**Item 1.01 Entry into a Material Definitive Agreement.**

On June 7, 2007, Biomet, Inc., an Indiana corporation (the Company or Biomet ), entered into an amended and restated Agreement and Plan of Merger (the Merger Agreement ) with LVB Acquisition, LLC, a Delaware limited liability company ( Parent ), and LVB Acquisition Merger Sub, Inc., an Indiana corporation and a wholly-owned subsidiary of Parent ( Purchaser ). The Merger Agreement amends and restates the Agreement and Plan of Merger dated as of December 18, 2006 among the same parties. Parent is controlled by a consortium of private equity funds, which include affiliates of The Blackstone Group, Goldman Sachs Capital Partners, Kohlberg Kravis Roberts & Co. and TPG. A copy of the press release announcing the execution of the Merger Agreement is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated by reference herein.

The Company s board of directors (the Board ) unanimously adopted and declared advisable the Merger Agreement, the Offer (as defined below), the Merger (as defined below) and related transactions, and unanimously recommended that Biomet shareholders accept the Offer and tender their shares to Purchaser.

Pursuant to the Merger Agreement, Purchaser has agreed to commence a tender offer (the Offer ) on or before June 14, 2007 to purchase all of the Company s outstanding common shares, no par value (the Shares ), at a price of \$46.00 per Share, net to the seller in cash (subject to applicable withholding and stock transfer taxes), on the terms and subject to the conditions set forth in the Merger Agreement. Upon consummation of the Offer, each of the Company s then outstanding options to purchase Shares will be cancelled and option holders will receive the excess, if any, of \$46.00 over the option exercise price for each share subject to the option, less any applicable withholding taxes. Completion of the Offer is subject to various conditions, including that at least 75% of the Shares are tendered in the Offer. The Merger Agreement permits Purchaser to revise the condition regarding minimum acceptance of the Offer to decrease the minimum acceptance threshold to a number that, together with shares whose holders have agreed to vote to approve the Merger, represents at least 75% of the Shares. The Offer will expire at midnight, New York time, on the 20th business day following and including the commencement date, unless extended in accordance with the terms of the Offer and the applicable rules and regulations of the Securities and Exchange Commission. The Offer is also subject to the condition that the debt financing arranged by Parent and Purchaser must be available for borrowing on the terms and conditions set forth in the debt financing commitments obtained by Purchaser or on terms and conditions that are no less favorable, in the aggregate, to Parent and Purchaser. The Offer is subject to certain other customary conditions. The Company understands that Purchaser has entered into a voting agreement with Dane A. Miller, Ph.D., the Company s former President and CEO, and Mary Louise Miller, regarding the 5,723,595 Biomet common shares owned by them.

Following the consummation of the Offer and subject to the satisfaction or waiver of the conditions set forth in the Merger Agreement and in accordance with the Indiana Business Corporation Law (the IBCL ), Purchaser will merge (the Merger ) with and into the Company and the Company will continue as the surviving corporation. At the effective time of the Merger (the Effective Time ), each Share, other than the Shares owned by Parent or Purchaser immediately prior to the Effective Time, will automatically be cancelled and will cease to exist and will be converted into the right to receive \$46.00 in cash, without interest and subject to applicable withholding or stock transfer taxes, on the terms and subject to the conditions set forth in the Merger Agreement.

The closing of the Merger is subject to various additional conditions, including approval of the Merger Agreement by Biomet shareholders. The parties have agreed that if after the purchase of Shares pursuant to the Offer and any subsequent offering period, and after giving effect to any Shares purchased pursuant to the option described in the next paragraph, Purchaser owns at least 90% of the outstanding Shares, then once the other conditions to completion of the Merger are satisfied or waived, Purchaser will merge into the Company in a short-form merger pursuant to applicable provisions of Indiana law, which will not require a vote of the Company's shareholders.

In the Merger Agreement, the Company has granted Purchaser an option (the "Top-Up Option") to purchase, at a price per Share equal to the price paid in the Offer, a number of newly issued Shares equal to the number of Shares that, when added to the number of Shares owned, directly or indirectly, by Parent or Purchaser at the time of exercise of the Top-Up Option, constitutes 90.0005% of the total Shares that would be outstanding immediately after the issuance of all Shares subject to the Top-Up Option. The Top-Up Option, which is subject to compliance with rules of The NASDAQ Stock Market and other applicable conditions, may be exercised by Purchaser at any time on or after the expiration of the Offer and on or prior to the fifth business day after the later of the expiration date of the Offer or the expiration date of any subsequent offering period if at least 75% of Biomet common shares are tendered in the Offer.

