THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE ELECTION OF THE DIRECTOR NOMINEES

CORPORATE GOVERNANCE MATTERS

Director Independence

The Board of Directors has determined that David B. Atkinson, Haig S. Bagerdjian, Louise C. Forlenza, Brian E. Kardon, Douglas J. Manoni, Stewart R. Massey, Michael J. Opat, Anthea S. Stratigos and Andargachew S. Zelleke are independent directors. The independent directors comprise a majority of the Board. The only director who is not independent is Jack S. Abuhoff, the Company's Chairman, President and Chief Executive Officer ("CEO"). The Company defines independence as meeting the requirements to be considered as an independent director as set forth in the Nasdaq Marketplace Rule 5605(a)(2). To assist in determining director independence, the Board of Directors also considers any business relationship with any independent director, including any business entity with which any independent director is affiliated, to determine if there is any material relationship that would impair a director's independence. In making its determination, the Board of Directors reviewed information provided by each of the directors and information gathered by the Company.

Board Leadership Structure

Chairman of the Board and Chief Executive Officer Positions

The Board of Directors believes that having a combined Chairman of the Board/Chief Executive Officer, independent directors with strong leadership and management experience, an independent director serving as the Lead Independent Director and Board of Directors committees being comprised solely of independent directors, provides an effective and efficient leadership structure that is appropriate for the Company at the present time. The Chairman/CEO has primary responsibility for managing the business. Combining the leadership role avoids duplication of efforts while strengthening the Chairman/CEO's ability to provide insight and direction on important strategic initiatives to both management and the independent directors.

Lead Independent Director

Stewart R. Massey currently serves as the Company's Lead Independent Director. The principal responsibilities of the Lead Independent Director are to:

- Schedule and preside over executive sessions of the independent directors;

- Preside over Board of Directors meetings in the absence of the Chairman;
- Provide input to the Chairman in the preparation of agendas for Board of Directors meetings; and
- Enhance the effective functioning of the independent directors by facilitating communications and collaboration between and among them.

The Board's Role in Risk Oversight

The Board of Directors believes that the goal of risk oversight is to identify and assess risks which may affect the Company's ability to fulfill its business objectives and to formulate plans to mitigate potential effects. The Board of Directors administers its oversight function directly, through both its Audit and Compensation Committees, and through executive management of the Company, as follows:

- Through Board of Directors discussion on general business strategy and risks that could drive tactical and strategic decisions in the near and long term;
- Through the Audit Committee with respect to financial risks and risks that may affect the financial situation of the Company;
- Through the Compensation Committee with respect to risks associated with executive compensation plans and arrangements;
- Through executive management of the Company with respect to risks which may arise in the ordinary course of business, such as operational, managerial, business, legal, regulatory and reputational risks;
- Through the Compliance Committee of the Company with respect to risks which may arise with respect to global compliance and ethical conduct; and
- Through the CEO, in the CEO's combined role as Chairman, via updates to the Board of Directors during Board of Directors meetings with respect to potential material risks identified by executive management, as is deemed appropriate based on the circumstances.

The Board of Directors believes the various roles of the board committees, compliance committee and executive management in risk oversight described above complement the Board of Directors' leadership structure described above, including the combination of the Chairman of the Board and Chief Executive Officer positions.

Meetings of the Board of Directors

The Board of Directors meets throughout the year on a set schedule. The Board of Directors also holds special meetings and acts by unanimous written consent from time to time as appropriate. The Board of Directors held seven meetings during the year ended December 31, 2017. Each director attended at least 75% of all of the meetings of the Board of Directors and of the committees on which he or served that were held during the last fiscal year. The Company does not have a policy requiring incumbent directors and director nominees to attend the Company's annual meeting of stockholders. Seven directors attended last year's annual meeting.

The Board of Directors meets in executive sessions without management, as needed, immediately prior or during its regularly scheduled meetings. The Board of Directors also schedules executive sessions during the year for the independent directors only.

