Dear Fellow Stockholder:

You are cordially invited to attend the 2017 Annual Meeting of Stockholders of Vocera Communications, Inc. to be held at our offices located at 525 Race Street, San Jose, CA 95126 on Friday June 2, 2017 at 10:00 am (Pacific Time).

Whether or not you plan to attend the meeting, I encourage you to review the enclosed information and vote your shares.

We are a leading provider of communications and clinical workflow solutions for the healthcare industry through the delivery of secure, intelligent, and integrated products and technologies. Our investments in our products and services, combined with our strong sales execution resulted in accelerated growth for our business in 2016. Hospitals and health systems are increasingly focused on clinical communication and workflow, and Vocera's mission is to simplify and improve the lives of healthcare professionals and patients, while enabling hospitals to improve quality of care and operational efficiency.

2016 was a standout year for Vocera. Solid execution across our business drove strong financial performance and resulted in meaningful shareholder return. Across the Company, there were many notable accomplishments:

Revenue grew 23% in 2016 and, as a result of the strength in our bookings, we also increased our backlog and deferred revenue.

We reached our goal of delivering positive adjusted EBITDA for the full year, demonstrating the operating leverage we have in our business with significant profit expansion potential in the future.

We acquired Extension Healthcare, significantly expanding our market opportunity, broadening our software platform and clinical systems integration capability.

We continued our successful transition to becoming an enterprise platform company for clinical communications and workflow solutions as evidenced by wins at Parkview, Hoag and our largest ever booking of \$14 million from MEDCOM.

We begin 2017 on very solid financial footing with substantial backlog and deferred revenue, an expanded sales pipeline, and a more efficient operating structure. With the broadened platform and the increased strategic importance of improving communication in healthcare, we are excited about the growth potential of our business in 2017 and beyond. Our priorities in 2017 are to:

Complete the integration of Extension Healthcare and ensure a unified brand, systems, organization, culture and solutions.

Ensure success at our large customer deployments and continue to penetrate large IDNs and Health Systems with strategic system-level selling.

Drive revenue growth by effective cross selling and accelerate the pace of new customer acquisition and international growth.

Further our market position as the leading Communications Collaboration & Care Coordination Platform with key investments in our software platform, mobile software applications and hands-free communication technology.

Thank you for your support and interest in Vocera's success. As always, we value your ongoing participation and support of Vocera, and we are committed to delivering world-class solutions, outperforming our peers and creating sustainable long-term value for our shareholders.

Sincerely,

**PROXY STATEMENT FOR THE 2017 ANNUAL
MEETING OF STOCKHOLDERS**

June 2, 2017

Information About Solicitation and Voting

The accompanying proxy is solicited on behalf of Vocera Communication, Inc.'s Board of Directors for use at Vocera's 2017 Annual Meeting of Stockholders (the "meeting") to be held on June 2, 2017, at 10:00 am (Pacific Time), and any adjournment or postponement thereof.

Internet Availability of Proxy Materials

Under rules adopted by the U.S. Securities and Exchange Commission (the "SEC"), we are furnishing proxy materials to our stockholders primarily via the Internet, instead of mailing printed copies to each stockholder. On or about April 21, 2017, we expect to send to our stockholders a Notice of Internet Availability of Proxy Materials ("Notice of Internet Availability") containing instructions on how to access our proxy materials, including our proxy statement and our annual report on Form 10-K. The Notice of Internet Availability also provides instructions on how to vote through the Internet or by telephone and includes instructions on how to receive paper copies of the proxy materials by mail or an electronic copy of the proxy materials by email.

This process is designed to reduce our environmental impact and lower the costs of printing and distributing our proxy materials without impacting our stockholders' timely access to this important information. However, if you would prefer to receive printed proxy materials, please follow the instructions included in the Notice of Internet Availability.

General Information about the Meeting

Purpose of the Meeting

At the meeting, stockholders will act upon the proposals described in this proxy statement. In addition, we will consider any other matters that are properly presented for a vote at the meeting. We are not aware of any other matters to be submitted for consideration at the meeting. If any other matters are properly presented for a vote at the meeting, the persons named in the proxy, who are officers of the company, have the authority in their discretion to vote the shares represented by the proxy.

Record Date; Quorum

Only holders of record of common stock at the close of business on April 13, 2017, the record date, will be entitled to vote at the meeting. At the close of business on April 13, 2017, Vocera had 28,006,470 shares of common stock outstanding and entitled to vote.

