Item 1.01 Entry into a Material Definitive Agreement.

As previously disclosed, on May 8, 2006, Silicon Graphics, Inc. (the Company) and certain of its subsidiaries (collectively, the Debtors) filed voluntary petitions for reorganization under chapter 11 of title 11, United States Code (the Bankruptcy Code), in the United States Bankruptcy Court for the Southern District of New York (the Court) (Case Nos. 06-10977 (ALG) through 06-10990 (ALG)). The Debtors will continue to operate their business as debtors-in possession under the jurisdiction of the Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Court.

On May 10, 2006, the Company, Silicon Graphics Federal, Inc. and Silicon Graphics World Trade Corporation (collectively, the Borrowers) entered into a Post-Petition Loan and Security Agreement dated as of May 8, 2006 (the DIP Agreement) with Quadrangle Master Funding Ltd., Watershed Technology Holdings, LLC and Encore Fund, L.P. (collectively, the Lenders). The DIP Agreement provides a term loan to the Borrowers in the aggregate amount of \$70,000,000 and is secured by certain assets of the Borrowers. The interest rate under the DIP Agreement is the per annum rate equal to the greater of (i) the rate of interest published in the Wall Street Journal from time to time as the Prime Rate plus seven percentage points and (ii) 250 basis points higher than the rate at which cash interest is then payable under the DIP Agreement, provided that upon an event of default, the then current interest rate under the DIP Agreement is increased by two percentage points.

In any fiscal year in which any sale or disposition by the Borrower or any of their subsidiaries of property or assets (other than sales of inventory or equipment in the ordinary course of business) exceeds \$500,000, the Borrowers are required to pay 100% of the net proceeds from any such sale or disposition to the Lender as prepayment on the outstanding obligations under the DIP Agreement. In any fiscal year in which the Borrowers have extraordinary receipts in excess of \$250,000, the Borrowers are required to pay 100% such excess to the Lender as prepayment on the outstanding obligations under the DIP Agreement.

The DIP Agreement terminates and all outstanding borrowed amounts under the DIP Agreement become due on the earliest to occur of (i) the date that is 180 days after the closing date of the DIP Agreement, (ii) the consummation of the Debtors' plan of reorganization in their chapter 11 cases, (iii) the date of the occurrence of an event of default under the DIP Agreement, (iv) the date of any decision by the board of directors of any Borrower to proceed with the sale or liquidation of any Borrower without the consent of all of the Lenders, or (v) the date the Borrowers pay all of the required Lenders in full and terminate the term loan under the DIP Agreement, unless terminated earlier in accordance with the terms of this DIP Agreement.

The foregoing description of the DIP Agreement is qualified in its entirety by reference to the DIP Agreement, which is incorporated herein by reference and attached hereto as Exhibit 10.1.

On May 10, 2006, the Company issued a press release announcing that the Court had granted interim approval of the DIP Agreement. A copy of the press release is incorporated herein by reference and attached hereto as Exhibit 99.1.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided in Item 1.01 of this Current Report on Form 8-K regarding the DIP Agreement is incorporated by reference into this Item 2.03.

Item 2.04 Triggering Events that Accelerate or Increase a Direct Financial Obligation or an Obligation under of Off-Balance Sheet Arrangement.

The filing of the Debtors' chapter 11 cases described in Item 1.01 above constitute an event of default under the Company's 6.50% Senior Secured Convertible Notes due June 1, 2009 and the Company's 11.75% Senior Secured Notes due June 1, 2009 and the Company's credit facility with Wells Fargo Foothill, Inc. and Ableco Finance LLC. The Debtors believe that any remedies which may exist related to this event of default under such indentures and agreements are stayed under the Bankruptcy Code.

Additionally, due to material uncertainties, it is not possible to predict the length of time we will operate under chapter 11 protection, the outcome of the proceeding in general, whether we will continue to operate under our current organizational structure, or the effect of the proceeding on our businesses and the interests of various creditors and security holders.
