GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Solicitation of Proxies and Mailing Date

This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Directors (the Board) of Ventas, Inc. (Ventas, we or us) for use at our Annual Meeting of Stockholders (the Annual Meeting) to be held at 9:00 a.m., local time, on Wednesday, May 16, 2007, at 111 South Wacker Drive, 29th Floor, Chicago, Illinois 60606, and at any adjournments thereof. We are first distributing this Proxy Statement and the materials accompanying it to stockholders on or about April 23, 2007.

Who Can Vote

Only stockholders of record at the close of business on March 19, 2007 are entitled to vote at the Annual Meeting or any adjournments thereof. On the record date, 106,310,070 shares of our common stock, par value \$0.25 per share (Common Stock), were outstanding. Each share of Common Stock entitles the owner to one vote. However, certain shares designated as Excess Shares pursuant to our Certificate of Incorporation (which are generally any shares owned in excess of 9.0% of the outstanding Common Stock) may not be voted by the record owner thereof, but will instead be voted in accordance with Article XII of our Certificate of Incorporation.

How to Vote

Stockholders of record may vote in one of the following ways:

By telephone If you are located in the United States or Canada, you may vote your shares by calling the toll-free telephone number on the enclosed proxy card. You may vote by telephone 24 hours a day, 7 days a week until the time of the Annual Meeting. The telephone voting system has easy-to-follow instructions and allows you to confirm that the system has properly recorded your vote. If you vote by telephone, you do not need to return your proxy card. Please note that you may incur costs charged by telephone companies if you vote by telephone.

Over the Internet You may vote your shares via the Web site www.cesvote.com. You may vote over the Internet 24 hours a day, 7 days a week until the time of the Annual Meeting. As with telephone voting, you may confirm that the system has properly recorded your vote. If you vote over the Internet, you do not need to return your proxy card. Please note that you may incur costs charged by telephone companies or Internet access providers if you vote over the Internet.

By mail You may vote your shares by signing and dating the enclosed proxy card and returning it by mail in the accompanying postage-paid envelope.

In person at the Annual Meeting If you vote by telephone, over the Internet or by mail, you may still attend the Annual Meeting and vote your shares in person.

Stockholders who hold shares in street name should follow the instructions provided by their broker or nominee to instruct the broker or nominee how to vote the shares.

All shares that have been properly voted by proxy and not revoked will be voted at the Annual Meeting in accordance with the instructions contained therein. Shares represented by proxy cards that are signed and returned but do not contain any voting instructions will be voted as follows:

In the discretion of the proxy holders, on such other business as may properly come before the Annual Meeting.

Revocation of Proxies

Stockholders of record may revoke a proxy at any time before it is voted at the Annual Meeting by:

Executing a later-dated proxy card;

Subsequently voting by telephone or over the Internet; or

Submitting a written notice of revocation to our General Counsel at our principal executive offices located at 10350 Ormsby Park Place, Suite 300, Louisville, Kentucky 40223.

A stockholder of record may also attend the Annual Meeting and vote in person, in which event any prior proxy given by the stockholder will be revoked automatically. Attendance at the Annual Meeting by itself will not constitute revocation of a proxy. Stockholders who hold shares in street name should follow the instructions provided by their broker or nominee to revoke a proxy, if applicable. No dissenters or appraisal rights are available with respect to the proposals presently being submitted to the stockholders for their consideration.

Quorum

A majority of the outstanding shares of Common Stock as of the record date must be present in person or by proxy to constitute a quorum to transact business at the Annual Meeting. Abstentions and proxies relating to street name shares for which brokers or nominees do not have discretionary voting power with respect to one or more proposals and have not received voting instructions from the beneficial owner (Broker Non-Votes) are counted for purposes of establishing a quorum. Under current New York Stock Exchange (NYSE) rules, a broker or nominee that has not received voting instructions from the beneficial owner has discretion to vote on the election of directors (Proposal 1), the ratification of the appointment of the independent registered public accounting firm (Proposal 2) and the approval of the amendment to our Certificate of Incorporation to increase our authorized Common Stock (Proposal 3), but no other proposal.

Voting Requirements

- Proposal 1 The vote of a plurality of the shares of Common Stock present in person or by proxy will be necessary to elect the director-nominees listed in this Proxy Statement. Therefore, the seven nominees receiving the greatest number of votes cast will be elected as directors, and abstentions and Broker Non-Votes will have no effect.
- Proposal 2 The affirmative vote of a majority of the shares of Common Stock present in person or by proxy and entitled to vote will be necessary to ratify the appointment of Ernst & Young as our independent registered public accounting firm for fiscal year 2007. Therefore, abstentions will have the same effect as votes against this proposal, whereas Broker Non-Votes will have no effect.
- Proposal 3 The affirmative vote of a majority of the outstanding shares of Common Stock entitled to vote will be necessary to approve the amendment to our Certificate of Incorporation to increase our authorized Common Stock. Therefore, abstentions and Broker Non-Votes will have the same effect as votes against this proposal.
- Proposal 4 The affirmative vote of a majority of the outstanding shares of Common Stock entitled to vote will be necessary to approve the amendment to our Certificate of Incorporation to include certain provisions limiting the constructive ownership of our capital stock in order to provide further assurances for our continued compliance as a qualified real estate investment trust under U.S. federal income tax law. Therefore, abstentions and Broker Non-Votes will have the same effect as votes against this proposal.

Table of Contents

The affirmative vote of a majority of the shares of Common Stock present in person or by proxy and entitled to vote will be necessary to approve any other proposal that may properly come before the Annual Meeting. Accordingly, abstentions will have the same effect as votes against any such proposal, whereas Broker Non-Votes will have no effect.

Householding

Stockholders who hold shares in street name (i.e., through a brokerage account) may receive only one copy of our 2006 Annual Report and this Proxy Statement if they have the same last name as and share a single address with another stockholder. This practice, known as householding, is designed to eliminate duplicate mailings, conserve natural resources and reduce our printing and mailing costs. More information about householding can be obtained from your bank, broker or other record holder. Stockholders wishing to receive a separate copy of the 2006 Annual Report and this Proxy Statement may write or call us at: Ventas, Inc., 10350 Ormsby Park Place, Suite 300, Louisville, Kentucky 40223, Attention: Corporate Secretary, telephone (502) 357-9000. Upon receipt of your request, we will promptly deliver the requested materials to you. Stockholders with the same last name and sharing an address who hold shares in street name and who desire in the future to receive separate copies of our annual reports and proxy statements if they are currently receiving only one copy, or who desire to receive a single copy if they are currently receiving multiple copies, may write or call Broadridge Financial Solutions, Inc. at: Householding Department, 51 Mercedes Way, Edgewood, NY 11717, telephone (800) 542-1061.

Cost of Proxy Solicitation

We will bear the cost of soliciting proxies by the Board. In addition to the solicitation of proxies by mail, solicitation may be made personally or by telephone or electronic communication by our directors, officers and employees, none of whom will receive additional compensation for these services, and by Georgeson Inc., who we have retained to aid in the solicitation of proxies. We will pay Georgeson Inc. approximately \$9,000 plus expenses for these services. We will also reimburse brokers and other nominees for their reasonable out-of-pocket expenses incurred in connection with distributing forms of proxies and proxy materials to the beneficial owners of Common Stock.

PROPOSAL 1:

ELECTION OF DIRECTORS

Our Board of Directors currently consists of seven directors, all of whom the Board has nominated upon the recommendation of the Nominating and Corporate Governance Committee (the Nominating and Governance Committee) to be elected as directors at the Annual Meeting. Each director elected at the Annual Meeting will hold office until the next succeeding annual meeting of stockholders and his or her successor is duly elected and qualified, or until his or her earlier death, resignation or removal.

All nominees for director have consented to be named and have agreed to serve as directors if elected. We have no reason to believe that any of the nominees will be unable to accept election as a director. However, in the event that one or more nominees are unable or unwilling to accept election or are unavailable to serve for any reason, the persons named as proxies or their substitutes will have authority, according to their judgment, to vote or refrain from voting for such substitute nominees as may be designated by the Board.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** EACH OF THE NAMED NOMINEES.

CORPORATE GOVERNANCE

Board of Directors

The Board of Directors provides oversight with respect to our overall performance, strategic plans and key corporate policies. It approves significant acquisitions, dispositions and other transactions, advises management on key financial and business objectives and monitors our progress with respect to these matters. Members of the Board are kept informed of our business by various reports and materials provided to them on a regular basis by management, including presentations made at Board and committee meetings by our Chief Executive Officer, Chief Financial Officer and other officers.

Board Meeting Attendance

During 2006, the Board held a total of 16 meetings, including 4 regular meetings and 12 special meetings. In conjunction with each regular meeting, the Board of Directors met in executive session, outside the presence of management. The non-management members of the Board are expected to meet in executive session, outside the presence of management, at a minimum, at each of its regularly scheduled quarterly Board meetings. On May 19, 2006, the Board of Directors appointed Mr. Crocker to serve as Presiding Director, whose duties include chairing the executive sessions of the non-management members. The Presiding Director must be an independent member of the Board and generally serves until the next annual meeting of stockholders and until his or her successor has been appointed or until his or her earlier resignation, removal or death.

It is our policy that all directors should attend our annual meetings of stockholders. All of our directors attended the 2006 Annual Meeting of Stockholders. In 2006, each director also attended at least 75% of the total number of meetings of the Board and committees on which he or she served.

Board Independence

Our Guidelines on Governance require that at least a majority of the Board be comprised of directors who meet the criteria for independence under the rules and regulations of the NYSE. The Board has reviewed and

Table of Contents

affirmatively determined that each of our current non-employee directors and nominees, namely, Messrs. Crocker, Geary, Gellert, Hannon and Theobald and Ms. Rosenberg, is independent of Ventas and our management and qualifies as independent under those standards. Ms. Cafaro, as our Chairman of the Board, Chief Executive Officer and President, is not independent under the rules of the NYSE. The Board's determination was based on a review conducted on March 13, 2007, pursuant to which each non-employee director's independence was evaluated on a case-by-case basis. The Board considered any matters that could affect the ability of each non-employee director to exercise independent judgment in carrying out his or her responsibilities as a director, including all transactions and relationships between, on one hand, each such director, the director's family members and organizations with which the director or the director's family members have an affiliation and, on the other hand, us, our subsidiaries and our management. Any such matters were evaluated both from the standpoint of the director and from that of persons or organizations with which the director has an affiliation. The Board has concluded that none of the directors (other than Ms. Cafaro) has a material relationship with us. Each director abstained from the vote pertaining to the determination of his or her independence.

In evaluating Mr. Geary's independence, the Board considered our relationship with ResCare pursuant to the Master Lease Agreement described under "Transactions with Related Persons" and "Transactions with ResCare" and has determined that such relationship is not material to Mr. Geary, ResCare or us from a financial perspective or otherwise. The total annual payments made to us under the Master Lease Agreement constitute less than one-tenth of one percent (0.1%) of the annual gross consolidated revenues of ResCare, and less than two-tenths of one percent (0.2%) of our annual gross consolidated revenues. Further, the Board believes that the terms of the Master Lease Agreement represent market rates. The Board does not believe this relationship will affect Mr. Geary's ability to exercise independent judgment in carrying out his responsibilities as a director of Ventas.