The holders of a majority of the voting power of the shares of stock entitled to vote at the meeting as of the record date must be present or represented by proxy at the meeting in order to hold the meeting and conduct business. This presence is called a quorum. Your shares are counted as present at the meeting if you are present and vote in person at the meeting or if you have properly submitted a proxy.

General Proxy Information

Voting Rights; Required Vote

Each holder of shares of common stock is entitled to one vote for each share of common stock held as of the close of business on April 13, 2017, the record date. You may vote all shares owned by you at such date, including (1) shares held directly in your name as the stockholder of record, and (2) shares held for you as the beneficial owner in street name through a broker, bank, trustee or other nominee.

TABLE OF CONTENTS

Stockholder of Record: Shares Registered in Your Name. If on April 13, 2017, your shares were registered directly in your name with Vocera's transfer agent, Computershare Trust Company, N.A., then you are considered the stockholder of record with respect to those shares. As a stockholder of record, you may vote at the meeting, or vote in advance through the Internet or by telephone, or if you request to receive paper proxy materials by mail, by filling out and returning the proxy card.

Beneficial Owner: Shares Registered in the Name of a Broker or Nominee. If on April 13, 2017, your shares were held in an account with a brokerage firm, bank or other nominee, then you are the beneficial owner of the shares held in street name. As a beneficial owner, you have the right to direct your broker on how to vote the shares held in your account, and your broker has enclosed or provided voting instructions for you to use in directing it on how to vote your shares. Because the brokerage firm, bank or other nominee that holds your shares is the stockholder of record, if you wish to attend the meeting and vote your shares you must obtain a valid proxy from the firm that holds your shares giving you the right to vote the shares at the meeting.

Each director will be elected by a majority of the votes cast, which means that each of the four individuals nominated for election to the Board of Directors at the meeting will be elected if the number of votes cast **FOR** that nominee exceeds the number of votes **AGAINST** that nominee. You may either vote **FOR** or **AGAINST** one or more of the nominees. You may not cumulate votes in the election of directors. Approval of the ratification of the appointment of our independent registered public accounting firm will be obtained if the number of votes cast **FOR** the proposal at the meeting exceeds the number of votes **AGAINST** the proposal.

Abstentions (shares present at the meeting and voted **abstain**) are counted for purposes of determining whether a quorum is present, and have no effect on the outcome of the matters voted upon. Broker non-votes occur when shares held by a broker for a beneficial owner are represented at the meeting but not voted on the particular proposal either because (i) the broker did not receive voting instructions from the beneficial owner or (ii) the broker lacked discretionary authority to vote the shares. Broker non-votes are counted for purposes of determining whether a quorum is present, and have no effect on the outcome of the matters voted upon. Note that if you are a beneficial holder and do not provide specific voting instructions to your broker, the broker that holds your shares will not be authorized to vote on the election of directors. Accordingly, we encourage you to provide voting instructions to your broker, whether or not you plan to attend the meeting.

Recommendations of the Board of Directors on Each of the Proposals Scheduled to be Voted on at the Meeting

The Board of Directors recommends that you vote **FOR** the Class I and Class II director nominees named in this proxy statement (Proposal 1) and **FOR** the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017 (Proposal 2).

Voting Instructions; Voting of Proxies

If you received a Notice of Internet Availability, please follow the instructions included on the notice on how to access your proxy card and vote by telephone or through the Internet.

If you are a stockholder of record, you may:

vote in person we will provide a ballot to stockholders who attend the meeting and wish to vote in person;

vote through the Internet or by telephone in order to do so, please follow the instructions shown on your Notice of Internet Availability or proxy card; or

vote by mail if you request or receive a paper proxy card and voting instructions by mail, simply complete, sign and date the proxy card and return it as soon as possible before the meeting in the envelope provided.

Votes submitted through the Internet or by telephone must be received by 11:59 p.m., Eastern Time, on June 1, 2017. Submitting your proxy, whether by telephone, through the Internet or by mail if you request or received a paper proxy card, will not affect your right to vote in person should you decide to attend the meeting. If you are not the stockholder of record, please refer to the voting instructions provided by your nominee to direct it

how to vote your shares. You may either vote FOR or AGAINST or ABSTAIN from voting for each of the nominees to the Board of Directors. For Proposal 2, you may vote FOR or AGAINST or ABSTAIN from voting. Your vote is important. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure that your vote is counted.

All proxies will be voted in accordance with the instructions specified on the proxy card. If you sign a physical proxy card and return it without instructions as to how your shares should be voted on a particular proposal at the meeting, your shares will be voted in accordance with the recommendations of our Board of Directors stated above.

