rate applicable to ordinary income and an interest charge would apply based on a complex set of computational rules designed to offset the tax deferral to such holders on the undistributed earnings, if any, of Cazador Cayman. However, we are unable to predict at this time whether, in what form, and with what effective date, final Treasury regulations under Section 1291(f) of the Code will be adopted. For a more complete discussion of the potential application of the PFIC rules to U.S. holders as a result of the Cazador domestication, see Material U.S. Federal Income Tax Consequences – Material U.S. Federal Income Tax Consequences of the Cazador Domestication – Passive Foreign Investment Company Considerations beginning on page 158.

Additionally, the Cazador domestication may cause non-U.S. holders (as defined in Material U.S. Federal Income Tax Consequences below) to become subject to U.S. withholding taxes on any dividends in respect of the shares of NEI Common Stock made subsequent to the Cazador domestication.

The tax opinion regarding the Cazador domestication will not address any state, local or foreign tax consequences of the Cazador domestication. The opinions will be subject to customary qualifications and assumptions, including that the Cazador domestication will be completed as described herein. In rendering the tax opinion, Reed Smith will require and rely on representations and statements of Cazador and their affiliates, which will be delivered at the time of the closing of the Cazador domestication. If any such assumption, representation or statement is or becomes inaccurate, the U.S. federal income tax consequences of the Cazador domestication could be adversely affected.

An opinion of counsel represents such counsel's best legal judgment but is not binding on the IRS or any court. Cazador does not intend to request any ruling from the IRS as to the U.S. federal income tax consequences of the Cazador domestication. Consequently, no assurance can be given that the IRS will not assert, or that a court will not sustain, a position contrary to any of the tax consequences set forth in this joint proxy statement/prospectus or any of the tax consequences described in the tax opinion.

Tax matters are very complicated, and the tax consequences of the Cazador domestication to a particular shareholder will depend on such shareholder's circumstances. Accordingly, you are strongly urged to consult your tax advisor for a full understanding of the tax consequences of the Cazador domestication to you, including the applicability and effect of U.S. federal, state, local and foreign income and other tax laws. For a more complete discussion of the material U.S. federal income tax consequences of the Cazador domestication, see Material U.S. Federal Income Tax Consequences – Material U.S. Federal Income Tax Consequences of the Cazador Domestication beginning on page 156.

Q: When and where will the Cazador special meeting be held?

A: The Cazador special meeting will be held at the offices of Reed Smith LLP located at 599 Lexington Avenue, New York, New York 10022 on September 28, 2012, at 10:00 a.m., Eastern time, unless the special meeting is adjourned or postponed.

Q: Who is entitled to vote at the Cazador special meeting?

A: Cazador has fixed August 27, 2012 as the Cazador record date. If you were a Cazador shareholder at the close of business on the Cazador record date, you are entitled to vote on matters that come before the Cazador special meeting. However, a Cazador shareholder may only vote his or her shares if he or she is present in person or is represented by proxy at the Cazador special meeting.

Q: How many votes do I have?

A: Cazador shareholders are entitled to one vote at the Cazador special meeting for each Cazador Ordinary Share held of record as of the Cazador record date. As of the close of business on the Cazador record date, there were outstanding Cazador Ordinary Shares, of which were outstanding Public Cazador Ordinary Shares.

7

TABLE OF CONTENTS

Q: What constitutes a quorum?

A: Holders of a majority in voting power of the Cazador Ordinary Shares issued and outstanding and entitled to vote at the Cazador special meeting, present in person or represented by proxy, constitute a quorum. As of the record date for the Cazador special meeting, Cazador Ordinary Shares would be required to achieve a quorum.

Q: What vote is required to approve each Cazador proposal?

A: *Proposal to Approve and Adopt the Merger Agreement by Cazador Shareholders:* The proposal to approve and adopt the merger agreement and the merger contemplated thereby, which we refer to as the Cazador merger proposal, requires the affirmative vote of holders of a majority of the Public Cazador Ordinary Shares outstanding and entitled to vote. Accordingly, a Cazador shareholder's failure to submit a proxy card or to vote in person at the special meeting, an abstention from voting, or the failure of a Cazador shareholder who holds his or her shares in street name through a broker or other nominee to give voting instructions to such broker or other nominee, will have the same effect as a vote AGAINST the Cazador merger proposal.