Committees of the Board of Directors

Audit Committee

The Company has a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of the charter is available on our website at www.innodata.com. Serving on the Committee are Ms. Forlenza and Messrs. Bagerdjian and Massey. The Board of Directors has determined that it has an audit committee financial expert serving on the audit committee: Ms. Forlenza. The functions of the Audit Committee are, among other things, to make recommendations concerning the selection each year of independent auditors of the Company, to assist the Board of Directors in fulfilling its oversight responsibilities relating to the quality and integrity of the Company's financial reports and financial reporting processes and systems of internal controls, to consider whether the Company's principal accountant's provision of non-audit services is compatible with maintaining the principal accountant's independence, and to determine through discussions with the independent auditors whether any instructions or limitations have been placed upon them in connection with the scope of their audit. To carry out its responsibilities, the Audit Committee met four times during fiscal 2017. The Company defines independence as meeting the standards to be considered as an independent director as set forth in the Nasdaq Marketplace Rule 5605(a)(2), and the Board of Directors has determined that all the members of the Audit Committee are "independent" as defined in the Nasdaq Marketplace Rule 5605(c)(2)(A).

Compensation Committee

The Company has a standing Compensation Committee comprised of Mr. Massey, Ms. Forlenza and Dr. Zelleke. The Compensation Committee operates under a written charter adopted by the Board of Directors. A copy of the charter is available on our website at www.innodata.com. The function of the Compensation Committee is to discharge the responsibilities of the Board of Directors regarding executive and director compensation, including determining and approving the compensation packages of the Company's executive officers, including its Chief Executive Officer. The Compensation Committee also reviews and approves stock option grants to non-executive officer employees. The Chief Executive Officer recommends to the Compensation Committee proposed compensation for the executive officers other than the Chief Executive Officer. The Compensation Committee engages the services of an independent compensation consultant on an as-needed basis to provide market data and advice regarding executive compensation and proposed compensation programs and amounts. To carry out its responsibilities, the Compensation Committee met three times during fiscal 2017. The Company defines independence as meeting the standards to be considered as an independent director as set forth in the Nasdaq Marketplace Rule 5605(a)(2), and the Board of Directors has determined that all the members of the Compensation Committee are "independent" as defined in the Nasdaq Marketplace Rule 5605(a)(2).

Nominating Committee

The Company has a standing Nominating Committee comprised of Dr. Zelleke, Mr. Bagerdjian and Ms. Forlenza. The Company does not have a Nominating Committee charter. The primary responsibilities of the Nominating Committee include assisting the Board of Directors in identifying and evaluating qualified candidates to serve as directors; recommending to the Board of Directors candidates for election or re-election to the Board of Directors or to fill vacancies on the Board of Directors; and assisting in attracting qualified candidates to serve on the Board of Directors. Director nominees are selected by Board of Director resolution. All of the nominees recommended for election to the Board of Directors at the Meeting, with the exception of David B. Atkinson, Brian E. Kardon and Douglas J. Manoni, are directors standing for re-election. Mr. Atkinson was recommended by one of the Company's clients, Mr. Kardon was recommended by another candidate interviewed by the Nominating Committee, and Mr. Manoni was recommended by a non-management director. Although the Nominating Committee does not have a formal policy with respect to the consideration of diversity, when considering director candidates the Nominating Committee seeks individuals with backgrounds and qualities that, when combined with those of the Company's existing directors, provide a blend of skills and experience that will further enhance the Board of Directors' effectiveness at the time the consideration is made. When considering potential director candidates, the Nominating Committee considers the candidate's character, judgment, diversity, skills, including financial literacy, and experience in the context of the needs of the Company and the Board of Directors. The Nominating Committee has not established any minimum qualifications for director candidates. To carry out its responsibilities, the Nominating Committee met two times during fiscal 2017 and three times during fiscal 2018. The Company defines independence as meeting the standards to be considered as an independent director as set forth in the Nasdaq Marketplace Rule 5605(a)(2), and the Board of Directors has determined that all the members of the Nominating Committee are "independent" as defined in the Nasdaq Marketplace Rule 5605(a)(2). In 2017 the Company did not pay any fees to any third party to assist in identifying or evaluating potential nominees.

