QUESTIONS AND ANSWERS

Q: When and where is the Annual Meeting?

A: The Company's Annual Meeting of Shareholders will be held at 11:00 a.m., Eastern Time, Wednesday, June 8, 2016, at 7 Clyde Road, Somerset, NJ 08873.

Q: Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

A: In accordance with rules adopted by the SEC, we may furnish proxy materials, including this proxy statement and our Annual Report, to our shareholders by providing access to such documents on the Internet instead of mailing printed copies. Most shareholders will not receive printed copies of the proxy materials unless they request them. Instead, the Notice of Internet Availability of Proxy Materials, which was mailed to most of our shareholders, will instruct you as to how you may access and review all of the proxy materials on the Internet. The Notice of Internet Availability also instructs you as to how you may submit your proxy on the Internet. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials in the Notice.

Q: Who is entitled to vote?

A: You are entitled to vote at the Annual Meeting if the Company's records on April 18, 2016 (the "record date") showed that you owned the Company's common stock, par value \$.001 (the "Common Stock"). As of April 11, 2016, there were 10,356,210 shares of Common Stock outstanding.

Q: What will I likely be voting on?

A: There are two proposals that are expected to be voted on at the Annual Meeting, which are to elect three director candidates nominated by our board of directors to serve as directors and amend our certificate of incorporation to increase the Company's authorized shares of preferred stock from 1,000,000 shares to 2,000,000 shares. As of the date this Proxy Statement, the Company was not aware of any additional matters to be raised at the Annual Meeting.

Q: What is the Board's recommendation?

A: The Board of Directors recommends that you vote your shares:

-

FOR the director nominees.

FOR the amendment to the certificate of incorporation to increase the Company's authorized shares of preferred stock from 1,000,000 shares to 2,000,000 shares.

Q: How many votes is each share entitled to?

A: Each share of Common Stock has one vote. The enclosed proxy card shows the number of shares that you are entitled to vote.

Q: Do I need a ticket to attend the Annual Meeting?

A: Yes. Retain the top of the proxy card as your admission ticket. One ticket will permit two persons to attend. If your shares are held through a broker, contact your broker and request that the broker provide you with evidence of share ownership. This documentation, when presented at the registration desk at the Annual Meeting, will enable you to attend the Meeting.

Q: How do proxies work?

A: The Board of Directors is asking for your proxy. Giving us your proxy means that you authorize us to vote your shares at the Meeting in the manner you direct. You may also abstain from voting. If you sign and return the enclosed proxy card but do not specify how to vote, we will vote your shares in accordance with the Board of Directors' recommendations.

Q: How do I vote?

A: You may:

Vote by marking, signing, dating, and returning a proxy card;

Vote via the Internet by following the voting instructions on the proxy card or the voting instructions provided by your broker, bank, or other holder of record. Internet voting procedures are designed to authenticate your identity, allow you to vote your shares, and confirm that your instructions have been properly recorded. If you submit your vote via the Internet, you may incur costs associated with electronic access, such as usage charges from Internet access providers and telephone companies;

Vote in person by attending the Annual Meeting. We will distribute written ballots to any shareholder who wishes to vote in person at the Annual Meeting.

If your shares are held in street name, your broker, bank, or other holder of record will include a voting instruction form with this Proxy Statement. We strongly encourage you to vote your shares by following the instructions provided on the voting instruction form. Please return your voting instruction form to your broker, bank, or other holder of

record to ensure that a proxy card is voted on your behalf.

Q: Do I have to vote?

A: No. However, we strongly encourage you to vote.

Q: What does it mean if I receive more than one proxy card?

A: If you hold your shares in multiple registrations, or in both registered and street name, you will receive a proxy card for each account. Please mark, sign, date, and return each proxy card you receive. If you choose to vote by Internet, please vote each proxy card you receive.

Q: Will my shares be voted if I do not sign and return my proxy card?

A: If your shares are held in street name and you do not instruct your broker or other nominee how to vote your shares, your broker or nominee may use its discretion to vote your shares on “routine matters. For any “non-routine matters” being considered at the Meeting, your broker or other nominee would not be able to vote on such matters.

Q: Can I change my vote?

A: Yes. You may revoke your proxy and change your vote before the Annual Meeting by submitting a new proxy card with a later date, by casting a new vote via the Internet, by notifying the Company’s Corporate Secretary in writing, or by voting in person at the Meeting. If you do not properly revoke your proxy, properly executed proxies will be voted as you specified in your earlier proxy.

