**EXPLANATORY NOTE**

ABX Holdings, Inc. (the Company), a Delaware corporation, files this Post-Effective Amendment to the Registration Statement on Form S-8 (this Amendment) as the successor registrant to its wholly-owned subsidiary, ABX Air, Inc. (Predecessor), a Delaware corporation, in accordance with Rule 414 under the Securities Act of 1933, as amended (the Securities Act). This Amendment is a result of Predecessor adopting a holding company organizational structure and pertains to the adoption by the Company of Registration Statement No. 333-125679 (the Registration Statement), originally covering 3,000,000 shares of Predecessor common stock, par value \$0.01 per share (the Predecessor Common Stock) issuable under the ABX Air, Inc. 2005 Long-Term Incentive Plan (the Plan).

Pursuant to the Agreement and Plan of Reorganization dated December 31, 2007 (the Reorganization Agreement), among the Company, Predecessor, and ABX Merger Sub, Inc., a Delaware corporation, Predecessor reorganized into a holding company structure, effective as of December 31, 2007, whereby the Company became the holding company for Predecessor.

In accordance with the terms of the Reorganization Agreement, each outstanding share of Predecessor Common Stock was converted into one share of the Company's common stock, par value \$0.01 per share (the Company Common Stock). As a result of the Merger, each stockholder of Predecessor became a holder of Company Common Stock evidencing the same proportional interests in the Company and having the same designations, rights, powers and preferences and qualifications, limitations and restrictions as those securities that such stockholder held in Predecessor. Further, all restricted stock units and performance-based stock units convertible into Predecessor Common Stock outstanding under the Plan were assumed by the Company and they continue to have the same terms and conditions except that each stock unit will be convertible into Company Common Stock, not Predecessor Common Stock.

In accordance with Rule 414 under the Securities Act, the Company, as the successor registrant to Predecessor, hereby expressly adopts the Registration Statement as its own for all purposes of the Securities Act and the Securities Exchange Act of 1934. Registration fees were paid at the time of filing the original Registration Statement.

ITEM 9. UNDERTAKINGS.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

PROVIDED, HOWEVER, that if the information required to be included in a post-effective amendment by paragraphs (a)(1)(i) and (a)(1)(ii) is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, that are incorporated by reference in the registration statement, paragraphs (a)(1)(i) and (a)(1)(ii) will not apply.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(1) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to rule 424;

- (2) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (3) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (4) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (c) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (d) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
