LETTER FROM THE BOARD

The purposes of this circular are to provide you with further information relating to the Supplemental Agreement, the letter from the Independent Board Committee containing its recommendation in connection with the terms of the Supplemental Agreement, the letter from the Independent Financial Adviser containing its advice to the Independent Board Committee and the Independent Shareholders and a notice of the EGM to approve, among others, the Supplemental Agreement.

2. BACKGROUND

Overview

Reference is made to the 2006 Announcement made by the Company in relation to, *inter alia*, certain continuing connected transactions between the Group and China Telecommunications Corporation and/or its associates and the Strategic Agreement between the Company and CCS. The Strategic Agreement was signed on 30 August 2006 to set out the parameters of strategic cooperation between the Group and CCS Group and to form a strategic partnership in accordance with the principle of equality and mutual benefits.

An extraordinary general meeting was convened by the Company on 25 October 2006 where the Independent Shareholders of the Company approved, *inter alia*, the Strategic Agreement.

CCS has proposed to expand the geographical scope of its specialized telecommunications support services through acquisition from the Existing Provinces to the Enlarged CCS Service Areas. The Company now seeks to amend certain terms of the Strategic Agreement by way of the Supplemental Agreement to include continuing connected transactions falling under the Strategic Agreement between the CCS Group and the Group in the Additional Provinces and to amend certain terms of the Strategic Agreement to be applied to the Enlarged CCS Service Areas. The proposed Supplemental Agreement will require the Independent Shareholders' approval at the EGM to be held by the Company on 7 August 2007.

China Telecommunications Corporation is the controlling shareholder, holding 70.89% of the issued share capital of the Company and CCS is a subsidiary of China Telecommunications Corporation. Accordingly, CCS is regarded as a connected person of the Company under the Listing Rules, and the transactions contemplated under the Supplemental Agreement, which are continuous in nature and were entered into in the ordinary and usual course of business of the Group, constitute continuing connected transactions of the Company subject to reporting, announcement and Independent Shareholders' approval requirements under the Listing Rules.

3. TERMS OF THE SUPPLEMENTAL AGREEMENT

The Supplemental Agreement will expand the geographic scope of mutual strategic cooperation under the Strategic Agreement to include 13 Additional Provinces, being Jiangsu province, Anhui province, Jiangxi province, Hunan province, Guangxi Zhuang autonomous region, Chongqing municipality, Sichuan province, Guizhou province, Yunnan province, Shaanxi province, Gansu province, Qinghai province and Xinjiang Uygur autonomous region. Consequently, the geographic scope of mutual strategic cooperation between the Group and the CCS Group will now cover 19 provinces, autonomous regions and municipalities.

Table of Contents

LETTER FROM THE BOARD

The Supplemental Agreement will also set out the Company's undertaking to receive certain services in respect of the design, construction, project supervision and management of communication engineering projects provided by the CCS Group in relation to the Additional Provinces by adjusting the Company's current undertaking in relation to the Existing Provinces. The company will agree, under the Supplemental Agreement that, during the period between 1 January 2007 and 31 December 2009, provided that terms for provision of relevant services by CCS Group are similar to other service providers, the Company's wholly-owned subsidiaries in the Enlarged CCS Service Areas will, on an annual basis, accept services from the wholly-owned subsidiaries of CCS with an aggregate value of not less than 10.6% of the total annual capital expenditure incurred during that year by the relevant subsidiaries of the Company, which has taken into consideration the historical amounts of transactions between the Group and the businesses to be acquired by CCS in the Additional Provinces and the current undertaking (being not less than 12.5%) applicable to the Existing Provinces under the existing terms of the Strategic Agreement, details of which are set out in the section hereunder headed "Terms of the Strategic Agreement".

