FOR IMMEDIATE RELEASE

EARNINGS RELEASE

## **SILICOM UPGRADED TO NASDAQ GLOBAL MARKET**

**KFAR SAVA, Israel February 11, 2008 Silicom Ltd. (NASDAQ and TASE: SILC)** today announced that it has received notification that the NASDAQ stock market has upgraded Silicom's listing from the Nasdaq Capital Market to the Nasdaq Global Market beginning today, February 11, 2008. Silicom's shares continue to be traded under the same symbol as before (SILC).

This important milestone underscores the momentum that we have established over the past several years, commented Shaikhe Orbach, Silicom's President and CEO. We believe that the upgrade of our listing is significant for our shareholders as it is expected to increase the exposure of our company, hopefully resulting in increased trading volumes, liquidity and institutional interest in our shares.

Mr. Orbach continued, Our growing momentum was most recently demonstrated in our record 2007 financial results. On an annual basis, we reported 66% revenue growth to \$27 million, enabling us to triple our net profit to \$6.3 million, or \$1 EPS. Just as significant is last week's major announcement about our first significant entry into China, securing an initial \$1.8 million production order from a major domestic server manufacturer. We are pleased that our rapid growth and strategic progress has attracted the attention of the financial community and facilitated the upgrade of our listing.