If you receive more than one proxy card or Notice of Internet Availability, your shares are registered in more than one name or are registered in different accounts. To make certain all of your shares are voted, please follow the instructions included on the Notice of Internet Availability on how to access each proxy card and vote each proxy card by telephone or through the Internet. If you requested or received paper proxy materials by mail, please complete, sign and return each proxy card to ensure that all of your shares are voted.

Expenses of Soliciting Proxies

The expenses of soliciting proxies will be paid by Vocera. Following the original distribution and mailing of the solicitation materials, we or our agents may solicit proxies by mail, electronic mail, telephone, facsimile, by other similar means, or in person. Our directors, officers, and other employees, without additional compensation, may solicit proxies personally or in writing, by telephone, e-mail, or otherwise. Following the original distribution and mailing of the solicitation materials, we will request brokers, custodians, nominees and other record holders to forward copies of those materials to persons for whom they hold shares and to request authority for the exercise of proxies. In such cases, we, upon the request of the record holders, will reimburse such holders for their reasonable expenses. If you choose to access the proxy materials and/or vote through the Internet, you are responsible for any Internet access charges you may incur.

Revocability of Proxies

A stockholder who has given a proxy may revoke it at any time before the closing of the polls by the inspector of elections at the meeting by:

delivering to the Corporate Secretary (by any means, including facsimile) a written notice stating that the proxy is revoked;

signing and delivering a proxy bearing a later date;
voting again through the Internet or by telephone; or

attending and voting at the meeting (although attendance at the meeting will not, by itself, revoke a proxy).

Please note, however, that if your shares are held of record by a brokerage firm, bank or other nominee and you wish to revoke a proxy, you must contact that firm to revoke or change any prior voting instructions.

Electronic Access to the Proxy Materials

The Notice of Internet Availability will provide you with instructions regarding how to:

view our proxy materials for the meeting through the Internet;
instruct us to mail paper copies of our future proxy materials to you; and

instruct us to send our future proxy materials to you electronically by email.

Choosing to receive your future proxy materials by email will reduce the impact of our annual meetings of stockholders on the environment and lower the costs of printing and distributing our proxy materials. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

Voting Results

Voting results will be tabulated and certified by the inspector of elections appointed for the meeting. The final results will be tallied by the inspector of elections and filed with the SEC in a current report on Form 8-K within four business days of the meeting.

TABLE OF CONTENTS

CORPORATE GOVERNANCE STANDARDS AND DIRECTOR INDEPENDENCE

We are strongly committed to good corporate governance practices. These practices provide an important framework within which our Board of Directors and management pursue our strategic objectives for the benefit of our stockholders. Our Governance and Nominating Committee periodically reviews our corporate governance practices and in 2016, based on discussions with our shareholders and recent developments in corporate governance, our Board of Directors amended our Bylaws to adopt majority voting. This means that for a nominee to be elected to the Board in an uncontested election, the votes cast for such nominee's election must exceed the votes cast against such nominee's election.

Corporate Governance Guidelines

Our Board of Directors has adopted Corporate Governance Guidelines that set forth expectations for directors, director independence standards, board committee structure and functions, stock ownership guidelines, and other policies for the governance of the company. In connection with the amendment to the Restated Bylaws to adopt majority voting, our Board also approved a revision to the Corporate Governance Guidelines to require that a director nominee (or new appointee) tender his or her resignation in the event of an adverse vote, and, following the recommendation of the Governance and Nominating Committee, the Board shall act upon such resignation within 30 days following the stockholder vote. Our Corporate Governance Guidelines are available without charge on the investor relations section of our website at www.vocera.com.

Stock Ownership Guidelines

Our Board of Directors has adopted stock ownership guidelines. For our directors, with the exception of our Chief Executive Officer, not later than five years from the later of (i) July 30, 2012 or (ii) the date that an individual is initially elected as a director, such individual should beneficially own a number of shares of our common stock and vested equity awards with a value of not less than five times the then annual cash retainer for general board service paid by us to such director. For our Chief Executive Officer, not later than five years from the later of (i) July 30, 2012 or (ii) the date that the individual is hired or promoted to serve as our Chief Executive Officer, such individual should beneficially own a number of shares of our common stock and vested equity awards with a value of not less than six times the then annual base salary paid to such individual. We measure compliance with these stock ownership guidelines at the end of each fiscal year.