In addition, the Supplemental Agreement also contains the Company's undertaking to receive certain facilities management and network maintenance services provided by the CCS Group in relation to the Additional Provinces. Pursuant to the Supplemental Agreement, the Company undertakes that, during the period between 1 January 2007 and 31 December 2009, provided that terms for provision of relevant services by CCS Group are similar to other service providers, the Company's wholly-owned subsidiaries in the Enlarged CCS Service Areas will, on an annual basis, accept facilities management services from the relevant wholly-owned subsidiaries of CCS amounting to an aggregate value of not less than RMB1,780 million, which has taken into consideration the historical amounts of transactions between the Group and the businesses to be acquired by CCS in the Additional Provinces and the current undertaking (being not less than RMB1,330 million) applicable to the Existing Provinces under the existing terms of the Strategic Agreement, details of which are set out in the section hereunder headed "Terms of the Strategic Agreement".

For the purpose of calculation of the amount of transactions falling under the above undertaking for the year ending 31 December 2007, all transactions of the same type entered into between the Group and the businesses to be acquired by CCS in the Additional Provinces in year 2007 would be aggregated.

Annual caps for the transactions contemplated under the Strategic Agreement (as amended by the Supplemental Agreement) are subsumed under the annual caps of existing framework agreements between the Company and China Telecommunications Corporation, which have been duly approved by the Independent Shareholders of the Company, and such annual caps will remain unchanged. Details of the annual caps and basis of determination are set out in the section below.

The Supplemental Agreement is conditional upon, *inter alia*, (1) Independent Shareholders' approval of the Supplemental Agreement having been obtained; and (2) CCS having obtained the requisite independent shareholders' approval as required under the Listing Rules in respect of the Supplemental Agreement and of its proposed acquisition of certain specialized assets from China Telecommunications Corporation in the Additional Provinces.

CCS shall also actively utilise the Company's products and services in its own business.

Annual Caps and Basis of Determination

Neither Supplemental Agreement nor the Strategic Agreement sets out any annual caps for the transactions thereunder as China Telecommunications Corporation, the holding company of CCS, has signed certain framework agreements for continuing connected transactions with the Company and the transactions contemplated under the Supplemental Agreement and the Strategic Agreement are covered by these framework agreements. These framework agreements are already subject to annual caps and the proposed annual caps for the transactions under the Strategic Agreement (as amended by the Supplemental Agreement) are subsumed under the annual caps of the said framework agreements between the Company and China Telecommunications Corporation, including the Engineering Framework Agreement, the Ancillary Telecommunications Services Framework Agreement and the Community Services Framework Agreement details of which were set out in the 2006 Announcement and approved by the Independent Shareholders of the Company on 25 October 2006. The Company confirms that all transactions currently contemplated under the Strategic Agreement (as amended) are covered under the existing framework agreements. The Company further confirms that it will comply with relevant listing rule requirements in the future if there will be any transaction under the Strategic Agreement (as amended) not covered under any existing framework agreement.

Reasons and benefits for the Supplemental Agreement

By expanding the geographic scope of strategic cooperation with CCS, the Company will be able to realize the same benefits in the Additional Provinces as in the Existing Provinces. In addition, the Group will also be able to benefit from the broader service network and enhanced servicing capability of CCS in the Enlarged CCS Service Areas resulting from its expansion. The main reasons and benefits for the Supplemental Agreement and for expanding the geographic scope of mutual strategic cooperation are the same as those for the Strategic Agreement as disclosed in the 2006 Announcement and stated hereunder:

- (1) To assist the Company in continually receiving stable operational support services of a high quality, and at the same time lowering costs.

The historical unique relationship and long-term cooperation between CCS and the Company has enabled CCS to gain a comprehensive and deep understanding of the Company's network features and general business needs. Compared to third parties, CCS can more aptly ensure that high quality service is provided at a competitive price, thus lowering service costs. The Company will receive high quality service and can effectively lower its operational expenses.

Table of Contents

LETTER FROM THE BOARD

Due to a long-standing and cooperative relationship in the past, CCS is more able to meet the needs of the Company and to provide responsive support services in a speedy and stable manner, thereby achieving effective business cooperation and synergies. CCS has undertaken to set up a specialised team dedicated to serving the Company. This will enable a more efficient provision of technical preparation required for the development of the Company, and the Company will obtain more systematic and efficient services.