The Merger Agreement further provides that, subject to compliance with applicable law, promptly upon payment for Shares by Purchaser to consummate the Offer, Parent shall be entitled to obtain representation on the Company's Board proportional to Purchaser's ownership of Shares. After the date Shares are first accepted for payment in the Offer and prior to approval of the Merger Agreement by the Company's shareholders, the Merger Agreement may not be amended in a manner that would adversely affect the right of the Company's shareholders to receive the consideration to be paid in the Merger.

On June 6, 2007, Morgan Stanley & Co. Incorporated, the Company's financial advisor ("Morgan Stanley"), rendered its oral opinion to the Company's board of directors and subsequently confirmed in writing, that, as of that date, and based upon and subject to the various considerations, assumptions and limitations set forth in its written opinion, the consideration of \$46.00 per share to be received by holders of the Shares in accordance with the Merger Agreement was fair from a financial point of view to Biomet's shareholders.

As a result of the amended and restated Merger Agreement, on June 7, 2007 the Company announced that it has cancelled the special meeting of shareholders previously scheduled for Friday, June 8, 2007 to consider and vote on the original merger agreement announced on December 18, 2006. Furthermore, as part of the amended and restated Merger Agreement, the Company has agreed not to pay its annual dividend.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby do not purport to be complete and are subject to, and qualified in their entirety by, the full text of the Merger Agreement attached as Exhibit 2.1 to this Current Report on Form 8-K, which is incorporated herein by reference.

Prior to this amendment, the previous provision of the Company's bylaws provided the Company with the authority to redeem control shares acquired in a control share acquisition under this chapter of the IBCL.

**Item 8.01. Other Events.**

On January 9, 2007, the Company filed a Form 12b-25 with the SEC stating that it did not anticipate filing its quarterly report on Form 10-Q for the second quarter of fiscal year 2007 on or before the fifth calendar day following the prescribed due date. On January 11, 2007, the Company received a Staff Determination letter from The Nasdaq Stock Market indicating that the Company is not in compliance with the filing requirements for continued listing under Marketplace Rule 4310(c)(14). The letter was issued in accordance with NASDAQ procedures due to the Company's inability to file its quarterly report on Form 10-Q for the second quarter of fiscal year 2007 by the prescribed due date.

A hearing was held on March 1, 2007, at which the Company requested an exception within which to regain compliance with the NASDAQ's filing requirements. On April 11, 2007, a NASDAQ Listing Qualifications Panel (the Panel) granted the Company's request for an exception and continued listing on the NASDAQ Global Select Market, notwithstanding the Company's inability to timely file its quarterly report on Form 10-Q for the second quarter of fiscal 2007. On May 22, 2007, the Company requested an extension of the May 29, 2007 deadline until June 12, 2007.

On April 12, 2007, the Company announced that it received an additional notice of non-compliance from The Nasdaq Stock Market, pursuant to Marketplace Rule 4310(c)(14), due to the previously announced delay in filing its quarterly report on Form 10-Q for the third quarter of fiscal 2007. In the notice, the Company was invited to make an additional submission to the Panel addressing its plans for making the third quarter filing. On April 19, 2007, the Company requested an exception until June 12, 2007 to file its quarterly report on Form 10-Q for the third quarter of fiscal 2007.

On May 29, 2007, the Panel made a determination with respect to the Company's April 19, 2007 and May 22, 2007 requests. In its May 29, 2007 determination, the Panel granted the Company's request to extend the time to file the Company's reports on Form 10-Q for the second and third quarters of fiscal 2007, and to complete all required restatements, to on or before July 11, 2007. The Panel added that notwithstanding this extension it expects the Company to comply with the terms of the exception by the June 12, 2007 date referenced in the Company's April 19, 2007 and May 22, 2007 requests.

On May 29, 2007 the Company filed with the SEC an amended annual report on Form 10-K/A for the fiscal year ended May 31, 2006. On June 7, 2007, the Company announced that it received a letter from the Panel stating that the Company has evidenced compliance with the Panel's prior decisions and all applicable Nasdaq Marketplace Rules, and that the Panel has determined to continue the listing of the Company's common shares on the NASDAQ Global Select Market.