Board Leadership Structure and Risk Oversight

Our Board of Directors does not have a policy on whether the roles of the Chairman and Chief Executive Officer should be separate. Our Governance and Nominating Committee periodically considers the Board's leadership structure and makes recommendations to the Board on what it believes is appropriate. The Board currently believes that it should maintain flexibility in determining the Board leadership structure appropriate for the company.

Brent D. Lang currently serves as our Chief Executive Officer and Robert J. Zollars currently serves as the Chairman of our Board. This leadership structure reflects the Board's determination that this structure best serves our company's needs at this time by allowing our Chairman to lead our Board of Directors in its fundamental role of providing advice

to and oversight of management and by allowing our Chief Executive Officer to focus on our day-to-day business and setting the strategic direction for our company. Because Mr. Zollars has previously served as an executive officer of our company, he is not deemed independent for corporate governance purposes, and the Board has appointed Howard E. Janzen as Lead Independent Director. As Lead Independent Director, Mr. Janzen, among other responsibilities, attends and chairs most of the regularly scheduled meetings at which only our independent directors are present, serves as a liaison between the Chief Executive Officer and Chairman and the independent directors, and performs such additional duties as our Board of Directors may otherwise determine and delegate.

Our Board of Directors is primarily responsible for overseeing our risk management processes. Our Board exercises its risk oversight function both directly and indirectly through its various committees. Our Board, as a whole, determines the appropriate level of risk for our company, assesses the specific risks that we face and reviews management's strategies for adequately mitigating and managing the identified risks. Our Audit Committee, Governance and Nominating Committee and Compensation Committee support our Board in

TABLE OF CONTENTS

discharging its risk oversight duties and address risks inherent in their respective areas. We believe this division of responsibilities is an effective approach for addressing the risks we face and that our Board leadership structure supports this approach.

Director Independence

Our common stock is listed on the New York Stock Exchange. The listing rules of the New York Stock Exchange require that a majority of the members of our Board of Directors be independent. In February 2017, our Board of Directors confirmed that a majority of the members of our Board of Directors are independent and that all of our directors are independent, except Brent D. Lang and Robert J. Zollars. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, our Board of Directors determined each of Michael Burkland, John B. Grotting, Jeffrey H. Hillebrand, Howard E. Janzen, Alexa King, John N. McMullen and Sharon L. O Keefe does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is independent as that term is defined under the rules of the New York Stock Exchange and the Securities and Exchange Commission. In making this determination, our Board of Directors considered the relationships that each director has with our company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including certain contracts for products or services in place between Vocera and entities affiliated with our directors.

Committees of Our Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Governance and Nominating Committee. The composition and responsibilities of each committee are described below. Copies of the charters for each committee are available without charge on the investor relations section of our website at www.vocera.com. Members serve on these committees until their resignations or until otherwise determined by the Board of Directors.

Audit committee. Our Audit Committee is comprised of John N. McMullen, who is the chair of the Committee, Michael Burkland and Howard E. Janzen, each of whom, our Board of Directors has determined, meets the requirements for independence under the current New York Stock Exchange and SEC rules and regulations. Each member of our Audit Committee is financially literate. In addition, our Board of Directors has determined that Mr. McMullen is an Audit Committee financial expert within the meaning of Item 407(d) of Regulation S-K of the Securities Act. All audit services to be provided to us and all permissible non-audit services, other than de minimis non-audit services, to be provided to us by our independent registered public accounting firm will be approved in advance by our Audit Committee. Our Audit Committee, among other things:

oversees the accounting and financial reporting processes of our company, the audits of our company's financial statements by our company's independent registered public accounting firm and our company's internal audit function; monitors the periodic reviews of the adequacy of the accounting and financial reporting processes and systems of internal control that are conducted by our company's independent registered public accounting firm and our company's financial and senior management, and internal audit function; appoints our company's independent registered public accounting firm, determines and approves the fees paid to our independent accounting firm and reviews and evaluates the qualifications, independence and performance of our independent accounting firm; reviews and evaluates the organization and performance of our company's internal audit function; facilitates communications among our company's independent registered public accounting firm, financial and senior management, and internal audit function, and our Board of Directors; and

assists our Board of Directors in oversight of our company's compliance with legal and regulatory requirements. *Compensation Committee.* Our Compensation Committee is comprised of Jeffrey H. Hillebrand, who is the chair of the Committee, and John B. Grotting and Alexa King. Our Board of Directors has determined that

TABLE OF CONTENTS

each member of our Compensation Committee meets the requirements for independence under the current New York Stock Exchange rules, a non-employee director within the meaning of Section 16 of the Securities Exchange Act of 1934, and an outside director within the meaning of Section 162(m) of the Internal Revenue Code. Our Compensation Committee, among other things:

- reviews and determines the compensation of our executive officers;
- oversees our cash-based and equity-based compensation plans, policies and programs;
- reviews and makes recommendations to our board with respect to non-employee director compensation; and
- reviews general plans, policies and programs relating to compensation and benefits of our employees.