Proposal to Approve the Cazador Domestication: The proposal to approve the Cazador domestication, which we refer to as the Cazador domestication proposal, requires the affirmative vote of holders of at least two-thirds of the Cazador Ordinary Shares outstanding and entitled to vote which attend and vote at the Cazador special meeting. If, however, the Cazador domestication proposal is approved, but the Cazador merger proposal is not approved, then neither the Cazador domestication nor the merger will be consummated.

Proposal to Adjourn the Cazador special meeting by Cazador Shareholders: Approving the adjournment of the special meeting (if it is necessary or appropriate to solicit additional proxies because there are not sufficient votes to obtain the Cazador business combination approval) requires the affirmative vote of holders of a majority of the Cazador Ordinary Shares present, in person or represented by proxy, at the special meeting and entitled to vote on the adjournment proposal, regardless of whether a quorum is present. Accordingly, abstentions will have the same effect as a vote AGAINST the proposal to adjourn the special meeting, while broker non-votes and shares not in attendance at the special meeting will have no effect on the outcome of any vote to adjourn the special meeting.

Q: How does Cazador's Sponsor intend to vote its shares?

A: Cazador's Sponsor has agreed to vote its Cazador Ordinary Shares in the same manner as holders of the majority of the Public Cazador Ordinary Shares in connection with the votes required to approve the business combination. As of August 21, 2012, the Sponsor beneficially owned and was entitled to vote approximately 20.0% of the total outstanding Cazador Ordinary Shares on that date.

Q: What are the recommendations of Cazador's board of directors?

A: Cazador's board of directors, or the Cazador board, has unanimously (i) approved the merger agreement and the consummation of the transactions contemplated thereby upon the terms and subject to the conditions set forth in the merger agreement; (ii) approved the Cazador domestication; (iii) determined that the terms of the merger are fair to, and in the best interests of, Cazador and its shareholders; (iv) directed that the merger agreement be submitted to Cazador shareholders for adoption; (v) recommended that Cazador shareholders vote in favor of each of the Cazador

merger proposal and the Cazador domestication proposal and (vi) declared the advisability of the business combination.

The Cazador board unanimously recommends that Cazador shareholders vote:

FOR the Cazador merger proposal; and

FOR the Cazador domestication proposal; and

FOR the proposal to approve the adjournment of the special meeting (if it is necessary or appropriate to solicit additional proxies because there are not sufficient votes to obtain the Cazador business combination approval).

See The Business Combination Recommendation of the Cazador Board; Cazador's Reasons for the Business Combination beginning on page 142.

TABLE OF CONTENTS

Q: Do Cazador shareholders have redemption rights?

A: Yes. Cazador is offering each holder of Public Cazador Ordinary Shares the right to have such holder's shares redeemed into cash if such holder either (i) votes against the business combination and timely exercises such redemption right or (ii) votes in favor of the business combination but elects to exercise such shareholder's right to redeem. However, although an abstention or failure to vote on the business combination will have the same effect as a vote against the business combination, such abstention or failure to vote will not be sufficient to enable holders of Public Cazador Ordinary Shares to exercise their redemption rights. Cazador's Sponsor and its beneficial owners will not have shareholder redemption rights with respect to any Cazador Ordinary Shares owned by them, directly or indirectly, including Cazador Ordinary Shares purchased by them in Cazador's initial public offering or in the secondary market. The actual per-share redemption price will be equal to the aggregate amount then in the trust account, and including accrued interest, net of any interest income on the trust account balance required for Cazador to pay its tax obligations incurred and net of interest income of up to \$2.0 million previously released to Cazador to fund its working capital requirements (calculated as of two business days prior to the consummation of the business combination), divided by the number of Public Cazador Ordinary Shares. As of August 21, 2012, the per-share redemption price would be approximately \$10.036.

Each holder of Public Cazador Ordinary Shares may elect to redeem his, her or its Public Cazador Ordinary Shares irrespective of whether he, she or it votes for or against the business combination. Cazador will not complete the business combination if holders of Public Cazador Ordinary Shares, owning, in the aggregate, more than 49.9% of the Public Cazador Ordinary Shares, both vote against and exercise their shareholder redemption rights with respect to the business combination. Additionally, as per the terms of the merger agreement, the merger will not be consummated unless Cazador has at least \$23.5 million of cash held in the trust account (after giving effect to payment of all holders of Public Cazador Ordinary Shares who exercise their redemption right but excluding payments to be made for transaction fees and pay-off of related party debt). Holders of Public Cazador Ordinary Shares will be able to redeem their shares up to the business day immediately prior to the vote on the proposals to approve the business combination.