Stockholders and other parties interested in communicating directly with the Board may do so by writing to Board of Directors, Ventas, Inc., c/o Corporate Secretary, 10350 Ormsby Park Place, Suite 300, Louisville, Kentucky 40223 or by submitting an e-mail to the board at bod@ventasreit.com. Guidelines on Governance

Our Guidelines on Governance set forth, among other things, the process by which the Nominating and Governance Committee identifies and evaluates nominees for Board membership. Under this process, the Nominating and Governance Committee considers and recommends to the Board a slate of directors for election at our annual meeting of stockholders. In selecting such slate, the Nominating and Governance Committee considers (i) incumbent members of the Board who have indicated a willingness to continue to serve as such, (ii) candidates, if any, nominated by our stockholders, and (iii) other individuals as determined by the Nominating and Governance Committee. Additionally, if at any time during the year a seat on the Board becomes vacant or a new seat is created, the Nominating and Governance Committee recommends a candidate to the Board for appointment. The Nominating and Governance Committee evaluates each candidate considering, among other things, the criteria set forth below and any additional qualities that the Nominating and Governance Committee believes one or more directors should possess, based on an assessment of the perceived needs of the Board at that time. However, no single factor or group of factors is necessarily dispositive of whether a candidate will be recommended by the Nominating and Governance Committee. The Nominating and Governance Committee will consider individuals recommended for nomination by our stockholders in accordance with the procedures described under "Stockholder Proposals for the 2008 Annual Meeting of Stockholders."

The Nominating and Governance Committee will not recommend a nominee for a position on the Board unless the nominee possesses specific, minimum qualifications, regardless of whether such nominee was recommended by a stockholder or group of stockholders or otherwise. Under these criteria, nominees for membership on the Board of Directors should:

have demonstrated management or technical ability at high levels in successful organizations;

be currently employed in positions of significant responsibility and decision-making;

have experience relevant to our operations, such as real estate, real estate investment trusts, healthcare, finance or general management;

be well-respected in their business and home communities;

have time to devote to Board duties; and

be independent from Ventas and our management (other than our Chief Executive Officer).

We have on occasion in the past employed third parties to assist us in identifying potential candidates based on specific criteria that we provided to those third parties, which included the qualifications then required by us for nomination to the Board. We may employ such third parties on similar or other terms in the future.

A copy of our Guidelines on Governance is available on our Web site at www.ventasreit.com. See Note 10 of the Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2006 for a discussion of the relevant assumptions used in calculating grant date fair value pursuant to SFAS No. 123(R). Mr. Gellert	35,000 shares
Mr. Hannon	10,000 shares
Ms. Rosenberg	35,000 shares
Mr. Theobald	25,000 shares

Cash Compensation

The cash compensation paid to, or earned by, our non-employee directors is comprised of two components: (i) an annual retainer and (ii) Board and committee meeting fees.

Annual Retainer. Effective May 19, 2006, each non-employee director receives a \$10,000 retainer for each calendar quarter in which he or she serves as a director. Prior to that date, the quarterly retainer was \$7,500. The Presiding Director receives an additional \$6,250 retainer for each calendar quarter served.

Meeting Fees. Each non-employee director receives \$1,500 for each board meeting (including telephonic meetings, unless the meeting is ten minutes or less) and \$1,000 for each committee meeting he or she attends.

Pursuant to our Nonemployee Director Deferred Stock Compensation Plan (the "Director Deferred Compensation Plan"), non-employee directors may elect to defer receipt of all or a portion of their retainer and meeting fees. Deferred fees are credited to each participating director in the form of restricted stock units, based on the fair market value of our Common Stock on the deferral date. At the election of the participating director, dividend equivalents on the restricted stock units are paid either in additional units or cash. After a participating director ceases to serve on our Board, or at such later time as he or she has previously designated, the director's stock unit account is settled in whole shares of Common Stock on a one-for-one basis and distributed either in one lump sum or in installments over a period of not more than ten years, at the director's prior election. Fractional stock units are paid out in cash.

Pursuant to our Common Stock Purchase Plan for Directors, non-employee directors may also elect to receive all or a portion of their retainer and meeting fees in the form of shares of Common Stock. Shares are paid directly to participating directors based on the fair market value of our Common Stock on the date on which the fees are scheduled to be paid.

Equity-Based Compensation

The equity-based compensation paid to our non-employee directors consists of shares of restricted stock or restricted stock units, at the director's election, and stock options.

Restricted Stock/Restricted Stock Units. Upon initial election or appointment to the board, each non-employee director receives a grant of 2,000 shares of restricted stock or restricted stock units, at his or her

Table of Contents

election, pursuant to the 2006 Stock Plan for Directors. In addition, beginning in 2007, on January 1 of each year, each non-employee director who is serving on such date receives a grant of shares of restricted stock or restricted stock units, at his or her prior election, having an aggregate value equal to \$90,000 minus the value of the same-day grant of options to purchase 5,000 shares of common stock (described below), pursuant to the 2006 Stock Plan for Directors. Previously, each director received a grant of 1,750 shares of restricted stock or restricted stock units on each January 1 that he or she served on our Board.

Stock Options. Upon initial election or appointment to the board, each non-employee director receives a grant of options to purchase 10,000 shares of common stock, having an exercise price equal to the fair market value on the date of grant, pursuant to the 2006 Stock Plan for Directors. In addition, on January 1 of each year, each non-employee director who is serving on such date receives a grant of options to purchase 5,000 shares of common stock, having an exercise price equal to the fair market value on the date of grant, pursuant to the 2006 Stock Plan for Directors.

Reimbursement of Expenses

We reimburse each non-employee director for travel and other expenses associated with attending board and committee meetings, director education programs and other board-related activities.

Minimum Stock Ownership Guidelines

On May 19, 2006, we adopted minimum share ownership guidelines for our non-employee directors. Under these guidelines, each non-employee director is required to maintain a minimum number of shares of common stock equal to the number of shares granted by us to the non-employee director as compensation during the 36 calendar month period immediately preceding the test date, minus any shares forfeited by the director to pay taxes on such shares under our share withholding program. Each non-employee director's compliance with the guidelines is reviewed on July 1 of each year. Each non-employee director has three years from the date that he or she first becomes subject to the guidelines to satisfy the minimum ownership guidelines.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires our directors and officers and persons who own more than 10% of the Common Stock to file reports of beneficial ownership and changes in such ownership with the Commission. Based solely on a review of the copies of such reports furnished to us and on written representations from certain reporting persons that no Form 5 was required for any such persons, we believe that during 2006 all officers, directors and persons who own more than 10% of the Common Stock complied with all applicable Section 16(a) filing requirements.

TRANSACTIONS WITH RELATED PERSONS

Our Board of Directors has adopted an unwritten policy requiring that any transaction between us and any of our officers, directors or their affiliates be approved by the disinterested members of the Board and be on terms no less favorable to us than those available from unaffiliated parties. In addition, our Audit Committee charter provides that any such transaction and all other conflict of interest or similar matters involving any of our officers or directors must also be reviewed by the Audit Committee. Pursuant to our Conflicts of Interest Policy, officers and directors must disclose in writing to our General Counsel, who will review the matter with the Presiding Director, any existing or proposed transaction in which he or she has a personal interest, or in which there is or might appear to be a conflict of interest by reason of his or her connection to another business organization, and must refrain from voting on any such transaction.

Transactions with ResCare

On October 15, 1998, we acquired eight personal care facilities and related facilities for approximately \$7.1 million from Tangram Rehabilitation Services, Inc. (Tangram), a wholly owned subsidiary of ResCare, of which Mr. Geary is Chairman and also served as President and Chief Executive Officer until June 2006. The purchase price for the Tangram facilities was determined by an appraisal conducted by Graham & Associates, Inc., San Marcos, Texas, a certified General Real Estate Appraiser for the State of Texas. We lease the Tangram facilities to Tangram pursuant to a Master Lease Agreement, which is guaranteed by ResCare. During 2006, Tangram paid us approximately \$897,000 in base rent payments. We believe that the terms of the Master Lease Agreement represent market rates.

Under the terms of the Ms. Cafaro's previous employment agreement, we made loans to Ms. Cafaro (the "Cafaro Tax Loans") in the aggregate principal amounts of \$67,250 in 1999, \$184,551 in 2000, \$593,893 in 2001 and \$870,759 in 2002 to pay all federal, state, local and other taxes payable upon the vesting of restricted stock awards previously granted to her. Due to current interpretations of the Sarbanes-Oxley Act, since 2002 we have not made, and we will not be making, further tax loans to Ms. Cafaro. The principal amount of all of the Cafaro Tax Loans is payable on March 5, 2009. The Cafaro Tax Loans bear interest at the lowest applicable federal rate on the date incurred. Interest on the Cafaro Tax Loans is payable annually out of and only to the extent of dividends from the vested restricted stock. EXECUTIVE COMPENSATION MATTERS

Compensation Discussion and Analysis

The following discussion and analysis provides information regarding the compensation program in place for our principal executive officer, our principal financial officer and our two other executive officers (the "Named Executive Officers") for 2006. This Compensation Discussion and Analysis will help you understand the overall objectives of our executive compensation program, each element of our executive compensation program, and the policies underlying our 2006 compensation program for the Named Executive Officers. This discussion contains forward-looking statements that are based on our current plans, considerations, expectations and determinations regarding future compensation programs. Future compensation programs that we adopt may differ materially from currently planned programs summarized herein.

Objectives of Our Compensation Program

We recognize that effective compensation strategies are critical to retaining key employees who can contribute to our long-term success and thereby build value for our stockholders. Accordingly, our compensation program is designed to achieve the following primary objectives:

attract, retain and motivate talented executives;

link compensation realized to the achievement of our financial and strategic goals, as well as individual goals;

reward performance that meets or exceeds these established goals;

encourage executives to become and remain long-term stockholders of our company; and

follow corporate governance best practices.

By establishing and maintaining a performance- and achievement-oriented environment that provides the opportunity to earn market-competitive levels of compensation, which includes both cash and equity, the interests of our executives and stockholders are aligned.

Administration of Our Compensation Program and Input of Executive Officers

The Compensation Committee, acting pursuant to a written charter that has been approved by the Board (which can be found on our Web site at www.ventasreit.com), has overall responsibility for designing, approving

Table of Contents

and administering our executive compensation program. The Compensation Committee makes all compensation decisions for, and reviews the performance of, each Named Executive Officer, other than the Chief Executive Officer. Decisions regarding compensation for the Chief Executive Officer are made by the independent members of the Board, based on recommendations made by the Compensation Committee.

The Compensation Committee meets regularly during the last six months of each year to consider and approve the executive compensation program for the coming year. During that time, the Compensation Committee, with the assistance of a nationally recognized compensation consultant, discusses changes, if any, to the program structure, sets base salaries, determines annual and long-term incentive award levels and establishes the applicable company and individual performance goals. Our executive officers provide support to the Compensation Committee throughout this process by delivering relevant financial and non-financial information and information concerning our peer competitors and by making recommendations with respect to company goals and related performance metrics. At the Compensation Committee's request, the Chief Executive Officer attends meetings and provides input regarding compensation for the other Named Executive Officers.

The Compensation Committee also meets regularly during the first quarter of each year, typically in January, to review the achievement of corporate and individual performance goals for executives and to determine annual and long-term incentive awards for the prior year. Our executive officers provide similar support to the Compensation Committee in this process, and the Chief Executive Officer makes recommendations with respect to awards for the other Named Executive Officers.

