INFORMATION REQUIRED IN REGISTRATION STATEMENT

As used in this Registration Statement, unless the context otherwise requires, the terms "Technitrol" and the "Company" mean Technitrol, Inc. and its subsidiaries and the term the "Plan" shall mean the Pulse Engineering, Inc. 401(k) Plan, as amended.

Item 3. Incorporation of Documents by Reference.

The following documents, previously filed by the Company or the Plan with the U.S. Securities and Exchange Commission (the "Commission") pursuant to the Securities Exchange Act of 1934, as amended (the "1934 Act"), are hereby incorporated by reference in this Registration Statement:

(a) the Company's Annual Report on Form 10-K for the fiscal year ended December 27, 2002;

(b) the Plan's Annual Report on Form 11-K for the fiscal year ended December 31, 2002;

(c) all other reports filed by the Company pursuant to Section 13(a) or 15(d) of the 1934 Act since the end of the fiscal year covered by the annual report referred to in subsection (a) above; and

(d) the description of the Company's common stock, par value \$.125 per share ("Common Stock"), contained in the Company's Registration Statement on Form 8-A/A dated July 5, 2000, including any amendments or reports filed for the purpose of updating such description.

All documents filed by the Company or the Plan pursuant to Sections 13(a), 13(c), 14 and 15(d) of the 1934 Act on or after the date of this Registration Statement and prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be part hereof from the date of filing of such documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 6. Indemnification of Directors and Officers.

The Pennsylvania Business Corporation Law generally provides that a company shall have the power to indemnify its officers, directors and others against liability incurred by them by reason of their position with the company if such person acted in good faith and in a manner reasonably believed to be in, or not opposed to, the best interest of the company, and, with respect to any criminal action or proceeding related to a third-party action, the indemnified party had no reasonable cause to believe his conduct was unlawful.

Section 1 of Article VII of the Company's Bylaws provides for mandatory indemnification of directors and officers against third-party actions in such circumstances. Section 2 of Article VII of the Company's Bylaws provides for mandatory indemnification for any director or officer made party to any derivative suit if he acted in good faith and in a manner reasonably believed to

be in, or not opposed to, the best interest of the Company; provided, however, no indemnification against expenses will be made where the person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the Company unless and to the extent that the applicable Court of Common Pleas shall determine such person is fairly and reasonably entitled to indemnity. Under Section 3 of Article VII, an independent determination of disinterested directors, legal counsel or shareholders of the Company will determine whether the person is entitled to indemnification under Sections 1 and 2, unless indemnification is ordered by a court. In addition, Section 5 of Article VII of the Bylaws provides for advancement of expenses in advance of the final disposition of any action, suit or proceeding upon receipt of an undertaking, by or on behalf of the person who may be entitled to indemnification under Sections 1, 2 and 4 of Article VII, to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Company.

II-2

The Pennsylvania Business Corporation Law also permits a corporation to include in its bylaws, and in agreements between the corporation and its directors and officers, provisions expanding the scope of indemnification beyond that specifically provided by the Pennsylvania Business Corporation Law; provided, however, indemnification shall not be permitted in any case where the act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness. Section 4 of Article VII of the Company's Bylaws generally provides for mandatory indemnification of officers and directors acting on behalf of the Company, except that indemnification shall not be permitted in any case where the act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness. Indemnification under Section 4 will be provided without the independent determination or court order required by Section 3 as described above. The Company also has entered into an Indemnification Agreement with each of the executive officers and directors of the Company. The Indemnification Agreements provide the same scope of indemnification as provided under the Bylaws. The Indemnification Agreements are direct contractual obligations of the Company in favor of the directors and officers. Therefore, in the event that the Bylaws are subsequently changed to reduce the scope of indemnification, executive officers and directors with Indemnification Agreements will not be affected by such changes.

In addition, the Company maintains directors and officers insurance under which its directors and officers are insured against certain liabilities that may be incurred by them in their capacities as such.

Item 8. Exhibits.

Pulse will submit or has submitted the Plan and any amendments thereto to the Internal Revenue Service ("IRS") in a timely manner and has made or will make all changes required by the IRS in order to qualify the Plan under Section 401 of the Internal Revenue Code of 1986, as amended.