The Company's by-laws include a procedure whereby its stockholders can nominate director candidates, as more fully described below under "Stockholder Proposals for the 2019 Annual Meeting." The Board of Directors will consider director candidates recommended by the Company's stockholders in a similar manner as those recommended by members of management or other directors, provided the stockholder submitting such nomination has complied with the procedures set forth in the Company's by-laws. To date, the Company has not received any recommended nominees from any non-management stockholder or group of stockholders who beneficially owns five percent or more of its voting stock.

REPORT OF THE AUDIT COMMITTEE

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

The responsibilities of the Audit Committee, which are set forth in the Audit Committee Charter, include providing oversight to the Company's financial reporting process through periodic meetings with the Company's independent auditors and management to review accounting, auditing, internal controls and financial reporting matters. The Audit Committee is also responsible for the appointment, compensation and oversight of the Company's independent auditors. The management of the Company is responsible for the preparation and integrity of the financial reporting information and related systems of internal controls. The Audit Committee, in carrying out its role, relies on the Company's senior management, including senior financial management, and its independent auditors.

The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Audit Committee's charter. To carry out its responsibilities, the Audit Committee met four times during fiscal 2017.

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities relating to the quality and integrity of the Company's financial reports and financial reporting processes and systems of internal controls. Management of the Company has primary responsibility for the Company's financial statements and the overall reporting process, including maintenance of the Company's system of internal controls. The Company retains independent auditors who are responsible for conducting independent audits of the Company's financial statements and internal control over financial reporting, if applicable, in accordance with standards of the Public Company Accounting Oversight Board (United States), and issuing reports thereon.

The Audit Committee has reviewed and discussed the Company's consolidated audited financial statements as of and for the year ended December 31, 2017 with management and the independent auditors. The Audit Committee has discussed with the independent auditors the matters required to be discussed under standards established by the Public Company Accounting Oversight Board (United States), including those matters set forth in Statement on Auditing Standard No. 1301 (Communications with Audit Committees). The independent auditors have provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communication with the Audit Committee concerning independence, and the Audit Committee has discussed with the auditors their independence from the Company. The Audit Committee has concluded that the independent auditors are independent from the Company and its management.

On the basis of the foregoing reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017, for filing with the Securities and Exchange Commission. EXECUTIVE COMPENSATION

Overview of Executive Compensation Program

We are currently a smaller reporting company and therefore are not required to include a Compensation Discussion and Analysis in this Proxy Statement. However, we have elected to provide the following overview of the material elements of our compensation program. This overview focuses on the information contained in the following tables and related footnotes and narrative for primarily the last completed fiscal year.

Executive Compensation Objectives

The Compensation Committee of the Board of Directors is responsible for overseeing and administering our executive compensation program and for establishing our executive compensation philosophy. The objectives of our compensation program are to:

- Attract, motivate and retain qualified, talented and dedicated executives
- Motivate executives to achieve business and financial objectives that will enhance stockholder value
- Align the interests of our executives with the long-term interests of stockholders through stock-based incentives
- Maintain a strong link between pay and performance by placing a significant portion of the executive's total pay at risk

The Committee applies these objectives in selecting the specific elements of compensation. The Committee also reviews and considers:

- Company performance, both separately and in relation to similar companies
- The individual executive's performance, experience and scope of responsibilities
- Historical compensation levels and stock option awards at the Company
- Internal equity among executive officers
- The recommendations of management
- The recommendations of an independent compensation consultant, to the extent compensation consultants are utilized
- Competitive market and peer company data

The Committee uses the following processes, procedures and resources to help it perform its responsibilities:

- Executive sessions without management present to discuss various compensation matters, including the compensation of our CEO
- A periodic review of executive compensation and benefit programs for reasonableness and cost effectiveness
- The recommendations of the CEO on compensation for the other executive officers
- On an as-needed basis, the services of an independent compensation consultant

Components of the Executive Compensation Program

The primary elements of the Company's Executive Compensation Program are described below. The Committee does not use a pre-set formula to allocate a percentage of total compensation to each compensation component, and the percentage of total compensation allocated to each compensation component varies among the executive officers.

