On June 6, 2005, we released information announcing our intention to acquire Shopzilla, a comparison shopping search engine, for \$525 million in cash. Shopzilla shareholders will also receive the amount of Shopzilla's net working capital at the time of closing, which is expected to be about \$35 million. We expect to finance the transaction using a combination of borrowings under our commercial paper program and the sale of previously registered debt securities. The transaction, pending regulatory and other approvals, is expected to be completed early in the third quarter of 2005.

A copy of the press release is filed as Exhibit 99.01.
