A summary of the key features of the 2002 Plan appears below. This summary is qualified by and made subject to the specific provisions of the 2002 Plan.

ADMINISTRATION

The 2002 Plan is to be administered by the Board of Directors or its designated plan administrator(s). The Board is authorized to interpret the 2002 Plan; determine the terms and conditions of each option including any restrictions to be imposed upon transfer of shares purchased pursuant to the options; establish and amend the rules for its administration; determine which key employees will be granted options; determine the number of shares and type of options to be granted to each eligible employee; and prescribe the form of all stock option agreements.

ELIGIBILITY

Consistent with the Plan's purposes, Options may be granted only to such Directors, Officers, Employees, Consultants and Advisors of the Company as determined by the Board or the Committee or a Designated Officer. Subject to the terms of the Plan, a Director, Officer, Employee, Consultant or Advisor who has been granted an Option may, if he or she is otherwise eligible, be granted an additional Option.

TYPES OF AWARDS AND CONSIDERATION RECEIVED

To provide a flexible and competitive program, the 2002 Plan awards non-qualified stock options or restricted shares. The Company will not receive consideration for the granting of options under this plan, except to the extent that options or shares are granted in return for services as permitted by the 2002 Plan. The awards are not transferable except by will, by the laws of descent and distribution, or pursuant to a qualified domestic relations order.

RESERVATION OF SHARES

The 2002 Plan provides for the granting of options for an aggregate of 1,500,000 shares of Class A Common Stock. Authorized but unissued shares and treasury shares may be made available

12

Edgar Filing: STOCKGROUP INFORMATION SYSTEMS INC - Form DEF 14A

for issuance under the 2002 Plan. In the event of changes affecting Stockgroup's common stock such as the payment of a stock dividend, the declaration of a stock split, combination of shares, recapitalization, merger, consolidation, or other corporate reorganization in which Stockgroup is the surviving company, the Board shall make adjustments to awards and shares under the 2002 Plan.

TERMS OF OPTIONS

OPTION PRICE - The purchase price of shares subject to any option must be at least 100% of the fair market value of the shares on the date of grant. Fair market value is defined in the 2002 Plan as the value of the Shares determined by the Board or the Committee or a Designated Officer in such manner as it may deem equitable for Plan purposes but, no less than is required by applicable laws or regulations; provided, however, that where there is a public market for the Shares, the Fair Market Value per share shall be the average of the high and low trading prices of the Shares on the Date of Grant, as reported in the Wall Street Journal (or, if not so reported, as otherwise reported by the National Association of Securities Dealers Automated Quotation System - Small Cap or National Markets or the National Association of Security Dealers Over the Counter Bulletin Board). Upon exercise, the option price is to be paid in full in cash or by check, or by surrender of a number of shares of common stock having a fair market value equal to the option price, or a combination of both.

EXERCISE OF OPTIONS - The maximum term of any stock option is 10 years from the date the option is granted. No incentive stock option may be granted after December 31, 2012. In the event of a dissolution or liquidation of Stockgroup or a merger, consolidation, sale of all or substantially all of its assets, or other corporate reorganization in which Stockgroup is not the surviving corporation or, if so provided by the Board with respect to a particular option in the event of a Change of Control, all options previously granted and still outstanding, regardless of their terms, will become exercisable.

If the employment of an optionee terminates due to his/her death or disability, all of the optionee's outstanding vested options must be exercised within six months or the stated period of the option, whichever is shorter. Notwithstanding the foregoing, if the optionee of an incentive stock option retires or voluntarily terminates his/her employment, his/her outstanding vested incentive stock options must be exercised within three months or within the stated period of the option, whichever is shorter. If an optionee's employment terminates for any reason other than voluntary termination, retirement, death or disability, all of the optionee's outstanding options, unless otherwise provided in an employment agreement, shall become null and void. In any event, no option may be exercised after termination of employment for any reason if it has not vested as at the date of termination of employment.

