LETTER TO SHAREOWNERS

**217 North Monroe Street
Tallahassee, Florida 32301**

March 4, 2010

Dear Fellow Shareowners:

You are cordially invited to attend the 2010 Annual Meeting of Shareowners at 10:00 a.m., Eastern Time, on Tuesday, April 20, 2010, at the University Center Club, Building B, Floor 3, University Center, Florida State University, Tallahassee, Florida.

We are pleased this year to furnish proxy materials to most of our shareowners over the Internet, as allowed by the U.S. Securities and Exchange Commission (SEC) rules. You will not receive paper copies unless you request printed copies of the proxy materials by following the printed instructions contained in the Notice of Internet Availability of Proxy Materials. We believe that this new method will expedite our shareowners' receipt of proxy materials, while also lowering the costs of delivering materials to shareowners and reducing the environmental impact of printing and mailing these materials.

At the meeting, I will give an update on Capital City's business and plans for the future. Also, we will vote on three Class I nominees for election to the Board of Directors and ask for the ratification of the appointment of our accountants for fiscal 2010.

Your Board of Directors encourages every shareowner to vote. **Your vote is very important.** Whether or not you plan to attend the meeting, we hope you will vote as soon as possible. You may vote by telephone, over the Internet, or if you received paper copies of the proxy materials by mail, you can also vote by mail following the instructions on the proxy card. Voting your proxy will ensure your representation at the Annual Meeting. This Proxy Statement and our 2009 Annual Report to Shareowners are also available at www.proxyvote.com.

The meeting will begin at 10:00 a.m. I hope you will come early and join your friends for light refreshments at 9:30 a.m.

Sincerely,

William G. Smith, Jr.
Chairman, President,
and Chief Executive Officer

Important Notice Regarding the Availability of Proxy Materials for the Shareowner Meeting to be Held on April 20, 2010. The Proxy Statement and the Annual Report are available at: www.proxyvote.com.

PROXY STATEMENT GENERAL INFORMATION

Why am I receiving these proxy materials?

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Capital City Bank Group, Inc., a Florida corporation, of proxies to be voted at our 2010 Annual Meeting of Shareowners and at any adjournments or postponements of this Annual Meeting.

We will hold our 2010 Annual Meeting at 10:00 a.m., Eastern Time, Tuesday, April 20, 2010, at the University Center Club, Building B, Floor 3, University Center, Florida State University, Tallahassee, Florida.

We are providing these proxy materials to our shareowners on or about March 4, 2010.

At Capital City, and in this Proxy Statement, we refer to our employees as associates. Also in the Proxy Statement, we refer to Capital City as the Company, we, or us and to the 2010 Annual Meeting as the Annual Meeting.

Why did I receive a Notice of Internet Availability of Proxy Materials in the mail instead of a paper copy of the proxy materials?

This year, we are pleased to be using the U.S. Securities and Exchange Commission rule that allows companies to furnish their proxy materials over the Internet. As a result, we are mailing to many of our shareowners a Notice of Internet Availability of Proxy Materials instead of a paper copy of the proxy materials. All shareowners receiving the notice will have the ability to access the proxy materials over the Internet and request to receive a paper copy of the proxy materials by mail, if so desired.

Why didn't I receive a Notice of Internet Availability of Proxy Materials in the mail?

We are providing a Notice of Internet Availability of Proxy Materials by e-mail to those shareowners who have previously elected delivery of the proxy materials electronically. Those shareowners should have received an e-mail containing a link to the website where those materials are available and a link to the proxy voting website.

How can I access the proxy materials over the Internet?

Your Notice of Internet Availability of Proxy Materials or proxy card will contain instructions on how to:

§ View our proxy materials for the Annual Meeting on the Internet at www.proxyvote.com; and

§ Instruct us to send our future proxy materials to you electronically by e-mail.

Choosing to access your future proxy materials electronically will help us conserve natural resources and reduce the costs of printing and distributing our proxy materials. If you choose to access future proxy materials electronically, you will receive an e-mail with instructions containing a link to the website where those materials are available and a link to the proxy voting website. Your election to receive a Notice of Internet Availability of Proxy Materials by e-mail will remain in effect until you terminate it.

How may I obtain a paper copy of the proxy materials?

Shareowners receiving a Notice of Internet Availability of Proxy Materials will find instructions about how to obtain a paper copy of the proxy materials on their notice.

What is being voted upon?

You are being asked to vote on three Class I nominees for election to the Board of Directors and to ratify our appointment of Ernst & Young LLP as our independent registered public accounting firm for 2010. The proposals to be considered will not create appraisal or dissenters rights.

How does the Board recommend that I vote?

Our Board recommends that you vote your shares **FOR** each of the nominees for election to the Board and **FOR** the ratification of the appointment of our independent registered public accounting firm.

Could other matters be decided at the Annual Meeting?

We are not aware of any matters to be presented at the Annual Meeting other than those referred to in this Proxy Statement. If other matters are properly presented at the Annual Meeting, the holders of the proxies (those persons named on your proxy card) will have the discretion to vote on those matters for you.

Who can vote?

All shareowners of record at the close of business on the record date of March 3, 2010 are entitled to receive these proxy materials. On that date, there were 17,056,306 shares of our common stock outstanding and entitled to vote, and these shares were held of record by approximately 1,778 shareowners.

How much does each share count?

Each share counts as one vote. For the proposals scheduled to be voted upon at the Annual Meeting, withheld votes on directors, abstentions, and shares held by a broker that the broker fails to vote are all counted to determine a quorum, but are not counted for or against the matters being considered; however, pursuant to our Bylaws, if a director nominee in an uncontested election does not receive at least a majority of the votes cast at any meeting for the election of directors at which a quorum is present, the director must tender his or her resignation to the Board, as more particularly described under the heading Corporate Governance-Director Elections. There is no cumulative voting.

How many votes are required to have a quorum?

In order for us to conduct the Annual Meeting, a majority of the shares entitled to vote must be present in person or by proxy.

How many votes are required to elect directors and to ratify Ernst & Young's appointment?

Directors are elected by a plurality of the votes cast. Plurality means that the nominees receiving the largest number of votes cast are elected as directors up to the maximum number of directors who are nominated to be elected at the meeting. At our Annual Meeting, the maximum number of directors to be elected is three. Although our directors are elected by plurality, our Bylaws provide that if a director nominee in an uncontested election does not receive at least a majority of the votes cast at any meeting for the election of directors at which a quorum is present, the director must tender his or her resignation to the Board.

Ernst & Young's appointment will be ratified if the affirmative votes cast by the shareowners present, or represented, at the Annual Meeting and entitled to vote on the matter exceed the votes cast in opposition.

What is the difference between holding shares as a shareowner of record and as a beneficial owner?

Many of our shareowners hold their shares through a broker, trustee or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those shares owned beneficially.

Shareowner of Record. If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, you are considered, with respect to those shares, the shareowner of record. As the shareowner of record, you have the right to grant your voting proxy directly to us or to a third party, or to vote in person at the Annual Meeting.

Beneficial Owner. If your shares are held in a brokerage account, by a trustee or, by another nominee, you are considered the beneficial owner of those shares. As the beneficial owner of those shares, you have the right to direct your broker, trustee, or nominee how to vote and you also are invited to attend the

Annual Meeting. However, because a beneficial owner is not the shareowner of record, you may not vote these shares in person at the Annual Meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the Annual Meeting.

How do I vote my shares in person at the Annual Meeting?

Shares held in your name as the shareowner of record may be voted in person at the Annual Meeting. Shares for which you are the beneficial owner but not the shareowner of record may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker, trustee, or other nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you vote by proxy as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

The vote you cast in person will supersede any previous votes that you submitted, whether by Internet, phone, or mail.

How can I vote my shares without attending the Annual Meeting?

Whether you hold shares directly as a shareowner of record or through a broker, trustee, or other nominee, you may direct how your shares are voted without attending the Annual Meeting. You may give voting instructions by the Internet, by telephone, or by mail. Instructions are on the proxy card. The appropriate individuals named on the enclosed proxy card will vote all properly executed proxies that are delivered in response to this solicitation, and not later revoked, in accordance with the instructions given by you.

How will my voting instructions be treated?

