**PROXY STATEMENT**

This Proxy Statement contains information relating to the solicitation of proxies by the Board of Directors of PetMed Express, Inc. (the “Company”) for use at our 2007 Annual Meeting of Stockholders. Our annual meeting will be held on Friday, August 3, 2007, at 1:00 p.m., Eastern Time, at the Sheraton Suites Cypress Creek Fort Lauderdale, 555 N.W. 62nd Street, Fort Lauderdale, FL 33309.

**QUESTIONS AND ANSWERS  
ABOUT THE MEETING AND VOTING**

***What am I voting on?***

- To elect five directors to our Board of Directors (Menderes Akdag, Frank J. Formica, Gian M. Fulgoni, Ronald J. Korn, Robert C. Schweitzer).
- To ratify the appointment of Goldstein Golub Kessler LLP as our independent registered public accounting firm.

***What is a proxy?***

It is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. We have designated Bruce S. Rosenbloom, our Chief Financial Officer and Alison Berges, our Corporate Secretary and General Counsel, as proxies for the 2007 Annual Meeting of Stockholders.

***How will my proxy vote my shares?***

Your proxy will vote according to your instructions. If you complete your proxy instructions but do not indicate your vote on one or all of the business matters, your proxy will vote “FOR” these items. Also, your proxy is authorized to vote on any other business that properly comes before the annual meeting in accordance with the recommendation of our Board of Directors.

***Why did I receive this proxy statement?***

Our Board of Directors is soliciting your proxy to vote at the annual meeting because you were a stockholder of record at the close of business on June 15, 2007, the record date, and are entitled to vote at the meeting. This proxy statement and the 2007 Annual Report to Stockholders on Form 10-K, along with either a proxy card or a voting instruction card, are being mailed to stockholders beginning on or about June 29, 2007. This proxy statement summarizes the information you need to know to vote at the annual meeting. You do not need to attend the annual meeting to vote your shares.

***What is the difference between holding shares as a stockholder of record and as a beneficial owner?***

If your shares are registered directly in your name with our transfer agent, Florida Atlantic Stock Transfer, Inc., you are considered, with respect to those shares, the “stockholder of record.” The proxy statement, 2007 Annual Report on Form 10-K, and proxy card have been sent directly to you by us.

If your shares are held in a stock brokerage account by a bank or other nominee, you are considered the “beneficial owner” of shares held in “street name.” The proxy statement and 2007 Annual Report on Form 10-K have been forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares by using the voting instruction card included in the mailing or by following their instructions for voting.

***How do I vote?***

If your shares are held in street name, through a broker, bank or other nominee, that institution will send you separate instructions describing the procedure for voting your shares. Stockholders of record can vote as follows:

- *By Mail:* Stockholders should sign, date and return their proxy cards in the pre-addressed, postage-paid envelope that is provided.
- *By Telephone or Internet:* Street name holders may vote by telephone or Internet if their bank or broker makes those methods available, in which case the bank or broker will enclose the instructions with the proxy materials. The telephone and Internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to vote their shares, and to confirm that their instructions have been properly recorded.
- *At the Meeting:* If you attend the annual meeting, you may vote in person by ballot, even if you have previously returned a proxy card.

***Who is entitled to vote and how many votes do they have?***

Holders of our common stock as of the close of business on June 15, 2007, the record date, are entitled to vote at the annual meeting. Each issued and outstanding share of our Common Stock is entitled to one vote. As of the record date, 24,322,531 shares of our Common Stock were outstanding and entitled to vote at the annual meeting.

***May I change my vote after I return my proxy card?***

Yes, you may change your vote at any time before your shares are voted at the annual meeting by:

- Notifying our Corporate Secretary, in writing at PetMed Express, Inc., 1441 S.W. 29<sup>th</sup> Avenue, Pompano Beach, FL 33069 that you are revoking your proxy;
- Executing and delivering a later dated proxy card; or
- Voting in person at the annual meeting.