AMENDMENT

The Board of Directors may amend, alter, suspend or discontinue the 2002 Plan. However, any such amendment or termination of the Plan shall not affect Options already granted and such Options shall remain in full force and effect as if this Plan had not been amended or terminated,

13

unless mutually agreed otherwise between the Optionee and the Board or the Committee or a Designated Officer, which agreement must be in writing and signed by the Optionee and the Company.

FEDERAL INCOME TAX CONSEQUENCES

Edgar Filing: STOCKGROUP INFORMATION SYSTEMS INC - Form DEF 14A

INCENTIVE STOCK OPTIONS - The grantee of an incentive stock option will not be deemed to receive any taxable income upon the grant or exercise of an option, and any gain realized upon the disposition of shares acquired pursuant to an option will be treated as capital gain. However, in order for such capital gain treatment to be applicable, the shares acquired upon exercise of the option ordinarily must not be disposed of within two years after the date of grant or within one year of the date of exercise, and the option must be exercised prior to or within a specified period after a grantee's termination of employment. No gain or loss will be recognized by Stockgroup either upon the grant or upon the exercise of a qualifying incentive stock option. The difference between the option exercise price and the fair market value of the shares on the option exercise date of an incentive stock option will be treated as an item of tax preference in the year of exercise for purposes of the alternative minimum tax.

If shares acquired pursuant to an incentive stock option are disposed of before the holding periods described above expire, then the excess of the fair market value (but not in excess of the sales proceeds) of such shares on the option exercise date over the option price will be treated as ordinary income to the grantee in the year in which such disposition occurs and Stockgroup will be entitled to a commensurate income tax deduction. Any difference between the sales proceeds and the fair market value of the shares on the option exercise date will be treated as capital gain or loss.

RESTRICTED SHARES - The grantee of restricted shares will not be deemed to receive any taxable income upon the grant of the shares. When a restricted share is issued, the grant price will be an allowable income tax deduction to Stockgroup. When a restricted share is sold, the excess of the fair market value of the shares on the sale date over the grant price will be a capital gain to the grantee.

(b) The Board or a Committee may delegate to an Officer of the Company the authority to make decisions pursuant to this Plan, provided that no such delegation may be made that would cause any award or other transaction under the Plan to cease to be exempt from Section 16(b) of the Exchange Act. A Committee may authorize any one or more of its members or any Officer of the Company to execute and deliver documents on behalf of the Committee.

4.3 Effect of Board or Committee or Designated Officer Decisions. All decisions and determinations and the interpretation and construction by the

Board or the Committee or a Designated Officer of any provision of this Plan or any agreement, notification or document evidencing the grant of Options and any determination by the Board or the Committee or a Designated Officer pursuant to

Edgar Filing: STOCKGROUP INFORMATION SYSTEMS INC - Form DEF 14A

any provision of this Plan or any such agreement, notification or document, shall be final, binding and conclusive with respect to all Participants and/or Optionees and any other holders of any Option granted under the Plan. No member of the Board or the Committee or a Designated Officer shall be liable for any such action taken or determination made in good faith.

5. Eligibility.

Consistent with the Plan's purposes, Options or shares may be granted only to such Directors, Officers, Employees, Partners, Consultants and Advisors of the Company as determined by the Board or the Committee or a Designated Officer. Subject to the terms of the Plan, a Director, Officer, Employee, Partner, Consultant or Advisor who has been granted an Option or shares may, if he or she is otherwise eligible, be granted an additional Option or shares.

6. Board Approval; Effective Date.

The Plan shall take effect on March 25, 2002 (the "Effective Date"), the date on which the Board approved the Plan. No Option may be granted after the Termination Date as hereinafter defined.

7. Options or Shares.

The Board or the Committee or a Designated Officer may from time to time authorize grants to Participants of Options to purchase Shares, or the grant of shares upon such terms and conditions as the Board or the Committee or a Designated Officer may determine in accordance with the following provisions:

7.1 Options or Shares to be Granted; Terms.

(a) Options granted pursuant to this Section 7 would be Non-qualified Stock Options. The Board or the Committee or a Designated Officer shall determine the specific terms of Options.