Q: What is a quorum?

A: A quorum is the number of shares that must be present, in person or by proxy, in order for business to be transacted at the Annual Meeting. At least a majority of the outstanding shares eligible to vote must be represented at the Meeting, either in person or by proxy, in order to transact business.

Q: Who will tabulate the votes?

A: A representative from our company, Norman Roth, will tabulate the votes and act as inspector of election.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of election. The inspector will also determine whether a quorum is present at the Annual Meeting.

The shares represented by the proxy cards received, properly marked, dated, signed, and not revoked, will be voted at the Annual Meeting. If the proxy card specifies a choice with respect to any matter to be acted on, the shares will be voted in accordance with that specified choice. Any proxy card that is returned signed but not marked will be voted as

recommended by the board of directors.

Q: Who will bear the costs of this solicitation?

A: Our Board of Directors is making this solicitation, and we will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. If you choose to access the proxy materials over the internet, however, you are responsible for internet access charges you may incur. The solicitation of proxies or votes may be made in person. We will also reimburse brokerage houses and other custodians, nominees, and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

Q: What should I do now?

A: You should read this proxy statement carefully and promptly submit your proxy card or vote by the internet as provided on the proxy card to ensure that your vote is counted at the Annual Meeting.

Q: How will shares in the Company's employee benefit plans be voted?

A: If you are or were a participant in the Company's employee benefit plans, this Proxy Statement is being used to solicit voting instructions from you with respect to shares of our stock that you own but which are held by the trustees of our benefit plans for the benefit of you and other plan participants. Shares held in our benefit plans that you are entitled to vote will be voted by the plan trustees pursuant to your instructions. Shares held in any employee benefit plan that you are entitled to vote, but do not vote, will be voted by the plan trustees in proportion to the voting instructions received for other shares. You must instruct the plan trustees to vote your shares by utilizing one of the voting methods described above.

A: The Company's Corporate Governance materials, charters of each standing Board committee, Code of Conduct, and other materials related to our corporate governance can be found in the Corporate Governance section of the Company's website at ir.mtbc.com/corporate-governance.cfm.

CORPORATE GOVERNANCE

Role and Composition of the Board of Directors

The Company's Board of Directors believes that good corporate governance principles and practices provide a strong framework to assist the Board in fulfilling its responsibilities to shareholders. The Board recognizes the interests of the Company's shareholders, employees, customers, suppliers, consumers, creditors, and the communities in which it operates, who are all essential to the Company's success. Accordingly, the Board has adopted corporate governance principles relating to its role, composition, structure, and functions. The Board periodically reviews the principles and other corporate governance matters.

Role of the Board and Management

The Company's business is conducted by its employees, managers, and officers under the direction of the chief executive officer ("CEO") and the oversight of the Board. The Board of Directors is elected by the shareholders to oversee management and to ensure that the long-term interests of the shareholders are being served. Directors are expected to fulfill duties of care and loyalty and to act with integrity as they actively conduct Board matters.

As part of its general oversight function, the Board actively reviews and discusses reports by management on the performance of the Company, its strategy, goals, financial objectives, and prospects, as well as issues and risks facing the Company. The opinions of the independent Compensation Committee Board members are solicited with respect to the selection, evaluation, and determination of compensation and succession planning for the CEO and senior executive officers who report directly to the CEO. The Board oversees processes designed to maintain the quality of the Company, including the integrity of the financial statements, the integrity of compliance with laws and ethics, and the integrity of relationships with stakeholders, including shareholders, employees, customers, suppliers, consumers, and the communities in which the Company operates.

Board Membership Qualifications

The Board has the responsibility for nominating director candidates to shareholders and filling vacancies. The Nominating and Corporate Governance Committee is responsible for recommending candidates to the Board, as well as recommending the selection criteria used in seeking nominees for election to the Board. The Board has adopted the following director nominee selection criteria. Nominees should possess the highest personal and professional ethics, integrity, and values, and be committed to representing the long-term interests of all shareholders. Nominees should be selected on the basis of their business and professional experience and qualifications, public service, diversity of background, availability to devote sufficient time to the Board and the needs of the Company in light of the qualifications of the other directors or nominees. Candidates should be persons who have demonstrated leadership in multinational companies or government, finance or accounting, higher education or other fields, or who are able to provide the Company with relevant expertise, industry knowledge or marketing acumen. Nominees should also represent all shareholders rather than special interest groups or any group of shareholders. In determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director's past attendance at meetings and participation in and contribution to the activities of the Board. The Nominating and Corporate Governance Committee may use the services of an executive search firm to assist the Company in identifying potential nominees and to participate in the evaluation of candidates for Board membership. Shareholders may suggest nominees for consideration by submitting names of nominees and supporting information to the Corporate Secretary of the Company.

