**Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

(a) On April 24, 2007, Cadence Financial Corporation (the Company), the holding company for Cadence Bank, N.A. (the Bank), issued an earnings press release for the first quarter of 2007 and on May 9, 2007, filed its Form 10-Q for the period ended March 31, 2007. Both the earnings release and the Form 10-Q included the Company's election to early adopt Statement of Financial Accounting Standards No. 159 The Fair Value Option for Financial Assets and Liabilities (SFAS 159) with respect to a securities transaction involving fixed rate collateralized mortgage obligations (CMOs) and adjustable rate mortgage-backed securities. Based on an alert from The Center for Audit Quality of the American Institute of Certified Public Accountants (AICPA) and comments by the Securities and Exchange Commission staff regarding the proper application of the provisions and intent of SFAS 159, the Company's management reviewed the application of the provisions and intent of SFAS 159 to such securities transaction in the first quarter earnings release and disclosed in the Form 10-Q with its independent registered public accountant and legal counsel. After further analysis and review by the audit committee and the Board of Directors, again in consultation with the Company's independent registered public accountant and legal counsel, the Company decided to rescind its application of SFAS 159 to such securities transaction. As a result, on July 17, 2007, the Board of Directors, with the recommendation of the audit committee, concluded that the Company's previously issued earnings release dated April 24, 2007, and its financial statements as of and for the three months ended March 31, 2007, included in its Form 10-Q filed on May 9, 2007, should no longer be relied upon. The Company expects to file an amended Form 10-Q for the first quarter ended March 31, 2007 on or about July 25, 2007, to include the restated financial statements as of and for the three-month period ended March 31, 2007 and any other required disclosure.

The Company's management, the audit committee and the Board of Directors discussed the matters disclosed in this Item 4.02 with the Company's independent registered public accounting firm, T. E. Lott & Company.

A copy of the press release announcing the restatement of the Company's first quarter 2007 results is furnished as Exhibit 99.1 to this Current Report on Form 8-K.