(b) Each grant shall specify the period or periods of continuous employment, or continuous engagement of the consulting or advisory services, of the Optionee by the Company or any Subsidiary, or such other conditions as the Board or the Committee or a Designated Officer may provide, that are necessary before the Options or installments thereof shall become exercisable.

(c) Any grant of an Option may provide for the payment to the Optionee of dividends equivalent thereon in cash or Shares on a current, deferred or contingent basis, or the Board or the Committee or a Designated Officer may provide that any dividend equivalents shall be credited against the Option Price.

(d) The granting of Options or Shares to Consultants who directly or indirectly beneficially own 10% or more of the Company's issued and outstanding Shares or who is an affiliate of such person must be

21

approved by the requisite vote of the disinterested shareholders in accordance with applicable securities regulatory requirements.

7.2 Number of Shares Subject to Options. Each grant shall specify the number of Shares to which it pertains. Successive grants may be made to the same Optionee regardless of whether any Options previously granted to the Optionee remain unexercised.

7.3 Term of Option; Earlier Termination. Subject to the further provisions of this Section 7, unless otherwise provided in the Incentive Agreement, the term (the "Option Term") of each Option shall be six (6) years from the Date of Grant, provided that no grant shall be effective until the Company and the Participant have executed and delivered an Incentive Agreement.

7.4 Exercise Price. Each grant shall specify an Option Price per Share for the Shares to be issued pursuant to exercise of an Option, which shall be determined by the Board or the Committee or a Designated Officer, and, in the case of options granted to consultants, shall be no less than the Fair Market Value per share on the Date of Grant.

7.5 Payment for Shares. The Option Price of an exercised Option and any taxes attributable to the delivery of Shares under the Plan or portion thereof, shall be paid as follows:

(a) Each grant shall specify the form of consideration to be paid in satisfaction of the Option Price and the manner of payment of such consideration, which may include (i) cash in the form of United States currency or check or other cash equivalent acceptable to the Company, (ii) non-forfeitable, unrestricted Shares, which are already owned by the Optionee and have a value at the time of exercise that is equal to the Option Price, (iii) any other legal consideration that the Board or the Committee or a Designated Officer may deem appropriate, including without limitation any form of consideration authorized pursuant to this Section 7 on such basis as the Board or the Committee or a Designated Officer may determine in accordance with this Plan, and (iv) any combination of the foregoing. The Board (or the Committee or a Designated Officer) in its sole discretion may permit a so-called "cashless exercise" of an Option.

In the event of a cashless exercise of an Option the Company shall issue the Optionee holder the number of Shares determined as follows:

$X = Y (A-B)/A$ where:

X = the number of Shares to be issued to the Optionee.

Y = the number of Shares with respect to which the Option is being exercised.

A = the average of the closing sale prices of the Shares for the five (5) Trading Days immediately prior to (but not including) the Date of Exercise, or in the absence thereof, the Fair Market Value on the Date of Exercise.

22

B = the Option Price.

(b) Any grant may allow for deferred payment of the Option Price through a sale and remittance procedure by which an Optionee shall provide concurrent irrevocable written instructions to (i) a Company-designated brokerage firm to effect the immediate sale of the purchased Shares and remit to the Company, out of the sale proceeds available on the settlement date, sufficient funds to cover the aggregate Option Price payable for the purchased Shares, and (ii) the Company to deliver the certificates for the purchased Shares directly to such brokerage firm to complete the sale transaction.

(c) The Board or the Committee or a Designated Officer shall determine

Edgar Filing: STOCKGROUP INFORMATION SYSTEMS INC - Form DEF 14A

acceptable methods for tendering Shares as payment upon exercise of an Option and may impose such limitations and prohibitions on the use of Shares to exercise an Option as it deems appropriate.

