INFORMATION TO BE INCLUDED IN THE REPORT

Item 1.01 Entry into a Material Definitive Agreement.

On November 2, 2004, our Compensation Committee of the Board of Directors granted performance units (the "Performance Units") under our 2001 Long-Term Incentives Plan for the three-year performance period covering fiscal years 2005, 2006 and 2007 (the "Performance Period"). These Performance Units were granted to executive officers and certain other employees.

These Performance Units include established targets for compound sales growth and return on sales over fiscal years 2005 through 2007 and a potential adjustment up or down by twenty percent depending on our total return to shareowners measured against a group of peer companies.

The Performance Units are designed to align management's interests with those of its shareowners and to reward outstanding performance. The Performance Units also serve as an important retention tool because the Performance Units are paid after a multi-year Performance Period.

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.