If you provide specific voting instructions, your shares will be voted as instructed.

If you hold shares as the shareowner of record and sign and return a proxy card or vote by telephone or Internet without giving specific voting instructions, then your shares will be voted as recommended by our Board of Directors.

If you are the beneficial owner of shares held through a broker, trustee, or other nominee, and you do not give instructions to that nominee on how you want your shares voted, then generally your nominee can vote your shares on certain routine matters. At our Annual Meeting, only Proposal 2 is considered routine, which means that your broker, trustee, or other nominee can vote your shares on Proposal 2 if you do not timely provide instructions to vote your shares.

If you are the beneficial owner of shares held through a broker, trustee, or other nominee, and that nominee does not have discretion to vote your shares on a particular proposal and you do not give your broker instructions on how to vote your shares, then the votes will be considered broker non-votes. A broker non-vote will be treated as unvoted for purposes of determining approval for the proposal and will have the effect of neither a vote for nor a vote against the proposal.

What is the deadline for voting my shares?

If you hold shares as the shareowner of record, then your vote by proxy must be received before 11:59 p.m., Eastern Time, on April 19, 2010 (the day before the Annual Meeting).

If you are the beneficial owner of shares held through a broker, trustee, or other nominee, please follow the instructions provided by your broker, trustee, or other nominee.

Can I change my vote?

Yes, you may revoke your proxy by submitting a later proxy or by written request received by our corporate secretary before the Annual Meeting. You may also revoke your proxy at the Annual Meeting and vote in person.

Who pays for soliciting proxies?

Proxies will be solicited from our shareowners by mail or e-mail. We will pay all expenses in connection with the solicitation, including postage, printing and handling, and the expenses incurred by brokers, custodians, nominees and fiduciaries in forwarding proxy material to beneficial owners. We may employ a proxy solicitation firm to solicit proxies in connection with the Annual Meeting, and we estimate that the fee payable for such services would be less than \$10,000. It is possible that our directors, officers and other employees may make further solicitations personally or by telephone, facsimile, mail, or e-mail. Our directors, officers and other employees will receive no additional compensation for any such further solicitations.

What does it mean if I get more than one Notice of Internet Availability of Proxy Materials or more than one paper copy of the proxy materials?

You will receive a Notice of Internet Availability of Proxy Materials or proxy card for each account you have. Please vote proxies for all accounts to ensure that all your shares are voted.

Where can I find voting results of the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting and publish preliminary, and if available, final voting results in a current report on Form 8-K filed within four business days of our Annual Meeting.

CORPORATE GOVERNANCE

GOVERNING PRINCIPLES

We are a bank holding company managed by a core group of officers and governed by a Board of Directors. We are committed to maintaining a business atmosphere where only the highest ethical standards and integrity prevail. An unwavering adherence to high ethical standards provides a strong foundation on which our business and reputation can thrive, and is integral to creating and sustaining a successful, high-caliber company.

INDEPENDENT DIRECTORS

Our common stock is listed on the NASDAQ Global Select Market. NASDAQ requires that a majority of our directors be independent, as defined by NASDAQ's rules. Generally, a director does not qualify as an independent director if the director or a member of a director's immediate family has had in the past three years certain relationships or affiliations with us, our external or internal auditors, or other companies that do business with us. Our Board has affirmatively determined that a majority of our directors are independent directors under the categorical guidelines our Board has adopted, which includes all objective standards of independence set forth in the NASDAQ rules. The categorical independence standards adopted by our Board are posted to the Corporate Governance section of our website, www.ccbg.com. Based on these standards, our Board determined that our independent directors include the following current directors and nominees for director: DuBose Ausley, Frederick Carroll, III, Cader B. Cox, III, J. Everitt Drew, John K. Humphress, Lina S. Knox, and Henry Lewis III.

CORPORATE GOVERNANCE GUIDELINES

The Board has adopted Corporate Governance Guidelines that give effect to the NASDAQ corporate governance listing standards and various other corporate governance matters.

INDEPENDENT DIRECTOR MEETINGS IN EXECUTIVE SESSIONS

Our independent directors have established a policy to meet separately without any Company associates present in regularly scheduled executive sessions at least twice annually, and at such other times as may be deemed appropriate by our independent directors. Any independent director may call an executive session of independent directors at any time; however, the independent directors of the Board generally meet in executive session every time the Board meets. In 2009, the independent directors met in an executive session 12 times.

BOARD LEADERSHIP

The Board has no policy with respect to separation of the positions of Chairman and CEO or with respect to whether the Chairman should be a member of management or a non-associate director, and believes that these are matters that should be discussed and determined by the Board from time to time. When the Chairman of the Board is a member of management or is otherwise not independent, the non-associate directors elect a lead director, which we discuss below. Currently, Mr. Smith serves as our Chairman and CEO. Given the fact that Mr. Smith is tasked with the responsibility of implementing our corporate strategy, we believe he is best suited for leading discussions regarding performance relative to our corporate strategy, and this discussion is a significant portion of our Board meetings.

LEAD DIRECTOR

The independent directors of our Board of Directors annually elect an independent director to serve in a lead capacity. Although annually elected, the lead director is generally expected to serve for more than one year.

Mr. Drew serves as our lead director. The lead director's duties, which are listed in a Board approved charter, include presiding at all meetings of the Board at which the Chairman is not present, calling meetings of the independent directors, coordinating with the Chairman the planning of meeting agenda items, and serving as an independent point of contact for shareowners wishing to communicate with the Board other than through the Chairman. We have posted all of the lead director duties on our website, www.ccbg.com.

RISK MANAGEMENT

The Board believes that risk management is an important component of the Company's corporate strategy. While we assess specific risks at our committee levels, the Board, as a whole, oversees our risk management process, and discusses and reviews with management major policies with respect to risk assessment and risk management. The Board is regularly informed through committee reports about our risks. In addition, in 2008, we established an Enterprise Risk Oversight Committee, which reports to the Board at least twice per year. The Enterprise Risk Oversight Committee serves to assist the Board in establishing and monitoring key risks for the Company, and meets at least on a quarterly basis. Finally, the Board believes the combined Chairman and CEO role assists us in our implementation of major policies addressing our risks.

SHAREOWNER COMMUNICATIONS

Our Corporate Governance Guidelines provide for a process by which shareowners may communicate with the Board, a Board committee, the independent directors as a group, and individual directors. Shareowners who wish to communicate with the Board, a Board committee, or any other directors or individual directors may do so by sending written communications addressed to the Board of Directors of Capital City Bank Group, a Board committee, or such group of directors or individual directors:

Capital City Bank Group, Inc.
c/o Corporate Secretary
217 North Monroe Street
Tallahassee, Florida 32301

Communications will be compiled by our Corporate Secretary and submitted to the Board, a committee of the Board, or the appropriate group of directors or individual directors, as appropriate, at the next regular meeting of the Board. The Board has requested that the Corporate Secretary submit to the Board all communications received, excluding those items that are not related to board duties and responsibilities, such as: mass mailings; job inquiries and resumes; and advertisements, solicitations, and surveys.

CODES OF CONDUCT AND ETHICS

The Board has adopted Codes of Conduct applicable to all directors, officers, and associates, and a Code of Ethics applicable to our Chief Executive Officer and our financial and accounting officers, all of which are available, without charge, upon written request to:

Capital City Bank Group, Inc.
c/o Corporate Secretary
217 North Monroe Street
Tallahassee, Florida 32301

These codes are designed to comply with NASDAQ and U.S. Securities and Exchange Commission requirements.

BOARD AND COMMITTEE EVALUATIONS

The Corporate Governance Committee uses written questionnaires to evaluate the Board as a whole and its committees. The evaluation process occurs annually. Directors submit completed questionnaires to the Chair of the Corporate Governance Committee, who summarizes the results without attribution. The full Board discusses the summary of the Board evaluation, and each committee discusses the summary of its own evaluation.

DIRECTOR NOMINATING PROCESS

The Nominating Committee annually reviews and makes recommendations to the full Board regarding the composition and size of the Board so that the Board consists of members with the proper expertise, skills, attributes, and personal and professional backgrounds needed by the Board, consistent with applicable NASDAQ and regulatory requirements.