7.6 Rights as a Stockholder. Until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the stock certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of an Option. No adjustment will be made for a dividend or the right thereto for which the record date is prior to the date the stock certificate is issued, except as provided in Section 8 of the Plan.

7.7 Loans or Installment Payments; Bonuses.

(a) The Board or the Committee or a Designated Officer may, in its discretion, assist any Optionee in the exercise of one or more awards under the Plan, including the satisfaction of any federal, provincial, local and foreign income and employment tax obligations arising therefrom, by (i) authorizing the extension of a loan from the Company to such Optionee; or (ii) permitting the Optionee to pay the Option Price for the purchased Shares in installments; or (iii) a guaranty by the Company of a loan obtained by the Participant from a third party; or (iv) granting a cash bonus to the Optionee to enable the Optionee to pay federal, state, local and foreign income and employment tax obligations arising from an award.

(b) Any loan or installment method of payment (including the interest rate and terms of repayment) shall be upon such terms as the Board or the Committee or a Designated Officer specifies in the applicable Incentive Agreement or otherwise deems appropriate under the circumstances. Loans or installment payments may be authorized with or without security or collateral. However, the maximum credit available to the Optionee may not exceed the Option Price of the acquired Shares (less the par value of such Shares) plus any federal, state and local income and employment tax liability incurred by the Optionee in connection with the acquisition of such Shares. The amount of any bonus shall be determined by the Board or the Committee or a Designated Officer in its sole discretion under the circumstances.

(c) The Board or the Committee or a Designated Officer may, in its sole discretion, determine that one or more loans extended under this

23

Section 7.7 shall be subject to forgiveness by the Company in whole or in part upon such terms and conditions as the Board or the Committee or a Designated Officer may deem appropriate; provided, however, that the Board or the Committee or a Designated Officer shall not forgive that portion of any loan owed to cover the par value of the Shares.

(d) Any Shares purchased and paid for as provided in this Section 7.7 must be held by a trustee duly appointed by the Company until such time as the Shares have been paid for in full.

7.8 Exercise of Option.

(a) Procedure for Exercise.

(i) Any Option granted hereunder shall be exercisable at such times

Edgar Filing: STOCKGROUP INFORMATION SYSTEMS INC - Form DEF 14A

and under such conditions as determined by the Board or the Committee or a Designated Officer, including performance criteria with respect to the Company and/or the Optionee, and as shall be permissible under the terms of the Plan. Unless otherwise determined by the Board or the Committee or a Designated Officer at the time of grant, an Option may be exercised in whole or in part.

(ii) An Option shall be deemed to be exercised when written notice of such exercise has been given to the Company in accordance with the terms of the Option by the person entitled to exercise the Option and full payment for the Shares with respect to which the Option is exercised has been received by the Company. Full payment may, as authorized by the Board or the Committee or a Designated Officer, consist of any consideration and method of payment allowable under Section 7.5 of the Plan.

(iii) Exercise of an Option in any manner shall result in a decrease in the number of Shares which thereafter may be available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(b) Termination of Status as an Employee. Unless otherwise provided in an Incentive Agreement, if an Employee's employment by the Company is terminated, except if such termination is voluntary or occurs due to retirement with the consent of the Board or the Committee or a Designated Officer or due to death or disability, then the Option, to the extent not exercised, shall terminate on the date on which the Employee receives notice that the Employee's employment by the Company is terminated. If an Employee's termination is voluntary or occurs due to retirement with the consent of the Board or the Committee or a Designated Officer, then the Employee may after the date such Employee ceases to be an employee of the Company, exercise his or her Option at any time within one (1) months after the date he or she ceases to be an Employee of the Company, but only to the extent that he was entitled to exercise it on the date of such termination. To the extent that the Employee was not entitled to exercise the Option at the date of such termination, or if the Employee does not exercise such Option (which he was entitled to exercise) within the time specified herein, the Option shall terminate.