Size of the Board

The Company's By-Laws establish that the Board shall fix the number of directors from time to time so long as the number so determined shall not be less than three. The Board periodically reviews the appropriate size of the Board. Effective April 28, 2015, the Board was decreased from 7 to 6 Board members by resolution of the Board of Directors.

Chairman and CEO

The Chairman and the CEO are selected by the Board. The Board determines whether the roles of Chairman and CEO should be separate or combined based upon its judgment as to the most appropriate structure for the Company at a given point in time.

Ethics and Conflicts of Interest

The Board expects its directors, as well as the Company's officers and employees, to act ethically at all times and to acknowledge their adherence to the policies comprising the Company's Code of Conduct. The Board will not permit any waiver of any ethics policy for any director or executive officer. The Board will resolve any conflict of interest question involving a director, the CEO, or a member of the Office of the Chairman, and the CEO will resolve any conflict of interest issue involving any other officer of the Company. The Code of Conduct is available at ir.mtbc.com/corporate-governance.cfm.

BOARD COMMITTEES

Number and Responsibilities of Committees

The current three committees of the Board are Audit, Compensation, and Nominating and Corporate Governance. The membership of the committees is required to consist entirely of independent directors, based on the NASDAQ requirements. The Board may form new committees, disband an existing committee, and delegate additional responsibilities to a committee. The responsibilities of the committees are set forth in written charters, which are reviewed periodically by the committees, the Nominating and Corporate Governance Committee, and the Board, and are available on the Company's website at ir.mtbc.com/corporate-governance.cfm.

Committee Meetings

The chair of each committee, in consultation with committee members and in compliance with the committee's charter requirements, determines the frequency of committee meetings and develops meeting agendas. The full Board is apprised of matters addressed by the committees in their meetings.

BOARD OPERATIONS

Board Meetings

Regular meetings of the Board are held at least four times per year. The Board may hold additional meetings, including by teleconference or other electronic means, as needed, to discharge its responsibilities. The Chairman of the Board, in consultation with other Board members, establishes the agenda for each Board meeting. Each Board member may suggest items for inclusion on the agenda.

During 2015, the Board held four meetings and acted by written/electronic consent seven times. Each director attended at least 75% of all board of directors and applicable committee meetings. We have encouraged our directors to attend our Annual Meeting of Shareholders.

Board Materials

Information and data that is important to the business to be considered at a Board or committee meeting is distributed in advance of the meeting, to the extent possible.

Management Evaluation, Succession, and Compensation

The performance of the CEO is evaluated annually by the Compensation Committee, in consultation with the full Board, based upon objective criteria, including the performance of the business and the accomplishment of goals and strategic objectives. This committee also makes recommendations to the Board with respect to CEO succession. The CEO reviews management succession planning and development with the full Board of Directors on an annual basis. The Compensation Committee evaluates performance in setting CEO and senior executive officer salary, bonus, and other incentive and equity compensation.

Board Compensation

The Compensation Committee is responsible for recommending any changes in Board compensation. In discharging this duty, the committee is guided by the following considerations: compensation should fairly pay directors for work required for a company of MTBC's size and scope; compensation should align directors' interests with the long-term interests of shareholders; and the structure of compensation should be transparent and understandable.

Board Access to Management and Independent Advisors

Members of the Board have free access to the employees of the Company, and Board committees have the authority to retain such outside advisors as they determine appropriate to assist in the performance of their functions. Additionally, members of the Board may periodically visit Company facilities.

Approval of Goals and Strategic and Financial Objectives

The overall strategy of the Company is reviewed periodically at Board meetings.

Communication with Management and Directors

The response to any shareholder proposal is the responsibility of management subject to oversight by the appropriate Board committee. The Board is apprised of shareholder proposals and the Company's response to such proposals.

Shareholders and other interested parties may contact the presiding director or non-management directors via the Corporate Secretary of the Company at 7 Clyde Road, Somerset, NJ 08873.