Compensation Consultant and Benchmarking

The Compensation Committee retained Towers Perrin as its independent compensation consultant to advise it on matters related to the Named Executive Officers' compensation and general compensation programs for 2006. Towers Perrin provided the Compensation Committee with comparative market data on compensation practices and programs based on an analysis of peer competitors and provided guidance on best practices. Using this market data, Towers Perrin advised the Compensation Committee and made recommendations with respect to setting salary levels and establishing performance goals and award levels. For 2006, Towers Perrin compared our compensation levels to executive pay at 30 REITs that were similar to us in terms of operations and total market capitalization. The Compensation Committee also analyzed the compensation practices of several other REITs without regard to size or operations, as well as a select group of healthcare operators similar to us in terms of total market capitalization, but significantly larger in terms of revenues. While these additional companies were not used to gauge levels of pay, the Compensation Committee deemed it appropriate to examine the types, design and mix of compensation elements used within these organizations. At its meeting in October 2005, the Compensation Committee approved the following reference group (the Comparable Companies) as the appropriate benchmark for 2006 comparative purposes, since the companies included in it have executive positions with responsibilities similar in breadth and scope to ours and generally compete with us for executive talent and stockholder investment:

AMB Property Corp.	Federal Realty Investment Trust	Pennsylvania Real Estate Investment Trust
American Financial Realty Trust	Health Care Property Investors Inc.	Realty Income Corporation
Arden Realty Inc.	Health Care REIT Inc.	Reckson Associates Realty Corp.
AvalonBay Communities, Inc.	Healthcare Realty Trust Inc.	Regency Centers Corp.
BRE Properties Inc.	Heritage Property Investment Trust	Shurgard Storage Centers Inc.
Camden Property Trust	Liberty Property Trust	SL Green Realty Corp.
Capital Automotive REIT	Mack-Cali Realty Corp.	The Mills Corp.
Centerpoint Properties Trust	Nationwide Health Properties Inc.	Trizec Properties Inc.
Crescent Real Estate Equities Company	New Plan Excel Realty Trust Inc.	United Dominion Realty Trust Inc.
Duke Realty Corp.	Pan Pacific Retail Properties Inc.	Weingarten Realty Investors

The Compensation Committee annually reviews this group to ensure that the companies included in it remain comparable to us in terms of size and operations and, therefore, may change the composition of the group

Table of Contents

from time to time as appropriate. In determining 2006 compensation for our Named Executive Officers, the Compensation Committee, in consultation with Towers Perrin, considered the competitive positioning of our executive compensation levels relative to the market data provided for the following components of pay: base salary; total cash compensation (base salary plus annual incentives); long-term incentives (annualized expected value of long-term incentives); and total direct compensation (base salary plus annual incentives plus annualized expected value of long-term incentives). We generally target the 50th percentile of the Comparable Companies for base salary and the 65th percentile of the Comparable Companies for total cash compensation, long-term incentives and total direct compensation. However, the program is designed to deliver compensation levels above or below these targets based on performance well above or below established goals. We believe these targets reflect our operating style and the resulting need to attract and stretch top executive talent.

In addition to evaluating the compensation data described above, the Compensation Committee considers the unique roles that each of our Named Executive Officers holds in benchmarking compensation by position. Specifically, each of our Named Executive Officers other than the Chief Executive Officer performs duties that are traditionally assigned to multiple senior officers in competitive companies. For example, our Executive Vice President, Chief Administrative Officer, General Counsel and Corporate Secretary is not only responsible for legal matters, but plays a critical role in our acquisition strategy, and our Executive Vice President and Chief Investment Officer serves as the head of acquisitions and is also charged with marketing and investor relations activities. Our unusual division of responsibilities has created a cohesive and extremely streamlined management system, which enables us to operate with a smaller staff of senior executives than would be expected of a company undertaking the growth we have experienced. As a result of this structure, the compensation of our three Named Executive Officers other than the Chief Executive Officer is targeted at levels that are close to one another, as well as within the range of their position match within the market data studies. Therefore, while the Compensation Committee takes into account available compensation data for executives at the Comparable Companies, it recognizes that important adjustments must be considered in setting benchmarks for each Named Executive Officer.

Elements of Our Compensation Program

For 2006, the compensation provided to our Named Executive Officers consisted of the same elements generally available to our non-executive employees, including base salary, annual cash incentive compensation and long-term incentive compensation, as well as other perquisites and benefits, each of which is described in more detail below. Our compensation philosophy targets a mix that emphasizes variable pay, in addition to long-term value. We believe that the mix of cash and equity-based compensation, as well as the relationship of fixed to performance-based compensation, is well balanced to achieve the compensation philosophy previously discussed. The following chart illustrates target levels of these compensation elements as a percentage of total direct compensation for 2006:

	Base Salary	Annual Cash Incentive Compensation	Long-Term Incentive Compensation
Debra A. Cafaro	16%	42%	42%
Richard A. Schweinhart	24%	38%	38%
Raymond J. Lewis	24%	38%	38%
T. Richard Riney	31%	31%	38%

Base Salary

The base salary payable to each Named Executive Officer is intended to provide a fixed component of compensation reflecting the executive's position and responsibilities. Our base salaries are generally targeted to the competitive market median, but may deviate from this target based on the individual's sustained performance, contribution, experience, expertise and specific roles within our company as compared to

Table of Contents

benchmark. Base salary is reviewed on an annual basis and may be adjusted to better match competitive market levels and/or to recognize an executive's growth and development in his or her position and increasing levels of responsibility. The Compensation Committee also considers the success of the executive officer in developing and executing our strategic plans, exercising leadership and creating stockholder value. In connection with its review of 2006 base salary for the Named Executive Officers, the Compensation Committee reviewed and evaluated the information contained in surveys compiled by Towers Perrin using proxy statements, the National Association of Real Estate Investment Trusts (NAREIT) Executive Compensation Survey and other third party surveys relating to the Comparable Companies to confirm appropriate compensation levels.

For 2006, the Compensation Committee or the independent members of the Board, in the case of the Chief Executive Officer, approved the following increases in base salary for the Named Executive Officers:

	Base Salary		Year-Over-Year % Growth
	2005	2006	
Debra A. Cafaro	\$ 525,000	\$ 555,000	5.7%
Richard A. Schweinhart	310,000	325,500	5.0%
Raymond J. Lewis	300,000	315,000	5.0%
T. Richard Riney	300,000	315,000	5.0%

Annual Cash Incentive Compensation

We provide our Named Executive Officers with the opportunity to earn annual cash incentive awards, which are intended to compensate executives for achieving our annual corporate financial and non-financial goals and their individual goals. At the beginning of each year, a range of earnings opportunity, expressed as multiples of base salary and corresponding to three levels of performance (threshold, target and maximum), is established for each executive. Annual cash incentive awards are then determined and paid in the first quarter of the year following the performance year.

The table below illustrates the earnings opportunities of each of the Named Executive Officers under our annual cash incentive plan for performance in fiscal 2006 that were approved by the Compensation Committee and the independent members of the Board, in the case of the Chief Executive Officer, in December 2005:

	2006 Annual Incentive Opportunity (as a multiple of base salary)		
	Threshold	Target	Maximum
Debra A. Cafaro	1.0x	2.5x	4.0x
Richard A. Schweinhart	0.5x	1.5x	2.5x
Raymond J. Lewis	0.5x	1.5x	2.5x
T. Richard Riney	0.5x	1.0x	1.5x

The specific performance measures and their weightings under the annual cash incentive plan for 2006, as set by the Compensation Committee, were as follows:

Funds from operations (FFO) per share growth. FFO per share growth accounted for 25% of the value of the annual cash incentive award. Goals established by the Compensation Committee for this performance measure ranged from 6% at the threshold level to 8% at the maximum level, with adjustments if material acquisitions or dispositions occurred during the year. For computational purposes, we use the NAREIT definition of FFO, with certain adjustments. NAREIT defines FFO as net income (computed in accordance with generally accepted accounting principles, excluding gains or losses from sales of real estate property), plus real estate depreciation and amortization, and after adjustments for unconsolidated partnerships and joint ventures.

Table of Contents

Implementation of growth and diversification strategy. Implementation of our growth and diversification strategy, determined by reference to the percentage of our REIT revenue attributable to Kindred, also accounted for 25% of the value of the annual cash incentive award. Goals established by the Compensation Committee for this performance measure ranged from 51.5% at the threshold level to 49.5% at the maximum level.

Individual performance and overall company financial performance. The remaining 50% of the value of the annual cash incentive award was determined in the discretion of the Compensation Committee taking into account the individual's performance under his or her management objectives and our overall financial performance.

We believe that the goals set by the Compensation Committee are stretch goals, such that significant performance is expected in order to pay out at target levels. However, as in past years, these goals are challenging, but achievable.

In January 2007, the Compensation Committee determined that each of the Named Executive Officers had met and exceeded the maximum level performance objectives under the annual cash incentive plan for 2006, with several specific accomplishments, including:

17% increase in normalized FFO per share, representing the fifth consecutive year of double-digit normalized FFO per share growth;

38% compound annual total shareholder return for the year;

the acquisition of a diverse portfolio of 64 healthcare and seniors housing properties located in 15 states in a transaction valued at \$602.4 million;

the exercise of our election to increase aggregate base rental under our master lease agreements with Kindred by \$33.1 million per year pursuant to the rent reset;

the execution of a new unsecured revolving credit facility initially priced at a 70 basis point lower spread than our previous secured revolving credit facility; and

the issuance of \$225.0 million of senior notes in September 2006 and \$230.0 million of convertible senior notes in December 2006. Accordingly, the annual cash incentive awards granted to the Named Executive Officers ranged from one and one-half times to four times base salary and are set forth in the Non-Equity Incentive Plan Compensation column of the 2006 Summary Compensation Table below. In addition, Mr. Riney received a discretionary bonus in excess of his maximum annual incentive opportunity in recognition of his significant contributions to the completion of important strategic acquisitions in 2006, which is reflected in the Bonus column of the 2006 Summary Compensation Table below.

Long-Term Incentive Compensation

As described above, the Compensation Committee believes that a substantial portion of each Named Executive Officer's compensation should be in the form of long-term incentive compensation. Long-term incentive awards are based on a number of criteria as determined by the Compensation Committee, including the achievement of pre-established corporate and individual goals for the performance year. At the beginning of each year, a range of earnings opportunity, expressed as multiples of base salary and corresponding to three levels of performance (threshold, target and maximum), is established for each executive. Long-term incentive opportunity is generally targeted at the 65th percentile of the Comparable Companies. However, the Compensation Committee reviews the performance metrics and required performance levels in the context of market pay and performance data each year when setting the range of earnings opportunity and when determining the actual awards earned. Long-term incentive awards are then determined and granted in the first quarter of the year following the performance year.

Table of Contents

The table below illustrates the earnings opportunities of each of the Named Executive Officers under our long-term incentive plan for performance in fiscal 2006 that were approved by the Compensation Committee and the independent members of the Board, in the case of the Chief Executive Officer, in December 2005:

	2006 Long-Term Incentive Opportunity (as a multiple of base salary)		
	Threshold	Target	Maximum
Debra A. Cafaro	1.0x	2.5x	4.0x
Richard A. Schweinhart	0.5x	1.5x	2.5x
Raymond J. Lewis	0.5x	1.5x	2.5x
T. Richard Riney	0.75x	1.25x	2.0x

For 2006, the value of the long-term incentive award was based on the accomplishment of a series of corporate objectives, including total shareholder return (absolute and relative to our peers), the outcome of our rental reset right with Kindred, FFO per share growth and diversification, balance sheet management and capital markets execution, business ethics and reputation and individual performance, and other factors deemed appropriate by the Compensation Committee, in each case at the discretion of the Compensation Committee. While there was no specific weighting or target level attributed to any of these factors, the Compensation Committee carefully analyzed these factors in determining the 2006 long-term incentive awards.

In January 2007, the Compensation Committee determined that each of the Named Executive Officers had met and exceeded the maximum level performance objectives under the long-term incentive plan for 2006 based on the accomplishments described above. Accordingly, the long-term incentive awards granted to the Named Executive Officers ranged from two times to four times base salary and are reflected in the 2006 Summary Compensation Table below. In addition, Mr. Riney received a discretionary bonus in excess of his maximum long-term incentive opportunity in recognition of his significant contributions to the completion of important strategic acquisitions in 2006.

