Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On October 13, 2011, the Company's Board of Directors (the "Board") adopted a plan to preserve cash during ongoing partnering efforts. Included in the actions taken was the termination of the employment of John M. Holliman, III, Executive Chairman, Randolph C. Steer, MD, Ph.D., President and Dana B. Shinbaum, Vice President, Business Development. Each of these individuals will continue in their prior roles as consultants, rather than as employees, at consulting rates which would equate to approximately \$100,000 per year for Mr. Holliman and \$120,000 per year for Dr. Steer and Mr. Shinbaum. As employees, their base compensation had been \$200,000 for Mr. Holliman, \$325,000 for Dr. Steer and \$242,000 for Mr. Shinbaum. Les M. Taeger, Chief Financial Officer and Senior Vice President will continue as an employee, but his base compensation has been reduced from \$242,000 per year to \$120,000 per year. All of these officers had also been eligible for an annual bonus based on individual and Company performance goals of up to 40% of their base compensation. The Board's actions included cancellation of the Company's bonus plan. It is expected that vested outstanding stock options held by each executive will continue to be exercisable while such executive is serving as a consultant to the Company.

The above changes in employment and compensation trigger severance clauses in the executives' employment agreements that entitle each executive to a payment equal to one year of base salary.
