in the Company.

These Plans are intended to comply with Rule 10b5-1 of the Securities Exchange Act of 1934, as amended, and the Company's insider trading policy. Rule 10b5-1 allows corporate insiders to establish prearranged written plans to buy or sell a specified number of shares of a company stock over a set period of time. A plan must be entered into in good faith at a time when the insider is not in possession of material, nonpublic information. Subsequent receipt by the insider of material, nonpublic information will not prevent transactions under the plans from being executed.
