### Section 8. OTHER EVENTS

#### Item 8.01- Other Events

1. American Ammunition, Inc. completed its domiciliary change from California to Nevada effective January 1, 2006, and implemented its reduction in the number of issued and outstanding shares effective at the opening of the market January 9, 2006. The new trading symbol is AAMU and the new CUSIP number is 023826 20 9. No exchange of shares is necessary.

2. American Ammunition, Inc. filed the attached press releases on January 9, 2006 and January 10, 2006.

3. The Company also announced today that it achieved unaudited revenues of approximately \$3,444,000 for the year ended 12/31/05, including shipments aggregating approximately \$1,202,500 in the fourth quarter. Unaudited revenues as projected exceed audited revenues for 2004 and prior years. As previously disclosed, the Company has been in transition since 1999 due to going public through a reverse merger, working capital deficiencies caused by problems with the Company's former financial institution, availability of qualified labor, corporate restructuring and other circumstances beyond the Company's control. With management's continued "hands-on" involvement in the production process, the Company believes that fourth quarter shipment levels can be maintained in future periods.