Disclosure and Review of Corporate Governance Principles

The Company's Corporate Governance Principles and all Board committee charters are available on the Company's website at ir.mtbc.com/corporate-governance.cfm and are also available in print to any shareholder upon request. The Nominating and Corporate Governance Committee reviews these Corporate Governance Principles periodically, and reports the results of this review to the full Board.

Policies on Business Ethics and Conduct

All Company employees and directors, including the CEO, the Chief Financial Officer, and the Principal Accounting Officer, are required to abide by the Company's Code of Conduct to ensure that the Company's business is conducted in a consistently legal and ethical manner. The Code of Conduct forms the foundation of a comprehensive program that requires compliance with all corporate policies and procedures and seeks to foster an open relationship among colleagues that contributes to good business conduct and an abiding belief in the integrity of our employees. The Company's policies and procedures cover all areas of professional conduct, including employment policies, conflicts of interest, intellectual property, and the protection of confidential information, as well as strict adherence to all laws and regulations applicable to the conduct of the Company's business.

Employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Conduct.

The full text of the Code of Conduct is published on the Company's website at ir.mtbc.com/corporate-governance.cfm, and is available in print to any shareholder upon request.

Director Independence

Our Board has considered the relationships of all directors with us and the independence of each director, and determined that Ms. Anne Busquet, and Messrs. Howard Clark, John Daly and Cameron Munter, do not have any relationship which would interfere with the exercise of independent judgment in carrying out his or her responsibility as a director and that each non-employee director qualifies as an independent director under the applicable rules of NASDAQ.

Related Person Transaction Policy

The Related Person Transaction Policy of the Board ensures that the Company's transactions with certain persons are not inconsistent with the best interests of the Company. A "Related Person Transaction" is a transaction with the Company in an amount exceeding \$54,500 in which a Related Person has a direct or indirect material interest. A Related Person includes the executive officers, directors, and five percent or more shareholders of the Company, and any immediate family member of such a person. Each of the Employment Agreements has a two-year term unless earlier terminated, and is automatically renewed at the end of the initial term and annually thereafter in each case, for a one-year term, unless either party provides at least ninety days' prior written notice of non-renewal.

Each Employment Agreement provides for the payment of base salary and bonus, as well as customary employee benefits. Under each of the Employment Agreements, if the executive's employment is terminated by the Company without "cause" or by the executive if a "material demotion," occurs (as such terms are defined in the applicable Employment Agreement) the executive shall receive salary continuation payments for the remainder of the contractual term, but in no event for less than twenty-four months with respect to Mr. Haq and twelve months for each of Messrs. Snyder and Korn. In addition to salary continuation payments, executive shall receive payment of "COBRA" premiums for the executive and his dependents as long as the executive does not become eligible for health coverage through another employer during this severance period. Each of the Employment Agreements also restricts the executive from engaging in a competitive business during his employment and for 12 months thereafter, or soliciting our employees and customers during his employment and for 12 months thereafter.

Our compensation committee, currently comprised of Messrs. Daly and Munter, are tasked with discharging the Board of Directors' responsibilities related to oversight of compensation of named executive officers and ensuring that our executive compensation program meets our corporate objectives. The compensation committee is responsible for reviewing and approving corporate goals and objectives relevant to the compensation of our named executive officers, as well as evaluating their performance in light of those goals and objectives. Based on this review and evaluation, as well as on input from our Chief Executive Officer regarding the performance of our other named executive officers and his recommendations as to their compensation, the Committee will determine and approve each named executive

officer's compensation annually. As a public company, our named executive officers will not play a role in their own compensation determinations.

The following table provides information on the current holdings of restricted stock units (RSUs) by our named officers at December 31, 2015:

Stephen Snyder: 66,667 shares

These RSUs provide for annual vesting based on continued employment over three years.

Employee Benefit Plans

2014 Equity Incentive Plan. The purpose of the 2014 Equity Incentive Plan (the “2014 Plan”) is to promote our success by linking the personal interests of our employees, officers, directors and consultants to those of our shareholders, and by providing participants with an incentive for outstanding performance. The 2014 Plan authorizes the grant of awards in any of the following forms:

Options to purchase shares of common stock, which may be nonstatutory stock options or incentive stock options under the Internal Revenue Code (the “Code”). The exercise price of an option granted under the 2014 Plan may not be less than the fair market value of our common stock on the date of grant. Stock options granted under the 2014 Plan have a term of ten years.