The Nominating Committee believes that all directors, including nominees, should possess the highest personal and professional ethics, integrity, and values, and be committed to representing the long-term interests of our shareowners. The Nominating Committee will consider criteria including the nominee's current or recent experience as a senior executive officer, whether the nominee is independent, as that term is defined in Rule 5605(a)(2) of the NASDAQ listing standards, the business experience currently desired on the Board, geography, the nominee's banking industry experience, and the nominee's general ability to enhance the overall composition of the Board. The Nominating Committee does not have a formal policy on diversity; however, the Board and the Nominating Committee believe that it is essential that the Board members represent diverse viewpoints.

Our Nominating Committee will identify nominees for directors primarily based upon suggestions from shareowners, current directors, and executives. The Chair of the Nominating Committee and at least one other member of the Nominating Committee will interview director candidates. The full Board will formally nominate candidates for director to be included in the slate of directors presented for shareowner vote based upon the recommendations of the Nominating Committee following this process.

DIRECTOR SERVICE ON OTHER BOARDS

Directors may not serve on more than three other Boards of public companies in addition to our Board.

SUCCESSION PLANNING

The Board plans for succession to the position of Chief Executive Officer as well as certain other senior management positions. To assist the Board, William G. Smith, Jr., our Chairman, President, and CEO, annually provides the Board with an assessment of senior managers and of their potential to succeed him. He also provides the Board with an assessment of persons considered potential successors to certain senior management positions. The Nominating Committee and our independent directors in an executive session annually review this updated

assessment. In addition, the Board interviews members of senior management who are potential successors to our executive management.

CHANGE IN DIRECTOR OCCUPATION

A director whose principal occupation or business association changes substantially during the director's tenure must tender a resignation for consideration by the Nominating Committee. The Nominating Committee will recommend to the Board the action, if any, to be taken with respect to the resignation.

DIRECTOR ELECTIONS

Our Bylaws provide that in an uncontested election, if a nominee for director does not receive the vote of at least the majority of the votes cast at any meeting for the election of directors at which a quorum is present, then the director will promptly tender his or her resignation to the Board of Directors. The Nominating Committee will make a recommendation to the Board of Directors as to whether to accept or reject the tendered resignation, or whether other action should be taken. The Board of Directors will act on the tendered resignation and publicly disclose its decision and the rationale behind the decision within 90 days from the date of the certification of the election results. If a director's resignation is not accepted by the Board of Directors, then such director will continue to serve until the next annual meeting for the year in which his or her term expires and until his or her successor is duly elected, or his or her earlier resignation or removal. If a nominee's resignation is accepted by the Board of Directors, then the Board of Directors, in its sole discretion, may fill any remaining vacancy or decrease the size of the Board of Directors. To be eligible to be a nominee for election or reelection as our director, a person must deliver to our Corporate Secretary a written agreement that such person will abide by these requirements.

BOARD AND COMMITTEE MEMBERSHIP

BOARD OF DIRECTORS

Our Board of Directors oversees our business, property, and affairs pursuant to the Florida Business Corporation Act and our Articles of Incorporation and Bylaws. Members of our Board are kept informed of our business through discussions with our senior management team, by reviewing materials provided to them, and by participating in Board and Committee meetings.

Our Board met 12 times in 2009. All of our directors attended at least 75 percent of the total aggregate number of Board and Committee meetings on which they served.

We expect all directors to attend our Annual Meeting. All directors, who were directors at the time of our Annual Meeting in 2009, attended the 2009 Annual Meeting.

COMMITTEES OF THE BOARD

Our Board of Directors has four standing committees: Audit, Compensation, Corporate Governance, and Nominating. The Board has adopted written charters for each of its four standing committees. The Audit, Compensation, Corporate Governance, and Nominating Committee charters are published on the Corporate Governance section of our website at *www.ccbg.com*. The Audit Committee met 13 times in 2009. Our Board has determined that Frederick Carroll, III, Chairman of the Audit Committee, John K. Humphress, and J. Everitt Drew are each an audit committee financial expert as defined by the Securities and Exchange Commission.

Management has the primary responsibility for our financial statements and reporting process, including the systems of internal controls and reporting. Our independent auditors are responsible for performing an independent audit of our consolidated financial statements in accordance with U.S. generally accepted auditing standards, issuing a report thereon, and annually opining on the effectiveness of our internal control over financial reporting. The Audit Committee monitors the integrity of our financial reporting process, system of internal controls, and the independence and performance of our independent and internal auditors.

In addition, the Audit Committee: (a) monitors and reviews our compliance with Section 112 of the Federal Deposit Insurance Corporation Improvement Act of 1991 and reviews regulatory reports; (b) reviews independent auditors' report on our financial statements, significant changes in accounting principles and practices, significant proposed adjustments, and any unresolved disagreements with management concerning accounting or disclosure matters; and (c) recommends independent auditors and reviews their independence and qualifications, services, fees, and the scope and timing of audits.

The Corporate Governance Committee met twice in 2009. The Corporate Governance Committee: (a) develops, implements, and monitors policies and practices relating to corporate governance; (b) coordinates director orientation and appropriate continuing education programs for directors; (c) oversees the annual self-assessment of the Board and Board Committees; and (d) reviews all shareowner proposals.

As part of annual director compensation, each director who participates in our Director Stock Purchase Plan earns 100 shares of our common stock per quarter, price based on the closing price of our common stock on the NASDAQ as determined on the last stock trading day of the quarter. Directors not participating in our Director Stock Purchase Plan receive all 400 shares each January in the year following the year for which service relates based on the average of the high and low prices of the shares of our common stock on the NASDAQ for the last 10 trading days of the previous year.

Director Stock Purchase Plan. Directors are also permitted to purchase shares of common stock at a 10% discount from fair market value under the 2005 Director Stock Purchase Plan. This Plan had 93,750 shares of common stock authorized for issuance. During 2009, 17,648 shares were purchased. As of December 31, 2009, there were 31,130 shares of common stock available for issuance. Purchases under this plan were not permitted to exceed the annual retainer and meeting fees received. Our shareowners adopted the Director Stock Purchase Plan at our 2004 Annual Meeting.

Perquisites and Other Personal Benefits

We provide directors with perquisites and other personal benefits that we believe are reasonable, competitive and consistent with our overall director compensation program. The value of the perquisites for each director in the aggregate is less than \$10,000.

DIRECTOR COMPENSATION TABLE

The following table sets forth a summary of the compensation we paid to our directors, other than directors who are also executive officers, in 2009:

(1) We pay each non-associate director an annual stock grant of 400 shares of our common stock, issued under our Director Stock Purchase Plan. Under the terms of the Director Stock Purchase Plan, each non-associate director has the opportunity to participate in the Director Stock Purchase Plan under two separate options. The first option, Option A, permits non-associate directors to make an election (Option A Participants) each January indicating the dollar amount of his or her annual retainer and fees received from serving as a director in the preceding year which he or she would like to be applied to the purchase of shares of our common stock. The second option, Option B, permits non-associate directors to make an election (Option B Participants) each December indicating the percentage of his or her annual retainer and fees to be received from serving as a director in the upcoming year which he or she would like to be applied to the purchase of shares of Common Stock. Option A Participants receive their annual stock grant each January for the preceding year's service as director. In 2009, the fair value at time of grant for the Option A Participants was \$12.18. Option B Participants receive their annual stock grant in four equal quarterly installments during the year to which the non-associate director's service relates. The fair value at the time of grant for the Option B Participants was \$10.92, \$12.74, \$13.17, and \$11.04. Messrs. Drew, Humphress, and Ausley and Ms. Knox are Option A Participants, and therefore did not receive their stock grants in 2009. Instead, these directors received their stock grants in January 2010. The column represents the fair value of the award as calculated in accordance with U.S. generally accepted accounting principles.

(2) The amounts in this column represent director fees paid to the director for serving as directors for certain subsidiaries of ours.
10 Capital City Bank Group, Inc. Notice of Annual Meeting and Proxy Statement

- (3) Mr. Keen has been employed by Capital City Bank since the acquisition of Farmers and Merchants Bank of Dublin, Georgia, in October 2004. As our associate, Mr. Keen receives a base salary, and may receive other benefits that our associates receive, such as pension benefits. He received no compensation for his board service in 2009.