Base Salary

The base salaries of our executive officers are designed to attract and retain a high performing and dedicated leadership team. The Committee reviews the performance evaluations and salary recommendations provided to the Committee by the CEO for each executive officer other than himself. Increases to the CEO's base salary are determined by the Committee without a recommendation by Company management. Adjustments to base salary are determined based on the individual's responsibility level, performance, contribution and length of service, after considering the Company's financial performance, as well as any requirements set forth in the executive officer's employment agreement. No executive officer received a base salary increase in calendar year 2017.

Performance-Based Cash Incentives

Performance-based cash incentives provide the Company with a means of rewarding performance based upon the attainment of corporate financial goals, individual goals, and individual accomplishments and contributions to the Company. The Committee reviews Company financial performance, individual performance, accomplishments and contributions, as well as recommendations provided to the Committee by the CEO for each executive officer other than the CEO. Cash incentives may be paid pursuant to an incentive compensation plan or as cash bonuses. There were no incentive compensation plans in place for the executive officers in 2017, and no cash incentives were awarded by the Committee in 2017.

Stock-Based Incentives

The Company uses stock option grants as the primary vehicle for employee stock-based incentives. The Company also uses restricted share grants as a form of stock-based incentives. The Committee believes stock-based incentives align

the executive officers' interests with those of stockholders in building shareholder value, offer executive officers an incentive for the achievement of superior performance over time, and foster the retention of key management personnel. The number of stock options or restricted shares the Committee awards each executive officer is based on his relative position, responsibilities and performance, including anticipated future performance, potential and responsibilities, and performance over the previous fiscal year, to the extent applicable. The Committee also reviews and considers prior stock-based grants to each executive officer, including the extent to which any prior stock option grants remained unexercised upon expiration due to an underwater stock price at the time of expiration. The size of stock-based grants is not directly related to the Company's performance. No stock options were awarded by the Committee in 2017.

Benefits and Perquisites

The Company offers retirement, health, life, and disability benefits, as well as medical and dependent care reimbursement plans to all full-time employees. These plans do not discriminate in scope, terms or operation in favor of executive officers. In addition, in calendar year 2017, the Company (i) reimbursed Mr. Abuhoff \$12,212 for the cost of life and disability insurance premiums and related taxes pursuant to his employment agreement; (ii) provided Mr. Mishra benefits totaling \$42,405 consisting of apartment rental, utilities, car rental and security in connection with his foreign assignment, health insurance, and related fringe benefit taxes; and (iii) provided Mr. Nalavadi benefits totaling \$34,023 consisting of apartment rental, utilities, and travel.

Severance and Change-of-Control

The Company uses severance and change-of-control agreements to attract and retain qualified, talented and dedicated executives and to help it remain competitive in the marketplace.

Results of 2017 Advisory Vote on Executive Compensation

At the 2017 Annual Meeting of Stockholders held in June 2017, the Company's stockholders approved the 2016 compensation of the Company's named executive officers by a majority of the votes cast. Although the vote cast represented majority support for the named executive officer compensation, the percentage of the votes cast voting in favor of the Company's executive compensation is significantly less than what the Company and the Compensation Committee deem satisfactory. The Compensation Committee values the stockholder feedback provided through the vote as well as the feedback regarding Company performance received through conversations with stockholders subsequent to the vote. The Compensation Committee will continue to review the Company's executive compensation programs and consider ways to further align these programs with stockholder interests.