For 2006, long-term incentive compensation consisted of: (i) equity awards in the form of stock options and shares of restricted stock made pursuant to our 2000 Incentive Compensation Plan and (ii) cash awards made pursuant to the deferred cash incentive program under our 2000 Incentive Compensation Plan. In 2007, the Compensation Committee elected to discontinue the deferred cash incentive program in favor of equity awards for periods beginning after January 1, 2007 (without affecting or removing any cash awards for periods prior to that date, including payments under prior cash awards to be made after that date).

Equity Awards. The Compensation Committee recognizes that while the annual cash incentive program provides rewards for positive short-term and mid-term performance, the interests of stockholders are served by giving key employees the opportunity to participate in the appreciation of our Common Stock through grants of stock options and restricted stock awards. The use of equity awards encourages management to create stockholder value over the long-term because the full benefit of the compensation package cannot be realized unless an appreciation in price of the Common Stock occurs over time. In addition, equity awards are an effective tool for management retention because vesting occurs over a number of years. Stock options and shares of restricted stock/restricted stock units are granted to executive officers based on a number of criteria as determined by the Compensation Committee, including our total return to stockholders as compared to other healthcare REITs.

For 2006, the Compensation Committee determined that 40% of the value of the long-term incentive award should be granted in the form of shares of restricted stock and 20% should be granted as stock options (with the remaining 40% being in the form of deferred cash, as described below). The equity component of our long-term incentive mix is weighted more heavily toward restricted stock because we believe that restricted stock provides a stronger incentive to create and preserve long-term stockholder value. Furthermore, restricted stock is the most

Table of Contents

prevalent form of long-term incentive compensation in our competitive market. Equity grants for the Named Executive Officers, other than the Chief Executive Officer, are made on the date that the Compensation Committee meets to review annual performance and determine the long-term incentive awards. For the Chief Executive Officer, equity grants are made on the date that the independent members of the Board meet to review and approve the recommendations of the Compensation Committee. In general, shares of restricted stock and stock options granted to executives vest in three equal annual installments, beginning on the date of grant, and the stock option exercise price is the closing price of our Common Stock on the date of grant.

Deferred Cash Incentive Payments. In 2006, we continued to maintain a deferred cash incentive program as part of our long-term incentive compensation arrangements for executive officers. Under the arrangement, 40% of the value of the long-term incentive award is deferred for three years from the beginning of the fiscal year to which the award relates and is paid in cash, if at all, at the end of the three-year period. The Compensation Committee believed this program was an effective incentive for management to create long-term value for stockholders due to the performance-based nature of the award and the fact that the cash payout was deferred for three years. It also believed that the three-year cliff vesting schedule provided an enhanced retention incentive for the Named Executive Officers. In 2007, however, the Compensation Committee determined that long-term incentive compensation should be entirely equity-based in order to better reflect our competitive market and elected to discontinue the deferred cash incentive program, such that long-term incentive awards for 2007 and periods beyond will no longer be paid in cash and subject to deferral under this arrangement.

Benefits and Perquisites

The Named Executive Officers participate in the same benefit programs as our other employees, including:

health and dental insurance (of which we pay 100% of the premium);

long-term disability and life insurance coverage (at no cost to the employee);

payment of health club/gym membership fees (up to \$80 per month); and

a tax-qualified 401(k) plan (to which we contribute 3% of the employee's base salary, up to the federal limit).

In addition, we may provide certain perquisites and other personal benefits to better enable us to attract and retain superior employees for key positions. However, in 2006, perquisites and benefits provided to the Named Executive Officers that were not otherwise available to all employees only included supplemental disability insurance coverage for Ms. Cafaro. The Compensation Committee periodically reviews the level of perquisites and other personal benefits provided to each Named Executive Officer.

Severance Benefits

Each of our Named Executive Officers is entitled to receive severance benefits upon certain qualifying terminations of employment, based either on the provisions of the executive's employment agreement and/or a change-in-control severance agreement. These severance arrangements are intended to retain executives and generally to provide replacement income if their employment is terminated involuntarily other than for cause and, in the case of severance benefits payable in connection with a change of control, to provide for continuity of management during such process. Under these agreements, we have also elected to provide tax gross-up payments to the Named Executive Officers with respect to certain payments made in connection with a change of control. The Compensation Committee considers the potential severance payments, including the gross-ups, to be consistent with the market for attracting and retaining top executives.

Tax Considerations

Section 162(m) of the Code places a limit of \$1 million on the amount of compensation that we may deduct in any year with respect to each of our Named Executive Officers unless the compensation is performance-based

Table of Contents

compensation, as described in said Section 162(m) and the related regulations. We have qualified certain compensation paid to the Named Executive Officers for deductibility under Section 162(m), including certain compensation related to options and restricted stock granted pursuant to the long-term incentive plan. Notwithstanding these limits, in order to maximize the effectiveness of our executive compensation programs, the Compensation Committee may approve compensation that will not meet these requirements but that is deemed to be in our best interests and the best interests of our stockholders. For 2006, only a portion of the compensation paid to our Named Executive Officers was deductible for federal income tax purposes. The loss of tax deductibility for the remaining portion of the compensation paid to our Named Executive Officers, however, was not material.

Minimum Share Ownership Guidelines for Senior Executive Officers

On March 9, 2006, we adopted amended and restated minimum share ownership guidelines for our senior executive officers requiring each of those officers to maintain a minimum equity investment in our company based upon a multiple (ranging from three to five times) of his or her base salary. Each senior executive officer's compliance with the guidelines is reviewed on July 1 of each year and the results are provided to and reviewed by the independent members of the Board. The guidelines require that senior executive officers achieve the minimum equity investment within five years from the date he or she first becomes subject to the guidelines. Until the minimum equity investment is met, such officer must retain at least 60% of the Common Stock granted to the officer by us and/or purchased by the officer through the exercise of stock options. All of our senior executive officers are currently in compliance with the minimum stock ownership guidelines, subject to transition rules.

Adjustment or Recovery of Awards

We do not maintain a policy to recover awards in the event that our financial results are subsequently restated downward. However, under Section 304 of the Sarbanes-Oxley Act, if we are required to restate our financial results due to material noncompliance with any financial reporting requirement as a result of misconduct, our Chief Executive Officer and Chief Financial Officer must reimburse us for (i) any bonus or other incentive-based or equity-based compensation received during the 12 months following the public issuance of the non-complying document and (ii) any profits realized from the sale of our securities during those 12 months.

Amendments to Employment and Change-in-Control Severance Agreements

On December 28, 2006, the independent members of our Board approved an amended and restated employment agreement for Ms. Cafaro, our Chairman, President and Chief Executive Officer (the Cafaro Employment Agreement), along with a special grant of 179,813 shares of restricted stock, vesting ratably over a five-year period, to encourage the long-term retention of Ms. Cafaro and to reward her for our performance under her leadership. In consultation with Pearl Meyer & Partners, an independent compensation consultant, the independent members of the Board determined that changes to Ms. Cafaro's previous employment agreement were necessary. The previous employment agreement was entered into in March 1999 when Ms. Cafaro was initially hired during difficult and uncertain times for our company, and the amendments have been designed to better reflect our vastly improved business prospects, as well as the current market and governance environment for executive compensation. As a result, in the Cafaro Employment Agreement, Ms. Cafaro agreed to waive or eliminate certain payments and benefits that were contained in her previous employment agreement in exchange for certain new compensation arrangements and benefits. In particular, the Cafaro Employment Agreement removes the following provisions from Ms. Cafaro's previous employment agreement: (i) the single trigger change of control provision that would have required us to make certain payments to Ms. Cafaro upon a change of control without any termination of her employment; (ii) our requirement to pay Ms. Cafaro three times her annual long-term incentive award upon termination of her employment; (iii) our requirement to increase Ms. Cafaro's base salary by at least 5% each year; and (iv) Ms. Cafaro's right to designate a nominee for election to the Board. The potential value to us of these concessions by Ms. Cafaro was evaluated by the Compensation

Table of Contents

Committee in determining to grant restricted stock to Ms. Cafaro in connection with the Cafaro Employment Agreement. The material provisions of the Cafaro Employment Agreement are summarized below.

On March 19, 2007, we amended the terms of our employment agreements with Messrs. Schweinhart, Lewis and Riney and Mr. Riney's change-in-control severance agreement to limit the amount of severance payable to each executive upon termination of his employment by us other than for cause (as defined in the applicable agreement) or by him for good reason (as defined in the applicable agreement) to a maximum of \$3 million (as adjusted annually to reflect increases in the Consumer Price Index (CPI)). Messrs. Schweinhart, Lewis and Riney agreed to these amendments at the request of the Compensation Committee, which determined that such limits were appropriate in light of the current market and governance environment for executive compensation. In exchange, the amendments clarify that, upon any such termination, each executive shall be entitled to receive a lump sum payment equal to the amount of awards previously granted to him under our deferred cash incentive program but not yet paid. All other terms of the agreements, including the vesting of equity awards, remain unchanged. The material provisions of the employment agreements and Mr. Riney's change-in-control severance agreement, in each case as amended, are summarized below.

The Cafaro Employment Agreement provides Ms. Cafaro with an

annual base salary of not less than \$600,000, subject to increases, if any, as determined by the Compensation Committee, and eligibility to participate in our incentive and other employee benefit plans. With respect to her services rendered during 2007, Ms. Cafaro will receive an annual bonus in cash of \$2.1 million and a package of long-term incentives having a total value at grant of \$5.4 million that will vest or be payable over time. Ms. Cafaro will receive these amounts in a lump sum if her employment is terminated by us other than for Cause (as defined below) or by her for Good Reason (as defined below) prior to the time they would otherwise be awarded.

The Cafaro Employment Agreement further specifies that we are obligated to provide Ms. Cafaro with \$2 million of life insurance coverage and executive disability coverage that would provide annual benefits of at least 100% of her base salary, to reimburse her for reasonable travel expenses incurred by her to travel to and from the Chicago area once each week and to gross up Ms. Cafaro with respect to any taxes imposed upon her by Section 4999 of the Code, or any similar state or local tax as a result of payments made under the Cafaro Employment Agreement or other plans, arrangements, agreements, policies or programs maintained by us.

If Ms. Cafaro's employment is terminated by reason of death or disability, she is entitled to receive a prorated portion of her Target Bonus (as defined below) for the year of termination and, in the case of disability, continuation of medical and dental insurance benefits for two years. If Ms. Cafaro's employment is terminated by us other than for Cause or by her for Good Reason, she will be entitled to receive a lump sum payment equal to (i) the prorated portion of her Target Bonus for the year of termination plus (ii) three times the sum of her base salary as then in effect and her Target Bonus for the year of termination. In addition, Ms. Cafaro would become fully vested in all restricted stock awards, stock options and other performance-related compensation, including performance cash plan awards (assuming maximum individual and company performance), her interests under any retirement, savings, deferred compensation, profit sharing or similar arrangement would be automatically fully vested and she would be entitled to continuation of medical, dental, life and disability insurance benefits for two years. We would also be obligated to provide Ms. Cafaro with executive office space and services for one year following termination, with an aggregate cost not to exceed \$50,000. If we terminate Ms. Cafaro's employment for Cause, no additional payments are made under the Cafaro Employment Agreement.

No separate payments will be due to Ms. Cafaro upon the occurrence of a Change of Control (as defined below) without a termination of her employment. However, in the event of a Change of Control, or upon termination of Ms. Cafaro's employment by reason of death or disability, by us other than for Cause or by her for Good Reason, Ms. Cafaro will be entitled to forgiveness of the Cafaro Tax Loans described above under Transactions with Related Persons.