STOCK OWNERSHIP EXPECTATIONS

We maintain stock ownership guidelines for all independent directors. Under our current guidelines, all independent directors are expected to own our common stock equal in value to 10 times their annual director compensation at the time they were elected. Directors have 10 years from the date they are first appointed or elected to our Board to meet the stock ownership requirement. The Compensation Committee has determined that as of December 31, 2009, all directors have met our share ownership expectations or are on track to meet the ownership expectations within the stated time period of 10 years from date of appointment or election.

PROPOSAL NO. 1 - NOMINEES FOR ELECTION AS DIRECTORS

ELECTION OF DIRECTORS

The Board of Directors is divided into three classes, designated Class I, Class II, and Class III. The directors in each class are elected for terms of three years or until their successors are duly qualified and elected. At the Annual Meeting, the shareowners will elect three Class I directors. The Board of Directors proposes the following three nominees for election as directors at the Annual Meeting. The individuals named on the enclosed proxy card will vote, unless instructed otherwise, each properly delivered proxy for the election of the following nominees as directors.

If a nominee is unable to serve, the shares represented by all valid proxies that have not been revoked will be voted for the election of a substitute as the Board of Directors may recommend, or the Board of Directors may by resolution reduce the size of the Board of Directors to eliminate the resulting vacancy. At this time, the Board of Directors knows of no reason why any nominee might be unable to serve.

The Board of Directors has been set at 10 members. If all three director nominees are elected, the Board of Directors will have no vacancies.

Majority Vote Standard for Election of Directors

Our Bylaws require that each director be elected by a plurality of votes cast with respect to such director in uncontested elections. Our Bylaws, however, also provide that in an uncontested election, if a nominee for director does not receive the vote of at least the majority of the votes cast at any meeting for the election of directors at which a quorum is present, the director will promptly tender his or her resignation to the Board of Directors. In a contested election (a situation in which the number of nominees exceeds the number of directors to be elected), the standard for election of directors would be a plurality of the shares represented in person or by proxy at any such meeting and entitled to vote on the election of directors. Whether an election is contested or not is determined as of a date that is the day immediately preceding the date we first mail our notice of meeting for such meeting to the shareowners; this year's election was determined to be an uncontested election, and the majority vote standard will apply.

Director Qualifications

The following paragraphs provide information (age, all positions he or she holds, his or her principal occupation and business experience for the past five years, and names of other publicly-held companies for which he or she serves as a director or has served as a director during the past five years) as of the date of this Proxy Statement about each nominee and each incumbent director not up for re-election. While the following paragraphs note certain individual qualifications and skills of our directors that contribute to the Board's effectiveness as a whole, we also believe that all of our nominees and incumbent directors not up for re-election have a reputation for integrity, honesty, and adherence to high ethical standards. They each have demonstrated strong leadership skills, business acumen and an ability to exercise sound judgment, as well as a commitment of service to Capital City's shareowners.

EXECUTIVE OFFICERS AND TRANSACTIONS WITH RELATED PERSONS

EXECUTIVE OFFICERS

Executive officers are elected annually by the Board of Directors at its meeting following the annual meeting of shareowners to serve for a one-year term and until their successors are elected and qualified. Thomas A. Barron and William G. Smith, Jr. serve as directors and executive officers and J. Kimbrough Davis is an executive officer. For information pertaining to the business experience and other positions held by these individuals, see **NOMINEES FOR ELECTION AS DIRECTORS** and **CONTINUING DIRECTORS AND EXECUTIVE OFFICERS**.

PROCEDURES FOR REVIEW, APPROVAL, OR RATIFICATION OF RELATED PERSON TRANSACTIONS

We recognize that related person transactions may raise questions among our shareowners as to whether the transactions are consistent with our best interests and our shareowners' best interests. We generally do not enter into or ratify a related person transaction unless our Board of Directors, acting through the Audit Committee or otherwise, determines that the related person transaction is in, or is not inconsistent with, our best interests and our shareowners' best interests. We have adopted a written Related Person Transaction Policy.

For the purpose of our procedures, a related person transaction is a transaction in which we participate and in which any related person has a direct or indirect material interest, other than (1) transactions available to all associates or clients generally, (2) transactions involving less than \$120,000 when aggregated with all similar transactions, (3) loans made by Capital City Bank in the ordinary course of business, made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the lender, and not involving more than the normal risk of collectability or presenting other unfavorable features, or (4) employment arrangements with executive officers that are reviewed and approved by the Compensation Committee.

Under our procedures, each director, executive officer, and nominee for director submits to our designated compliance officer, to the best of his or her knowledge, the following information: (a) a list of his or her immediate family members; (b) for each person listed and the director, executive officer, or nominee for director, each firm, corporation or other entity in which such person is an executive officer, a partner or

Edgar Filing: CAPITAL CITY BANK GROUP INC - Form DEF 14A

principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest; and (c) for each person listed and the director, executive officer, or nominee for director, each charitable or non-profit organization for which the person actively serves as a director or trustee. We call this list our Related Parties List.

16 Capital City Bank Group, Inc. Notice of Annual Meeting and Proxy Statement

Edgar Filing: CAPITAL CITY BANK GROUP INC - Form DEF 14A

On an ongoing basis, and to the best of their knowledge, directors and executive officers are expected to notify our designated compliance officer of any updates to the Related Parties List, changes regarding their employment, and relationships with charitable organizations. On an annual basis, our designated compliance officer re-circulates the most current information to the directors and executive officers for review and re-verification of the information. Each director and executive officer must either (i) update the list to reflect changes in family, changes in employment, and the addition of new parent companies, subsidiaries and sibling companies, or (ii) confirm in writing that no changes have occurred.

We use our best efforts to follow similar procedures with each shareowner who owns more than 5% of our common stock.

Our designated compliance officer distributes the Related Parties List (and the periodic updates thereof) to (a) each senior manager who oversees our purchasing decisions and (b) the Chief Financial Officer and Chief Executive Officer for use in monitoring of corporate transactions. In addition, our designated compliance officer distributes the portion of the Related Parties List containing the names of immediate family members of directors, executive officers and nominees for director to the Chief People Officer and the portion of the Related Parties List containing the names of related charitable and non-profit organizations to the Capital City Bank Group, Inc. Foundation President. The recipients of the Related Parties List use the compiled information to implement the review and approval requirements of this policy.

We use our best efforts to have our Audit Committee pre-approve all related person transactions. In the event a related person transaction was not pre-approved by the Audit Committee, the transaction is immediately submitted for the Audit Committee's review for ratification or attempted rescission.

In addition to the policy described above, we circulate a questionnaire each quarter to our directors and executive officers, in which each respondent is required to disclose, to the best of their knowledge, all related person transactions that occurred in the previous quarter.

TRANSACTIONS WITH RELATED PERSONS

For the year ended December 31, 2009, we have not identified any transactions or series of similar transactions for which we are a party in which the amount involved exceeded or will exceed \$120,000 and in which any current director, executive officer, holder of more than 5% of our capital stock had or will have a direct or indirect material interest.

EXECUTIVE COMPENSATION

COMPENSATION COMMITTEE PROCESS AND PROCEDURES

Scope of Authority

The Compensation Committee has strategic and administrative responsibility for a broad range of issues, including reviewing, authorizing, and approving compensation to be paid to our executive officers, directors, and our senior management team. The Nominating Committee recommends to the Board, and the Board appoints, each member of the Compensation Committee. The Corporate Governance Committee has evaluated, and the Board has determined, that each member of the Compensation Committee is an independent director.

The Compensation Committee's policy is to review executive compensation, including incentive goals, at least annually. The Compensation Committee also periodically reviews benefits and perquisites, reviews and provides oversight of our compensation philosophy, serves as the administrative committee for our equity-based plans, and reviews stock ownership guidelines for our executive officers and directors.

Delegation of Authority

The Compensation Committee's charter permits the delegation of its authority to our Chief People Officer to administer compensation and benefits programs. In 2009, the Compensation Committee delegated the administration of all associate compensation, benefit and welfare plans to Bethany H. Corum, our Executive Vice President and Chief People Officer.