(2) To assist in the development of a market-oriented service relationship and ensuring that the Company secures its service sources. CCS will develop to become an independent and market-oriented operated service provider, and other telecommunication operators will increase their demand for services from CCS. The Company must build a cooperative relationship, in accordance with market principles, with CCS to secure a source to meet its service needs. The Board believes that in terms of technology, business and management, it is in the longer term interests of our shareholders to outsource the provision of services under the Strategic Agreement to appropriate suppliers instead of providing such services by the Company itself.

CCS has a competitive edge in the areas of technology, research and development and human resources. New businesses in the future will result in an increase in the construction of various operator networks and an increase of operational expenses, and operators will increase their external demands in areas such as: technology, size of operations, human resources. The establishment of a strategic cooperative relationship between the Company and CCS is highly significant to the Company receiving key services.

(3) To ensure the Company's strategic transformation through strategic cooperation with CCS. The establishment of a strategic cooperative relationship with CCS will assist the Company in building a comprehensive information services business model and improve the cooperation within the value chain. As the Company intensifies its strategic transformation, the Company needs to continuously work on the construction and optimisation of its network to increase the competitiveness of the network. The Company's out-sourcing strategy on many operational levels will decrease costs, and at the same time enable the Company to receive high quality service and increase its operational efficiency. The Company must strengthen areas such as corporate informational services, IT services and internet usage and enhance mutually beneficial cooperation within the production chain in order to become a comprehensive informational service provider.

Through a strategic cooperative relationship with CCS, the Company may use CCS's communication engineering resources, technical advantage, professional qualification, rich experience in network support, long-term experience and ability in providing out-sourcing services for operators to enable the Company to become a comprehensive, all-encompassing, one stop shop providing nation-wide network design, facilities management and end-user sales. Through the establishment of a varied cooperation model, the Company and CCS can mutually benefit from each other's resources.

21 June 2007

To the Independent Board Committee and

Independent Shareholders of China Telecom Corporation Limited

Dear Sirs,

CONNECTED TRANSACTION

AMENDMENT OF STRATEGIC AGREEMENT

INTRODUCTION

We refer to our appointment as the Independent Financial Adviser to advise the Independent Board Committee and the Independent Shareholders on the terms of the Supplemental Agreement regarding the amendment of certain terms of the Strategic Agreement. Details of the Supplemental Agreement are set out in the Letter from the Board contained in the circular of the Company dated 21 June 2007 (the Circular), of which this letter forms part. Terms defined in the Circular shall have the same meanings when used in this letter unless the context requires otherwise.

The effectiveness of the Supplemental Agreement is conditional upon, *inter alia*, the approval by the Independent Shareholders in the EGM by way of a poll where China Telecommunications Corporation and its associates will abstain from voting. The Independent Board Committee has been formed by the Company to consider the terms of the Supplemental Agreement.

We are a licensed corporation holding a license to conduct Type 1 (dealing in securities) and Type 6 (advising on corporate finance) regulated activities under the Securities and Futures Ordinance (Cap 571 of the Laws of Hong Kong). We shall receive a fee from the Company for the delivery of this letter. The Company has also agreed to indemnify BNP Paribas Capital and certain related persons against certain liabilities and expenses in connection with this engagement.

Apart from normal professional fees for our services to the Company as described above, no arrangement exists whereby we shall receive any fees or benefits from the Company, its subsidiaries or associates. We consider ourselves suitable to give independent financial advice to the Independent Board Committee and the Independent Shareholders on the terms of the Supplemental Agreement. As at the Latest Practicable Date, BNP Paribas S.A., our parent company, beneficially owns 131,243,418 H Shares, representing approximately 0.16% of the issued share capital of the Company. We do not consider this shareholding interest would affect the objectivity of our advice, given the fact that the interests so held in the Company are no different from that of the Independent Shareholders.