Our executive compensation program is administered by our Compensation Committee. In determining the compensation of each of our named executive officers, other than our President and Chief Executive Officer, our Compensation Committee considers the performance evaluations and compensation recommendations of our President and Chief Executive Officer. In the case of our President and Chief Executive Officer, our Compensation Committee evaluates his performance and independently determines whether to make any adjustments to his compensation.

Our Compensation Committee retained an independent compensation consultant, Compensia, Inc., to assist in structuring our executive officer compensation for 2016. Compensia provided our Compensation Committee with market data and analyses from a peer group of similarly-sized technology companies with similar business and financial characteristics. Compensia has not provided our company or our Compensation Committee with any other services during fiscal year 2016 that would compromise its independence or pose a conflict of interest.

The Compensation Committee has delegated in accordance with applicable law, rules and regulations, and our certificate of incorporation and bylaws, authority to an equity awards committee comprised of certain executive officers of our company the authority to make certain types of equity awards to any employee who is not an executive officer or director under our 2012 Equity Incentive Plan pursuant to the terms of such plan and the equity award guidelines approved by our Compensation Committee.

Governance and Nominating Committee. Our Governance and Nominating Committee is comprised of John B. Grotting, who is the chair of the Committee, Alexa King and Sharon L. O Keefe. Our Board of Directors has determined that each member of our Governance and Nominating Committee meets the requirements for independence under the current New York Stock Exchange rules and regulations. Our Governance and Nominating Committee, among other things:

- identifies, evaluates and recommends nominees to our Board of Directors and its committees;
- oversees the evaluation of the performance of our Board of Directors and its committees;
- reviews our corporate governance policies and proposed waivers of the policies;
- reviews developments in corporate governance practices;
- evaluates the adequacy of our corporate governance practices;
- oversees continuing education for our directors; and
- makes recommendations to our Board of Directors concerning corporate governance matters.

Codes of Business Conduct and Ethics and other Corporate Policies

Our Board of Directors has adopted codes of business conduct and ethics that apply to all of our employees, officers and directors. We intend to disclose any future amendments to certain provisions of our codes of business conduct and ethics, or waivers of these provisions, on our website and/or in public filings. Our employees, officers and directors

are also subject to our Policy Prohibiting Insider Trading and our Related Person Transactions Policy. We provide training to our employees regarding our codes and various company policies, which all employees are required to complete. In addition, we have adopted a Whistleblower and

7

Board and Committee Meetings and Attendance

The Board of Directors and its committees meet throughout the year on a pre-determined schedule, and also hold special meetings and act by written consent from time to time. During 2016, the Board of Directors held six meetings, including telephonic meetings, the Audit Committee held eight meetings; the Compensation Committee held five meetings and the Governance and Nominating Committee held four meetings. During 2016, none of the directors attended fewer than 75% of the aggregate of the total number of meetings held by the Board of Directors during his or her tenure and the total number of meetings held by all committees of the Board of Directors on which such director served during his or her tenure.

Typically, in conjunction with the regularly scheduled meetings of the board, the independent directors meet in executive sessions outside the presence of management.

Board Attendance at Annual Stockholders Meeting

We encourage each member of our Board of Directors to attend our annual meetings of stockholders. Seven directors were in attendance at our 2016 annual meeting of stockholders. We do not have a formal policy regarding attendance of annual meetings by the members of our Board of Directors. We may consider in the future whether our company should adopt a more formal policy regarding director attendance at our annual meetings.

Presiding Director of Independent Director Meetings

The independent directors meet in regularly scheduled executive sessions without management. Our lead independent director is currently Mr. Janzen.

Stockholders and interested parties who wish to communicate with our Board of Directors, non-management members of our Board of Directors as a group, a committee of the Board of Directors, or a specific member of our Board of Directors (including our chairman or lead independent director) may do so by letters addressed to the attention of our

NOMINATIONS PROCESS AND DIRECTOR QUALIFICATIONS

Nomination to the Board of Directors

Candidates for nomination to our Board of Directors are selected by our Board of Directors based on the recommendation of the Governance and Nominating Committee. In recommending candidates for nomination, the Governance and Nominating Committee considers candidates recommended by directors, officers, employees, stockholders and outside consultants, using the same criteria to evaluate all candidates. Evaluations of candidates generally involve a review of background materials, internal discussions and interviews with selected candidates as appropriate.

