Under the terms of the Company's 2004 Omnibus Incentive Plan, non-employee directors will receive annual grants of restricted stock with a value equal to approximately \$40,000 for each year of their three year terms, which based on the average stock price for the prior 12 months, is equal to 1,644 shares of restricted stock for the 2006-2007 year. For directors in the first year of their term, the annual grant of restricted stock will vest in three equal installments on the dates of each of the next three annual meetings of stockholders. For directors in the second year of their term, one-half of the annual grant of restricted stock will vest on the date of each of the next two annual meetings of stockholders. For directors in the final year of their term, the entire amount of the annual grant of restricted stock will vest on the date of the following year's annual meeting of stockholders.