Holders of outstanding Cazador units must separate the underlying Public Cazador Ordinary Shares and Cazador warrants prior to exercising redemption rights with respect to the Public Cazador Ordinary Shares. There will be no redemption rights upon consummation of the merger with respect to outstanding Cazador warrants.

As set forth in the Cazador Cayman Charter, a holder of Public Cazador Ordinary Shares, together with any affiliate of his or any other person with whom he is acting in concert or as a partnership, syndicate or other group for the purpose of acquiring, holding or disposing of Cazador Cayman's securities, will be prohibited from exercising shareholder redemption rights with respect to more than 10% of the Public Cazador Ordinary Shares.

Cazador may enter into privately negotiated transactions to purchase shares of NEI Common Stock from its public shareholders using proceeds released from the trust account immediately following consummation of the transactions contemplated by the merger agreement.

Q: Will how I vote affect my ability to exercise redemption rights?

A: You may exercise your redemption rights regardless of whether you vote your Public Cazador Ordinary Shares for or against the business combination or other proposals submitted for approval by shareholders. However, although an abstention or failure to vote on the business combination will have the same effect as a vote against the business

combination, such abstention or failure to vote will not be sufficient to enable you to exercise your redemption rights with respect to your Public Cazador Ordinary Shares.

Q: How do I exercise my redemption rights?

A: If you wish to exercise your redemption rights, you must:

send a letter to Cazador's transfer agent, Continental Stock Transfer & Trust Company, at 17 Battery Place, 8 Floor, New York, New York 10004, attn: Mark Zimkind, stating that you are exercising your redemption rights and demanding that your Public Cazador Ordinary Shares be converted into cash; and

either:
physically tender, or if you hold your Public Cazador Ordinary Shares in street name, cause your broker to physically tender, your certificates representing Cazador Ordinary Shares to Cazador's transfer agent by 5:00 p.m. Eastern time on September 27, 2012; or
deliver your Public Cazador Ordinary Shares electronically using the Depository Trust Company's DWAC (Deposit/Withdrawal At Custodian) System, to Cazador's transfer agent by 5:00 p.m. Eastern time on September 27, 2012.
You may elect to redeem your Public Cazador Ordinary Shares irrespective of whether you vote in favor of or against the approval of the business combination.

Holders of outstanding Cazador units must separate the underlying Public Cazador Ordinary Shares and Cazador warrants prior to exercising redemption rights with respect to the Public Cazador Ordinary Shares. You may instruct your broker to do so, or if you hold Cazador units registered in your own name, you must contact the depository directly and instruct them to do so. If you fail to cause your Public Cazador Ordinary Shares to be separated and delivered to Cazador's transfer agent by 5:00 p.m. Eastern time on September 27, 2012, you will not be able to exercise your redemption rights with respect to your Public Cazador Ordinary Shares.

Q: What are my U.S. federal income tax consequences of exercising my redemption rights?

A: A U.S. holder of Public Cazador Ordinary Shares who exercises redemption rights to receive cash from the trust account in exchange for its Public Cazador Ordinary Shares generally will recognize gain or loss equal to the difference, if any, between the amount of cash received and its tax basis in the Public Cazador Ordinary Shares redeemed. A shareholder's tax basis in its Public Cazador Ordinary Shares generally will equal the cost of such shares. A shareholder who purchased Cazador units in Cazador's initial public offering generally will have a tax basis in the Public Cazador Ordinary Shares that were part of such Cazador units equal to the portion of the purchase price of such Cazador units allocated to the Public Cazador Ordinary Shares (such allocation based on the relative fair market values of the Public Cazador Ordinary Shares and the warrants at the time of purchase).

Because Cazador Cayman should be considered a PFIC for U.S. federal income tax purposes, a U.S. holder who exercises redemption rights to receive cash in exchange for its Public Cazador Ordinary Shares generally will be subject to special tax rules with respect to any gain realized on the redemption. In general, under these special tax rules, unless the U.S. holder has made a qualified electing fund election under Section 1295 of the Code with respect to its Public Cazador Ordinary Shares for the first taxable year in which such U.S. holder owns such shares or in which Cazador Cayman is a PFIC, whichever is later, or a mark-to-market election under Section 1296 of the Code, (i) any gain recognized on the redemption will be allocated ratably over the U.S. holder's holding period for the Public Cazador Ordinary Shares redeemed, (ii) the amount of gain allocated to the current taxable year will be treated as ordinary income, and (iii) the amount of gain allocated to each other year will be subject to the highest tax rate in effect for that year, and an interest charge will be imposed to recover the deemed benefit of the deferred payment of tax.