Additional information regarding the process for properly submitting stockholder nominations for candidates for membership on our Board of Directors is set forth below under **Stockholder Proposals to be Presented at Next Annual Meeting**.

Director Qualifications

With the goal of developing a diverse, experienced and highly-qualified Board of Directors, the Governance and Nominating Committee is responsible for developing and recommending to the Board of Directors the desired qualifications, expertise and characteristics of members of our Board of Directors.

Since the identification, evaluation and selection of qualified directors is a complex and subjective process that requires consideration of many factors, and will be significantly influenced by the particular needs of our Board of Directors that are likely to evolve and change over time, our Board of Directors has not adopted a specific set of minimum qualifications, qualities or skills that are necessary for a nominee to possess, other than those that are necessary to meet U.S. legal, regulatory and New York Stock Exchange listing requirements; and the provisions of our certificate of incorporation, bylaws, Corporate Governance Guidelines, and charters of our board committees. In addition, neither our Board of Directors nor our Governance and Nominating Committee have a formal policy with regard to the consideration of diversity in identifying nominees. When considering nominees, our Governance and Nominating Committee may take into consideration many factors including, among other things, a candidate's independence, integrity, skills, financial and other business expertise, breadth of experience, soundness of judgment, diversity of viewpoints and experience and knowledge about our business or industry, as well as ability to devote adequate time and effort to responsibilities of our Board of Directors in the context of its existing composition. Through the nomination process, the Governance and Nominating Committee seeks to promote board membership that reflects a diversity of business experience, expertise, viewpoints, personal backgrounds and other characteristics that are expected to contribute to the Board of Directors' overall effectiveness.

Director Compensation

We compensate our independent directors with a combination of cash and equity. The form and amount of compensation paid to our independent directors for serving on our Board of Directors and its committees is designed to be competitive in light of industry practices and the obligations imposed by such service. In order to align the long-term interests of our directors with those of our stockholders, a portion of the director compensation is provided in equity-based compensation. The value of total annualized compensation of our independent directors is targeted to be at approximately the median of a peer group of similarly-sized technology companies with similar business and financial characteristics. The director compensation practice of this peer group of companies was the benchmark used when considering the competitiveness of our independent director compensation. In 2016, our Compensation Committee's independent compensation consultant, Compensia, Inc., collected and developed the competitive data and analyses that the Committee used to benchmark and establish our independent director compensation.

Annual and Meeting Fees. Each director receives an annual base cash retainer of \$32,000 for such service, to be paid quarterly. Additionally, we compensate our Board of Directors for service on our committees and for service as our lead independent director as follows:

The chair of our Audit Committee receives an annual cash retainer of \$16,000 for such service, paid quarterly, and each of the other members of the Audit Committee receives an annual cash retainer of \$7,500, paid quarterly. The chair of our Compensation Committee receives an annual cash retainer of \$10,000 for such service, paid quarterly, and each of the other members of the Compensation Committee receives an annual cash retainer of \$5,000, paid quarterly. The chair of our Governance and Nominating Committee receives an annual cash retainer of \$7,500 for such service, paid quarterly, and the other member of the Governance and Nominating Committee receives an annual cash retainer of \$3,000, paid quarterly.

Our lead independent director receives an annual cash retainer of \$10,000 for such service, paid quarterly.

Equity Awards. In April 2016, the Compensation Committee approved the annual equity grant to non-employee directors effective June 1, 2016 of a number of restricted stock units calculated as \$125,000 divided by the average daily closing price of our common stock as reported by the New York Stock Exchange during May 2016 (rounded down to the nearest share). Each restricted stock unit will vest in full on June 1 of the next calendar year after the year of the award, subject to the director's continuous service through such vesting date, and will automatically vest in full upon a change of control of our company.

In 2016, the Compensation Committee approved the grant to Mr. Burkland and Ms. King, as new non-employee directors, of a number of restricted stock units calculated as \$200,000 divided by the average daily closing price of our common stock as reported by the New York Stock Exchange during the month prior to their award date (rounded down to the nearest share). The restricted stock units awarded vest over a three year period such that one-third of the total number of shares shall vest on each 12 month anniversary of the award date.

Other. We reimburse all of our directors for travel, director continuing education programs and other business expenses incurred in connection with their services as a member of our Board of Directors and its committees, and extend coverage to them under our travel accident and directors' and officers' indemnification insurance policies.