Upon termination of the Cafaro Employment Agreement for any reason, Ms. Cafaro will be subject to noncompetition and nonsolicitation restrictions for a period of one year following such termination. Ms. Cafaro will also be subject to certain confidentiality and nondisparagement restrictions.

For purposes of the Cafaro Employment Agreement:

Target Bonus means the greater of (i) the highest actual bonus paid to Ms. Cafaro pursuant to our annual incentive plan with respect to any of the three preceding calendar years and (ii) the full amount of Ms. Cafaro's annual bonus (assuming maximum individual and company performance) in respect of services for the year of termination.

Cause means Ms. Cafaro's (i) conviction of or plea of nolo contendere to a crime involving moral turpitude or (ii) willful and material breach of her duties and responsibilities which is directly and materially harmful to our business and reputation and which is committed in bad faith or without reasonable belief that such conduct is in our best interests, but with respect to (ii) only if the Board adopts a resolution by a vote of at least 75% of its members so finding after giving Ms. Cafaro and her attorney an opportunity to be heard.

Target Bonus means the full amount of bonuses and/or performance compensation that would be payable to Mr. Riney, assuming satisfaction of all performance criteria on which such bonuses and/or performance compensation are based, in respect of services for the year of termination.

Cause means Mr. Riney's (i) conviction of or plea of nolo contendere to a crime involving moral turpitude or (ii) willful and material breach of his duties and responsibilities which is committed in bad faith or without reasonable belief that such conduct is in our best interests, but with respect to (ii) only if the Board adopts a resolution by a vote of at least 75% of its members so finding after giving Mr. Riney and his attorney an opportunity to be heard.

Good Reason means the occurrence of any of the following events: (i) the assignment to Mr. Riney of duties of a substantially nonexecutive or nonmanagerial nature; (ii) an adverse change in Mr. Riney's status or position as an executive officer, including as a result of a diminution in his duties and responsibilities (other than a change directly attributable to our ceasing to be a publicly owned company); (iii) a reduction in Mr. Riney's base salary, bonus opportunity or, except as uniformly applicable to all of our similarly situated executives, benefits and perquisites (which reduction, for purposes of the Riney Employment Agreement, is material); (iv) our requiring Mr. Riney to relocate his principal business office to a location more than 30 miles from his existing office; and (v) our failure to obtain the assumption of the Riney Employment Agreement by any successor to all or substantially all of our business and/or assets, in each case, for purposes of the Riney Employment Agreement, which is not cured within 30 days after written notice from Mr. Riney.

Change of Control means the occurrence of any of the following events: (i) beneficial ownership by any person or group (as those terms are defined in the Exchange Act), other than us, our subsidiaries or any employee benefit plan maintained by us, of 20% or more of the combined voting power of our outstanding voting securities; (ii) persons who constituted our Board as of May 1, 1998, together with any new director whose election or nomination for election was approved by a vote of a majority of those persons, cease for any reason to constitute a majority of our Board; (iii) consummation of a merger, consolidation or reorganization involving us (subject to certain exceptions); (iv) approval by our stockholders of a complete liquidation or dissolution of our company; (v) approval by our stockholders of an agreement for the assignment, sale, conveyance, transfer, lease or other disposition of all or substantially all of our assets to any person, other than our subsidiaries; and (vi) any other event that the Board determines constitutes an effective Change of Control.

Table of Contents**Potential Payments Upon Termination or Change of Control**

The table below reflects the amount of compensation and benefits payable to each Named Executive Officer in the event of (i) termination for Cause or without Good Reason, (ii) termination other than for Cause or with Good Reason (involuntary termination), (iii) a Change of Control (without any termination of employment), (iv) involuntary termination following a Change of Control, (v) death and (vi) disability. The amounts shown assume a termination date and/or Change of Control date of December 31, 2006 and, therefore, are estimates of the amounts that would be paid to the Named Executive Officers upon such events. The actual amounts can only be determined at the time of the Named Executive Officer's termination of employment or the Change of Control. Receipt of benefits upon termination is subject to the execution of a general release of claims by the Named Executive Officer or his or her beneficiary.

(1) Target Bonus or Maximum Annual Bonus, as applicable for each Named Executive Officer, is defined above under Employment and Change-in-Control Severance Agreements with Named Executive Officers.

(2) Multiples for the Named Executive Officers are as follows:

	Involuntary Termination	Involuntary Termination Following Change of Control
Ms. Cafaro	3x	3x
Mr. Schweinhart	1x	2x
Mr. Lewis	1x	2x
Mr. Riney	1x	2x

Pursuant to the amendments to the Executive Employment Agreements, the Riney Employment Agreement and the Riney Severance Agreement, which became effective March 19, 2007, the amount of severance payable to each of Messrs. Schweinhart, Lewis and Riney is limited to a maximum of \$3 million, as adjusted annually to reflect increases in CPI.

(3) Pursuant to our 2000 Incentive Compensation Plan and 2006 Incentive Plan, upon a change of control or in the event of death or disability of a participant while employed by us, all options held by the participant shall become fully vested and immediately exercisable, all restrictions and other conditions pertaining to shares of restricted stock and restricted stock units held by the participant shall immediately lapse and all performance cash awards shall vest.

(4) Assumes a stock price of \$42.32, the closing price of our Common Stock on December 29, 2006, the last trading day of the fiscal year. For purposes of the table, the value of vesting of restricted stock is determined by multiplying the number of shares by \$42.32 and the value of vesting of options is determined by subtracting the option exercise price from \$42.32 and multiplying by the number of options.

(5) Although included as a contractual payment in this table, Ms. Cafaro's prorated portion of her Target Bonus for the year of termination was excluded from the calculation of the excise tax and is also reflected in the 2006 Summary Compensation Table. In addition, although the Cafaro Employment Agreement and the Executive Employment Agreements contain certain restrictive covenants, including noncompetition and nonsolicitation provisions, no specific value has been ascribed to these covenants.

(6) The fair market value of maximum restricted stock grant under the long-term incentive plan is determined by multiplying the maximum 2006 long-term incentive opportunity by 0.40.

- (7) Pursuant to the amendments to the Executive Employment Agreements, the Riney Employment Agreement and the Riney Severance Agreement, which became effective March 19, 2007, each of Messrs. Schweinhart, Lewis and Riney will also be entitled to receive a lump sum payment equal to the amount of awards previously granted to him under our deferred cash incentive program but not yet paid upon involuntary termination.

Executive Officer 10b5-1 Plans

Debra A. Cafaro, our Chairman of the Board, Chief Executive Officer and President, and T. Richard Riney, our Executive Vice President, Chief Administrative Officer, General Counsel and Corporate Secretary, have adopted non-discretionary, written trading plans that comply with Rule 10b5-1 of the Commission. Ms. Cafaro's 10b5-1 plan currently covers 193,619 shares of Common Stock expected to be acquired by her through the exercise of options previously granted to her as a portion of her long-term incentive compensation. The plan is expected to be in effect through December 2007. Mr. Riney's 10b5-1 plan currently covers 15,350 shares of Common Stock expected to be acquired by him through the exercise of options previously granted to him as a portion of his long-term incentive compensation. The plan is expected to be in effect through May 2007. At March 19, 2007, Ms. Cafaro and Mr. Riney beneficially owned approximately 1.1 million shares and 0.4 million shares, respectively, of Common Stock (including options which are exercisable within 60 days).

PROPOSAL 2:**RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM****FOR FISCAL YEAR 2007**

The Audit Committee has appointed Ernst & Young as our independent registered public accounting firm for fiscal year 2007. Ernst & Young will examine our financial statements for fiscal year 2007. Although not required by our Third Amended and Restated Bylaws or otherwise, the Audit Committee and the Board believe it is appropriate, as a matter of good corporate practice, to request that stockholders ratify the appointment of Ernst & Young as our independent registered public accounting firm for 2007. If the stockholders do not ratify this appointment, the Audit Committee will reconsider the appointment and may retain another independent registered public accounting firm without resubmitting the matter to the stockholders. Even if the stockholders vote on an advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests and those of our stockholders. One or more members of Ernst & Young are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they so desire and are expected to be available to respond to appropriate questions.

Ratification of the appointment of Ernst & Young as our independent registered public accounting firm requires the affirmative vote of the holders of the majority of the shares represented at the Annual Meeting, in person or by proxy, and entitled to vote.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2007.

AUDIT MATTERS

Audit Committee Report

The Audit Committee oversees Ventas's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements for the year ended December 31, 2006 with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent registered public accounting firm, who is responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, its judgments as to the quality, not just the acceptability, of Ventas's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, including SAS 61 (Statement of Auditing Standards, AU 380 *Communication with Audit Committee*). Ventas's independent registered public accounting firm also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). In addition, the Audit Committee has discussed with the independent registered public accounting firm the firm's independence from management and Ventas, including the matters in the written disclosures required by the Independence Standards Board. The Audit Committee has also considered the compatibility of non-audit services with the firm's independence.

The Audit Committee discussed with the independent registered public accounting firm the overall scope and plans for its audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of its examination, its evaluations of Ventas's internal controls, and the overall quality of Ventas's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in Ventas's Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the Commission. The Audit Committee and the Board have also recommended, subject to stockholder approval, the appointment of Ventas's independent registered public accounting firm.

The foregoing report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act or the Exchange Act, and shall not otherwise be deemed filed under such Acts except to the extent that Ventas specifically incorporates this information by reference.

Policy on Pre-Approval of Audit and Permissible Non-Audit Services

The Audit Committee has implemented pre-approval policies related to the provision of both audit and non-audit services performed by our independent registered public accounting firm in order to assure that the provision of such services and related fees not impair the firm's independence. Under these procedures, the annual audit services and related fees of the independent registered public accounting firm are subject to the specific approval of the Audit Committee. The independent registered public accounting firm must provide the Audit Committee with an engagement letter prior to or during the first calendar quarter of each calendar year.

Table of Contents

outlining the scope of the audit services proposed to be performed during the applicable calendar year and the proposed fees for such audit services. If agreed to by the Audit Committee, the engagement letter will be formally accepted by the Audit Committee as evidenced by the execution of the engagement letter by the Chair of the Audit Committee. The Audit Committee approves, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, company structure or other matters.

Also under these procedures, the Audit Committee may grant pre-approval for those permissible non-audit services that it believes are services that would not impair the independence of the independent registered public accounting firm. The Audit Committee may not grant approval for any services categorized as Prohibited Non-Audit Services by the Commission. Certain non-audit services have been pre-approved by the Audit Committee, and all other non-audit services must be separately approved by the Audit Committee. To obtain approval of other permissible non-audit services, management must submit to the Audit Committee those non-audit services for which it recommends the Audit Committee engage the independent registered public accounting firm. Management and the independent registered public accounting firm must each confirm to the Audit Committee that each non-audit service for which approval is requested is not a Prohibited Non-Audit Service. The term of any pre-approved non-audit service is 12 months from the date of pre-approval, unless the Audit Committee specifically provides for a different period. Fee levels for all non-audit services to be provided by the independent registered public accounting firm are established periodically by the Audit Committee. Any proposed services exceeding these levels require separate pre-approval by the Audit Committee. With respect to each proposed pre-approved non-audit service, the independent registered public accounting firm, as necessary, must provide detailed back-up documentation to the Audit Committee regarding the particular service to be provided.

At each regularly scheduled Audit Committee meeting, our management and the independent registered public accounting firm report on the non-audit services provided by the independent registered public accounting firm pursuant to the pre-approval process during the quarter and year-to-date and the fees incurred for such services during the periods. Our Chief Accounting Officer and Controller is responsible for tracking all independent registered public accounting firm fees for pre-approved non-audit services.