24

(c) Disability. Unless otherwise provided in the Incentive Agreement, notwithstanding the provisions of Section 7.8(b) above, in the event an Employee is unable to continue his or her employment with the Company as a result of his or her permanent and total disability (as defined in Section 22(e)(3) of the Code), the Employee may exercise his Option at any time within six (6) months after the date of termination, but only to the extent the Employee was entitled to exercise it at the date of such termination. To the extent that the Employee was not entitled to exercise the Option at the date of termination, or if the Employee does not exercise such Option (which he was entitled to exercise) within the time specified herein, the Option shall terminate.

(d) Death. Unless otherwise provided in the Incentive Agreement, if an Optionee dies during the term of the Option and is at the time of his death an Employee, the Option may be exercised at any time within six (6) months following the date of death by the Optionee's executor or other legal representative or by a person who acquired the right to exercise the Option by bequest or inheritance, but only to the extent that the Optionee was entitled to exercise the Option on the date of death, or if the Optionee's estate, or person who acquired the right to exercise the Option

Edgar Filing: STOCKGROUP INFORMATION SYSTEMS INC - Form DEF 14A

by bequest or inheritance, does not exercise such Option (which he was entitled to exercise) within the time specified herein, the Option shall terminate.

7.9 Option Re-issuance. The Board or the Committee or a Designated Officer shall have the authority to effect, at any time and from time to time, with the consent of the affected Optionee, the cancellation of any or all outstanding Options under this Section 7 and grant in substitution new Options under the Plan covering the same or a different number of Shares but with an Option Price which, in the case of options granted to consultants, shall be not less than the Fair Market Value per share on the new Date of Grant.

7.10 Incentive Agreement. Each grant of an Option or Restricted Share award shall be evidenced by an Incentive Agreement, which shall be executed on behalf of the Company by any Officer thereof and delivered to and accepted by the Optionee and shall contain such terms and provisions as the Board or the Committee or a Designated Officer may determine consistent with this Plan.

8. Restricted Shares.

Restricted Shares are shares of Common Stock which are sold or transferred by the Company to a Participant at a price which may be below their Fair Market Value, or for no payment, but subject to restrictions on their sale or other transfer by the Participant. The transfer of Restricted Shares and the transfer and sale of Restricted Shares shall be subject to the following terms and conditions:

8.1 Number of Shares. The number of Restricted Shares to be transferred or sold by the Company to a Participant shall be determined by the Board or Committee or a Designated Officer, if any.

8.2 Sale Price. The Board or the Committee or a Designated Officer shall determine the prices, if any, at which Restricted Shares shall be sold to Participant, which may vary from time to time and among Participants, and

25

which may be below the Fair Market Value of such shares of Common Stock on the date of sale.

8.3 Restrictions. All Restricted Shares transferred or sold hereunder shall be subject to such restrictions as the Board or the Committee or a Designated Officer may determine, including, without limitation, any or all of the following:

(a) a prohibition against the sale, transfer, pledge or other encumbrance of the Restricted Shares, such prohibition to lapse at such time or times as the Board or the Committee or a Designated Officer shall determine (whether in annual or more frequent installments, at the time of the death, disability or retirement of the holder of such Restricted Shares, or otherwise);

(b) a requirement that the holder of Restricted Shares forfeit or resell back to the Company, at his cost, all or a part of such Restricted Shares in the event of termination of his employment during any period in which such Restricted Shares are subject to restrictions; and

(c) a prohibition against employment of the holder of such Restricted Shares by any competitor of the Company or a subsidiary of the Company, or against such holder's dissemination of any secret or confidential

Edgar Filing: STOCKGROUP INFORMATION SYSTEMS INC - Form DEF 14A

information belonging to the Company or a subsidiary of the Company.

8.4 Escrow. In order to enforce the restrictions imposed by the Board or the Committee or a Designated Officer pursuant to Section 8.3 above, the Participant receiving Restricted Shares shall enter into an agreement with the Company setting forth the conditions of the grant. Restricted Shares shall be registered in the name of the Participant and deposited, together with a stock power endorsed in blank, with the Company.

