**Item 1.01. Entry into a Material Definitive Agreement.**

**Merger Agreement**

On October 12, 2016, Transgenomic, Inc. (“Transgenomic”), New Haven Labs Inc., a wholly owned subsidiary of Transgenomic (“Merger Sub” and, together with Transgenomic, the “Transgenomic Parties”), and Precipio Diagnostics, LLC (“Precipio”) entered into an Agreement and Plan of Merger (the “Merger Agreement”) pursuant to which Precipio will become a wholly owned subsidiary of Transgenomic (the “Merger”), on the terms and subject to the conditions set forth in the Merger Agreement. The parties expect the Merger to close in 2016.

Upon the effectiveness of the Merger (the “Effective Time”), each membership interest of Precipio (the “Company Units”) issued and outstanding immediately prior to the Effective Time will be converted into the right to receive an amount of shares of Transgenomic common stock (“Parent Common Stock”) based on an exchange ratio set forth in the Merger Agreement, together with cash in lieu of fractional units. All outstanding membership interests in Precipio outstanding prior to the Effective Time (including preferred interests and non-voting interests) will be recapitalized into Company Units and receive the Parent Common Stock as Merger consideration (the “Common Unit Recapitalization”). The total amount of Parent Common Stock issued to the Precipio members in the Merger is expected to be between approximately 107 million and 262 million shares of Transgenomic’s common stock (before accounting for the reverse stock split that has been submitted to Transgenomic’s stockholders for approval). Pursuant to the terms of the Merger Agreement, Precipio holders are expected to own between 62% and 80% of the outstanding shares of Transgenomic following the Merger depending on the relative amount of outstanding liabilities of each of the parties at the Effective Time, but not taking into account the issuance of the New Preferred Shares described below.

The board of managers of Precipio and the boards of directors of Transgenomic and Merger Sub, and Transgenomic, in its capacity as the sole stockholder of Merger Sub, have each approved the Merger Agreement and the board of managers of Precipio and the board of directors of Transgenomic have each recommended that their respective equity holders approve the transactions contemplated by the Merger Agreement. Transgenomic will hold a special meeting of its stockholders to approve the issuance of shares of Transgenomic common stock pursuant to the Merger, as required by Nasdaq Listing Rules, as well as certain other matters (the “Special Meeting”).

The Merger Agreement contains various representations, warranties and covenants of the Transgenomic Parties and Precipio, including, among others, covenants (i) by each of Precipio and Transgenomic to operate its business in the ordinary course, (ii) by each of Precipio and Transgenomic not to engage in certain kinds of transactions during the period between the execution of the Merger Agreement and the completion of the Merger, (iii) by Precipio to have its members approve the Merger and (iv) by Transgenomic to hold the Special Meeting.

Under the Merger Agreement, Precipio and Transgenomic are subject to customary “no shop” provisions that limit their respective abilities to solicit alternative acquisition proposals from third parties or to provide confidential information to third parties, subject to a “fiduciary out” provision that allows Precipio and Transgenomic to provide information and participate in discussions with respect to certain unsolicited written proposals and to terminate the Merger Agreement and enter into an acquisition agreement with respect to a superior proposal in compliance with the terms of the Merger Agreement (a “Superior Proposal”).

Completion of the Merger is subject to various conditions, including, among others: (i) approval of the holders of a majority of Transgenomic’s shares of outstanding common stock, (ii) approval of the requisite amount of the members of Precipio, (iii) approval of an amendment to the Certificate of Incorporation of Transgenomic contemplating the New Preferred Stock Financing (described below) and changing the name of Transgenomic to Precipio, Inc. or such other name as determined by Precipio, (iv) obtaining certain third party consents, (v) the absence of any judgment, injunction, order or decree prohibiting or enjoining the completion of the Merger, (vi) consummation of the New Preferred Stock Financing, (vii) approval of listing of the Parent Common Stock on NASDAQ, (viii) completion of the Common Unit Recapitalization (described above), (ix) increase in the size of the Transgenomic board by two members and the appointment of designees in accordance with the Merger Agreement and (x) the lock-up of certain Transgenomic stockholders and Precipio members.

In addition, the obligation of the parties to complete the Merger is subject to certain other conditions, including (i) subject to the standards set forth in the Merger Agreement, the accuracy of the representations and warranties of the other party, (ii) compliance of each party with its covenants in all material respects and (iii) no material adverse effect of either party.

The Merger Agreement contains certain termination rights for both the Transgenomic Parties and Precipio. Either may terminate the Merger Agreement if the Merger is not completed on or before the date that is six months following the date of the Merger Agreement. Moreover, either party may terminate the Merger Agreement if the other party changes its recommendation to its security holders to approve the Merger and the related transactions or enter into an agreement with a third party regarding a Superior Proposal.