None of the members of the Compensation Committee is an executive officer of a public company of which one of our executive officers is a director.

Independent Consultants. In carrying out its responsibilities, the Compensation Committee evaluates the information and recommendations put forth by management and its independent advisors in making its decisions regarding executive compensation. The Compensation Committee's decisions are made with the objective of providing fair, equitable and performance-based compensation to executives in a manner that is affordable and cost effective for our shareowners.

In 2009, the Compensation Committee did not engage any independent consultants. However, in 2008, the Compensation Committee engaged Amalfi Consulting, LLC to conduct a review of senior management incentive plans with emphasis on the metrics used to measure performance. Amalfi Consulting was also engaged to review and recommend changes to the compensation philosophy. The Compensation Committee negotiated fees and established the parameters of the project.

Management's Role

The Compensation Committee sets compensation for the Chief Executive Officer based on data and recommendations provided by the Chief People Officer. In addition, the Compensation Committee reviews and approves the Chief Executive Officer's recommendations for other executive officers' compensation. In making these decisions, the Compensation Committee relies on information and recommendations provided by the Chief Executive Officer and Chief People Officer. The key elements of management's role in determining compensation levels for our named executive officers (other than William G. Smith, Jr., our Chairman, President, and Chief Executive Officer) are as follows:

- § **Develop performance measures:** Identify appropriate performance measures and recommend performance targets that are used to determine annual and long-term awards.
- § **Compile benchmark data:** Management participates in compensation surveys through reputable third-party firms which are used to gather data on base salary, annual cash and long-term performance awards. In reviewing and setting 2009 senior management compensation, we used custom compensation profiles created by Amalfi Consulting. For executive officers, we used peer group data published by SNL Financial. The Chief People Officer also provides historical compensation data for each position reviewed by the Compensation Committee.
- § **Develop compensation guidelines:** Using the benchmark survey data and publicly disclosed compensation information as the foundation, management develops compensation guidelines for each executive position. These guidelines are provided to the CEO as the basis for his recommendations regarding individual compensation actions. In addition, executives are briefed on the guidelines established for their positions.

The key members of management involved in the compensation process were Mr. Smith and Mrs. Corum. Mr. Smith was not present during the Compensation Committee's deliberations regarding his own compensation. Mrs. Corum attends all meetings of the Compensation Committee to provide information to the Compensation Committee members and to take minutes of the meetings. At times, the Compensation Committee conducts executive sessions. Mrs. Corum is excused from all executive sessions and the Chairman of the Committee communicates any decisions for inclusion in minutes.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

Compensation and Benefits Strategy. Our compensation strategy provides broad guidance on senior management compensation and more specifically on the compensation of the named executive officers. Our compensation objectives are to provide compensation programs that:

- § Align compensation with shareowner value;
- § Provide a direct and transparent link between the performance of the Company and pay for the CEO and senior management;
- § Make wise use of our equity resources to ensure compatibility between senior management and shareowner interests;
- § Align the interests through performance-based incentive plans of our executive officers with that of shareowners; and
- § Award total compensation that is both reasonable and effective in attracting, motivating and retaining key associates.

We believe that accomplishing corporate goals is essential for our continued success and sustained financial performance. Therefore, we believe that executive officer compensation should be largely at-risk and performance based. Specific targets and weightings used for establishing short-term and long-term performance goals are subject to change at the beginning of each measurement period, and are influenced by the Board's desire to emphasize performance in certain areas. Each year, the Compensation Committee reviews and approves all executive officer performance-based goals.

The compensation and benefits programs for our executives are designed with the goal of providing compensation that is fair, reasonable and competitive. The programs are intended to help us recruit and retain qualified executives, and provide rewards that are linked to performance while also aligning the interests of executives with those of our shareowners.

Compensation Committee Activity in 2009. The Compensation Committee met five times in 2009, including two executive sessions with only the Compensation Committee members present. The chair of the Compensation Committee sets the meeting dates and agenda for the committee. During these meetings, the Compensation Committee:

- § Held an executive session to discuss the 2008 performance of the Chief Executive Officer. In accordance with the Compensation Committee charter, Compensation Committee Chairman Cader Cox distributed an evaluation to all outside directors, and then collected and compiled the results of the evaluations. He presented the summarized and aggregated results for review by the Compensation Committee.
- § Approved Mr. Smith's 2009 base salary of \$285,000 and target incentive of \$296,250. Mr. Smith's total compensation was unchanged over 2008.
- § Approved a change in the Company's compensation philosophy. The change resulted in a more conservative approach using a targeted base salary at the market median and total compensation at the 75th percentile. The previous philosophy targeted base compensation at the 60th percentile and total compensation at the 75th percentile.
- § Approved the 2009 Stock-Based Incentive Plan, discussed in further detail on page 22.

- § Reviewed and approved Capital City Bank President Thomas A. Barron's 2009 base salary of \$245,000 and target incentive of \$239,000 and Chief Financial Officer J. Kimbrough Davis's 2009 base salary of \$239,000 and target incentive of \$123,000. Mr. Barron's and Mr. Davis's total compensation remains unchanged from 2008.
- § Reviewed total compensation for 11 senior managers.
- § Reviewed executive perquisites and found them to be reasonable.
- § Reviewed stock ownership positions for all senior managers and directors (discussed in detail on pages 11 and 20.)
- § Reviewed and recommended no changes to Director compensation for 2010.
- § Discussed strategic compensation issues, including recent guidance proposed by the Federal Reserve related to compensation practices.

Compensation Philosophy

In early 2009, the Compensation Committee, with Board approval, revised the compensation philosophy and set the following compensation objectives:

- § Target base salaries for our senior executives at the 50th percentile of our selected peer group of banks unless an exemption is stated by the Compensation Committee due to performance, experience, or market demand;
- § Position direct compensation (salary, cash and equity compensation) of our senior executives at the 75th percentile of our selected peer group of banks dependent upon our performance;
- § Target variable or pay for performance compensation to 30% or more of total compensation mix; and
- § Continue, over time, the alignment of senior management's interest with that of shareowners (the percentage of equity compensation should increase relative to total incentive compensation).

We discuss the composition of our peer group and our benchmarking practices in further detail below.

Executive Compensation Policy Decisions

The Compensation Committee has adopted a number of policies to further the goals of our executive compensation program, particularly with respect to strengthening the alignment of our executives' interests with our shareowners' long-term interests. Further, the Compensation Committee believes the policies set forth below are effective based on our stability of management team and our ability to attract talent from outside the Company.

Stock Ownership Expectations. We maintain stock ownership expectations for all senior managers, including our executive officers. Under current guidelines, all senior managers are expected to own shares of our common stock equal in value to at least two times their annual base salary; Mr. Barron and Mr. Davis are expected to own shares of our common stock equal in value to at least three times their annual base salary; and Mr. Smith is expected to own shares of our common stock equal in value to at least five times his annual base salary. Compliance is expected within six years of becoming a senior manager or executive officer.

The Compensation Committee has determined that as of December 31, 2009, all executive officers have met our share ownership expectations and all other senior managers covered by this program are making significant strides in meeting the ownership expectations.

Stock Options. We ceased granting stock options in 2007.

Prohibition on Repricing Stock Options. By the terms of the 2005 Associate Incentive Plan, which is the only plan we use to grant stock options, repricing stock options is prohibited without shareowner approval.

Employment Agreements and Severance Agreements. We believe the employment of our executive officers should remain at will. Therefore, none of our executive officers have employment agreements or severance agreements with us.

Compensation Program Design

Compensation Framework. We design our specific compensation elements based on the following:

- § **Performance:** We believe that the best way to accomplish alignment of compensation plans with the participants' interests is to link pay directly to individual and Company performance.
- § **Competitiveness:** Compensation and benefits programs are designed to be competitive with those provided by companies with whom we compete for talent. Benefits programs are designed to be competitive with other companies' programs and are not based on performance.
- § **Cost:** Compensation and benefit programs are designed to be cost-effective and affordable, ensuring that the interests of our shareowners are considered.
- § **Comparator Group:** The relevant comparator group for compensation and benefits programs consists of commercial banks and thrifts with a geographic footprint or asset base similar to ours.