8.5 End of Restrictions. Subject to Section 8.3, at the end of any time period during which the Restricted Shares are subject to forfeiture and restrictions on transfer, such Restricted Shares will be delivered, free of all restrictions, to the Participant or to the Participant's legal representative, beneficiary or heir.

8.6 Stockholder. Subject to the terms and conditions of the Plan, each Participant receiving Restricted Shares shall have all the rights of a stockholder with respect to such shares of stock during any period which such shares are subject to forfeiture and restrictions on transfer, including, without limitation, the right to vote such shares. Dividends paid in cash or property other than Common Stock with respect to the Restricted Shares shall be paid to the Participant currently.

8.7 Ownership of Restricted Shares. Each grant or sale shall constitute an immediate transfer of the ownership of the Restricted Shares to the Participant in consideration of the performance of services, entitling such Participant to dividend, voting and other ownership rights, subject to the "substantial risk of forfeiture" and restrictions on transfer referred to hereinafter.

26

8.8 Additional Consideration. Each grant or sale may be made without additional consideration from the Participant or in consideration of a payment by the Participant that is less than the Fair Market Value per share on the Date of Grant.

8.9 Substantial Risk of Forfeiture.

(a) Each grant or sale shall provide that the Restricted Shares covered thereby shall be subject to a "substantial risk of forfeiture" within the meaning of Section 83 of the Code for a period to be determined by the Board or the Committee or a Designated Officer on the Date of Grant.

(b) Each grant or sale shall provide that, during the period for which substantial risk of forfeiture is to continue, the transferability of the Restricted Shares shall be prohibited or restricted in the manner and to the extent prescribed by the Board or the Committee or a Designated Officer on the Date of Grant. Such restrictions may include without limitation rights of repurchase or first refusal in the Company or provisions subjecting the Restricted Shares to a continuing substantial risk of forfeiture in the hands of any transferee.

8.10 Dividends. Any grant or sale may require that any or all dividends or other distributions paid on the Restricted Shares during the period of such restrictions be automatically sequestered and reinvested on an immediate or deferred basis in additional Common Shares, which may be subject to the same restrictions as the underlying award or such other restrictions as the Board of the Committee or a Designated Officer may determine.

9 Adjustments Upon Changes in Capitalization or Merger.

Subject to any required action by the stockholders of the Company, the number of Shares covered by each outstanding Option, and the number of Shares which have been authorized for issuance under the Plan but as to which no Options have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Option, as well as Shares covered by each such outstanding Option, shall be proportionately adjusted for any increase or decrease in the number of issued Shares resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Shares, or any other increase or decrease in the number of issued Shares effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Board or the Committee or a Designated Officer, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof, shall be made with respect to the number of Shares subject to an Option or the Option Price thereof.

In the event of the proposed dissolution or liquidation of the Company, all Options will terminate immediately prior to the consummation of such proposed

27

action unless otherwise provided by the Board. The Board may, in the exercise of its sole discretion in such instances, declare that any Option shall terminate as of a date fixed by the Board and give each holder the right to exercise his or her Option as to all or any part thereof, including Shares as to which the Option would not otherwise be exercisable. In the event of a proposed sale of all or substantially all of the assets of the Company, or the merger of the Company with or into another corporation, the Option shall be assumed or an equivalent Option shall be substituted by such successor corporation or a parent or subsidiary of such successor corporation, unless the Board determines, in the exercise of its sole discretion and in lieu of such assumption or substitution, that the holder shall have the right to exercise the Option as to all of the Shares, including Shares as to which the Option would not otherwise be exercisable. If the Board makes an Option exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Board shall notify the holder that the Option shall be fully exercisable for a period of sixty (60) days from the date of such notice (but not later than the expiration of the term of the Option), and the Option will terminate upon the expiration of such period.