PRINCIPAL FACTORS AND REASONS

In arriving at our advice, we have taken into consideration the principal factors and reasons set out below. In reaching our conclusion, we have considered the results of the analyses in light of each other and ultimately reached our opinion based on the results of all analyses taken as a whole.

Background

Information on the relevant companies

The Company, China Telecom Corporation Limited, is a joint stock limited company incorporated in the PRC with limited liability on 10 September 2002, and its principal business includes the provision of telecommunications services in the business regions within the PRC as authorized by the relevant regulatory department of the PRC, such as the operation of domestic and international fixed telecommunications networks and facilities, and voice, data, image and multimedia communications on fixed telecommunications networks and information services.

Table of Contents

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

China Telecommunications Corporation is a state-owned enterprise established under the laws of the PRC on 17 May 2000, with its principal business being the investment holding of companies primarily involved in the provision of telecommunication services in the PRC, the provision of specialized telecommunication support services and other business. It is noted that China Telecommunications Corporation has been providing telecom-related and other services to the Company since its initial public offering in 2002. These services are contracted in the various agreements between the two parties, as well as, in most cases, among the subsidiaries of each party. China Telecommunications Corporation is the controlling shareholder of the Company, holding 70.89% of the issued share capital of the Company.

China Communications Services Corporation Limited (or CCS) is a company of which China Telecommunications Corporation and its associates beneficially own approximately 70.00% of its existing issued share capital. Accordingly, CCS is a connected person of the Company, and the transactions contemplated under the Supplemental Agreement, which are continuous in nature and were entered into in the ordinary and usual course of business of the Group, constitute continuing connected transactions of the Company subject to reporting, announcement and Independent Shareholders' approval requirements under the Listing Rules.

Background of the Strategic Agreement and the Supplemental Agreement

On 30 August 2006, the Company entered into a Strategic Agreement with CCS pursuant to which the parties agree to form a strategic partnership in accordance with the principle of equality and mutual benefits. The original geographical scope covered six provinces and municipalities namely Shanghai municipality, Zhejiang province, Fujian province, Hubei province, Guangdong province and Hainan province. The existing terms of the Strategic Agreement have been set out in the Letter from the Board in the Circular. It is noted that at an extraordinary general meeting of the Company held on 25 October 2006 where the Independent Shareholders of the Company had approved, *inter alia*, the Strategic Agreement.

On 15 June 2007, the Company and CCS entered into the Supplemental Agreement to amend certain terms of the Strategic Agreement to expand the geographic scope of mutual strategic cooperation under the Strategic Agreement so as to benefit from CCS's expansion of its service areas from 6 Existing Provinces to 19 provinces, municipalities and autonomous regions.

Pursuant to the Listing Rules, the entering into Supplemental Agreement constitutes non-exempt continuing connected transactions falling under Rule 14A.35 of the Listing Rules. This transaction is subject to reporting and announcement requirements and approval by the Independent Shareholders' vote by way of a poll at the EGM under Rule 14A.48 of the Listing Rules.

Reasons and benefits for the Strategic Agreement and the Supplemental Agreement

We note that with the background and its special role in the telecommunication industry, CCS is the few available provider in the market for the services that the Company requires in its operations.

As stated in the Letter from the Board in the Circular, by expanding the geographic scope of strategic cooperation with CCS, the Company will be able to realize the same benefits in the Additional Provinces as in the Existing Provinces of having CCS as the provider of the (i) services in connection with the design, construction, project supervision and management of communication engineering projects and (ii) facilities management and network maintenance services. In addition, the Group will also be able to benefit from the broader service network and enhanced servicing capability of CCS in the Enlarged CCS Service Areas resulting from its expansion. It is stated in the Letter from the Board in the Circular that the reasons and benefits for the Supplemental Agreement and for expanding the geographic scope of mutual strategic cooperation are the same as those for the Strategic Agreement as disclosed in the 2006 Announcement, and have been restated and summarized hereunder:

Table of Contents

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

To assist the Company in continually receiving stable operational support services of a high quality, and at the same time lowering costs.