Independent Registered Public Accounting Firm's Fees

Ernst & Young audited our financial statements for the year ended December 31, 2006 and has been our independent registered public accounting firm since May 1998. Fees billed by Ernst & Young for the years ended December 31, 2006 and 2005 were as follows:

	2006	2005
Audit Fees (1)	\$ 471,300	\$ 703,900
Audit-Related Fees (2)	35,500	
Tax Fees (3)	240,642	29,784
All Other Fees (4)		
Total	\$ 747,442	\$ 733,684

(1) The category of Audit Fees includes the aggregate fees billed for professional services rendered by Ernst & Young for the audit of our annual consolidated financial statements (including debt covenant compliance letters), audit of internal control over financial reporting estimate, review of interim financial statements included in our Quarterly Reports on Form 10-Q for such fiscal year, audit of annual financial statements and review of interim financial statements of ElderTrust Operating Limited Partnership, advice on audit and accounting matters that arose during, or as a result of, the audit or the review of interim financial statements and work on securities and other filings with the Commission, including comfort letters, consents and comment letters.

(2) The category of Audit-Related Fees consists principally of audits and consultations in connection with acquisitions.

Table of Contents

(3) The category of Tax Fees consists principally of reviews of tax returns and advice on tax-planning matters primarily related to acquisitions.

(4) With respect to the category of All Other Fees, we did not incur fees except as indicated in the above categories. All audit-related services, tax services and other services were pre-approved by the Audit Committee in accordance with the Audit Committee's pre-approval policies described above. The Audit Committee determined that the provision of these services by Ernst & Young did not compromise Ernst & Young's independence and was consistent with its role as our independent registered public accounting firm.

PROPOSAL 3:

APPROVAL OF AN AMENDMENT TO OUR CERTIFICATE OF

INCORPORATION TO INCREASE OUR AUTHORIZED COMMON STOCK

The Board has approved and adopted resolutions proposing, declaring advisable and in our best interests and the best interests of our stockholders and recommending to stockholders for approval an amendment to our Certificate of Incorporation to increase the number of authorized shares of Common Stock from 180,000,000 to 300,000,000.

An increase in the authorized number of shares of Common Stock will provide us with the flexibility to engage in future corporate transactions, such as financings, investment opportunities, acquisitions of other companies, stock dividends or splits, restricted stock and stock option grants or other corporate purposes determined by the Board to be advisable. The availability of additional authorized shares for issuance from time to time in the Board's discretion is desirable in order to avoid repeated separate amendments to our Certificate of Incorporation and the delay and expense incurred in holding special meetings of the stockholders to approve such amendments. We currently have no specific plans, arrangements or agreements relating to an issuance of additional shares of Common Stock. A vote to increase the number of authorized shares of Common Stock, though, will provide us with the flexibility for future activities required to support our business plan. If the proposal is approved, the shares will only be authorized and not immediately issued.

We will not solicit further authorization by vote of the stockholders for the issuance of the additional shares of Common Stock proposed to be authorized, except as required by law, regulatory authorities or any stock exchange on which our shares may then be listed. The issuance of additional shares of Common Stock could have the effect of diluting existing stockholder earnings per share, book value per share and voting power. Our stockholders do not have any preemptive right to purchase or subscribe for any part of any new or additional issuance of our securities.

The text of the proposed amendment under Proposal 3 is attached to this Proxy Statement as **Annex A**. In addition, if stockholders approve the proposal, we will make various ministerial changes to our Certificate of Incorporation to correct typographical errors, article references and other similar items not requiring stockholder approval.

Following stockholder approval of Proposal 3, we will file an Amended and Restated Certificate of Incorporation reflecting the increase in our authorized Common Stock and the various ministerial changes with the Delaware Secretary of State. The Amended and Restated Certificate of Incorporation will become effective upon filing in accordance with Delaware law.

Approval of the amendment to our Certificate of Incorporation to increase our authorized Common Stock requires the affirmative vote of the holders of a majority of the outstanding shares of Common Stock entitled to vote.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO INCREASE OUR AUTHORIZED COMMON STOCK.

PROPOSAL 4:

APPROVAL OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO INCLUDE CERTAIN PROVISIONS LIMITING THE CONSTRUCTIVE OWNERSHIP OF OUR CAPITAL STOCK IN ORDER TO PROVIDE FURTHER ASSURANCES FOR OUR CONTINUED COMPLIANCE AS A QUALIFIED REAL ESTATE INVESTMENT TRUST UNDER U.S. FEDERAL INCOME TAX LAW

The Board has approved and adopted resolutions proposing, declaring advisable and in our best interests and the best interests of our stockholders and recommending to the stockholders for approval an amendment to our Certificate of Incorporation to include certain provisions limiting the constructive ownership of our capital stock in order to provide further assurances for our continued compliance as a qualified REIT under U.S. federal income tax law. These provisions are intended to provide further assurances of our status as a REIT and relate to a purported stock transfer or other event that would otherwise cause rents received by us to fail to qualify as good rental income for REIT qualification purposes. However, these provisions, like other transfer restrictions and other limitations on ownership necessary for us to preserve our status as a REIT already contained in our Certificate of Incorporation, could delay, defer or prevent certain transactions in or a change in control of our company.

The text of the proposed amendment under Proposal 4 is attached to this Proxy Statement as **Annex B**. In addition, if stockholders approve the proposal, we will make various ministerial changes to our Certificate of Incorporation to correct typographical errors, article references and other similar items not requiring stockholder approval.

Following stockholder approval of Proposal 4, we will file an Amended and Restated Certificate of Incorporation reflecting the provisions limiting the constructive ownership of our capital stock in order to provide further assurances for our continued compliance as a qualified REIT under U.S. federal income tax law and the various ministerial changes with the Delaware Secretary of State. The Amended and Restated Certificate of Incorporation will become effective upon filing in accordance with Delaware law.

The full text of the proposed Amended and Restated Certificate of Incorporation, assuming stockholders approve both Proposals 3 and 4, is attached to this Proxy Statement as **Annex C** and has been marked to show all changes from our existing Certificate of Incorporation.

Approval of the amendment to our Certificate of Incorporation to include certain provisions limiting the constructive ownership of our capital stock in order to provide further assurances for our continued compliance as a qualified real estate investment trust under U.S. federal income tax law requires the affirmative vote of a majority of the outstanding shares of Common Stock entitled to vote.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVING THE AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO INCLUDE CERTAIN PROVISIONS LIMITING THE CONSTRUCTIVE OWNERSHIP OF OUR CAPITAL STOCK IN ORDER TO PROVIDE FURTHER ASSURANCES FOR OUR CONTINUED COMPLIANCE AS A QUALIFIED REAL ESTATE INVESTMENT TRUST UNDER U.S. FEDERAL INCOME TAX LAW.

STOCKHOLDER PROPOSALS FOR THE 2008 ANNUAL MEETING OF STOCKHOLDERS

Any stockholder proposal intended to be presented at the 2008 Annual Meeting of Stockholders must be received by our Corporate Secretary by December 25, 2007 and meet the requirements of our bylaws and Rule 14a-8 under the Exchange Act in order to be considered for inclusion in our proxy materials for that meeting.

According to our bylaws, a stockholder proposal, including stockholder recommendations regarding director nominations, must meet certain requirements described in the bylaws and may only be acted upon at an annual

meeting of stockholders if the stockholder gives timely notice to us of such proposal (at least 60 but not more than 90 days before such annual meeting); *provided, however*, that if we give less than 70 days notice or prior public disclosure of the date of the annual meeting, notice by the stockholder must be given to us not later than the tenth day following the earlier of the date on which such notice of the meeting was mailed or the date on which such public disclosure was made. The persons appointed as proxies for the 2008 Annual Meeting will have discretionary voting authority with respect to any stockholder proposal, including any director nomination, that is submitted to us otherwise than in conformity with such requirements of our bylaws.

OTHER MATTERS

The only matters to be considered at the Annual Meeting or any adjournment thereof, so far as known to the Board of Directors, are those set forth in the Notice of Meeting and routine matters incident to the conduct of the Annual Meeting. However, if any other matters should properly come before the Annual Meeting or any adjournment thereof, the persons named in the accompanying form of proxy, or their substitutes, will have discretionary voting authority with respect to any stockholder proposal that is submitted to us otherwise than in conformity with the requirements of our bylaws.

ADDITIONAL INFORMATION

A copy of our 2006 Annual Report and Form 10-K accompanies this Proxy Statement. Stockholders may also obtain a copy of our Annual Report on Form 10-K for the year ended December 31, 2006, excluding exhibits, without charge, upon request to Ventas, Inc., 10350 Ormsby Park Place, Suite 300, Louisville, Kentucky 40223, Attention: Corporate Secretary. Copies of the exhibits to our Annual Report on Form 10-K will be provided to any requesting stockholder, *provided* that such stockholder agrees to reimburse us for our reasonable costs to provide those exhibits.

Special Excess Shares shall mean Shares resulting from an event described in Section A.(3) of this Article X.

All other capitalized terms used in this Article X shall have the meanings, and be defined as, set forth in Article IX of this Certificate of Incorporation.

(2) Restrictions on Constructive Ownership. Except as provided in Section A.(4) of this Article X, from the Adoption Date and prior to the Ownership Limitation Termination Date, no Person shall Constructively Own any Shares to the extent that such Constructive Ownership would cause any income of the Corporation that would otherwise qualify as rents from real property for purposes of Section 856(d) of the Code to fail to qualify as such, and any Transfer that, if effective, would cause any income of the Corporation that would otherwise qualify as rents from real property for purposes of Section 856(d) of the Code to fail to qualify as such shall be void ab initio as to the Transfer of such Shares which would cause any income of the Corporation that would otherwise qualify as rents from real property for purposes of Section 856(d) of the Code to fail to qualify as such; and the intended transferee shall acquire no rights in such Shares.

(3) Designation of Special Excess Shares. If, notwithstanding the other provisions contained in this Article X or in Article IX, at any time from the Adoption Date and prior to the Ownership Limitation Termination Date, there is a purported Transfer or other event (including an event described in Section A.(3)(a) through (g) of Article IX) which would, if effective, result in any Person Constructively Owning Shares in violation of Section A.(2) of this Article X, then, except as provided in Section A.(12) of Article IX, such number of Shares (rounded up to the nearest whole Share) in excess of the greatest amount of Shares as would not result in a violation of Section A.(2) of this Article X shall be automatically designated as Special Excess Shares. Such designation shall be effective as of the close of business on the business day prior to the date of such purported Transfer or other event. In determining which Shares are designated as Special Excess Shares, Shares of the relevant class directly or indirectly owned (including by a nominee) by the Person prior to (or as a result of) the purported Transfer or other event shall be treated as designated as Special Excess Shares before any Shares that would be treated as owned though the application of Section 318(a) of the Code, as modified by Section 856(d)(5) of the Code, by the Person are so treated. Shares designated as Special Excess Shares pursuant to this Article X shall be treated as shares that were converted to Excess Shares pursuant to and for purposes of Article IX.

(4) Exceptions. The Board of Directors, with a ruling from the Internal Revenue Service or an opinion of counsel that such exemption will not cause the Corporation to fail to qualify as a REIT or such other evidence or documents as the Board of Directors deems appropriate, may exempt a Person from the application of this Article X if the Board of Directors obtains such representations and undertakings from such Persons as the Board of

Table of Contents

Directors determines are reasonably necessary, and such Person agrees that any violation or attempted violation of such representations or undertakings will result in, to the extent necessary, the designation of Shares held by such Person as Special Excess Shares in accordance with this Article X.

B. Severability. If any provision of this Article X or any application of any such provision is determined to be invalid by any Federal or state court having jurisdiction over the issues, the validity of the remaining provisions shall not be affected and other applications of such provision shall be affected only to the extent necessary to comply with the determination of such court.