Stock appreciation rights, or SARs, which give the holder the right to receive the excess, if any, of the fair market value of one share of common stock on the date of exercise, over the base price of the stock appreciation right. The base price of a SAR may not be less than the fair market value of our common stock on the date of grant. SARs granted under the 2014 Plan have a term of ten years.

Restricted stock, which is subject to restrictions on transferability and subject to forfeiture on terms set by the Compensation Committee.

Restricted stock units, which represent the right to receive shares of common stock (or an equivalent value in cash or other property) in the future, based upon the attainment of stated vesting or performance goals set by the Compensation Committee.

Performance stock and cash settled awards, which represent the right to receive shares of common stock or cash, as applicable, in the future upon the attainment of certain stated performance goals.

• Other stock-based awards in the discretion of the Compensation Committee, including unrestricted stock grants.

All awards are evidenced by a written award certificate between MTBC and the participant, which include such provisions as may be specified by the Compensation Committee. Dividend equivalent rights, which entitle the participant to payments in cash or property calculated by reference to the amount of dividends paid on the shares of stock underlying an award, may be granted with respect to awards other than options or SARs.

Awards to Non-Employee Directors. Awards granted under the 2014 Plan to non-employee directors may be made only in accordance with the terms, conditions and parameters of a plan, program or policy for the compensation of non-employee directors as in effect from time to time. The Committee may not make discretionary grants under the 2014 Plan to non-employee directors.

Shares Available for Awards; Adjustments. Subject to adjustment as provided in the 2014 Plan, the aggregate number of shares of common stock reserved and available for issuance pursuant to awards granted under the 2014 Plan is 1,351,000. In the event of a nonreciprocal transaction between MTBC and its shareholders that causes the per share value of the common stock to change (including, without limitation, any stock dividend, stock split, spin-off, rights offering, or large nonrecurring cash dividend), the share authorization limits under the 2014 Plan will be adjusted proportionately, and the Compensation Committee must make such adjustments to the 2014 Plan and awards as it deems necessary, in its sole discretion, to prevent dilution or enlargement of rights immediately resulting from such transaction.

Administration. The 2014 Plan will be administered by the Compensation Committee. The Committee will have the authority to grant awards; designate participants; determine the type or types of awards to be granted to each participant and the number, terms and conditions thereof; establish, adopt or revise any rules and regulations as it may deem advisable to administer the 2014 Plan; and make all other decisions and determinations that may be required under the 2014 Plan. The Board of Directors may at any time administer the 2014 Plan. If it does so, it will have all the powers of the Compensation Committee under the 2014 Plan. In addition, the Board may expressly delegate to a special committee some or all of the Compensation Committee's authority, within specified parameters, to grant awards to eligible participants who, at the time of grant, are not executive officers.

Limitations on Transfer; Beneficiaries. No award will be assignable or transferable by a participant other than by will or the laws of descent and distribution; provided, however, that the Compensation Committee may permit other transfers (other than transfers for value) where the Compensation Committee concludes that such transferability does not result in accelerated taxation, does not cause any option intended to be an incentive stock option to fail to qualify as such, and is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, any state or federal tax or securities laws or regulations applicable to transferable awards. A participant may, in the manner determined by the Compensation Committee, designate a beneficiary to exercise the rights of the participant and to receive any distribution with respect to any award upon the participant's death.

Treatment of Awards upon a Participant's Death or Disability. Unless otherwise provided in an award certificate or any special plan document governing an award, upon the termination of a participant's service due to death or disability:

all of that participant's outstanding options and SARs will become exercisable to the extent the participant was entitled to exercise such option or SAR, but only within the period ending on the earlier of (i) twelve (12) months with respect to a termination due to disability and eighteen (18) months with respect to a termination due to death, and (ii) the term of the option or SAR;

shares of common stock and outstanding awards which have not vested at the time of the termination of service may be forfeited; and

the payout opportunities attainable under all of that participant's outstanding performance-based awards may be forfeited and the awards may payout on a pro rata basis, based on the time elapsed prior to the date of termination.

Treatment of Awards upon a Change in Control. Unless subject to additional acceleration of vesting and exercisability as may be provided in an award certificate or any special plan document governing an award, outstanding awards will be subject to one year acceleration of vesting as provided in the Plan upon a change in control.