Specific Compensation Elements. Our executive compensation program is comprised of four discrete elements:

- § Base salary
- § Incentive Compensation
- § Benefits and perquisites
- § Post-termination compensation and benefits

Benchmarking. We use benchmarking as a method to understand what similar positions pay in similar organizations. In setting 2009 executive management compensation, we used SNL Financial's 2008 Executive Compensation Review which provided a published peer group chosen based on their similarities to us relative to our asset size, performance, and markets served. The asset size ranged from \$577 million to \$3.61 billion and averaged \$2.07 billion as of December 31, 2007 (see chart below for peer group).

Approximately 30% of the peer group includes institutions that serve the same geographic region as we do. A compensation study is one of the many tools we use to determine the level of compensation for our named executive officers.

The compensation peer group is not identical to the peer group used to measure Company performance, due to difficulty in gathering compensation data from non-public companies. Company performance data can be gathered from financial institution call reports for public and non-public financial institutions. However, many of the institutions represented on the compensation peer group are included in the Company performance peer group.

Discussion of Specific Compensation Elements

Base Salary. In 2009, we did not grant a base salary increase to any of our named executive officers. This decision was based on current economic trends in the financial industry, rather than performance of any of the named executive officers. Beginning in 2009, we revised our compensation philosophy guideline to target a base salary in the 50th percentile of our peer group. We chose these percentiles based on our philosophy that these levels will attract and retain the talent necessary to achieve performance goals. Base salaries for the named executive officers are determined by assessing available competitive market data by position and the experience and performance of the individual. In 2009, Mr. Smith's base compensation was significantly below the 50th percentile. His low base compensation is not reflective of his performance or experience level. It has been historically low and the Compensation Committee continues to place great emphasis on bringing Mr. Smith's base salary in line with the stated objective. Mr. Barron's and Mr. Davis's base salaries were well above the 50th percentile for their respective positions.

Incentive Compensation.

Each named executive officer has the opportunity to earn annual incentive compensation. The Compensation Committee believes a competitive compensation package will include incentive compensation divided between cash and equity awards. The equity component creates ownership in the Company and focuses attention on the Company's performance. The Compensation Committee believes target incentive compensation equal to or greater than 30% of total compensation is sufficient to change behaviors relative to performance. As a result, we believe our total incentive-based compensation of 30% of total compensation is appropriate.

The target awards for incentive compensation are set relative to each executive's cash compensation against the peer group. Mr. Smith's base and cash incentive placed him below the 75th percentile for total cash compensation. Mr. Barron and Mr. Davis's base and cash incentive placed them at the 75th percentile for total cash compensation, relative to their respective peer groups. In 2009, Mr. Smith's targeted incentive compensation was 51% of his total compensation, Mr. Barron's was 49% and Mr. Davis's was 34%. We believe the differences of potential impact each executive officer has on our performance warrants differences on how much of their compensation is at risk.

Mr. Smith's total target incentive compensation of \$296,250 is comprised of 50% cash and 50% equity. Mr. Barron's total target incentive compensation of \$239,000 is comprised of 60% cash and 40% equity. Mr. Davis's total target incentive compensation of \$123,000 is comprised of 60% cash and 40% equity. The different target levels of compensation among the executive officers is designed to reflect the different levels of responsibility of our executive officers.

Cash Incentives. Cash incentives for each of the named executive officers are discretionary based primarily on individual/divisional performance. In 2009, Mr. Smith chose not to accept a recommended payout of 60% under his cash incentive plan; Messrs. Barron and Davis received a 60% payout. The Compensation Committee has discretion to increase or decrease awards but has no plans to exercise this discretion.

Stock-Based Incentive Plan. The Stock-Based Incentive Plan is a performance-based equity bonus plan in which selected members of management, including all named executive officers, are eligible to participate. The

Edgar Filing: CAPITAL CITY BANK GROUP INC - Form DEF 14A

Stock-Based Incentive Plan is administered under our 2005 Associate Incentive Plan. It is our general policy to award cash awards to our executive officers for superior individual/divisional performance and equity awards for superior Company performance.

The Stock-Based Incentive Plan consists of performance shares, as well as a tax supplement bonus paid in cash, and is designed to align the economic interests of management with that of our shareowners.

Under the Stock-Based Incentive Plan, all participants are eligible to earn an equity award tied to achievement of 2009 EPS established by the Board of Directors at 63 cents per share. Depending on performance, payouts under the plan can range from 0% to 125%. Beginning in 2011, we expect that equity awards will be tied to a long-term performance goal, which will introduce a longer term focus to the award.

In 2009, the named executive officers were eligible to receive the following shares:

Name	100% Payout	Maximum Payout	2009 Actual Payout
William G. Smith, Jr.	8,476	10,595	0
Thomas A. Barron	5,471	6,838	0
J. Kimbrough Davis	2,804	3,505	0

The total economic value of the award for each named executive officer is set as a percentage of total incentive compensation. The total economic value of the award includes the value of eligible shares at 100% payout and an estimated tax supplement bonus of 31% of the value of the performance shares. The formula uses a stock price of \$13.34 to arrive at the number of performance shares. The price was derived based on the average high and lows of the previous 10 trading days from date of grant (February 23, 2009). This formula is set by the terms of the 2005 Associate Incentive Plan.

Performance shares earned under the Stock-Based Incentive Plan are issued in the calendar quarter following the calendar year in which the shares were earned. For the past three years, any performance shares earned were awarded in February. Participants will also receive a cash payment equal to 31% of the market value of the performance shares at the time of issue as a tax supplement bonus. We believe it is appropriate to pay a tax supplement bonus because it allows the associate to retain all of the shares he or she receives, rather than having to sell a portion of the shares to satisfy any tax obligation. This supports our philosophy of ownership expectations and aligns the interest of our officers with that of the shareowner.

There was no payout earned under the 2009 Stock-Based Incentive Plan.

Long-term Incentive Plan - Compound Annual Growth Rate in Diluted EPS. In January 2007, the Compensation Committee entered into an agreement with Mr. Smith to award Performance Shares as provided in the 2005 Associate Incentive Plan. This plan is designed to more closely correlate CEO compensation with the long-term growth of the Company. Pursuant to this Plan, we agreed to award performance shares with an economic value equivalent ranging from \$0 - \$500,000, including a 31% tax supplement bonus. The target award of \$250,000 is based on 10% compound annual growth rate in diluted earnings per share over a three-year period.

No award is earned if actual performance is below a 7.5% compound annual growth rate in diluted earnings per share, the minimum performance level. A maximum award of \$500,000 is earned if the compound annual growth rate in diluted earnings per share equals or exceeds 12.5%, the maximum performance level.

Mr. Smith did not earn an award in 2009.

Benefits and Perquisites.

Determining Benefit Levels. Benefit levels are reviewed periodically to ensure that the plans and programs provided are competitive and cost-effective for us, and support our human capital needs. Benefit levels are not tied to Company, business area or individual performance.

Edgar Filing: CAPITAL CITY BANK GROUP INC - Form DEF 14A

Perquisites. We provide our named executive officers with perquisites that we believe are reasonable, competitive and consistent with our overall executive compensation program. The value of the perquisites for each named executive officer in the aggregate is less than \$10,000.

Health, Dental, Disability and Life Insurance Coverage. The core insurance package for our named executive officers and senior management team includes health, dental, disability and basic group life insurance coverage. Our named executives and senior management participate in these benefits on the same basis as our other associates.

Paid Time-Off Benefits. We provide vacation and other paid holidays to all associates, including our named executive officers and senior management team, which are comparable to those provided at similarly sized financial institutions.

Post-Termination Compensation and Benefits. We provide retirement benefits to named executive officers and senior management through a combination of qualified (under the Internal Revenue Code) and nonqualified plans.

Retirement Plan. The Retirement Plan is a tax-qualified, noncontributory defined benefit plan intended to provide for an associate's financial security in retirement. All full-time and part-time associates with 1,000 hours of service annually are eligible for the Retirement Plan.