However, if you have shares held through a brokerage firm, bank or other custodian, you may revoke your instructions only by informing the custodian in accordance with any procedures it has established.

***What is a quorum of stockholders?***

Shares representing the majority of the total outstanding votes present or represented by proxy constitute a quorum. If you vote or return a proxy card, your shares will be considered part of the quorum.

***What vote is required for approval of the proposals?***

At the annual meeting, directors will be elected by a plurality of votes cast. Only votes cast "FOR" or "AGAINST" will affect the outcome of this proposal. Therefore, the five directors who receive the greatest number of votes cast "FOR" the election of directors will be elected to serve as directors.

Ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the shares of our common stock present at the annual meeting in person or by proxy, and entitled to vote on the matter.

***How does the Board recommend I vote on the proposals?***

The Board recommends that you vote:

· FOR each of the nominees for director set forth on page 4.

· FOR the ratification of the appointment of our independent registered public accounting firm set forth on page 4.

***How are abstentions and broker non-votes counted?***

Abstentions are considered shares present at the annual meeting in person or by proxy, and will be counted for purposes of determining whether a quorum is present. Abstentions will have no effect on the election of directors, but will have the effect of a vote “AGAINST” ratification of the appointment of our independent registered public accounting firm.

Broker non-votes refer to PetMed Express, Inc.’s shares held in street name by a brokerage firm or nominee (such as Cede & Co.) under circumstances where the beneficial owner has not instructed the broker or nominee as to how the shares should be voted. Broker non-votes are considered present by proxy for purposes of determining whether a quorum is present at the meeting. If your shares are held in street name, the broker or nominee in whose name your shares are held is permitted to vote your shares on the matters to be voted upon at the annual meeting, even if you have not provided specific direction on how your shares should be voted.

***Who will count the votes?***

A representative of The Altman Group, a company contracted by us to assist the Company in the tabulation of proxies, and our Corporate Secretary and General Counsel, Alison Berges, will tabulate the votes and act as inspector of election.

***What happens if a nominee for director is unable to serve as a director?***

If any of the nominees becomes unavailable for election, which we do not expect, votes will be cast for such substitute nominee or nominees as may be designated by our Board of Directors, unless our Board of Directors reduces the number of directors. Under the policies of our Board of Directors, directors are expected to attend regular board meetings, board committee meetings and our annual stockholders meeting.

***How do I get an admission card to attend the annual meeting?***

If you are a stockholder of record, your admission card is attached to your proxy card. You will need to bring it with you to the meeting. If you own shares in street name, you will need to ask your broker or bank for an admission card in the form of a legal proxy. You will need to bring the legal proxy with you to the meeting. If you do not receive the legal proxy in time or you want to attend the meeting but not vote in person, bring your most recent brokerage statement or proof of ownership with you to the meeting. We can use that to verify your ownership of Common Stock and admit you to the meeting; however you will not be able to vote your shares at the meeting without a legal proxy. Please note that if you own shares in street name and you request a legal proxy, any previously executed proxy will be revoked, and your vote will not be counted unless you appear at the meeting and vote in person.

You will also need to bring a photo ID to gain admission.

***Who is soliciting my proxy and who pays the cost?***

The Company and its Board of Directors are soliciting your proxy. Our directors, officers and employees may solicit proxies by mail, telephone and personal contact. They will not receive any additional compensation for these activities. The Company will also reimburse brokerage firms, banks and other custodians for their reasonable out-of-pocket expenses for forwarding these proxy materials to you.

***When are stockholder proposals due for next year’s annual meeting?***

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (“Exchange Act”) stockholders may present proper proposals for inclusion in the Company’s proxy statement and for consideration at the 2008 annual meeting of stockholders by submitting their proposals to the Company in a timely manner. Proposals that stockholders wish to be included in next year’s Proxy Statement for the annual meeting to be held in 2008 must be received at the Company’s principal place of business at 1441 S.W. 29<sup>th</sup> Avenue, Pompano Beach, FL 33069, addressed to the Corporate Secretary’s attention, no later than March 15, 2008.