Termination and Amendment. The 2014 Plan will terminate on April 3, 2024. The Board or the Compensation Committee may, at any time and from time to time, terminate or amend the 2014 Plan, but if an amendment to the 2014 Plan would constitute a material amendment requiring shareholder approval under applicable listing requirements, laws, policies or regulations, then such amendment will be subject to shareholder approval. No termination or amendment of the 2014 Plan may adversely affect any award previously granted under the 2014 Plan without the written consent of the participant. Without the prior approval of our shareholders, the 2014 Plan may not be amended to directly or indirectly reprice, replace or repurchase “underwater” options or SARs.

Report of the Audit Committee

The Audit Committee of the board of directors of MTBC is comprised entirely of independent directors who meet the independence requirements of the Listing Rules of the NASDAQ Stock Market and the SEC. The Audit Committee operates pursuant to a charter that is available on the Investor Relations section of our website at ir.mtbc.com/corporate-governance.cfm.

Management has primary responsibility for MTBC’s internal accounting controls and financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of MTBC’s consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States) and to issue a report as a result of such audit. The Audit Committee’s responsibility is to monitor and oversee these processes. The Audit Committee serves as a focal point for communication among the Board of Directors and its committees, the independent registered public accounting firm and management, as the respective duties of such groups, or their constituent members, relate to MTBC’s financial accounting and reporting and to its internal controls.

In performing its responsibilities, the Audit Committee has reviewed and discussed with management and the independent registered public accounting firm the audited consolidated financial statements in MTBC's Annual Report on Form 10-K for the year ended December 31, 2015. These discussions included the matters required to be discussed by Statement on Auditing Standard No. 16, as adopted by the Public Company Accounting Oversight Board (Communication with Audit Committees).

The Audit Committee also discussed with the independent registered public accounting firm its independence from MTBC and its management, including the written disclosures submitted to the Audit Committee by the independent registered public accounting firm as required by the Public Company Accounting Oversight Board.

Based on the reviews and discussions referred to above, the Audit Committee unanimously recommended to the board of directors that MTBC's Annual Report on Form 10-K for the year ended December 31, 2015 be filed with the SEC.

Relationship with Independent Registered Public Accounting Firms

Independent Registered Public Accounting Firm

On June 10, 2015, the Audit Committee approved the appointment of Grant Thornton LLP ("Grant Thornton") as the Company's new independent registered public accounting firm commencing for its quarter ending June 30, 2015 and its fiscal year ending December 31, 2015.

In connection with the Company's appointment of Grant Thornton as the Company's independent registered public accounting firm, the Company has not consulted Grant Thornton on any matter relating to either (i) the application of accounting principles to a specific transaction, either completed or contemplated, or the type of audit opinion that might be rendered on the Company's financial statements or (ii) any matter that was the subject of a disagreement (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a "reportable event" (as that term is defined in Item 304(a)(1)(v) of Regulation S-K).

Representatives of Grant Thornton are not expected to be present at the Annual Meeting.

Former Independent Registered Public Accounting Firm

Deloitte & Touche, LLP ("Deloitte") was our independent registered public accounting firm for the year ended December 31, 2014. On June 11, 2015, the Company, with the approval of the Audit Committee of the Board of Directors, notified Deloitte of their dismissal as the Company's independent registered public accounting firm, effective on June 11, 2015. Representatives of Deloitte are not expected to be present at the Annual Meeting.

During the Company's fiscal years ended December 31, 2014 and December 31, 2013, and through June 11, 2015, the Company did not have any disagreement with Deloitte on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreement, if not resolved to Deloitte's satisfaction, would have caused Deloitte to make reference to the subject matter of the disagreement in their reports on the Company's consolidated financial statements. In addition, during the Company's fiscal years ended December 31, 2014 and 2013 and through June 11, 2015, there were no "reportable events" as that term is defined in Item 304(a)(1)(v) of Regulation S-K. Deloitte's reports on the Company's consolidated financial statements as of and for the fiscal years ended December 31, 2014 and 2013 did not contain any adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. Deloitte's report on the Company's consolidated financial statements for the fiscal year ended December 31, 2014 contained an explanatory paragraph relating to the Company's ability to continue as a going concern.