401(k) Plan. The 401(k) plan provides associates the opportunity to save for retirement on a tax-favored basis. We studied the overall competitiveness of our retirement benefits package and its long-term costs. To better align the retirement benefits package with associates' preferences and recruitment needs, a decision was made to change the benefit design of the Retirement Plan and the 401(k) Plan. For associates hired after January 1, 2002, the pension benefit under the Retirement Plan was reduced and a 50% matching contribution was introduced into the 401(k) Plan. This change was intended to be cost-neutral. Executives may elect to participate in the 401(k) Plan on the same basis as our other similarly situated associates. No named executive officers are currently eligible for the Company-sponsored match.

Supplemental Executive Retirement Plan (SERP). Each of our named executive officers participates in our SERP, a nonqualified plan which provides benefits in excess of the Retirement Plan. The SERP is designed to restore a portion of the benefits Messrs. Smith, Barron, and Davis would otherwise receive under our Retirement Plan, if these benefits were not limited by U.S. tax laws. This more closely aligns the benefits of Messrs. Smith, Barron, and Davis with those of other Retirement Plan participants. We have no obligation to fund the SERP but accrue for our anticipated obligations under the SERP on an annual basis.

Impact of Regulatory Requirements

Tax Deductibility of Compensation. Section 162(m) of the Internal Revenue Code imposes a \$1 million limit on the amount that a publicly traded company may deduct for compensation paid to an executive officer who is employed on the last day of the fiscal year.

Performance-based compensation is excluded from this \$1 million limitation. A compensation arrangement will not qualify as performance-based compensation if the payment to the executive is triggered by termination whether that be by the company without cause or by the executive due to good reason or retirement. In general, our policy is to provide compensation that we may fully deduct for income tax purposes. However, in order to maintain ongoing flexibility of our compensation programs, our Compensation Committee may from time to time approve annual compensation that exceeds the \$1 million limitation. We recognize that the loss of the tax deduction may be unavoidable under these circumstances.

Federal Reserve Proposed Guidance. In October 2009, the Federal Reserve proposed comprehensive guidance affecting the manner in which banks and bank holding companies pay incentive compensation. Although comments to the proposed guidance were not due until November 27, 2009, and the final guidance has not yet been implemented, the Federal Reserve expects all banking organizations supervised by the Federal Reserve to immediately review the incentive compensation arrangements of: (1) senior executive officers and others responsible for oversight of company-wide activities or material business lines; (2) individual employees, including

non-executive employees, whose activities may expose the bank to material amounts of risk; and (3) groups of employees who are subject to the same or similar incentive compensation arrangements and who, in the aggregate, may expose the bank to material amounts of risk. Our Compensation Committee has commenced this review.

Conclusion

The Compensation Committee believes the philosophy and objectives set forth have allowed us to attract and retain talent needed to deliver above average shareowner return. We believe by placing a significant portion of pay at risk, behaviors are changed and management focus is placed on strategic objectives of the Company. This philosophy, along with the stock ownership expectations and current levels of ownership by our senior management, aligns the interests of management with that of shareowners. We believe our compensation philosophy and objectives have been successful in attracting and retaining qualified executives with capabilities that enable the Company to achieve or exceed its designated performance targets.

INFORMATION ABOUT EXECUTIVE COMPENSATION

Summary Compensation Table

The following summary compensation table shows compensation information for our principal executive officer, principal financial officer, and our president (the only other executive officer whose total compensation exceeded \$100,000) for the fiscal year ended December 31, 2009.

We have no employment agreements with our named executive officers. None of the named executive officers were entitled to receive payments which would be characterized as Bonus payments for 2007 or 2008. Amounts listed under column (g), Non-Equity Incentive Plan Compensation are determined by the Compensation Committee at its first meeting following the year in which the compensation is earned and paid to the executives shortly after such determination is made.

- (2) The amounts in column (e) reflect the grant date fair value of awards computed in accordance with FASB ASC Topic 718. Values for awards subject to performance conditions are computed based on the probable outcome of the performance condition as of the grant date for the award. A discussion of the assumptions used in calculating the award may be found in Note 11 to our audited consolidated financial statements for the fiscal year ended December 31, 2009 included in our Annual Report on Form 10-K filed with the Securities and Exchange Commission.
- (3) The amounts in column (g) reflect the cash awards to the named individuals under the Cash Bonus Plan, which is discussed in further detail on page 22 under the heading Cash Incentives. For Mr. Smith, awards were paid out at 0%, 0%, and 50.9% of the target awards for 2009, 2008, and 2007, respectively. For Messrs. Barron and Davis, awards were paid out at 60%, 0%, and 50.9% of the target awards for 2009, 2008, and 2007, respectively.

Option Exercises

There were no exercises of stock options by any of our named executive officers during the 2009 fiscal year.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The amount of compensation (if any) that is payable to our named executive officers upon termination of employment depends on the nature and circumstances under which employment is ended.

Change in Control

In the event of a change in control, our named executive officers will be credited with an additional two years of credited service for purposes of computation of retirement benefits payable under the SERP. Accrued benefits based upon normal retirement are payable to the named executive officer upon a change in control. A change in control under the SERP means the sale of substantially all of our assets, a change in share ownership of greater than 50% within a 24-month period, or any other determination of change in control made by our Board of Directors.

In the event of a change in control, our named executive officers would not receive any additional benefit under the qualified Retirement Plan but would have the same benefits as any associate who separates employment with the Company.

In the event of a change in control, any stock options previously granted to one of our named executive officers under the 1996 or 2005 Associate Incentive Plans would become immediately vested. A change in control for purposes of the immediate vesting of options means an acquisition of 25% of our Common Stock by any person as defined in the Securities Exchange Act of 1934, or, during any period of two consecutive years, individuals who at the beginning of such period constitute the Board cease for any reason to constitute at least a majority of the Board, unless the election or the nomination for election by our shareowners of each new director was approved by a vote of at least three-quarters of the directors then still in office who were directors at the beginning of the period.

We have no post-employment compensation programs designed to provide benefits upon our change in control, other than those discussed above.

Payments Upon Termination of Employment

Voluntary Termination. If a named executive officer voluntarily resigns from our employment, no amounts are triggered under the Cash Bonus Plan or the Stock-Based Incentive Plan. The executive may be entitled to receive benefits from the Retirement Plan, and the SERP to the extent those benefits have been earned under the provisions of the plans and the executive officer has met the vesting requirements of the plans. In addition, the executive would be entitled to receive any amounts voluntarily deferred (and the earnings on deferrals) under the 401(k) Plan.

Early Retirement. As of December 31, 2009, Messrs. Smith, Barron, and Davis are eligible for early retirement as defined by the Retirement Plan and the SERP. As such, each may be entitled to receive benefits from the Retirement Plan and SERP to the extent those benefits have been earned under the provisions of the plans.

Death. If a named executive officer dies while employed by us, the Retirement Plan and the SERP will provide benefits to heirs of the deceased executive. The benefits are of the same value as those provided for a voluntary termination or early retirement as applicable.

Involuntary Termination with or without Cause. If a named executive officer's employment is involuntarily terminated, the executive may be entitled to receive benefits from the Retirement Plan and the SERP to the extent those benefits have been earned under the provisions of the plans and the executive officer has met the vesting requirements of the plans. In addition, the executive would be entitled to receive any amounts voluntarily deferred (and the earnings on deferrals) under the 401(k) Plan.

Disability. In the event that a named executive officer becomes disabled on a long-term basis, the executive officer's employment by us would not necessarily terminate. Therefore, we do not disclose any such amounts in the table below. If a named executive officer becomes disabled under the terms of the Retirement Plan or the SERP, the executive will continue to accrue a retirement benefit until the earliest of recovery, death or retirement. This benefit cannot be paid as a lump sum distribution.

The named executive officers would have received the following payments had he terminated on December 31, 2009 under the following triggering events:

Under the Retirement Plan and the SERP, lump

sum payments are triggered upon a change in control, voluntary termination, retirement, death, and involuntary termination. No further benefits would be payable after the lump sum payment is made.

- (2) **Annuity Payments.** In the event that a named executive officer becomes disabled on a long-term basis, the named executive officer would receive annuity payments beginning at age 65. These payments coordinate with our long-term disability program.