PROPOSAL NO. 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has selected Deloitte & Touche LLP as our principal independent registered public accounting firm to perform the audit of our consolidated financial statements for the fiscal year ending December 31, 2017. As a matter of good corporate governance, our Audit Committee has decided to submit its selection of the principal independent registered public accounting firm to our company's stockholders for ratification. In the event that Deloitte & Touche LLP is not ratified by our stockholders, our Audit Committee will reconsider whether to retain that firm.

Even if the selection is ratified, our Audit Committee in its discretion may direct the selection of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of our company and stockholders.

Representatives of Deloitte & Touche LLP are expected to be present at the meeting, will be given an opportunity to make a statement at the meeting if they desire to do so, and will be available to respond to appropriate questions.

Principal Accountant Fees and Services

We regularly review the services and fees from our independent registered public accounting firm. These services and fees are also reviewed with our Audit Committee annually. In accordance with standard policy, Deloitte & Touche LLP will periodically rotate the individuals responsible for our audit.

In addition to performing the audit of our consolidated financial statements, Deloitte & Touche LLP provided various other services during fiscal 2016 and 2015. Our Audit Committee has determined that Deloitte & Touche LLP's provisioning of these services, which are described below, did not impair either firm's independence from us. The aggregate fees billed for fiscal 2016 and 2015 for each of the following categories of services are as follows:

Fees Billed to Vocera	Fiscal Year 2016	Fiscal Year 2015
Audit fees ⁽¹⁾	\$ 958,827	\$ 818,000
Audit related fees ⁽²⁾	47,000	
Tax fees ⁽³⁾	43,835	2,408
All other fees		
Total fees	\$ 1,049,662	\$ 820,408

Audit fees include fees for audit services primarily related to the audit of our annual consolidated financial statements; the review of our quarterly consolidated financial statements; registration statements, consents, and (1) assistance with and review of documents filed with the SEC; and other accounting and financial reporting consultation and research work billed as audit fees or necessary to comply with the standards of the Public Company Accounting Oversight Board (United States).

(2) *Audit related fees* include fees billed for assurance and related services reasonably related to the performance of the audit or review of our fiscal 2016 and 2015 consolidated financial statements.

Tax fees include fees for tax compliance and advice. Tax advice fees encompass a variety of permissible services, (3)including technical tax advice related to federal and state income tax matters; assistance with sales tax; assistance with tax matters related to acquisitions and assistance with tax audits.

Our Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. Our Audit Committee may also pre-approve particular services on a case-by-case basis. All of the services relating to the fees described in the table above were approved by our Audit Committee.

EXECUTIVE COMPENSATION

Shareholder Feedback

Prior to the preparation of our proxy statement for the meeting, we solicited feedback from stockholders of a substantial portion of our outstanding shares regarding executive compensation and the disclosures regarding compensation they find most helpful. We are providing the following discussion of our executive compensation in response to the feedback we received.

Approach to Executive Compensation

We have designed our executive compensation program to reward our executive officers, including our named executive officers, at a level consistent with our overall strategic and financial performance and to provide remuneration sufficient to attract, retain, and motivate them to exert their best efforts in the highly-competitive environment in which we operate. We believe in providing competitive compensation packages consisting of a combination of base salaries, annual cash bonus, and long-term incentive opportunities in the form of equity awards that are earned over a multi-year period. We believe the approach that has been adopted by our Compensation Committee, with an emphasis on variable cash compensation and equity awards, enables us to attract top talent, motivate successful short-term and long-term performance, satisfy our retention objectives, and align the compensation of our executive officers with our performance and long-term value creation for our stockholders.

The Compensation Committee analyzes competitive market data on executive compensation levels and practices. This data is drawn from a select group of peer companies, as well as compensation survey data. Our Compensation Committee engaged Compensia, Inc., an outside compensation expert who provided an analysis of executive pay, including equity compensation, and an evaluation of the type of equity instruments being awarded.

The Compensation Committee, with the assistance of Compensia, developed a group of peer companies, as detailed below, to be used as a reference for market positioning and for assessing competitive market compensation practices. In developing this peer group, consideration was given to our industry sector, geographies of the locations where our executives are based, company size (based on revenues and market capitalization) relative to our size and growth rate, and the comparability of business model and focus.