10. Transferability.

Except to the extent otherwise expressly provided in the Plan, the right to acquire Shares or other assets under the Plan may not be assigned, encumbered or otherwise transferred by an Optionee and any attempt by an Optionee to do so will be null and void. No Option granted under this Plan may be transferred by an Optionee except by will or the laws of descent and distribution or pursuant to a qualified domestic relations order as defined by the Code or Title I of the Employee Retirement Income Security Act, as amended, or the rules thereunder or equivalent laws of the Optionees jurisdiction of residence. Options granted under this Plan may not be exercised during a Participant's lifetime except by the Optionee or, in the event of the Optionee's legal incapacity, by his or her guardian or legal representative acting in a fiduciary capacity on behalf of the Participant under applicable law and court supervision.

11. Time of Granting of Options.

Edgar Filing: STOCKGROUP INFORMATION SYSTEMS INC - Form DEF 14A

The Date of Grant of an Option shall, for all purposes, be the date on which the Board or the Committee or a Designated Officer makes the determination granting such Option. Notice of the determination shall be given to each Participant to whom an Option is so granted within a reasonable time after the date of such grant.

12. Amendment and Termination of the Plan.

12.1 The Board may amend Plan from time to time in such respects as the Board may deem advisable or otherwise terminate the Plan.

12.2 Any such amendment or termination of the Plan shall not affect Options already granted and such Options shall remain in full force and effect as if this Plan had not been amended or terminated, unless mutually agreed otherwise between the Optionee and the Board or the Committee or a Designated Officer, which agreement must be in writing and signed by the Optionee and the Company.

28

12.3 Notwithstanding the foregoing, this Plan shall terminate upon the earlier of (i) December 31, 2010 or such earlier date as the Board shall determine, or (ii) the date on which all awards available for issuance in the last year of the Plan shall have been issued and fully exercised (the "Termination Date"). Upon termination of the Plan, no further Options may be granted pursuant to the Plan, but all Options granted prior thereto and still outstanding on such date shall thereafter continue to have force and effect in accordance with the provisions of the Incentive Agreements evidencing such Options.

13. Withholding Taxes.

The Company is authorized to withhold income taxes as required under applicable laws or regulations. To the extent that the Company is required to withhold federal, state, local or foreign taxes in connection with any payment made or benefit realized by an Optionee or other person under this Plan, and the amounts available to the Company for the withholding are insufficient, it shall be a condition to the receipt of any such payment or the realization of any such benefit that the Optionee or such other person make arrangements satisfactory to the Company for payment of the balance of any taxes required to be withheld. At the discretion of the Board or the Committee or a Designated Officer, any such arrangements may without limitation include relinquishment of a portion of any such payment or benefit or the surrender of outstanding Shares. The Company and any Optionee or such other person may also make similar arrangements with respect to the payment of any taxes with respect to which withholding is not required.

14. Corporate Transaction or Change of Control.

The Board or the Committee or a Designated Officer shall have the right in its sole discretion to include with respect to any award granted to an Optionee hereunder provisions accelerating the benefits of the award in the event of a Corporate Transaction or Change of Control, which acceleration rights may be granted in connection with an award pursuant to the agreement evidencing the same or at any time after an award has been granted to an Optionee.

15. Miscellaneous Provisions.

15.1 Plan Expense. Any expenses of administering this Plan shall be borne by the Company.

Edgar Filing: STOCKGROUP INFORMATION SYSTEMS INC - Form DEF 14A

15.2 Construction of Plan. The place of administration of the Plan shall be in Vancouver, British Columbia or such other cities as the Board of Directors may designate, and the validity, construction, interpretation, administration and effect of the Plan and of its rules and regulations, and rights relating to the Plan, shall be determined in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein without regard to conflict of law principles and, where applicable, in accordance with the Code.

15.3 Other Compensation. The Board or the Committee or a Designated Officer may condition the grant of any award or combination of awards authorized under this Plan on the surrender or deferral by the Participant of his or her

29

right to receive a cash bonus or other compensation otherwise payable by the Company or a Subsidiary to the Participant.