PENSION BENEFITS

Retirement Plan

The key provisions of the Retirement Plan are as follows:

Monthly Benefit. Participants with a vested benefit will be eligible to receive the following retirement benefits each month for the rest of their lives beginning at age 65:

§ 1.90% of final average monthly compensation multiplied by years of service after 1988 (limited to 30 years), plus

§ 0.40% of final average monthly compensation in excess of \$2,000 multiplied by years of service after 1988 (generally limited to 30 years), plus

§ the monthly benefit accrued as of December 31, 1988 updated for salary increases since 1988

Total benefits are limited by the Internal Revenue Code. In 2009, the limit was \$195,000 per year or \$16,250 per month. Additional provisions may apply for participants who were hired after January 1, 2002 or who worked for a bank that we acquired.

Final Average Monthly Compensation. The final average monthly compensation is the average of the highest five consecutive years of W-2 earnings (plus 401(k) deferrals). Compensation is limited to the limits described in the Internal Revenue Code, which was \$245,000 per year (or \$20,416 per month) for 2009.

Beginning in 2008, the value of equity awarded under any of our incentive compensation plans has been included in the average monthly compensation.

Vesting. Participants become vested after reaching five years of service.

Early Retirement Benefits. Participants may elect to retire prior to their Normal Retirement Date.

Reduced Retirement: If participants are at least age 55 and have at least 15 years of service, then they may commence benefits early on a reduced basis. The monthly benefit will be calculated using the benefit formula described above, reduced 6.67% times the number of years (up to five) that the benefit commencement date precedes the normal retirement date, and 3.33% times any additional years (up to five).

Unreduced Retirement: If they are at least age 61 and have at least 30 years of service, then they may commence benefits early on an unreduced basis. The monthly benefit will be calculated using the benefit formula described above, reduced 6.67% times the number of years (up to five) that the benefit commencement date precedes the later of age 61 or 30 years of service, and 3.33% times any additional years (up to five).

Form of Payment. Participants may receive their pension benefit as an annuity or as a lump sum.

SERP

In general, the plan provisions for the SERP are identical to the provisions of the Retirement Plan, except the benefits are calculated without regard to the limits set by the Internal Revenue Code on compensation and benefits. The net benefit payable from the SERP is the difference between this gross benefit and the benefit payable by the Retirement Plan. The SERP limits gross benefits to 60% of final average monthly compensation. As a general rule, we do not grant extra years of service under the SERP. Exceptions may occur in limited instances such as a mid-career hire.

2009 Pension Benefit Table

The following table shows the years of credited service, present value of the accumulated benefit for the named executive officers as of December 31, 2009, assuming payment at age 61, and payments made during the last fiscal year.

Name	Plan Name	Number of Years of Credited Service (#)	Present Value of Accumulated Benefit ⁽¹⁾ (\$)	Payments During Last Fiscal Year (\$)
William G. Smith, Jr.	Retirement Plan	31	\$ 1,308,170	\$ 0
	Supplemental Executive Retirement Plan	31	1,361,997	0
Thomas A. Barron	Retirement Plan	35	1,503,428	0
	Supplemental Executive Retirement Plan	35	1,112,814	0
J. Kimbrough Davis	Retirement Plan	28	1,202,454	0
	Supplemental Executive Retirement Plan	28	380,305	0

- (1) Because the pension amounts shown in the Summary Compensation Table and the Pension Benefits Table are projections of future retirement benefits, numerous assumptions must be applied. In general, the assumptions should be the same as those used to calculate the pension liabilities in accordance with U.S. GAAP on the measurement date, although the Security and Exchange Commission permits certain exceptions. The assumptions we use are described in Note 12 of our financial statements in the Annual Report on Form 10-K for the year ended December 31, 2009, as filed with the Security and Exchange Commission. As described in such note, the discount rate assumption is 5.75%. The accumulated benefit is based on service and W-2 earnings (plus 401(k) deferrals, as described above) considered by the plans for the period through December 31, 2009. We also assumed that for the Retirement Plan, 80% of participants would elect to receive a lump sum and 20% of participants would elect to receive an annuity. For the SERP, we assumed 100% of participants would elect a lump sum. We used a 6.00% interest rate for any lump sum payments. The post-retirement mortality assumption is based on the RP2000 Mortality Table for males for annuity payments, and Section 417(e) of the Internal Revenue Code for lump sum payments. The changes in the pension values shown in the Summary Compensation Table are determined as the change in the values during the fiscal year (including the impact of changing assumptions from the prior fiscal year).

AUDIT COMMITTEE REPORT

The Audit Committee, which operates under a written charter adopted by the Board of Directors, monitors the Company's financial reporting process on behalf of the Board of Directors. This report reviews the actions taken by the Audit Committee with regard to the Company's financial reporting process during 2009 and particularly with regard to the Company's audited consolidated statements of financial condition as of December 31, 2009 and 2008, and the related statements of income, changes in shareowners' equity, and cash flows for each of the years in the three-year period ended December 31, 2009.

The Audit Committee believes that it has taken the actions necessary or appropriate to fulfill its oversight responsibilities under the Audit Committee's charter. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements to be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2009, including a discussion of the quality (rather than just the acceptability) of the accounting principles, the reasonableness of significant judgments, and the clarity of

disclosures in the financial statements.

The Audit Committee also reviewed with Ernst & Young their judgments as to quality (rather than just the acceptability) of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under Statement on Auditing Standards No. 114, *The Auditor's Communication with those Charged with Governance*, as amended by the Public Accounting Oversight Board in Rule 3200Ts. In addition, the Audit Committee discussed with Ernst & Young, the auditor's independence from management and the Company, including the written disclosures, letter, and other matters required of Ernst & Young by the Public Company Accounting Oversight Board.

Additionally, the Audit Committee discussed with the Company's internal and independent auditors the overall scope and plan for their respective audits. The Audit Committee met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2009, for filing with the Securities and Exchange Commission.

PROPOSAL NO. 2 - RATIFICATION OF AUDITORS

APPOINTMENT OF AUDITOR

Our Audit Committee appointed Ernst & Young LLP as our independent auditor for the 2010 fiscal year. Shareowner ratification of the selection of Ernst & Young as our independent public accountants is not required by our Bylaws or other applicable legal requirement. However, the Board is submitting the selection of Ernst & Young to the shareowners for ratification as a matter of good corporate practice. If the shareowners fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in our and our shareowners' best interests.

Representatives of Ernst & Young may attend the 2010 Annual Meeting and, if in attendance, will have an opportunity to make a statement if they so desire and to respond to appropriate questions.

The proposal to ratify Ernst & Young as independent auditors will be approved if the votes cast by the shareowners present, or represented, at the Annual Meeting and entitled to vote on the matter favoring this proposal exceed the votes cast in opposition to the proposal.

*The Board of Directors unanimously recommends a vote FOR
ratification of the appointment of Ernst & Young.*

	2009	2008
Audit Fees	\$ 653,204	\$ 646,921
Audit-Related Fees	21,519	34,315
Tax Fees	94,502	98,858
All Other Fees		
Total	\$ 769,225	\$ 779,794

Audit fees primarily represent amounts billed to us for auditing our annual consolidated financial statements (including services incurred with rendering an opinion under Section 404 of the Sarbanes-Oxley Act of 2002), reviewing the financial statements included in our Quarterly Reports on Form 10-Q, and for services that are normally provided by the auditor in connection with statutory and regulatory filings. Also included are \$64,201 and \$70,749 in out-of-pocket expenses in the 2009 and 2008 fees, respectively. Tax fees are fees related to the preparation of our original and amended tax returns, claims for refunds, and tax planning. Tax fees include \$17,300 and \$17,000 for tax planning services in 2009 and 2008, respectively.

POLICY ON AUDIT COMMITTEE PRE-APPROVAL OF AUDIT AND NON-AUDIT SERVICES OF INDEPENDENT AUDITOR

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services, and other services. Pre-approval is generally provided for up to 12 months from the date of pre-approval, and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The Audit Committee may delegate pre-approval authority to one or more of its members when expedition of services is necessary. The independent auditors and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval policy and the fees for the services performed to date. The Audit Committee pre-approved all audit and non-audit services provided by Ernst & Young.

The Audit Committee has determined that the non-audit services provided by Ernst & Young during the fiscal year ended December 31, 2009, were compatible with maintaining their independence.