***Can different stockholders sharing the same address receive only one Annual Report on Form 10-K and Proxy Statement?***

Yes. The Securities and Exchange Commission permits companies and intermediaries, such as a brokerage firm or a bank, to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more security holders sharing the same address by delivering only one proxy statement and annual report to that address. This process which is commonly referred to as “householding” can effectively reduce our printing and postage costs. Under householding, each stockholder would continue to receive a separate proxy card or voting instruction card.

Certain of our stockholders whose shares are held in street name and who have consented to householding will receive only one set of our annual meeting materials per household this year. If your household received a single set of our annual meeting materials this year, you can request to receive additional copies of these materials by calling or writing your broker, bank or other nominee. If you own your shares in street name, you can request householding by calling or writing your broker, bank or other nominee.

### **REPORT OF THE AUDIT COMMITTEE**

*The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by us under the Securities Act of 1933, as amended, ("Securities Act") or the Exchange Act, except to the extent we specifically incorporate this Report by reference therein.*

The Securities and Exchange Commission rules require us to include in this proxy statement a report from the Audit Committee of our Board of Directors. The following report concerns the Audit Committee's activities regarding oversight of our financial reporting and auditing process.

The Audit Committee is comprised solely of independent directors, as defined in the Marketplace Rules of The NASDAQ Stock Market LLC and under Exchange Act Rule 10A-3(b)(1), and it operates under a written charter adopted by the Company's Board of Directors. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis.

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors in the oversight of its financial reporting, internal control and audit functions. Management is responsible for the preparation, presentation and integrity of its consolidated financial statements, accounting and financial reporting principles, and internal controls and procedures designed to ensure compliance with accounting standards and applicable laws and regulations. Goldstein Golub Kessler LLP, the Company's independent registered public accounting firm, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent registered public accounting firm, nor can the Audit Committee certify that the independent registered public accounting firm is "independent" under applicable rules. The Audit Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the independent registered public accounting firm on the basis of the information it receives, discussions with management and the independent registered public accounting firm and the experience of the Audit Committee's members in business, financial and accounting matters.

Among other matters, the Audit Committee monitors the activities and performance of the Company's independent registered public accounting firm, including the audit scope, external audit fees, registered public accounting firm independence matters and the extent to which the independent registered public accounting firm may be retained to perform non-audit services. The Audit Committee and the Board of Directors have ultimate authority and responsibility to select, evaluate and, when appropriate, replace the independent registered public accounting firm. The Audit Committee also reviews the results of the audit work with regard to the adequacy and appropriateness of financial, accounting and internal controls. Management and independent registered public accounting firm presentations to and discussions with the Audit Committee also cover various topics and events that may have significant financial impact or are the subject of discussions between management and the independent registered public accounting firm. In addition, the Audit Committee generally oversees internal compliance programs.

The Audit Committee has reviewed and discussed the Company's consolidated financial statements with management and the independent registered public accounting firm, management represented to the Audit Committee that its consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the independent registered public accounting firm represented that its presentations included the matters required to be discussed with the independent registered public accounting firm by Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees."

Goldstein Golub Kessler LLP, the independent registered public accounting firm, also provided the Audit Committee with the written disclosures required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Audit Committee discussed with Goldstein Golub Kessler LLP the firm's independence.

Following the Audit Committee's discussions with management and Goldstein Golub Kessler LLP, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's annual report on Form 10-K for the fiscal year ended March 31, 2007.

## COMPENSATION DISCUSSION AND ANALYSIS

### Overview

The Compensation Committee of our Board of Directors, composed entirely of independent directors, administers our executive compensation program. The role of the Compensation Committee is to oversee the administration of the Company's compensation and benefit plans and policies, to review the compensation of the executive officer(s) and directors, to administer our stock plans, to prepare any report on executive compensation required by the rules and regulations of the Securities and Exchange Commission and generally to provide assistance to the Board of Directors on compensation matters.

