Item 5. Other Events and Required FD Disclosure.

On September 16, 2003, K2 Inc. (K2) completed its previously announced acquisition of Worth, Inc., a privately owned and operated Tennessee corporation (Worth). The acquisition was effected pursuant to the terms of an Agreement and Plan of Merger and Reorganization dated as of September 16, 2003 (the Merger Agreement) by and among K2, Woca Acquisition LLC, a wholly-owned subsidiary of K2, Worth, the shareholders of Worth and Justin P. Wilson, as the agent for the shareholders of Worth. Pursuant to the terms of the Merger Agreement, Worth was merged with and into Woca Acquisition LLC, the separate corporate existence of Worth ceased, and Woca Acquisition LLC continued as the company surviving the merger and as a wholly-owned subsidiary of K2. Subsequent to the merger, K2 changed the name of Woca Acquisition LLC to Worth, LLC. The transaction will be accounted for under the purchase method of accounting.

As a result of the merger, K2 acquired all the issued and outstanding shares of Worth common stock. Specifically, each outstanding share of Worth common stock was converted into the right to receive a combination of shares of K2 common stock and cash, as set forth in the Merger Agreement. The shares of K2 common stock that were issued in the transaction were previously registered on K2 s Registration Statement on Form S-4 (No. 333-60448), filed on May 8, 2001 with the Securities and Exchange Commission using the shelf registration process. The rate of conversion of Worth common stock into K2 common stock was based upon the average daily closing price per share of K2 common stock as reported on the New York Stock Exchange Composite Transactions reporting system for the ten consecutive trading days ending on and including September 15, 2003. An aggregate of 886,728 shares of K2 common stock were issued to the Worth shareholders. The total cash component of the purchase price was approximately \$12.6 million.

Pursuant to the Merger Agreement, a portion of the Merger consideration consisting of 88,672 shares of K2 common stock and approximately \$1.5 million in cash has been placed in escrow to serve as a source of recovery by K2 in the event of any indemnification claims against the former Worth shareholders.

In connection with the merger, immediately prior to the closing, Worth paid off certain outstanding promissory notes and accounts payable owed to certain current and former shareholders of Worth. In addition, in the merger K2 assumed or paid off at closing certain other indebtedness of Worth. The cash portion of the consideration and the assumption or payoff of such indebtedness by K2 was financed by borrowings under K2 s Revolving Credit Facility with Bank One, NA.

Worth was founded in 1912, originally as Lannom Manufacturing Company. Worth specializes in the manufacture and marketing of various sporting good products, including softball bats, balls and apparel, baseball bats, gloves, balls and equipment, and Lacrosse equipment, through its J. deBeer & Son, Inc. subsidiary.
