SPECIAL NOTE  
REGARDING  
FORWARD  
LOOKING  
STATEMENTS

Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995: Certain statements contained in this report on Form 8-K and Exhibit 99.1 are forward-looking statements intended to qualify for the safe harbor from liability established by the Private Securities Litigation Reform Act of 1995. These forward-looking statements are subject to certain risks and uncertainties. Actual results and trends may differ materially from historical or expected results depending on a variety of factors, including but not limited to fluctuations in cost and availability of raw materials; ability of the Company to achieve and sustain targeted cost reductions; foreign

exchange rates; worldwide and local economic conditions; selling prices; impact of legal proceedings, including the U.S. Department of Justice ( DOJ ) criminal investigation, as well as the European Commission ( EC ), Canadian Department of Justice, and Australian Competition and Consumer Commission investigations, into industry competitive practices and any related proceedings or lawsuits pertaining to these investigations or to the subject matter thereof (including purported class actions seeking treble damages for alleged unlawful competitive practices, and purported class actions related to alleged disclosure violations pertaining to alleged unlawful competitive practices, which were filed after the announcement of the DOJ investigation, as well as a likely fine by the EC in respect of certain employee misconduct in Europe); impact of potential violations of the U.S. Foreign Corrupt Practices Act based on issues in China; impact of epidemiological events on the economy and the Company s customers and suppliers; successful integration of acquired companies, financial condition and inventory strategies of customers; development, introduction and acceptance of new products; fluctuations in demand affecting sales to customers; and other matters referred

to in the Company's  
SEC filings.

The financial  
information presented  
in this news release  
represents preliminary  
financial results.

The Company believes  
that the most  
significant risk factors  
that could affect its  
ability to achieve its  
stated financial  
expectations in the  
near-term include  
(1) potential adverse  
developments in legal  
proceedings and/or  
investigations  
regarding competitive  
activities; (2) the  
degree to which higher  
raw material costs can  
be passed on to  
customers through  
selling price increases  
(and previously  
implemented selling  
price increases can be  
sustained), without a  
significant loss of  
volume; (3) the impact  
of economic conditions  
on underlying demand  
for the Company's  
products; and  
(4) ability of the  
Company to achieve  
and sustain targeted  
cost reductions.

For a more detailed  
discussion of these and  
other factors, see the  
Exhibit 99.1