### Compensation Philosophy

The executive compensation policies are designed to:

- align executive compensation with our business objectives and corporate performance;
- attract and retain executive officers who contribute to our company's long-term success;
- reward and motivate executive officers who contribute to our operating and financial performance;
- link executive officer compensation and stockholder interests through the grant of long-term incentives under our stock plans.

The Compensation Committee believes that our compensation programs should include short-term and long-term components, including cash and equity-based compensation, and should reward performance as measured against established goals. The Compensation Committee considers the total current and potential long-term compensation of each of our executive officers in establishing each element of compensation.

The Compensation Committee reviews and recommends to the full Board of Directors the total compensation to be paid to our chief executive officer and president, in advance of the expiration of his three-year term Executive Employment Agreements. The Compensation Committee reviews and recommends to the full Board of Directors on an annual basis, the long-term incentives to be awarded to other executive officers and key employees.

As part of this process, the Compensation Committee conducts benchmarking of the aggregate level of executive compensation, as well as the mix of elements used to compensate the executive officers. In addition, the Compensation Committee has historically taken into account publicly available data relating to the compensation practices and policies of other companies within and outside our industry. While benchmarking may not always be appropriate as a stand-alone tool for setting compensation due to the aspects of our business and objectives that may be unique to us, the Compensation Committee generally believes that gathering this information is an important part of our compensation-related decision-making process. While it has not yet done so, in the future the Compensation Committee may retain the services of third-party executive compensation specialists from time to time, as it sees fit, in connection with the establishment of cash and equity compensation and related policies.

The chief executive officer evaluates the performance of other executive officers and key employees on an annual basis and makes recommendations to the Compensation Committee with respect to grants pursuant to stock plans.

### Elements of Executive Compensation

The basic components of executive compensation are:

- Annual Cash Compensation, specifically, base salary; and
- Long-Term Incentive Compensation, specifically, stock options or restricted stock.

**Annual Cash Compensation - Base Salary**

The purpose of base salary is to create a secure base of cash compensation for executives that is competitive with the market. Executives' salary increases do not follow a preset schedule or formula; however, the following is considered when determining appropriate salary levels and increases: the individual's current and sustained performance results and the methods utilized to achieve such results; and non-financial performance indicators to include strategic developments for which an executive has responsibility and managerial performance.

The Committee exercises discretion in making salary decisions taking into account, among other things, each individual's performance and the Company's overall performance. With regard to individual performance of executive officers other than the Chief Executive Officer, the Committee relies to a large extent on the Chief Executive Officer's evaluations of each individual executive officer's performance.

### Long-Term Incentive Compensation

*Long-Term Incentives.* Prior to July, 2006, our long-term incentives were primarily in the form of stock option awards. The purpose of stock options was to provide equity compensation whose value was directly related to the creation of share-owner value. Grant levels were determined based on individual performance and potential, history of past grants, time in current job and level of, or significant changes in, responsibility. Stock options provided a vehicle to increase equity ownership and share in the appreciation of the value of Company stock. Stock option grants were made pursuant to our 1998 Stock Plan.

At the annual meeting of the Company's stockholders held on July 28, 2006, both the PetMed Express, Inc. 2006 Employee Equity Compensation Restricted Stock Plan (the "Employee Plan") and the PetMed Express, Inc. 2006 Outside Director Equity Compensation Restricted Stock Plan (the "Director Plan") were approved by the stockholders.

The purpose of the Employee Plan is to promote the interests of the Company by securing and retaining employees of outstanding ability and to provide additional motivation to such employees to exert their best efforts on behalf of the Company. The Company expects that it will benefit from the added commitment which such employees will have in the welfare of the Company as a result of their ownership or increased ownership of the Company's Common Stock. All employees will be eligible to receive awards ("Awards") under the Plan, which consist of grants of Restricted Stock. Awards may be made under the Plan until July 28, 2016.

