Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- In connection with the settlement of a call option entered into on March 22, 2006, as part of a zero-cost collar arrangement, the reporting (1) person paid to the option holder, for each share of stock subject to the option, the difference between the market price on December 21, 2006 and the exercise price.
- (2) In a Form 4 filed on March 24, 2006, the exercise date and expiration date were incorrectly stated. The correct dates are shown in this Form 4.
- (3) The price received for the call option offset the price paid for the put option, with the effect that no premium was due on the transaction. Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