C. New York Stock Exchange Transactions. Nothing in this Article X shall preclude the settlement of any transaction entered into through the facilities of the New York Stock Exchange. The fact that the settlement of any transaction occurs or takes place shall not negate the effect of any other provision of this Article X and any transferee in such a transaction shall be subject to all of the provisions and limitations set forth in this Article X.

D. Ambiguity. In the case of an ambiguity in the application of any of the provisions of this Article X, including any definition contained in this Article X and any ambiguity with respect to which Shares are to be designated as Special Excess Shares in a given situation or in the treatment of such shares pursuant to Article IX, the Board of Directors shall have the power to determine the application of the provisions of this Article X with respect to any situation based on the facts known to it.

Expenses incurred by a person in any capacity other than as an officer or director of the Corporation may be paid in advance of the final disposition of a Proceeding on such terms and conditions, if any, as the Board of Directors deems appropriate.

It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the Delaware General Corporation Law for the Corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel or its stockholders) to have made a determination prior to the commencement of such action that indemnification of claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the Delaware General Corporation Law, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel or its stockholders) that the claimant has not met such applicable standard of ~~conduct~~ **conduct**, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

Such designation shall be effective as of the close of business on the business day prior to the date of the redemption, repurchase, restructuring or similar transaction. In determining which Shares are designated as Excess Shares, Shares of the relevant class Beneficially Owned by the Entity shall be treated as designated as Excess Shares before any Shares Beneficially Owned by the Person holding an interest in Entity (independently of such Person's interest in the Entity) are so treated.

(g) If, notwithstanding the other provisions contained in this Article **IXH**, at any time from the Adoption Date and prior to the Ownership Limitation Termination Date, there is a redemption, repurchase, restructuring or similar transaction with respect to a Person that Beneficially Owns shares of Common Shares (the Entity) and, as a result, an Existing Holder would Beneficially Own Common Shares in excess of the applicable Existing Holder Limit, then, except as provided in Section A.(12) of this Article **IXH**, such number of Common Shares in excess of such Existing Holder Limit (rounded up to the nearest whole Share) shall be automatically designated as Excess Shares. Such

Table of Contents

designation shall be effective as of the close of business on the business day prior to the date of the transfer. In determining which Common Shares are designated as Excess Shares, Common Shares Beneficially Owned by the Entity shall be treated as so designated before any Common Shares Beneficially Owned by the Existing Holder (independently of such Existing Holder's interest in the Entity) are so treated.

(h) If, notwithstanding the other provisions contained in this Article **IXH**, at any time from the Adoption Date and prior to the Ownership Limit Termination Date, an event, other than an event described in Sections A.(3)(a) through (g) of this Article **IXH**, occurs which would, if effective, results in any Person (other than, in the case of Common Shares, an Existing Holder) Beneficially Owning Shares in excess of the applicable Ownership Limit, then, except as provided in Section A.(12) of this Article **IXH**, the smallest number of Shares Beneficially Owned by such Person which, if designated as Excess Shares, would result in such Person's Beneficial Ownership of Shares not being in excess of such Ownership Limit, shall be automatically designated as Excess Shares. Such designation shall be effective as of the close of business on the business day prior to the date of the relevant event.

(i) If, notwithstanding the other provisions contained in this Article **IXH**, at any time from the Adoption Date and prior to the Ownership Limit Termination Date, an event, other than an event described in Section A.(3)(a) through (g) of this Article **IXH**, occurs which would, if effective, result in any Existing Holder Beneficially Owning Shares in excess of the applicable Existing Holder Limit, then, except as provided in Section A.(12) of this Article **IXH**, the smallest number of Common Shares Beneficially Owned by such Existing Holder which, if designated as Excess Shares, would result in such Existing Holder's Beneficial Ownership of Common Shares not being in excess of such Existing Holder Limit, shall be automatically designated as Excess Shares. Such designation shall be effective as of the close of business on the business day prior to the date of the relevant event.

(j) In addition, if a Person (the nonreporting Person) does not provide all of the information required by Section A.(6) of this Article **IXH** and, as a result, the Corporation, but for the provisions of this paragraph, would not qualify as a REIT, then, as of the day prior to the date on which such aggregate ownership would have caused the Corporation to fail to qualify as a REIT, Shares Beneficially Owned by such Person shall be automatically designated as Excess Shares to the extent necessary to prevent the Corporation from failing to qualify as a REIT.

(4) Remedies for Breach. If the Board of Directors or its designees shall at any time determine in good faith that a Transfer has taken place in violation of Section A.(2) of this Article **IXH** or that a Person intends to acquire or has attempted to acquire Beneficial Ownership of any Shares in violation of Section A.(2) of this Article **IXH**, the Board of Directors shall take such actions as it deems advisable to refuse to give effect or to prevent such Transfer (or any Transfer related to such intent), including, but not limited to, refusing to give effect to such Transfer on the books of the Corporation or instituting proceedings to enjoin such Transfer; provided, however, that any Transfers or attempted Transfers in violation of Sections A.(2)(a) through (c) of this Article **IXH** or Section A.(2)(e) of this Article **IXH** shall automatically result in the designation of Excess Shares described in Section A.(3) of this Article **IXH**, irrespective of any action (or non-action) by the Board of Directors.

(5) Notice of Ownership or Attempted Ownership in Violation of Section A.(2). Any Person who acquires or attempts to acquire Beneficial Ownership of Shares in violation of Section A.(2) shall immediately give written notice to the Corporation of such event and shall provide to the Corporation such other information as the Corporation may request in order to determine the effect, if any, of such acquisition or attempted acquisition on the Corporation's status (or, if prior to the REIT Election Date, expected status) as a REIT.

(6) Owners Required to Provide Information. From the Adoption Date and prior to the Ownership Limitation Termination Date:

(a) every Beneficial Owner of more than 5.0% (or such other lower percentages as required pursuant to regulations under the Code) of the outstanding number or value of any class or series of

Table of Contents

Shares shall, within 30 days after January 1 of each year, give written notice to the Corporation stating the name and address of such Beneficial Owner, the number of Shares Beneficially Owned, and a description of how such Shares are held. Each such Beneficial Owner shall provide to the Corporation such additional information as the Corporation may request in order to determine the effect, if any, of such Beneficial Ownership on the Corporation's status (or, if prior to the REIT Election Date, expected status) as a REIT.

(b) each Person who is a Beneficial Owner of Shares and each Person (including the shareholder of record) who is holding Shares for a Beneficial Owner shall provide to the Corporation such information as the Corporation may request, in good faith, in order to determine the Corporation's status (or, if prior to the REIT Election Date, expected status) as a REIT or to comply with regulations promulgated under the REIT provisions of the Code.

(7) Remedies Not Limited. Except as provided in Section E. of this Article ~~IXH~~, nothing contained in this Article ~~IXH~~ shall limit the authority of the Board of Directors to take such other action as it deems necessary or advisable to protect the Corporation and the interests of its stockholders by preservation of the Corporation's status (or, if prior to the REIT Election Date, expected status) as a REIT.

(8) Ambiguity. In the case of an ambiguity in the application of any of the provisions of this Article ~~IXH~~, including any definition contained in Section A.(1) of this Article ~~IXH~~ and any ambiguity with respect to which Shares are to be designated as Excess Shares in a given situation, the Board of Directors shall have the power to determine the application of the provisions of this Article ~~IXH~~ with respect to any situation based on the facts known to it.

(9) Modification of Existing Holder Limit. The Existing Holder Limit for any Existing Holder will be reduced after any transfer permitted in this Section A or any other event that reduces the percentage of the outstanding Common Shares Beneficially Owned by any Existing Holder of this Article ~~IXH~~ by such Existing Holder to a Person other than an Existing Holder by the amount of Shares Transferred; but in no event shall such Existing Holder Limit be reduced to less than the Ownership Limit for Common Shares.

(10) Modification of Ownership Limit. Subject to the limitations provided in Section A.(11) of this Article ~~IXH~~, the Board of Directors may from time to time increase or decrease the Ownership Limit with respect to a class of Shares.

(11) Limitations on Modifications.

(a) Neither the Ownership Limit with respect to a class of Shares nor any Existing Holder Limit may be increase (nor may any additional Existing Holder Limit be created) is, after giving effect to such increase (or creation), five Beneficial Owners of Shares (including all of the then-existing Existing Holders) could Beneficially Own, in the aggregate, more that 49.9% of the outstanding Shares of the class of Shares to which such Ownership Limit or Existing Holder Limit relates.

(b) Prior to the modification of any Existing Holder Limit or Ownership Limit pursuant to Section A.(9) or Section A.(10) of this Article ~~IXH~~, the Board of Directors may require such opinions of counsel, affidavits, undertakings or agreements as it may deem necessary or advisable in order to determine or ensure the Corporation's status (or, if prior to the REIT Election Date, expected status) as a REIT.

(c) The Ownership Limit with respect to a class of Shares may not be increased to a percentage which is greater than 9.9%.

(12) Exceptions. The Board of Directors, with a ruling from the Internal Revenue Service or an opinion of counsel that such exemption will not cause the Corporation to fail to qualify as a REIT or such other evidence or documents as the Board of Directors deems appropriate, may exempt a Person from the Ownership Limit with respect to a class of Shares or an Existing Holder Limit, as the case may be, if the Board of Directors obtains such representations and undertakings from such Persons as the Board of Directors determines are reasonably necessary, and such Person agrees that any violation or attempted

Table of Contents

violation of such representations or undertakings will result in, to the extent necessary, the designation of Shares held by such Person as Excess Shares in accordance with Section A.(3) of this Article ~~IXH~~.

B. Legend. (1) Each certificate for Common Shares shall bear the following legend:

The Common Shares represented by this certificate are subject to restrictions on ownership and transfer for the purpose of the Corporation's maintenance of its status (or, if prior to the REIT Election Date, expected status) as a real estate investment trust under the Internal Revenue Code of 1986, as amended (the Code). No Person may Beneficially Own Common Shares in excess of 9.0% (or such greater percentage as may be determined by the Board of Directors) of the outstanding Common Shares of the Corporation (unless such Person is an Existing Holder). Any Person who attempts to Beneficially Own Common Shares in excess of the above limitation must immediately notify the Corporation. All capitalized terms used in this Legend have the meanings set forth in the Certificate of Incorporation of the Corporation, ~~as amended~~, a copy of which, including the restrictions on ownership and transfer, will be sent without charge to each stockholder who so requests. If the restrictions on ownership and transfer are violated, the Common Shares represented hereby will be automatically designated as Excess Shares which will be held in trust by the Trustee for the benefit of the Beneficiary.

Instead of the foregoing legend, the certificate may state that the Corporation will furnish a full statement about certain restrictions on transferability to a stockholder on request and without charge.

(2) Each certificate for Preferred Shares shall bear the following legend:

The Preferred Shares represented by this certificate are subject to restrictions on ownership and transfer for the purpose of the Corporation's maintenance of its status (or, if prior to the REIT Election Date, expected status) as a real estate investment trust under the Internal Revenue Code of 1986, as amended (the Code). No Person may Beneficially Own Preferred Shares of any class in excess of 9.9% of the outstanding Preferred Shares of such class. Any Person who attempts to Beneficially Own Shares in excess of the above limitations must immediately notify the Corporation. All capitalized terms used in this legend have the meanings set forth in the Certificate of Incorporation of the Corporation, a copy of which, including the restrictions on ownership and transfer, will be sent without charge to each stockholder who so requests. If the restrictions on ownership and transfer are violated, the Preferred Shares represented hereby will be automatically designated as Excess Shares which will be held in trust by the Trustee for the benefit of the Beneficiary.