The purpose of the Director Plan is to promote the interests of the Company by attracting, retaining and compensating highly qualified individuals who are not employees or affiliates of PetMed Express, Inc. or any of its subsidiaries, to serve as members of the Company's Board of Directors (the "Board"), and to enable them to increase their ownership of PetMed Express, Inc.'s Common Stock, thereby increasing their proprietary interest in PetMed Express, Inc. and their identification with the interests of PetMed Express, Inc.'s stockholders. Awards may be made under the Director Plan until July 28, 2016.

*Perquisites and Other Compensation.* Consistent with our compensation philosophy, we intend to continue to maintain our current benefits for our executive officers, which are also generally available to employees, including medical, dental, and 401(k) matching contributions; however, the Compensation Committee in its discretion may revise, amend or add to officer(s)' executive benefits.

### **Employment Agreement with Menderes Akdag, Chief Executive Officer and President**

On March 16, 2001, the Company entered into an employment agreement with its current Chief Executive Officer and President, Menderes Akdag. Under the terms of this three-year agreement the Company paid Mr. Akdag an annual salary of \$150,000 for the first six months of the agreement, and thereafter his annual salary was to be increased to \$200,000. The Company also granted Mr. Akdag options to purchase 750,000 shares of its common stock under the Company's 1998 Stock Option Plan at an exercise price of \$.32 per share, which vested at the rate of 187,500 options on each of March 16, 2001, 2002, 2003 and 2004.

On March 16, 2004, the Company amended Mr. Akdag's existing employment agreement. The amendments were as follows: the term of the agreement was for three years, commencing on March 16, 2004; Mr. Akdag's salary was increased to \$250,000 per year throughout the term of the agreement, and Mr. Akdag was granted 250,000 incentive stock options under the Company's 1998 Stock Option Plan at an exercise price of \$10.64 per share, which vested at the rate of 83,333 options on each of March 16, 2005 and 2006, and 83,334 options on March 16, 2007. All other terms of Mr. Akdag's original employment agreement remain in effect.

### **Potential Payments on Termination and/or Change in Control**

This section describes the payment that may be made to Mr. Akdag upon Termination or Change in Control, (as both are described in his original Employment Agreement) pursuant to the original Employment Agreement and Amendments thereto, and to Bruce S. Rosenbloom, Chief Financial Officer.

The Company can terminate the employment of Mr. Akdag either upon mutual consent, for cause, or without cause. If the Company should terminate Mr. Akdag's agreement for cause, or if Mr. Akdag should terminate the agreement without "good reason" as described in the employment agreement, no severance benefits would be paid. If the Company should terminate Mr. Akdag without cause, the Company would be required to give Mr. Akdag three months' notice and continue to compensate him under the terms of this employment agreement during those three months. At the end of the three-month period, the Company would have to pay Mr. Akdag severance benefits equal to his annual base salary (\$450,000), and any previously granted but unvested restricted stock awards would immediately vest. The agreement can be terminated upon the mutual consent of the parties, or upon 90 days' notice by the Company during which time the Company would continue to compensate Mr. Akdag under the terms of his employment agreement.

In the event that a Change in Control of the Company shall occur at any time during Mr. Akdag's employment, he shall have the right to terminate his employment upon 30 days written notice given at any time within one (1) year after the occurrence of such event, and such termination of his employment due to a Change in Control shall be deemed to be a Termination by the Company Other than for Cause and the Company would be required to give Mr. Akdag three months' notice and continue to compensate him under the terms of this employment agreement during those three months. At the end of the three-month period, the Company would have to pay Mr. Akdag severance benefits equal to his annual base salary (\$450,000), and any previously granted but unvested restricted stock awards would immediately vest.

The Company can terminate the employment of Mr. Rosenbloom either upon mutual consent, for cause, or without cause. If the Company should terminate Mr. Rosenbloom's employment without cause, the Company would be required to give Mr. Rosenbloom three months severance pay at his base salary (currently \$50,000), at the time of

termination.