Tax matters are very complicated, and the tax consequences of the redemption to a particular holder of Public Cazador Ordinary Shares will depend on such shareholder's circumstances. Accordingly, you are strongly urged to consult your tax advisor for a full understanding of the tax consequences of the redemption to you, including the applicability and effect of U.S. federal, state, local and foreign income and other tax laws. For a more complete discussion of the material U.S. federal income tax consequences of a redemption of Public Cazador Ordinary Shares for cash, see Material U.S. Federal Income Tax Consequences – Tax Consequences to Holders of Public Cazador Ordinary Shares

Q: How do I exercise my redemption rights?

Q: How will the Cazador domestication affect my Cazador Ordinary Shares, warrants and units?

A: On the effective date of the Cazador domestication, each Cazador Ordinary Share that is issued and outstanding will automatically convert by operation of law into one share of NEI Common Stock. Similarly, outstanding options, warrants and other rights to acquire Cazador Ordinary Shares will become options,

TABLE OF CONTENTS

warrants or rights to acquire the corresponding shares of NEI Common Stock. It is not necessary for holders of Cazador Ordinary Shares who currently hold share certificates to exchange their existing share certificates for certificates of shares of NEI Common Stock. No other changes will be made to the terms of any outstanding options, warrants and other rights to acquire Cazador Ordinary Shares as a result of the Cazador domestication.

On the effective date of the Cazador domestication, the outstanding units of Cazador will be automatically separated into the underlying Cazador Ordinary Shares and Cazador warrants. As a result, the Cazador units will no longer be listed on The NASDAQ Capital Market.

Q: If I am a Cazador warrant holder, can I exercise redemption rights with respect to my warrants?

A: No. There are no redemption rights with respect to Cazador's warrants.

Q: If I am a Cazador unit holder, can I exercise redemption rights with respect to my units?

A: No. Holders of outstanding Cazador units must separate the underlying Public Cazador Ordinary Shares and Cazador warrants prior to exercising redemption rights with respect to the Public Cazador Ordinary Shares. You may instruct your broker to do so, or if you hold Cazador units registered in your own name, you must contact the depository directly and instruct them to do so. If you fail to cause your Public Cazador Ordinary Shares to be separated and delivered to Cazador's transfer agent by 5:00 p.m. Eastern time on September 27, 2012, you will not be able to exercise your redemption rights with respect to your Public Cazador Ordinary Shares.

Q: Do I have appraisal rights in connection with the Cazador domestication?

A: No. Under Cayman Islands law and the DGCL, holders of Cazador Ordinary Shares do not have statutory dissenters' rights of appraisal or any other appraisal rights as a result of the Cazador domestication.

Q: What happens to the funds deposited in the trust account after completion of the business combination?

A: Upon consummation of the business combination, the funds deposited in the trust account will be released to pay holders of Public Cazador Ordinary Shares who properly exercise their redemption rights; (ii) to pay transaction fees and expenses associated with the business combination; and (iii) for working capital and general corporate purposes of Cazador following the business combination.

Q: What happens if the business combination is not consummated or is terminated?

A: If Cazador does not effect the business combination or any other business combination before October 14, 2012, it will compulsorily repurchase all Public Cazador Ordinary Shares and automatically liquidate the trust account in accordance with the procedure in the Cazador Cayman Charter. The Public Cazador Ordinary Shares will be cancelled and Cazador's Sponsor will be the only remaining shareholder and Cazador will continue in existence.

Q: How will the solicitation of proxies be handled?

A: Cazador is soliciting proxies for the Cazador special meeting from Cazador shareholders. Cazador will bear the cost of soliciting proxies from Cazador shareholders, except that Cazador and Net Element have each agreed to share equally the costs incurred in connection with the printing and mailing of this joint proxy statement/prospectus. In addition to this mailing, Cazador's directors, officers and employees (who will not receive any additional compensation for such services) may solicit proxies by telephone or in-person meeting.

Cazador has also engaged the services of Morrow to assist in the solicitation and distribution of the proxies, for an initial fee of \$12,500 plus out-of-pocket expenses. Cazador will pay Morrow an additional fee of \$25,000 upon successful completion of the business combination.

