**Item 1.01 Entry into a Material Definitive Agreement.**

See Items 2.01 and 5.02 below.

**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On August 1, 2013, Elite Laboratories, Inc. (“Elite”), a wholly-owned subsidiary of Elite Pharmaceuticals, Inc. (the “Company”), executed an asset purchase agreement (the “Purchase Agreement”) with Mikah Pharma LLC (“Mikah”) and acquired from Mikah a total of 13 Abbreviated New Drug Applications (“ANDAs”) consisting of 12 ANDAs approved by the U.S. Food and Drug Administration (the “FDA”) and one ANDA under active review with the FDA, and all amendments thereto (the “Acquisition”) for aggregate consideration of \$10,000,000, payable pursuant to a secured convertible note due in August 2016 (the “Note”).

Elite previously purchased two ANDA products and has a development agreement with Mikah (please see the relevant disclosure in the Company’s Annual Report on form 10-K for the fiscal year ended March 31, 2013).

The products referenced in the approved ANDAs require site transfer approval with the FDA. Elite will submit filings to the FDA for each of the products for the manufacturing site transfer. The Company believes that the site transfers qualify for a CBE 30 review with one exception, which would allow for the product manufacturing transfer on an expedited basis. However, the Company can give no assurances that the site transfers will qualify for a CBE 30 review or on the timing of these transfers and the timing is dependent on the FDA reviews. The approved ANDAs include pain, antipsychotic, hypertension, antihistamine, bariatric, and muscle relaxant products. Of the thirteen products, two products are in markets where there is only one other generic competitor.

The Note is interest free and due and payable on the third anniversary of its issuance. Subject to certain limitations, the principal amount of the Note is convertible at the option of Mikah on and after the first anniversary of the date of the Note into shares of the Company’s Common Stock at a rate of \$0.07 (approximately 14,286 shares per \$1,000 in principal amount), the closing market price of the Company’s Common Stock on the date that the asset purchase agreement and Note were executed. The conversion rate is adjustable for customary corporate actions such as stock splits and, subject to certain exclusions, includes weighted average anti-dilution for common stock transactions at prices below the then applicable conversion rate. Pursuant to a security agreement (the “Security Agreement”), repayment of the Note is secured by the ANDAs acquired in the Acquisition.

In conjunction with the Acquisition, Nasrat Hakim, the President, CEO and principal of Mikah, was appointed President, CEO and a Director of the Company (see Item 5.02 below).

The foregoing descriptions of the Purchase Agreement, Note and Security Agreement are qualified in their entirety by reference to the full text of the Purchase Agreement, Note and Security Agreement, copies of which are attached hereto as Exhibit 10.1, 10.2 and 10.3, respectively, and each of which is incorporated herein in its entirety by reference.