**DIRECTOR COMPENSATION**

Each member of our Board of Directors who is not employed by us received a retainer of \$2,500 per quarter for the first three quarters of FY 2007, and \$6,250 for the final quarter of FY 2007. Going forward, each director not employed by us will receive an annual retainer of \$25,000 per year, paid quarterly. Additionally, upon initial election to the Board of Directors, each director not employed by us was granted 30,000 stock options, under our 1998 Stock Option Plan, to purchase our Common Stock, at an exercise price equal to the fair market value of the stock at the time of granting, with the options vesting equally over a three-year period. In July, 2006 each director not employed by us was granted 5,000 shares of restricted stock in accordance with the Company's 2006 Outside Director Equity Compensation Restricted Stock Plan and the amount of restricted stock grants will be revisited when grants are next given, so that the amounts are commensurate with the ratio of restricted stock awards to stock options granted to other individuals awarded restricted stock. We also pay the reasonable travel and accommodation expenses of directors in connection with their participation in meetings of the Board of Directors.

The following table summarizes the compensation earned by and paid to our non-employee directors for the fiscal year ended March 31, 2007:

**2007 DIRECTOR COMPENSATION**

<b>Name</b>	<b>Fees Earned or Paid in Cash</b>	<b>Stock Awards</b>	<b>Options Awards</b>	<b>All Other Compensation</b>	<b>Total</b>
<b>(a)</b>	<b>(\$) (b)</b>	<b>(\$) (c)</b>	<b>(\$) (d)</b>	<b>(\$) (g)</b>	<b>(\$) (h)</b>
Frank J. Formica	\$ 13,750	\$ 12,967	\$ 60,086	- \$	86,803
Gian M. Fulgoni	13,750	12,967	46,149	-	72,866
Ronald J. Korn	13,750	12,967	46,149	-	72,866
Robert C. Schweitzer	13,750	12,967	46,149	-	72,866

The amounts reported in the Stock Awards column (column (c)) reflect the dollar amount, without any reductions for risk of forfeiture, recognized for financial reporting purposes for the fiscal year ended March 31, 2007 of awards of restricted stock granted to each of the Directors in fiscal 2007, calculated in accordance with the provisions of SFAS 123R. The grant date fair value of the restricted stock awards to each Director was \$58,350, which represented 5,000 restricted shares per Director, granted in July 2006.

The amounts reported in the Option Awards column (column (d)) reflect the dollar amount, without any reductions for risk of forfeiture, recognized for financial reporting purposes for the fiscal year ended March 31, 2007 of awards of stock options granted to each of the Directors before March 31, 2006, calculated in accordance with the provisions of SFAS 123R. The grant date fair value of the stock options award to Mr. Formica was \$240,346, which represented 60,000 options granted in August 2003, June 2004, and May 2005. The grant date fair value of the stock options awarded to Mr. Fulgoni, Mr. Korn, and Mr. Schweitzer was \$184,597 per Director, which represented 40,000 options granted in June 2004 and May 2005.

The Company cautions that the amounts reported in the 2007 Director Compensation table for these stock based awards reflect the Company's accounting expense and may not represent the amounts that the Directors will actually realize from the awards. Whether, and to what extent, a Director realizes value will depend on the Company's actual operating performance, stock price fluctuations and the Director's continued service on the Board.

### **1998 Stock Option Plan**

The Company established the 1998 Stock Option Plan (the "Option Plan") effective July 31, 1998, which provides for the issuance of qualified options to officers and key employees, and nonqualified options to directors, consultants and other service providers. The Company has reserved 5,000,000 shares of common stock for issuance under the Option Plan. The exercise prices of options issued under the Option Plan must be equal to or greater than the market price of the Company's common stock as of the date of issuance.

## **2006 Restricted Stock Plans**

At the annual meeting of the Company's stockholders held on July 28, 2006, both the PetMed Express, Inc. 2006 Employee Equity Compensation Restricted Stock Plan (the "Employee Plan") and the PetMed Express, Inc. 2006 Outside Director Equity Compensation Restricted Stock Plan (the "Director Plan") were approved by the stockholders.

