PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

As previously disclosed, on May 8, 2006, Silicon Graphics, Inc. (the Company) and certain of its subsidiaries, filed voluntary petitions for reorganization under Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court for the Southern District of New York (the Court) (Case Nos. 06-10977 (BRL) through 06-10990 (BRL)). On September 19, 2006, the Court entered a confirmation order confirming the Company's Plan of Reorganization. The Company emerged from Chapter 11 proceedings on October 17, 2006 and the emergence resulted in a new reporting entity and adoption of fresh-start accounting in accordance with SOP 90-7 as of September 29, 2006.

As a result of these events, the Company requires additional time to update the filing to reflect its current situation as well as to finalize its financial statements for the quarter ended December 29, 2006 in accordance with the requirements of fresh-start accounting and U.S. generally accepted accounting principles (GAAP). Accordingly, the Company is unable to file its Quarterly Report on Form 10-Q for the period ended December 29, 2006 within the prescribed time period without unreasonable effort or expense. The Company expects that it will file the Form 10-Q on or before the fifth calendar day following the prescribed due date and that the financial statements included in such filing will reflect the adjustments or preliminary adjustments and/or disclosures that must be included in order for such financial statements to be stated in accordance with the requirements of fresh-start accounting and U.S. GAAP.

If answer is no, identify report(s). Yes No

As previously disclosed, the Company was required to adopt fresh start accounting upon the emergence from Chapter 11 proceedings, and our financial conditions and results have been and will continue to be affected by the adoption of fresh start accounting and therefore are not comparable to the financial conditions and results reflected in the pre-emergence financial statements.