15.4 Continuation of Employment or Services. This Plan shall not confer upon any Participant any right with respect to continuance of employment or other service with the Company or any Subsidiary and shall not interfere in any way with any right that the Company or any Subsidiary would otherwise have to terminate any Participant's employment or other service at any time. Nothing contained in the Plan shall prevent the Company or any Subsidiary from adopting other or additional compensation arrangements for its Employees.

15.5 Certain Terminations of Employment or Consulting Services, Hardship and Approved Leaves of Absence. Notwithstanding any other provision of this Plan to the contrary, in the event of termination of employment or consulting services by reason of death, disability, normal retirement, early retirement with the consent of the Company, termination of employment or consulting services to enter public or military service with the consent of the Company or leave of absence approved by the Company, or in the event of hardship or other special circumstances, of an Optionee who holds an Option that is not immediately and fully exercisable, the Board or the Committee or a Designated Officer may take any action that it deems to be equitable under the circumstances or in the best interest of the Company, including without limitation waiving or modifying any limitation or requirement with respect to any award under this Plan.

15.6 Binding Effect. The provisions of the Plan and the applicable Incentive Agreements shall inure to the benefit of, and be binding upon, the Company and its successors or assigns, and the Participants, their legal representatives, their heirs or legacies and their permitted assignees.

15.7 Exchange Act Compliance. With respect to persons subject to Section 16 of the Exchange Act, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successors under the Exchange Act. To the extent any provisions of the Plan or action by the Board or the Committee or a Designated Officer fails to so comply, they shall be deemed null and void, to the extent permitted by law and deemed advisable by the Board or the Committee or a Designated Officer.

15.8 Conditions upon Issuance of Shares.

(a) Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, the British Columbia Securities Act, applicable securities application in an other jurisdiction, and the requirements of any stock exchange upon which

Edgar Filing: STOCKGROUP INFORMATION SYSTEMS INC - Form DEF 14A

the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) As a condition to the exercise of an Option, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the Shares are being purchased or otherwise acquired only for investment and without any present

30

intention to sell or distribute such Shares if, in the opinion of counsel for the Company such a representation is required by any of the aforementioned relevant provisions of law.

(c) Inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Share hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

15.9 Fractional Shares. The Company shall not be required to issue any fractional Shares pursuant to this Plan. The Board or the Committee or a Designated Officer may provide for the elimination of fractions or for the settlement thereof in cash.

15.10 Reservation of Shares. The Company will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

15.11 Indemnification. In addition to such other rights of indemnification as they may have as members of the Board, the members of the Board and of the Committee and any Designated Officer shall be indemnified by the Company against all costs and expenses reasonably incurred by them in connection with any action, suit or proceeding to which they or any of them may be party by reason of any action taken or failure to act under or in connection with the Plan or any Option, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except a judgment based upon a finding of bad faith; provided that upon the institution of any such action, suit or proceeding a Board member or Committee member or a Designated Officer shall, in writing, give the Company notice thereof and an opportunity, at its own expense, to handle and defend the same before such Board member or Committee member or a Designated Officer undertakes to handle and defend it on his own behalf.

15.12 Gender. For purposes of this Plan, words used in the masculine gender shall include the feminine and neuter, and the singular shall include the plural and vice versa, as appropriate.

15.13 Use of Proceeds. Any cash proceeds received by the Company from the sale of Shares under the Plan shall be used for general corporate purposes.

15.14 Regulatory Approvals.

(a) The implementation of the Plan, the granting of any awards under the Plan and the issuance of any Shares shall be subject to the Company's procurement of all approvals and permits required by regulatory authorities having jurisdiction over the Plan, the awards granted under it and the Shares issued pursuant to it.

(b) No Shares or other assets shall be issued or delivered under this Plan unless and until there shall have been compliance with all

31

applicable requirements of federal, provincial and applicable foreign securities laws,

15.15 Other Tax Matters. Reference herein to the Code and any described tax consequences related to the Plan or the granting or exercise of an award hereunder pertain only to those persons (including the Company) subject to the tax laws of the United States of America and Canada or any state, province or territory thereof.

32