Following this review, Compensia recommended and the Compensation Committee approved use of a peer group of 18 publicly-traded companies: BroadSoft, Carbonite, Castlight Health, Computer Programs and Systems, Control4, DTS, Evolent Health, Five9, HealthStream, Imprivata, LivePerson, Marin Software, MINDBODY, MobileIron, Model N, Omnicell and Zix. These companies had revenues for the most-recently completed four quarters ranging from approximately \$55 million to \$485 million, with a median of approximately \$137 million, and market capitalizations ranging from approximately \$114 million to \$974 million, with a median of approximately \$295 million.

This peer group was used by the Compensation Committee in connection with its annual review of our executive compensation program in April 2016. Specifically, the Compensation Committee reviewed the compensation data drawn from the compensation peer group, in combination with industry-specific compensation survey data, to develop a subjective representation of the competitive market with respect to current executive compensation levels and related policies and practices. The Compensation Committee then evaluated how our pay practices and the compensation levels of our executive officers compared to the competitive market.

In addition to the payment of salaries that it believes are competitive and assist in the retention of our executive officers, our Compensation Committee believes that a significant portion of our executive officers' cash compensation should be tied to corporate performance. Our cash bonus program, payments under which are included as Non-equity Incentive Plan Compensation in the Summary Compensation Table below, allows our executives to earn a target cash bonus if specified metrics are satisfied at the target level, to earn a reduced level of bonus if the metrics achieved are below the target level but above a specified threshold level, and to receive a larger bonus if metrics are achieved at a level above the target. The target bonus is set as a percentage of each officer's base salary.

TABLE OF CONTENTS

For 2016, the payment of cash bonuses was based on the achievement of a revenue target, with the bonus calculation being further conditioned on achievement of an adjusted EBITDA threshold. Our Compensation Committee and Board determined that the most important factor in increasing stockholder value in 2016 was growth of our revenue.

The Compensation Committee further determined that the inclusion of an earnings metric, such as the adjusted EBITDA threshold, would help to ensure that revenue growth was sought in a fiscally prudent manner. These revenue and adjusted EBITDA measures were established by the Compensation Committee based on the corresponding amounts in the annual financial plan approved by the Board of Directors.

Executives were eligible to receive the bonuses in two payments, based on company performance against the targets in the first and second half of the year. The following table presents the aggregate annual bonus that could be earned by each respective named executive officer if the metrics were achieved at the minimum threshold level, the target level and the maximum payout level, as well as the aggregate annual bonus that was paid for 2016.

Name	Cash Bonus at Minimum Threshold ⁽²⁾	Cash Bonus at Target ⁽²⁾	Cash Maximum Bonus ⁽²⁾	Cash Actual Bonus
Brent D. Lang	\$ 80,000	\$ 400,000	\$ 800,000	\$ 694,262
Justin R. Spencer	36,300	181,500	363,000	315,021
Paul T. Johnson ⁽¹⁾	21,780	108,900	217,800	189,012

(1) Mr. Johnson is also compensated through a performance-based commission plan. Under that plan, his 2016 target commission was \$90,000 and his actual commission was \$100,446.

(2) The cash bonus amounts are based upon achievement of 90%, 100% and 110% of the Company's revenue targets for the relevant performance period to earn the minimum, target and maximum cash bonus respectively.

Equity-based compensation aligns the interests of our employees and stockholders to increase the value of our common stock. In 2016 equity awards were granted to our named executive officers in the form of restricted stock units, which help retain key employees because they typically are not fully vested for a specified period, and unvested awards are forfeited by the employee when employment ends. We believe that the vesting provisions also help focus our named executive officers on long-term performance. In June 2016, we granted 176,322, 66,121 and 59,950 restricted stock units to Messrs. Lang, Spencer and Johnson, respectively. Each of these restricted stock units vests in three equal annual installments with the first installment vesting on June 1, 2017.

Householding Stockholders Sharing the Same Address

The SEC has adopted rules that permit companies and intermediaries (such as brokers) to implement a delivery procedure called householding. Under this procedure, multiple stockholders who reside at the same address may receive a single copy of our annual report on Form 10-K and proxy materials, including the Notice of Internet Availability, unless the affected stockholder has provided other instructions. This procedure reduces printing costs and postage fees, and helps protect the environment as well.

A single Notice of Internet Availability and, if applicable, a single set of annual report on Form 10-K and other proxy materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from one or more of the affected stockholders. Once you have received notice from your broker that it will be

householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. Stockholders may revoke their consent at any time by contacting your broker.

Upon written or oral request, we will undertake to promptly deliver a separate copy of the Notice of Internet Availability and, if applicable, annual report on Form 10-K and other proxy materials to any stockholder at a shared address to which a single copy of any of those documents was delivered.