The Company provided Deloitte with a copy of the foregoing disclosures and requested that Deloitte furnish it with a letter addressed to the SEC stating whether or not it agrees with the above statements. Deloitte furnished such a letter, dated June 11, 2015, and a copy was filed as Exhibit 16.1 to the Company's Current Report on Form 8-K that was filed June 11, 2015.

The Board of Directors has nominated the following nominees for election as directors at the Annual Meeting.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE ELECTION OF THE NOMINEES NAMED BELOW.

Anne M. Busquet joined MTBC’s Board of Directors in July 2014 and is a member of our Audit Committee. Ms. Busquet is presently the President of AMB Advisors, and has over three decades of executive business experience with American Express and Interactive Corp (IAC). She has led several successful businesses and served on various boards, including Blyth, Inc., and Meetic. Currently, Ms. Busquet serves on the Board of Pitney Bowes, Intercontinental Hotels Group (IHG), and Provista Diagnostics and is also a Trustee on the Board of Overseers for Columbia University, Business School, the Romanian American Foundation and the French Institute Alliance Francaise. Ms. Busquet graduated from Cornell University and received her MBA from Columbia University.

Howard L. Clark, Jr. has served as a member of our board of directors since October, 2013 and is the Chairman of our Audit Committee. He retired as Vice Chairman, Investment Banking of Barclays Capital Inc. on June 30, 2011. He served as Vice Chairman of Lehman Brothers Inc. from February, 1993 to September, 2008. From February, 1990 until February, 1993, Mr. Clark served as Chairman and Chief Executive Officer of Shearson Lehman Brothers, Inc. Prior to joining Shearson Lehman, Mr. Clark was Executive Vice President and Chief Financial Officer of American Express Company.

Mr. Clark is a member of the Board of Directors of Green Waste Energy, Inc. He is a former member of the Board of Directors of Maytag Corporation, United Rentals and White Mountains Insurance Group. Additionally, he serves on the Board of Trustees of The Boys’ Club of New York. Mr. Clark is a former member of the Board of Overseers of Columbia University Graduate School of Business and is an Honorary Trustee of Boston University. Mr. Clark was

Chairman of the Securities Industry Association in 1994 and Chairman of The Bond Club of New York in 1998.

A 1967 graduate of Boston University, Mr. Clark received his Master of Business Administration degree from Columbia University Graduate School of Business in 1968. Mr. Clark resides in Greenwich, Connecticut.

Stephen A. Snyder is our President and a member of our board of directors since 2013. Mr. Snyder received his Bachelor of Arts in Political Science *magna cum laude* from Montclair State University and his Juris Doctor from Rutgers School of Law-Newark.

2. Increase of Authorized Preferred Stock

(Item 2 on proxy card)

Our Board of Directors has authorized, approved, and declared advisable an amendment to our Certificate of Incorporation (“Certificate”) that increases the number of authorized shares of our preferred stock from 1,000,000 shares to 2,000,000 shares. The proposed amendment is subject to approval by our shareholders.

We do not currently anticipate an offering of these newly authorized shares of preferred stock, however, no further authorization by shareholders will be needed by the Company for the issuance thereof. The specific terms of the preferred stock being authorized, including dividend rates, voting rights, redemption prices, maturity dates, and similar matters, will all be determined by the board of directors. The additional preferred stock to be authorized by the proposed amendment may include shares having rights identical to our currently outstanding Series A Preferred Stock and may include shares having rights that are materially different than our Series A Preferred Stock.

Our board believes that it is advisable and in our best interests and the best interests of our shareholders to amend the Certificate in order to have available additional authorized but unissued shares of preferred stock in an amount adequate to provide for our future needs. The additional shares will be available for issuance from time to time by us in the discretion of our board. We intend to continue to evaluate possible acquisitions. If any such acquisitions were paid for using cash or stock, we could potentially need to issue additional shares of preferred stock for capital raising purposes or as consideration for such acquisitions. By increasing the authorized preferred stock at this time, our board will then be able to respond quickly to a potential business opportunity where it would be impracticable for us to seek and timely obtain shareholder approval authorizing additional shares for purposes of such opportunity. Additional authorized shares will also provide us with greater flexibility to use our preferred stock for various other business purposes including establishing strategic relationships with other companies. We do not currently have specific arrangements or plans that would involve the issuance of the proposed additional authorized shares.

Required Vote

As to Item I, the Election of Directors, the nominees must receive a plurality of the voting power, entitled to vote for the election of directors, of the shares present or represented by proxy at the meeting in order to be elected. This means that the three director candidates receiving the largest number of votes "for" their election will be elected to the board of directors.