The Merger Agreement also provides that, upon termination of the Merger Agreement under certain circumstances, Transgenomic will be required to pay to Precipio a termination payment of \$256,500. If the Merger Agreement is terminated for certain other reasons, Precipio will be required to pay Transgenomic a termination payment of \$256,500.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached hereto as Exhibit 2.1 and incorporated by reference herein. The Merger Agreement has been included as an exhibit hereto solely to provide investors and security holders with information regarding its terms. It is not intended to be a source of financial, business or operational information about Transgenomic, Precipio or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Merger Agreement are made only for purposes of the Merger Agreement and are made as of specific dates; are solely for the benefit of the parties; may be subject to qualifications and limitations agreed upon by the parties in connection with negotiating the terms of the Merger Agreement, including being qualified by confidential disclosures made for the purpose of allocating contractual risk between the parties rather than establishing matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors or security holders. Investors and security holders should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of Transgenomic, Precipio or their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures.

In connection with the Merger, the Supporting Stockholders and Supporting Members (as defined below) will enter into a lock-up agreement with the combined company at the Effective Time pursuant to which the Supporting Stockholders agreed, among other things, not to sell shares of Transgenomic common stock for the six month period beginning at the Effective Time.

The Merger Agreement also provides that the combined company will enter into employment agreements with certain employees of Precipio at the Effective Time and that the officers of the combined company will be agreed to by the parties prior to the Effective Time.

### **New Preferred Shares Offering**

In connection with entering into the Merger Agreement, Transgenomic received a non-binding term sheet providing for the issuance (the “New Preferred Financing”) of up to \$7 million in Series “A” Redeemable Senior Convertible Preferred Shares (the “New Preferred Shares”). The New Preferred Shares will be new designations of preferred shares effectuated by an amendment to Transgenomic’s Certificate of Incorporation. The proceeds received from this offering of New Preferred Shares will be used to finance the Merger, for working capital and growth capital to expand into new markets.

Pursuant to the Merger Agreement, \$3 million in indebtedness of Transgenomic owed to certain stockholders and other parties will also be converted into New Preferred Shares and \$3 million in indebtedness of Precipio will be converted into New Preferred Shares.

The number of New Preferred Shares will be issued in connection with the Merger Agreement and the New Preferred Financing is expected to be between approximately 90 million and 170 million.

The New Preferred Shares are convertible into Parent Common Stock at any time at an applicable conversion price. This conversion price will be subject to certain anti-dilution protections. Certain material corporate events will also require the consent of a supermajority of holders of the New Preferred Shares. In the event of Transgenomic's liquidation, dissolution, or winding up, holders of the New Preferred Shares will be entitled to receive assets or surplus funds of Transgenomic in an amount equal to the greater of (i) 1.5 times the original purchase price of the New Preferred Shares, plus an amount equal to all unpaid and accrued dividends and dividend equivalents and (ii) the amount that would be payable on the New Preferred Shares if they were converted into Parent Common Stock (the "Liquidation Preference"). This Liquidation Preference would also be due in the event of a future merger or sale of Transgenomic, unless a supermajority of holders elect otherwise. The New Preferred Shares will be entitled to an annual 8% cumulative payment in lieu of interest or dividends, payable in-kind for the first two years and in cash or in-kind thereafter, at the option of the holder. The New Preferred Shares will also be entitled to share on any dividends paid on the Parent Common Stock.

If an event requiring payment of the liquidation amount has not occurred in five years, the holders of the New Preferred Shares will have the option to require Transgenomic to redeem their New Preferred Shares for the Liquidation Preference. At any time after the second anniversary of the Effective Time, Transgenomic may elect to redeem the New Preferred Shares for the Liquidation Preference.

The holders of the New Preferred Shares will also enter into an Investor Rights Agreement with Transgenomic which provides certain rights, including registration rights, preemptive rights, information rights and, for so long as 50% of the New Preferred Shares purchased in the New Preferred Financing are outstanding, the right to appoint two directors of Transgenomic.

In connection with the New Preferred Financing, and as provided in the Merger Agreement, the Transgenomic board will increase its size to seven at the Effective Time, two of whom will be current directors, three of whom will be nominated by Precipio and two of whom will be nominated by the holders of the New Preferred Shares.

### **Voting Agreements**

In connection with entering into the Merger Agreement, Transgenomic and members and warrant holders of Precipio (collectively, the "Supporting Members"), entered into a voting agreement (the "Precipio Voting Agreement") pursuant to which the Supporting Members agreed to, among other things, (i) authorize and approve the Merger Agreement and

the transactions contemplated thereby and (ii) vote against any Acquisition Proposal (as defined in the Merger Agreement). Collectively, the shares held by the Supporting Members represent approximately 71% of Precipio's issued and outstanding membership interests.

Precipio and certain Transgenomic stockholders (the "Supporting Stockholders") also entered into a voting agreement (the "Transgenomic Voting Agreement") pursuant to which the Supporting Stockholders agreed to, among other things, (i) authorize and approve the Merger Agreement and the transactions contemplated thereby and (ii) vote against any Acquisition Proposal (as defined in the Merger Agreement). Collectively, the shares held by the Supporting Stockholders represent approximately 31.84% of Transgenomic's voting stock.

The foregoing description of the voting agreements is only a summary, does not purport to be complete, and is qualified in its entirety by reference to the form of voting agreements which are attached as Exhibits 99.1 and 99.2 to this Current Report on Form 8-K and are incorporated herein by reference in its entirety.
