Aracruz included once more in Bovespa□s Corporate Sustainability Index

(São Paulo, November 30, 2006) - Aracruz Celulose (NYSE: ARA), the world□s largest producer of eucalyptus pulp and one of Brazil□s leading exporters, has once again been selected for the Bovespa Corporate Sustainability Index (ISE), which comes into effect tomorrow. The new portfolio, with validity extending up to November 30, 2007, comprises only 43 stocks issued by 34 companies from 14 different economic sectors, all of them recognized for their commitment to social responsibility and corporate sustainability.

An integrated assessment was made of the environmental, social and economic-financial aspects, following the international concept of the Triple Bottom Line.

In September, Aracruz was once again chosen to comprise the select list of companies in the Dow Jones Sustainability Index (DJSI World) 2007, which highlights the best corporate sustainability practices from around the world. This time round, Aracruz was the only company in its sector chosen for this global index.