To assist in the development of a market-oriented service relationship and ensuring that the Company secures its service sources.

To ensure the Company's strategic transformation through strategic cooperation with CCS.

Having considered the above reasons and factors, there is no reason for us to doubt the commercial reasoning for entering into the Supplemental Agreement.

Major terms of the Supplemental Agreement

As stated in the Letter from the Board in the Circular, the Supplemental Agreement will expand the geographic scope of mutual strategic cooperation under the Strategic Agreement to include the Additional Provinces. With the Strategic Agreement and the Supplement Agreement, the geographic scope of mutual strategic cooperation between the Group and the CCS will cover 19 provinces, municipalities and autonomous regions in total.

As stated in the Letter from the Board in the Circular, the Supplemental Agreement has set out the Company's undertaking to receive certain services in respect of the design, construction, project supervision and management of communication engineering projects provided by the CCS Group in relation to the Additional Provinces by adjusting the Company's current undertaking in relation to the Existing Provinces. Under the Supplemental Agreement, the Company undertakes that during the period between 1 January 2007 and 31 December 2009, provided that terms for provision of relevant services by CCS Group are similar to other service providers, the Company's wholly-owned subsidiaries in the Enlarged CCS Service Areas will, on an annual basis, accept services from the wholly-owned subsidiaries of CCS with an aggregate value of not less than 10.6% of the total annual capital expenditure incurred by the relevant subsidiaries of the Company during that year, which has taken into consideration the historical amounts of transactions between the Group and the businesses to be acquired by CCS in the Additional Provinces and the current undertaking (being not less than 12.5%) applicable to the Existing Provinces under the existing terms of the Strategic Agreement.

In addition, the Supplemental Agreement also contains the Company's undertaking to receive certain facilities management and network maintenance services provided by the CCS Group in relation to the Additional Provinces. Pursuant to the Supplemental Agreement, the Company undertakes that, during the period between 1 January 2007 and 31 December 2009, provided that terms for provision of relevant services by CCS Group are similar to other service providers, the Company's wholly-owned subsidiaries in the Enlarged CCS Service Areas will, on an annual basis, accept facilities management services from the relevant wholly-owned subsidiaries of CCS amounting to an aggregate value of not less than RMB1.78 billion, which has taken into consideration the historical amounts of transactions between the Group and the business to be acquired by CSS in the Additional Provinces and the current undertaking (being not less than RMB1.33 billion) applicable to the Existing Provinces under the existing terms of the Strategic Agreement.

The effectiveness of the Supplemental Agreement is conditional upon, *inter alia*, Independent Shareholders' approval of the Supplemental Agreement having been obtained; and CCS having obtained the requisite independent shareholders' approval as required under the Listing Rules in respect of the Supplemental Agreement and of its proposed acquisition of certain specialized assets from China Telecommunications Corporation in the Additional Provinces.

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

Annual caps and basis of determination

As stated in the Letter from the Board in the Circular, neither Supplemental Agreement nor the Strategic Agreement sets out any annual caps for the transactions thereunder as China Telecommunications Corporation, the holding company of CCS, has signed certain framework agreements for continuing connected transactions with the Company and the transactions contemplated under the Supplemental Agreement and the Strategic Agreement are covered by these framework agreements. These framework agreements are already subject to annual caps and the proposed annual caps for the transactions under the Strategic Agreement (as amended by the Supplemental Agreement) are subsumed under the annual caps for the said framework agreements between the Company and China Telecommunications Corporation, including the Engineering Framework Agreements, the Ancillary Telecommunications Services Framework Agreement and the Community Services Framework Agreement. In this respect, we note that such framework agreements have already covered all the provinces, autonomous regions and municipalities that the Company has operations, and as such, there is no change to such continuing connected transactions for reason of entering into of the Supplemental Agreement. Further, it is noted that all transactions currently contemplated under the Strategic Agreement (as amended) are covered under the existing framework agreements. It is also noted that it will comply with relevant Listing Rule requirements in the future if there will be any transaction under the Strategic Agreement (as amended) not covered under any existing framework agreement.

