INFORMATION TO BE INCLUDED IN THE REPORT

Item 8.01. Other Events.

(a) Sterling Financial Corporation ("Sterling") announced that it intends to extend the expiration date to April 12, 2010 at 5:00 p.m. Eastern Daylight Time from March 31, 2010 for the consent solicitations relating to its previously announced discounted purchase offer for its trust preferred securities ("TruPS"). The revised expiration date would provide additional time for TruPS holders to provide their consents and for Sterling to continue making progress on its recovery and recapitalization efforts.

With the exception of the new deadline, the terms and conditions of the consent solicitations would be the same for all TruPS holders as outlined in an 8-K filing by Sterling on February 1, 2010.

Consummation of any offer is conditioned upon Sterling's receipt of net proceeds from an equity offering, sale of assets or other transaction sufficient to purchase the TruPS, and the approval, to the extent required, by banking regulators. There can be no assurance that any of these efforts will be successful.

This filing is for informational purposes only and is not an offer to purchase, a solicitation of an offer to purchase or a solicitation of consent with respect to any securities.

Forward-Looking Statements

This filing contains certain "forward-looking" statements relating to Sterling's offer to repurchase its TruPS. These forward-looking statements are subject to various risks and uncertainties, many of which are beyond the control of Sterling, which could cause actual results to differ materially from such statements. Such risks and uncertainties include, but are not limited to, Sterling's ability to complete a financing transaction on favorable terms, if at all, the receipt of consents from holders of the TruPS sufficient to approve the proposed amendments to the applicable indenture governing the note underlying the relevant series of TruPS and such other factors as are described in greater detail in Sterling's filings with the Securities and Exchange Commission, including, without limitation, Item 1A. Risk Factors of Sterling's Annual Report on Form 10-K for the fiscal year ended December 31, 2009. Unless legally required, Sterling disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise.