The purpose of the Employee Plan is to promote the interests of the Company by securing and retaining employees of outstanding ability and to provide additional motivation to such employees to exert their best efforts on behalf of the Company. The Company expects that it will benefit from the added commitment which such employees will have in the welfare of the Company as a result of their ownership or increased ownership of the Company's Common Stock. All employees will be eligible to receive awards under the Plan, which consist of grants of Restricted Stock. Awards may be made under the Plan until July 28, 2016, and the maximum number of shares of Common Stock that may be awarded pursuant to the Employee Plan shall not in the aggregate exceed 1,000,000 shares.

The purpose of the Director Plan is to promote the interests of the Company by attracting, retaining and compensating highly qualified individuals who are not employees or affiliates of PetMed Express, Inc. or any of its subsidiaries, to serve as members of the Company's Board of Directors, and to enable them to increase their ownership of PetMed Express, Inc.'s Common Stock, thereby increasing their proprietary interest in PetMed Express, Inc. and their identification with the interests of PetMed Express, Inc.'s stockholders. Awards may be made under the Director Plan until July 28, 2016, and the maximum number of shares of Common Stock that may be awarded under the Director Plan shall not in the aggregate exceed 200,000 shares.

### *Administration of Plans*

The Employee Plan will be administered by the Company's Compensation Committee, which will have the sole authority to (i) designate participants in the Plan, (ii) determine the number of shares to be covered by grants under the Plan, (iii) determine the terms and conditions of any grant under the Plan, (iv) interpret and administer the Plan, (v) establish, amend, suspend or waive rules and guidelines and appoint such agents as it deems appropriate for the administration of the Plan, and (vi) make any other determination and take any other action that it deems necessary or desirable for administration of the Plan.

The Director Plan will be administered by the Company's Board of Directors, which will have the sole authority to (i) grant shares under the Plan, (ii) interpret and administer the Plan, (iii) determine the terms and conditions of any grant under the Plan, (iv) establish, amend, suspend or waive rules and guidelines and appoint such agents as it deems appropriate for the administration of the Plan, and (v) make any other determination and take any other action that it deems necessary or desirable for administration of the Plan.

### *Awards and Vesting*

The Compensation Committee will have the authority to grant to Employee Plan participants awards of restricted stock that will be subject to such conditions, restrictions and contingencies as the Compensation Committee may impose.

Pursuant to the Employee Plan, the minimum restricted period applicable to certain grants of restricted stock will be one year and the maximum restricted period will be ten years. Such restricted period would terminate under the following circumstances: the participant's total and permanent disability or the participant's death.

Except as otherwise determined by the compensation committee, upon termination of employment for any reason during the applicable restriction period, all shares subject to restrictions granted under the Employee Plan will be forfeited and reacquired by the company.

The Board of Directors will have the authority to grant to Director Plan participants awards of restricted stock.

Pursuant to the Director Plan, the minimum restricted period applicable to certain grants of restricted stock will be one year and the maximum restricted period will be ten years. Such restricted period would terminate under the following circumstances: the participant's total and permanent disability or the participant's death.

Except as otherwise determined by the Board of Directors, if a participant shall cease to serve as an independent (outside) director for any reason during the applicable restriction period, all shares subject to restrictions granted under the Director Plan will be forfeited and reacquired by the company.

Pursuant to the Director Plan, each person who is an independent director following an annual meeting of Stockholders each year will automatically be granted an award of 5,000 shares of Common Stock (subject to change with Board approval), and the Grant Date with respect to each such award will be the date on which the award is granted.

#### *Escrow of Stock Certificates*

Certificates representing the Restricted Stock will be registered in the name of the participant, bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such shares, and PetMed Express, Inc. shall retain physical possession of the certificate in escrow until all restrictions have been lifted or requirements met.

#### *Rights with Respect to Shares*

During the period in which any shares of restricted stock granted under the Employee Plan or Director Plan are subject to any restrictions, the participant to whom such shares have been awarded will have all the rights of a shareholder with respect to such shares, including the right to vote such shares or the right to receive dividends on such shares.