Jack S. Abuhoff

Pursuant to Mr. Abuhoff's employment agreement, if Mr. Abuhoff's employment is terminated by the Company other than for cause, death or disability, or Mr. Abuhoff resigns his employment for good reason (including the Company's breach of its material obligations under the Agreement, the Company, without Mr. Abuhoff's prior consent, relocating Mr. Abuhoff's regular office location by more than 50 miles from its present location, the Company assigning duties to Mr. Abuhoff which represent a material diminution of his authorities, duties or responsibilities, or requiring him to report to any person or entity other than the Board of Directors, and the Company does not revoke or reasonably cure any such action within 30 days of receipt of notice from Mr. Abuhoff and Mr. Abuhoff resigns his employment within 30 days thereafter) Mr. Abuhoff will be entitled to (i) 200% of his (A) base salary and (B) the greater of his most recently declared bonus (as defined) or the average of the his three most recently declared bonuses to be paid in substantially equal payments over a period of 24 months; (ii) the continuation of his (and as applicable, his dependents') medical and dental insurance until the earlier of the end of the maximum applicable COBRA coverage period or for the 24 month period immediately following Mr. Abuhoff's termination (and if the COBRA period is shorter than the applicable 24 month period, pay Mr. Abuhoff an amount equal to the monthly cost charged by the Company for COBRA coverage during the period beginning upon the expiration of the maximum COBRA coverage period and the end of the 24 month continuation period); (iii) the continuation of his life and long-term disability insurance for the 24 month period immediately following Mr. Abuhoff's termination; (iv) payment of up to six weeks' accrued but unused vacation and (v) the removal of any vesting, transfer, lock-up, performance or other restrictions or requirements on his stock options and other equity-based and non-equity-based awards and incentives. If Mr. Abuhoff's employment is terminated for death, his estate will receive payment of his base salary through the date of termination, a pro-rated bonus based on his performance of his objectives through the date of termination, and payment of up to six weeks' accrued but unused vacation. If Mr. Abuhoff's employment is terminated for disability he will receive payment of his base salary for a 90 day period following the date of termination, a pro-rated bonus based on active duty with the Company and conditioned on attainment of quantitative objectives, and payment of up to six weeks' accrued but unused vacation. If Mr. Abuhoff's employment is terminated for cause, Mr. Abuhoff will receive his base salary through the date of termination, and payment of up to six weeks' accrued but unused vacation. In return for the benefits described above, Mr. Abuhoff is required to sign a separation agreement and general release, and agreed, for a 12 month period following termination of his employment, not to compete or interfere with the Company, and not to employ or retain the services of an employee of the Company.

In the event Mr. Abuhoff is a "specified employee" as defined in Section 409A of the Code at the time of his termination of employment, the payments referenced above (for both change-of-control and other than upon change-of-control) shall be delayed until the date that is six months and one day following his termination of employment (or, if earlier, the earliest other date as is permitted under Section 409A of the Code). The amount payable on such date shall include all amounts that would have been payable to Mr. Abuhoff prior to that date but for the application of Section 409A and the remaining payments shall be made in substantially equal installments until fully paid. Notwithstanding the foregoing, the six month delay shall not apply to any such payments made (A) during the short term deferral period set forth in Treasury Regulation Section 1.409A-1(b)(4), or (B) after said short term deferral period, payable solely on account of an involuntary separation from service (as defined in Section 409A of the Code) and in an amount less than the Section 409A Severance Exemption Amount. The Agreement also provides for potential tax gross-up payments in respect of taxes, penalties and/or interest that may be incurred by Mr. Abuhoff under Section 409A of the Code.

Ashok Mishra

Pursuant to Mr. Mishra's agreement, if the agreement is terminated without cause or by Mr. Mishra with good reason (including the Company's material breach of its obligations, reduction of base salary below the amount set forth in the agreement without Mr. Mishra's consent, and assignment of duties to Mr. Mishra inconsistent with his position, and the Company does not reasonably cure such event after receipt of written notice from Mr. Mishra that he intends to resign his employment), he will be entitled to his base salary for 12 months following the date of his termination or resignation with good reason, any earned but unpaid incentive compensation, and payment for up to six weeks' accrued but unused vacation. If the agreement is terminated due to Mr. Mishra's death, his estate will receive payment of his base salary through the date of termination, any earned but unpaid incentive compensation, and payment for up to six weeks' accrued but unused vacation. If the agreement is terminated due to Mr. Mishra's disability he will receive payment of his base salary for a 90 day period following the date of termination, any earned but unpaid incentive compensation, and payment for up to six weeks' accrued but unused vacation. If this agreement is terminated for cause, Mr. Mishra will receive his base salary through the date of termination, and payment for up to six weeks' accrued but unused vacation. In return for the benefits described above, Mr. Mishra is required to sign a separation agreement and general release, and agreed not to compete with the Company for a 12 month period following termination of his employment, and not to solicit the customers of the Company or to solicit or employ the services of an employee of the Company for a 24 month period following termination of employment.