Cazador will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to the beneficial owners of Cazador Ordinary Shares.

Questions and Answers for Net Element Shareholders

Q: Why is Net Element proposing to combine with Cazador?

A: In reaching its decision to recommend the merger agreement for adoption by Net Element shareholders, the Net Element board of directors, or the Net Element board, consulted with Net Element's management, as well as its financial and legal advisors, and considered a number of factors that the board members believe supported their decision. In particular, the Net Element board believes the business combination would provide Net Element shareholders with the potential to participate in a newly capitalized public company that could take advantage of potential growth opportunities and synergies resulting from combining Net Element with Cazador. The Net Element board reviewed the strategic alternatives available to the company, including remaining as a stand-alone public company, and concluded that it is an appropriate time to sell Net Element and that the merger consideration reflected the highest value reasonably attainable for Net Element public shareholders at this time. See The Business Combination Recommendation of the Net Element Board; Net Element's Reasons for the Business Combination beginning on page 147.

Q: What will Net Element shareholders receive in the merger?

A: Prior to the effectiveness of the merger, Cazador intends to change its jurisdiction of incorporation from the Cayman Islands to Delaware by effecting the Cazador domestication. On the effective date of the Cazador domestication, each Cazador Ordinary Share that is issued and outstanding will automatically convert by operation of law into one share of NEI Common Stock.

Pursuant to the terms of the merger agreement, upon completion of the merger, each share of then-issued and outstanding Net Element Common Stock will be automatically cancelled and converted into the right to receive the number of shares of NEI Common Stock equal to the Exchange Ratio. The Exchange Ratio is 0.025 shares of NEI Common Stock per share of Net Element Common Stock, which reflects a 66% premium over the last reported sale price of the Net Element Common Stock on the OTCQB electronic quotation system of \$0.15 per share on August 21, 2012. The Exchange Ratio is subject to adjustment to reflect appropriately the effect of any stock split, reverse stock split, stock dividend, extraordinary cash dividends, reorganization, recapitalization, reclassification, combination, exchange of shares or other like change, although no such events are currently contemplated. However, the Exchange Ratio will not be adjusted to reflect any changes in the market prices of Cazador Ordinary Shares, NEI Common Stock or Net Element Common Stock. However, shares held by Net Element as treasury stock or by any direct or indirect wholly-owned subsidiary of Net Element and shares with respect to which appraisal rights, to the extent available under the DGCL, are properly exercised and not withdrawn, which we collectively refer to as the Net Element excluded shares, will not receive the merger consideration. Any Net Element excluded shares will be cancelled upon the effectiveness of the merger.

Notwithstanding the foregoing, to the extent a holder of Net Element Common Stock would receive fewer than 100 shares of NEI Common Stock as a result of the Exchange Ratio, Cazador shall have the right, exercisable in Cazador's sole and absolute discretion, to issue to any such holder an additional number of shares of NEI Common Stock so that such holder receives, in the aggregate, 100 shares of NEI Common Stock in connection with the merger.

Net Element shareholders will not receive any fractional shares of NEI Common Stock in the merger. Instead, Cazador will issue one share of NEI Common Stock to each holder of Net Element Common Stock that would otherwise be entitled to a fractional share of NEI Common Stock.

Q: Should I send in my share certificates now for the exchange?

A: No. After the merger is completed, Net Element shareholders holding Net Element share certificates will receive from Cazador's exchange agent a letter of transmittal and instructions on how to obtain the merger consideration.

Each holder of record of one or more book entry shares of Net Element Common Stock whose shares will be converted into the right to receive the merger consideration will automatically, upon the effective time of the merger, be entitled to receive, and Cazador will cause the exchange agent to deliver to such holder as promptly as practicable after the effective time, the NEI Common Stock to which such holder is entitled under

the merger agreement. Holders of book entry shares will not be required to deliver a certificate or an executed letter of transmittal to the exchange agent in order to receive the merger consideration.

Q: Who is entitled to vote at the Net Element special meeting?

A: Net Element has fixed August 27, 2012 as the Net Element record date. In the absence of a quorum, the majority of the shares represented in person or by proxy, will have the power to adjourn the special meeting. As of the record date for the Net Element special meeting, _____ shares of Net Element Common Stock would be required to achieve a quorum.

Q: What vote is required to approve each Net Element proposal?