#### *Restrictions and Adjustments*

Restricted stock grants under the Employee Plan and Director Plan may not be assigned, transferred or pledged by the participant, other than by will or the laws of descent and distribution (unless assigned or transferred to the company) prior to the time at which all applicable restrictions imposed under the terms of the relevant award have expired, lapsed or have been waived or satisfied.

In the event of any change in the company's common stock by reason of recapitalization, merger, consolidation, combination or exchange of shares, split-up, split-off, spin-off, liquidation or other similar change in capitalization, (i) the numbers and class of shares covered by outstanding awards under the Employee Plan and Director Plan, and (ii) the aggregate number and class of shares available under the Employee Plan and Director Plan, would be adjusted by the Compensation Committee or Board of Directors, respectively. Any new, additional or different securities to which the participant is entitled with respect to an award by reason of such adjustment shall be deemed to be restricted stock and shall be subject to the same terms, conditions, and restrictions as the award so adjusted.

#### *Change in Control*

Pursuant to the Employee Plan and Director Plan, unless an award agreement expressly provides otherwise, upon the effective date of a "change in control" of the company, any restricted period imposed on an award would immediately terminate. For purposes of the Employee Plan and Director Plan, a "change in control" means the happening of any of the following events:

- any individual, entity or group becomes the owner of 20% or more of the Company's outstanding common shares;
- there occurs within any period of two consecutive years any change in the directors of the Company such that the members of the Company's Board of Directors prior to such change do not constitute a majority of the directors after giving effect to all changes during such two-year period unless the election, or the nomination for election by the Company's stockholders, of each new director was approved by a vote of at least two-thirds of the directors then still in office who were directors at the beginning of the period;
-

the Company is merged, consolidated or reorganized into or with, or sells all or substantially all of its assets to, another company or other entity, and immediately after such transaction less than 80% of the voting power of the then-outstanding securities of such company or other entity immediately after such transaction is held in the aggregate by holders of the Company's Common Stock immediately before such transaction.

*Amendment or Termination of Plan; Amendments to Awards*

The Employee Plan may be amended, suspended, discontinued or terminated by the Compensation Committee without the consent of any shareholder, plan participant, or other holder of an award under the plan, and the Director Plan may be amended, suspended, discontinued or terminated by the Board of Directors without the consent of any shareholder, plan participant, or other holder of an award under the plan. However, without the approval of shareholders, no such amendment, suspension, discontinuation or termination may be made that would increase the total number of shares available for awards under the plans, extend the duration of the plans; or materially increase the benefits accruing to participants under the plans.

**Compensation Committee Interlocks and Insider Participation**

During the fiscal year ended March 31, 2007, Robert C. Schweitzer, Ronald J. Korn, Gian M. Fulgoni, and Frank J. Formica served on the Compensation Committee. All members of the Compensation Committee are independent. Accordingly, insiders do not participate in compensation decisions.

**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

Our Board's policy requires that transactions with related parties must be entered into in good faith on fair and reasonable terms that are no less favorable to us than those that would be available in a comparable transaction in arm's-length dealings with an unrelated third party. Our Board, by a vote of the disinterested directors, must approve all related party transactions, recommended by the Audit Committee. Since the beginning of the Company's last fiscal year, the Company has not had, or been a party to, nor is there currently proposed, a transaction with a related party.

**INTEREST OF CERTAIN PERSONS IN OPPOSITION  
TO MATTERS TO BE ACTED UPON**

Management is not aware of any substantial interest, direct or indirect, by securities holdings or otherwise of any officer, director, or associate of the foregoing persons in any matter to be acted on, as described herein, other than elections to the board.

**OTHER MATTERS**

Our Board of Directors does not intend to present, or have any reason to believe others will present, any items of business other than those stated above. If other matters are properly brought before the Board of Directors at the annual meeting, the persons named in the accompanying proxy will vote the shares represented by it in accordance with the recommendation of our Board of Directors.