Instead of the foregoing legend, the certificate may state that the Corporation will furnish a full statement about certain restrictions on transferability to a stockholder on request and without charge.

C. Excess Shares.

(1) Ownership in Trust. Upon any purported Transfer or other event that results in the designation of Shares as Excess Shares pursuant to Section A.(3) of this Article ~~IXH~~, such Excess Shares shall be deemed to have been transferred to the Trustee, as trustee of the Trust for the exclusive benefit of the Beneficiary. The Trust shall name a Beneficiary if one does not already exist, within five days of the discovery of any designation of any Excess Shares; ~~provided, however~~, that the failure to so name a Beneficiary shall not affect the designation of Shares as Excess Shares or the transfer thereof to the Trustee. Excess Shares so held in trust shall be issued and outstanding stock of the Corporation. The Purported Record Transferee shall have no rights in such Excess Shares except as provided in Section C.(5) of this Article ~~IXH~~.

(2) Dividend Rights. Any dividends (whether taxable as a dividend, return of capital or otherwise) on Excess Shares shall be paid to the Trust for the benefit of the Beneficiary. Upon liquidation, dissolution or winding up, the Purported Record Transferee shall receive, for each Excess Share, the lesser of (a) the amount per share of any distribution made upon liquidation, dissolution or winding up or (b) the price paid by the Purported Record Transferee for the Excess Shares, or if the Purported Record Transferee did not

Table of Contents

give value for the Excess Shares, the Market Price of the Excess Shares on the day of the event causing the Excess Shares to be held in trust. Any such dividend paid or distribution paid to the Purported Record Transferee in excess of the amount provided in the preceding sentence prior to the discovery by the Trust that the Shares with respect to which the dividend or distribution was made had been designated as Excess Shares shall be repaid, upon demand, to the Trust for the benefit of the Beneficiary.

(3) Rights Upon Liquidation. In the event of any voluntary or involuntary liquidation, dissolution or winding up of, or any distribution of the assets of, the Corporation, (a) subject to the preferential rights of the Preferred Shares, if any, as may be determined by the Board of Directors of the Corporation and the preferential rights of the Excess Preferred Shares, if any, each holder of Excess Common Shares shall be entitled to receive, ratably with each other holder of Common Shares and Excess Common Shares, that portion of the assets of the Corporation available for distribution to the holders of Common Shares or Excess Common Shares which bears the same relation to the total amount of such assets of the Corporation as the number of Excess Common Shares held by such holder bears to the total number of Common Shares and Excess Common Shares then outstanding, and (b) each holder of Excess Preferred Shares shall be entitled to receive that portion of the assets of the Corporation which a holder of the Preferred Shares that was exchanged for such Excess Preferred Shares would have been entitled to receive had such Preferred Shares remained outstanding. The Corporation, as holder of the Excess Shares in trust shall distribute ratably to the Beneficiaries of the Trust, when determined, any such assets received in respect of the Excess Shares in any liquidation, dissolution or winding up of, or any distribution of the assets of the Corporation.

(4) Voting Rights. The Trustee shall be entitled to vote the Excess Shares on behalf of the Beneficiary on any matter. Subject to Delaware law, any vote cast by a Purported Record Transferee with respect to the Excess Shares prior to the discovery by the Corporation that the Excess Shares were held in trust will be rescinded ab initio; provided, however, that if the Corporation has already taken irreversible action with respect to a merger, reorganization, sale of all or substantially all of the assets, dissolution of the Corporation or other action by the Corporation, then the vote cast by the Purported Record Transferee shall not be rescinded. The owner of the Excess Shares will be deemed to have given an irrevocable proxy to the Trustee to vote the Excess Shares for the benefit of the Beneficiary.

Notwithstanding the provisions of this Article **IXH**, until the Corporation has received notification that Excess Shares have been transferred into a Trust, the Corporation shall be entitled to rely on its share transfer and other stockholder records for purposes of preparing lists of stockholders entitled to vote at meetings, determining the validity and authority of proxies and otherwise conducting votes of stockholders.

(5) Restrictions on Transfer. Excess Shares shall be transferable only as provided in this Section C.(5) of Article **IXH**. At the direction of the Board of Directors, the Trustee shall transfer the Shares held in the Trust to a Person or Persons whose ownership of such Shares will not violate the Ownership Limit. If such a transfer is made to such a Person or Persons, the interest of the Beneficiary shall terminate and the proceeds of the sale shall be payable to the Purported Record Transferee and to the Beneficiary. The Purported Record Transferee shall receive the lesser of (a) the price paid by the Purported Record Transferee for the Shares or, if the Purported Record Transferee did not give value for the Shares, the Market Price of the Shares on the day of the event causing the Shares to be held in trust, or (b) the price received by the Trust from the sale or other disposition of the Shares. Any proceeds in excess of the amount payable to the Purported Record Transferee will be paid to the Beneficiary. The Trustee shall be under no obligation to obtain the highest possible price for the Excess Shares. Prior to any transfer of any Excess Shares by the Trustee, the Corporation must have waived in writing its purchase rights under Section C.(6) of this Article **IXH**. It is expressly understood that the Purported Record Transferee may enforce the provisions of this Section against the Beneficiary.

If any of the foregoing restrictions on transfer of Excess Shares is determined to be void, invalid or unenforceable by any court of competent jurisdiction, then the Purported Record Transferee may be deemed, at the option of the Corporation, to have acted as an agent of the Corporation in acquiring such Excess Shares in trust and to hold such Excess Shares on behalf of the Corporation.

Table of Contents

(6) Purchase Right in Excess Shares. Excess Shares shall be deemed to have been offered for sale to the Corporation, or its designee, at a price per share equal to the lesser of (i) the price per share in the transaction that created such Excess Shares (or, in the case of a devise, gift or other transaction in which no value was given for such Excess Shares, the Market Price at the time of such devise, gift or other transaction) and (ii) the Market Price on the date the Corporation, or its designee accepts such offer (the Redemption Price). The Trust shall have the right to accept such offer for a period of ninety days after the later of (i) the date of the purported Transfer or other event which resulted in the designation of the Shares as Excess Shares and (ii) the date the Board of Directors determines in good faith that a purported Transfer or other event resulting in the designation of Excess Shares has occurred, if the Corporation does not receive a notice of any such Transfer pursuant to Section A.(5) of this Article ~~IXH~~. Unless the Board of Directors determines that it is in the interests of the Corporation to make earlier payments of all of the amounts determined as the Redemption Price per Share in accordance with the preceding sentence, the Redemption Price may be payable at the option of the Board of Directors at any time up to but not later than five years after the date the Corporation accepts the offer to purchase the Excess Shares. In no event shall the Corporation have an obligation to pay interest to the Purported Record Transferee.

D. Severability. If any provision of this Article ~~IXH~~ or any application of any such provision is determined to be invalid by any Federal or state court having jurisdiction over the issues, the validity of the remaining provisions shall not be affected and other applications of such provision shall be affected only to the extent necessary to comply with the determination of such court.

E. New York Stock Exchange Transactions. Nothing in this Article ~~IXH~~ shall preclude the settlement of any transaction entered into through the facilities of the New York Stock Exchange. The fact that the settlement of any transaction occurs or takes place shall not negate the effect of any other provision of this Article ~~IXH~~ and any transferee in such a transaction shall be subject to all of the provisions and limitations set forth in this Article ~~IXH~~.

F. Amendment of Article ~~IXH~~. This Article ~~IXH~~ may not be amended, modified or repealed except by the affirmative vote of not less than two-thirds (2/3) of the votes entitled to be cast by the holders of all Shares of the Corporation entitled to vote generally in the election of Directors voting together as one class.

ARTICLE X

Restrictions on Constructive Ownership Relating to REIT Status

A. (1) Definitions. For the purposes of this Article X, the following terms shall have the following meanings:

Constructive Ownership shall mean ownership of Shares by a Person, whether the interest in such Shares is held directly or indirectly (including by a nominee), and shall include interests that would be treated as owned though the application of Section 318(a) of the Code, as modified by Section 856(d)(5) of the Code. The terms **Constructive Owner** , **Constructively Owns** and **Constructively Owned** shall have the correlative meanings.

Special Excess Shares shall mean Shares resulting from an event described in Section A.(3) of this Article X.

All other capitalized terms used in this Article X shall have the meanings, and be defined as, set forth in Article IX of this Certificate of Incorporation.

(2) Restrictions on Constructive Ownership. Except as provided in Section A.(4) of this Article X, from the Adoption Date and prior to the Ownership Limitation Termination Date, no Person shall

Table of Contents

Constructively Own any Shares to the extent that such Constructive Ownership would cause any income of the Corporation that would otherwise qualify as rents from real property for purposes of Section 856(d) of the Code to fail to qualify as such, and any Transfer that, if effective, would cause any income of the Corporation that would otherwise qualify as rents from real property for purposes of Section 856(d) of the Code to fail to qualify as such shall be void ab initio as to the Transfer of such Shares which would cause any income of the Corporation that would otherwise qualify as rents from real property for purposes of Section 856(d) of the Code to fail to qualify as such; and the intended transferee shall acquire no rights in such Shares.

(3) Designation of Special Excess Shares. If, notwithstanding the other provisions contained in this Article X or in Article IX, at any time from the Adoption Date and prior to the Ownership Limitation Termination Date, there is a purported Transfer or other event (including an event described in Section A.(3)(a) through (g) of Article IX) which would, if effective, result in any Person Constructively Owning Shares in violation of Section A.(2) of this Article X, then, except as provided in Section A.(12) of Article IX, such number of Shares (rounded up to the nearest whole Share) in excess of the greatest amount of Shares as would not result in a violation of Section A.(2) of this Article X shall be automatically designated as Special Excess Shares. Such designation shall be effective as of the close of business on the business day prior to the date of such purported Transfer or other event. In determining which Shares are designated as Special Excess Shares, Shares of the relevant class directly or indirectly owned (including by a nominee) by the Person prior to (or as a result of) the purported Transfer or other event shall be treated as designated as Special Excess Shares before any Shares that would be treated as owned through the application of Section 318(a) of the Code, as modified by Section 856(d)(5) of the Code, by the Person are so treated. Shares designated as Special Excess Shares pursuant to this Article X shall be treated as shares that were converted to Excess Shares pursuant to and for purposes of Article IX.

(4) Exceptions. The Board of Directors, with a ruling from the Internal Revenue Service or an opinion of counsel that such exemption will not cause the Corporation to fail to qualify as a REIT or such other evidence or documents as the Board of Directors deems appropriate, may exempt a Person from the application of this Article X if the Board of Directors obtains such representations and undertakings from such Persons as the Board of Directors determines are reasonably necessary, and such Person agrees that any violation or attempted violation of such representations or undertakings will result in, to the extent necessary, the designation of Shares held by such Person as Special Excess Shares in accordance with this Article X.

B. Severability. If any provision of this Article X or any application of any such provision is determined to be invalid by any Federal or state court having jurisdiction over the issues, the validity of the remaining provisions shall not be affected and other applications of such provision shall be affected only to the extent necessary to comply with the determination of such court.

C. New York Stock Exchange Transactions. Nothing in this Article X shall preclude the settlement of any transaction entered into through the facilities of the New York Stock Exchange. The fact that the settlement of any transaction occurs or takes place shall not negate the effect of any other provision of this Article X and any transferee in such a transaction shall be subject to all of the provisions and limitations set forth in this Article X.

D. Ambiguity. In the case of an ambiguity in the application of any of the provisions of this Article X, including any definition contained in this Article X and any ambiguity with respect to which Shares are to be designated as Special Excess Shares in a given situation or in the treatment of such shares pursuant to Article IX, the Board of Directors shall have the power to determine the application of the provisions of this Article X with respect to any situation based on the facts known to it.
