Section 2 - Financial Information

Item 2.02. Results of Operations and Financial Condition.

Item 2.06. Material Impairments

On February 8, 2006, the Board of Directors of RARE Hospitality International, Inc. (the "Company") concluded that a non-cash impairment charge would be recorded in the quarter ending December 25, 2005, in the amount of approximately \$3.3 million (\$2.2 million, or \$0.06 per share after tax) and consists primarily of the write down of asset values for three LongHorn Steakhouse restaurants and two Bugaboo Creek Steak House restaurants. During the annual earnings and cash flow budgeting process, the Company determined that a partial impairment charge would be required under SFAS No. 144 "Accounting for the Impairment or Disposal of Long-Lived Assets". The impairment charge for each LongHorn restaurant relates to management's decision to not exercise future lease options for the restaurants as the current lease term expires. The impairment charge for the two Bugaboo Creek restaurants relates to our forecast that indicated that the investment for those two restaurants would not fully be recovered by anticipated cash flows. The taking of these impairment charges will not precipitate the closure of any restaurant or an additional cash expenditure by the Company.