Pricing basis

Under the Strategic Agreement, in respect of the tariff standards (applicable prices), if the government-prescribed prices are available, the government-prescribed prices shall be used. If the government-guided prices are available, the government-guided prices shall be used; but if neither the government-prescribed, nor the government-guided prices are available and a market price is available, the market prices shall be used. If the government-prescribed prices, the government-guided prices and the market prices are not available, the parties shall enter into negotiations based on the principles of fairness, provided that the prices subject to consultation between the parties shall be determined by taking into account the reasonable cost plus a reasonable margin, in which the term "reasonable cost" shall be determined between the parties upon consultation. Nothing has come to our attention that such clause would be amended under the Supplemental Agreement.

Under the Strategic Agreement, CCS will offer at least 5% price discount to the Company based on the applicable standard prices for the services in connection with the design, construction, project supervision and management of communication engineering projects.

The Board considers that the terms of the Supplemental Agreement and the transactions contemplated thereunder are on normal commercial terms, are fair and reasonable, and are in the interest of the Company and its shareholders as a whole.

Table of Contents**LETTER FROM THE INDEPENDENT FINANCIAL ADVISER**

Under the Supplemental Agreement, the Company proposes to revise the current undertaking for the following services:

	Current undertaking for each of the three year ending 31 December 2009 (on the basis of 6 provinces and municipalities)	Revised undertaking for each of the three year ending 31 December 2009 (on the basis of 19 provinces, municipalities and autonomous regions)
Services in connection with the design, construction and supervision of communication engineering projects provided by CCS Group	Not less than 12.5% of the total annual capital expenditure incurred by the relevant subsidiaries of the Company	Not less than 10.6% of the total annual capital expenditure incurred by the relevant subsidiaries of the Company
Facilities management services provided by CCS Group	Not less than RMB1.33 billion (<i>note</i>)	Not less than RMB1.78 billion (<i>note</i>)

Note: As set out in the Letter from the Board in the Circular, for the purpose of calculation of the amount of transactions falling under the above undertaking for the year ending 31 December 2007, all transactions of the same type entered into between the Group and the business to be acquired by CCS in the Additional Provinces in year 2007 would be aggregated.

In considering such revision, we have discussed with the Directors the basis in setting the revised undertaking for the Supplemental Agreement. We have been informed that the proposed undertaking are determined with reference to the amounts of transactions between the Group and the business to be acquired by CCS in the Additional Provinces and the current undertaking applicable to the Existing Provinces. It is noted that the revised undertaking to cater for the Additional Provinces are not revised on a pro rata basis. In this regard, it should be noted that the Existing Provinces are mainly located in the coastal areas of the PRC while some of the Additional Provinces are located in the rural areas. As such, it is understandable that the demand for the services provided by CCS Group to the Company and its subsidiaries is lower in the Additional Provinces than in the Existing Provinces.

We note that upon the expiry of the Supplemental Agreement, the Company shall be required to fully comply with the then requirement of the Listing Rules. We consider this provides the Independent Shareholders with an opportunity to review and reconsider the renewal of the revised undertaking upon the expiry of the terms.

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

CONCLUSION

Having considered the principal reasons and factors set out in this letter, we consider that the terms of the Supplemental Agreement and the transactions contemplated thereunder, which are continuous in nature and were entered into in the ordinary and usual course of business of the Group, are on normal commercial terms, fair and reasonable and in the interest of the Company and its Shareholders as a whole. Accordingly, we advise the Independent Board Committee to recommend the Independent Shareholders to and also recommend the Independent Shareholders to vote in favor of the resolution to be proposed at the EGM to approve the Supplemental Agreement.
