Gilat Completes rStar Going-Private Transaction

Gilat announced today that on April 7, 2004 it completed its previously announced acquisition of all of the shares of common stock of rStar Corporation not already owned by Gilat for \$0.60 per share in cash.

Petah Tikva, Israel April 7, 2004 Gilat Satellite Networks Ltd. (Nasdaq: GILTF) announced today that on April 7, 2004 it completed its previously announced acquisition of all of the shares of common stock of rStar Corporation not already owned by Gilat for \$0.60 per share in cash. As a result, immediately following the consummation of the acquisition, a Form 15 was filed with the SEC in order to deregister rStar's common stock. As a result, rStar will cease to be a public reporting company.

As was previously announced, Gilat, which owned approximately 84.9% of rStar's outstanding shares, increased its ownership to greater than 90% through the acquisition of additional shares from certain rStar stockholders for \$0.60 per share in cash. Following that acquisition, Gilat effected a short-form merger to acquire all remaining shares of rStar not owned by it for \$0.60 per share in cash. rStar shareholders of record as of the closing date will receive notification from rStar's transfer agent providing them with instructions for tendering their shares.