A: *Proposal to Approve and Adopt the Merger Agreement by Net Element Shareholders:* The proposal to approve and adopt the merger agreement and the merger contemplated thereby, which we refer to as the Net Element merger proposal, requires the affirmative vote of holders of a majority of the shares of Net Element Common Stock outstanding and entitled to vote. Accordingly, a Net Element shareholder's failure to submit a proxy card or to vote in person at the special meeting, an abstention from voting, or the failure of a Net Element shareholder who holds his or her shares in street name through a broker or other nominee to give voting instructions to such broker or other nominee, which we refer to as a broker non-vote, will have the same effect as a vote AGAINST the Net Element merger proposal.

Proposal to Adjourn the Net Element Special Meeting by Net Element Shareholders: Approving the adjournment of the special meeting (if it is necessary or appropriate to solicit additional proxies because there are not sufficient votes to obtain the Net Element business combination approval) requires the affirmative vote of holders of a majority of the shares of Net Element Common Stock present, in person or represented by proxy, at the special meeting and entitled to vote on the adjournment proposal. Accordingly, abstentions will have the same effect as a vote AGAINST the proposal to adjourn the special meeting, while broker non-votes and shares not in attendance at the special meeting will have no effect on the outcome of any vote to adjourn the special meeting.

Q: How do the Net Element insiders intend to vote their shares?

A: Mike Zoi, Net Element's Chairman and Chief Executive Officer, owns, in combination with the holdings of entities that he controls, approximately 59.4% of the issued and outstanding Net Element Common Stock as of August 21, 2012 (67.2% assuming a cashless exercise of options and warrants Mr. Zoi owns which are currently exercisable), and therefore holds enough shares to approve and adopt the merger agreement without the vote of any other Net Element shareholder. Mr. Zoi intends to vote his shares FOR the approval and adoption of the merger agreement. Following consummation of the merger, Mr. Zoi will control approximately 54.3% of NEI's voting power if no holders of Public Cazador Ordinary Shares exercise their redemption

rights (or approximately 58.7% of NEI's voting power if the maximum permissible number of holders of Public Cazador Ordinary Shares exercise their redemption rights whereby Cazador may proceed with the merger). As a result, Mr. Zoi will have the ability to exert significant influence over NEI's corporate affairs and to control the outcome of virtually all matters submitted to a vote of NEI's shareholders. Mr. Zoi's interests may conflict with or differ from the interests of NEI's other shareholders.

Q: What are the recommendations of the Net Element board?

A: The Net Element board (other than Mike Zoi, who did not participate in the vote) has unanimously (i) approved the merger agreement and the consummation of the transactions contemplated thereby upon the terms and subject to the conditions set forth in the merger agreement; (ii) determined that the terms of the business combination are fair to, and in the best interests of, Net Element and its shareholders; (iii) directed that the merger agreement be submitted to Net Element shareholders for adoption; and (iv) declared the advisability of the business combination.

The Net Element board recommends that Net Element shareholders vote:

See The Business Combination Recommendation of the Net Element Board; Net Element's Reasons for the Business Combination beginning on page 147.

Q: Are Net Element shareholders entitled to appraisal or dissenters' rights?

A: Yes, but only to the extent available under the DGCL. Holders of Net Element Common Stock who do not vote for the Net Element merger proposal and elect to exercise such appraisal rights, to the extent such rights are available under the DGCL, and who perfect those rights under the DGCL will be entitled to the appraised fair value of their shares of Net Element Common Stock paid to them in cash. The appraised fair value of any holder's Net Element Common Stock may be more or less than the value of the merger consideration that would otherwise be payable to such holder pursuant to the merger agreement. To exercise appraisal rights, a shareholder must follow carefully the requirements of the DGCL, including not consenting to, or voting in favor of, the approval and adoption of the merger agreement and timely delivering to Net Element a written demand for appraisal of such shareholder's shares in accordance with the DGCL. These appraisal requirements and procedures are summarized under the section entitled The Merger Agreement Description of the Merger Agreement Appraisal Rights/Dissenting Shares beginning on page 163. A copy of the relevant provisions of the DGCL addressing appraisal rights is attached as Annex H to this joint proxy statement/prospectus. Holders of Net Element Common Stock who intend to exercise appraisal rights should read the statutory provisions carefully and consult with their own legal advisors, as any deviation from the statutory requirements may result in a forfeiture of appraisal rights otherwise available to such shareholders.
