ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Digital Insight Corporation (the Company) announced the appointment of Tom Shen as its Executive Vice President, Product, Engineering and Operations effective July 1, 2006. In connection with the appointment, the Company entered into an agreement dated June 22, 2006 with Mr. Shen which outlines the compensation arrangement and benefits to be paid to Mr. Shen. Pursuant to the agreement, Mr. Shen's starting salary will be \$295,000 and he will be eligible to participate in the Company's Management Incentive Program with targeted bonus compensation equal to 70% of his annual salary subject to the terms and conditions of the Program.

Subject to Board approval, Mr. Shen will be granted a stock option to purchase 75,000 shares of the Company's common stock. The exercise price of the option will be the fair market value on the grant date. The shares underlying the option will vest over a 48-month period with 25% vesting 12 months after his hire date and 1/48th of the shares underlying the option vesting monthly thereafter. In addition, subject to Board approval, he will receive a restricted stock grant of 25,000 shares of the Company's common stock subject to annual vesting over a four year period from the date of grant with 25% of the shares vesting on each hire-date anniversary. The option grant and the restricted stock grant are subject to the standard terms and conditions of the Company's stock plan and will be documented separately by the Company's standard form agreements for these types of grants.

Following a change in control (as defined in the agreement) of the Company, in the event of a termination other than for cause (as defined in the agreement), subject to his execution and delivery of a release in a form acceptable to the Company, Mr. Shen will be entitled to receive (i) an amount equal to 12 months of base salary plus and 12 months equivalent target bonus; (ii) 12 months benefit continuation subject to reduction if he subsequently becomes employed during the 12 month period with benefits, and (iii) 100% vesting acceleration of the remaining unvested option and restricted shares as of the termination date.

Prior to the appointment, Mr. Shen provided consulting services to the Company since November 2005. Pursuant to the consulting arrangement, Mr. Shen is entitled to \$1,500 per day in fees for his services plus reimbursement of all reasonable expenses associated with the services and is eligible to an additional bonus of up to 25% of the total payments paid once that amount is determined. To date, Mr. Shen has been paid \$185,000 under the consulting agreement. Mr. Shen will continue to provide services as a consultant under this agreement until June 30, 2006.