As to Item 2, Increase of Authorized Preferred Stock, the affirmative vote of the holders of a majority in voting power of the common stock entitled to vote generally in the election of directors will be required to approve this proposal.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who beneficially own more than 10% of any class of our equity securities, who collectively we refer to as "insiders," to file with the SEC initial reports of beneficial ownership and reports of changes in beneficial ownership of common stock and other equity securities of the company. Our insiders are required by SEC regulation to furnish us with copies of all Section 16(a) reports they file. The Company has undertaken the responsibility to file all Section 16(a) reports for the Board of Directors and Officers based on the information available to them.

Based solely on a review of the copies of the forms furnished to us, we believe that during the 2015 fiscal year, our insiders complied with all applicable filing requirements; except for the late filing of reports by the Company for one transaction with each of Mr. Stephen Snyder, Mr. Bill Korn, Ms. Anne Busquet and Ms. Amritpal Deol, and for the late filing of reports for two transactions with each of Messrs. Howard Clark, John Daly, and Cameron Munter. All of the foregoing late filings were subsequently filed.

OTHER BUSINESS

Our board of directors does not presently intend to bring any other business before the Annual Meeting, and, so far as is known to the board of directors, no matters are to be brought before the Annual Meeting except as specified in the Notice of Annual Meeting of Shareholders. We have not been informed by any of our shareholders of any intention to propose any other matter to be acted upon at the Annual Meeting. The persons named in the accompanying Proxy are allowed to exercise their discretionary authority to vote upon any other business as may properly come before the Annual Meeting. As to any such other business that may properly come before the meeting, it is intended that proxies, in the form enclosed, will be voted in respect thereof in accordance with the judgment of the persons voting such proxies.

SHAREHOLDER PROPOSALS FOR 2017 ANNUAL MEETING OF SHAREHOLDERS

Shareholder proposals intended for inclusion in our proxy statement and form of proxy relating to our 2017 Annual Meeting of Shareholders must be received by us not later than December 30, 2016. If we hold our 2016 Annual Meeting of Shareholders more than 30 days before or after June 8, 2017 (the one-year anniversary date of the 2016 Annual Meeting of Shareholders), we will disclose the new deadline by which shareholder proposals must be received under Item 5 of Part II of our earliest possible Quarterly Report on Form 10-Q or, if impracticable, by any means reasonably determined to inform shareholders. In addition, shareholder proposals must otherwise comply with the requirements of Rule 14a-8 under the Exchange Act. Such proposals also must comply with SEC regulations under Rule 14a-8 regarding the inclusion of shareholder proposals in company-sponsored proxy materials. Proposals should be addressed to: Corporate Secretary, Medical Transcription Billing, Corp., 7 Clyde Road, Somerset, New Jersey 08873.

Our bylaws also establish an advance notice procedure for shareholders who wish to present a proposal before an annual meeting of shareholders but do not intend for the proposal to be included in our proxy statement. Under our bylaws, director nominations and other business may be brought at an Annual Meeting of Shareholders only by or at the direction of our board of directors or by a shareholder entitled to vote who has submitted a proposal in accordance with the requirements of our bylaws as in effect from time to time. Notice of Shareholder proposals for the 2017 Annual Meeting of Shareholders, other than proposals intended for inclusion in our proxy statement as set forth in the preceding paragraph, must be received by the Corporate Secretary at our principal executive offices no later than March 10, 2017. Please refer to the full text of our advance notice bylaw provisions for additional information and requirements. If we hold our 2017 Annual Meeting of Shareholders more than 30 days before or after June 8, 2017 (the one-year anniversary date of the 2016 Annual Meeting of Shareholders), then notice of a shareholder proposal that is not intended to be included in our proxy statement must be received not later than the close of business on the earlier of the following two dates:

- the 10th day following the day on which notice of the meeting date is mailed, or

- the 10th day following the day on which public disclosure of the meeting date is made.

Only such proposals as are (1) required by the rules of the SEC and (2) permissible under the Delaware General Corporation Law will be included on the 2017 Annual Meeting of Shareholders agenda. If a shareholder who has notified us of his or her intention to present a proposal at an annual meeting does not appear to present his or her proposal at such meeting, we are not required to present the proposal for a vote at such meeting.