PROPOSAL 3. APPROVAL OF THE COMPANY'S EXECUTIVE COMPENSATION ON AN ADVISORY BASIS

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") enables stockholders to vote to approve, on an advisory and non-binding basis, the compensation of the Company's named executive officers. Accordingly, you may vote on the following resolution at the 2018 annual meeting:

"RESOLVED, that the Company's Stockholders approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed pursuant to Item 402 of Securities and Exchange Commission Regulation S-K, in the Proxy Statement for the Company's 2018 Annual Meeting of Stockholders."

The Company's executive compensation program is designed to attract, motivate and retain individuals with the skills required to formulate and drive the Company's strategic direction and achieve annual and long-term performance goals necessary to create shareholder value. Consistent with this philosophy, a significant percentage of the total compensation opportunity for each executive officer is based on measurable financial performance of the Company on an annual basis, and on the performance of the Company's stock on a long-term basis.

The Executive Compensation section of this Proxy Statement as well as the compensation tables and related narrative that follows it provides detailed information on the Company's executive compensation programs and the compensation of the Company's named executive officers.

Although this vote is non-binding, the Board of Directors and the Compensation Committee value the opinion of the stockholders and will consider the outcome of the vote when making future compensation decisions.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

VOTE REQUIRED

Election of Directors. Directors will be elected at the meeting by a plurality of the votes cast (i.e., the seven nominees receiving the greatest number of votes “for” their election will be elected as directors). “Withhold” votes, and broker non-votes are not considered votes cast for the foregoing purpose, and will have no effect on the election of the nominees.

Ratification of the Appointment of Independent Auditors. The appointment of CohnReznick LLP as independent auditors requires the affirmative vote of a majority of the shares present in person or represented by proxy at the meeting and entitled to vote on the matter. Abstentions will have the same effect as a vote against this proposal.

Approval of the Company’s Executive Compensation on an Advisory Basis. The compensation of the named executive officers will be approved, on an advisory basis, if it receives the affirmative vote of a majority of the shares present in person or represented by proxy at the meeting and entitled to vote on the matter. Abstentions will have the same effect as a vote against such approval, whereas broker non-votes and shares not represented at the meeting will have no effect on the vote for this proposal.

EXPENSE OF SOLICITATION

The cost of soliciting Proxies, which also includes the preparation, printing and mailing of the Proxy Statement, will be borne by the Company. Solicitation will be made by the Company primarily through the mail, but regular employees of the Company may solicit Proxies personally, by telephone, facsimile or electronic communication. The Company will request brokers and nominees to obtain voting instructions of beneficial owners of the stock registered in their names and will reimburse them for any expenses incurred in connection therewith.

HOUSEHOLDING

We have adopted a procedure approved by the SEC called “householding.” Under this procedure, multiple shareowners who share the same last name and address and do not participate in electronic delivery will receive only one copy of the annual Proxy materials or notice regarding the internet availability of Proxy materials. If the household received a printed set of Proxy materials by mail, each shareowner will receive his or her own Proxy card by mail. We have undertaken householding to reduce our printing costs and postage fees.

If you wish to opt out of householding and continue to receive multiple copies of the Proxy materials or notice regarding the internet availability of Proxy materials at the same address, you may do so at any time prior to thirty days before the mailing of Proxy materials or notice regarding the internet availability of Proxy materials, which typically are mailed in May of each year, by notifying us in writing or by telephone at: Innodata Inc. Investor Relations, 55 Challenger Road, Ridgefield Park, New Jersey 07660, (201) 371-8000. You also may request additional copies of the Proxy materials or notice regarding the internet availability of Proxy materials by notifying us in writing or by telephone at the same address or telephone number.
