**Item 1. Security and Issuer.**

The title of the class of equity securities to which this statement relates is the common stock (the **Common Stock**), par value Won 500 per share, of Gravity Co., Ltd., a corporation organized under the laws of the Korea (the **Company**). The principal executive offices of the Company are located at Noritkum Square Business Tower 15F, 1605, Sangam-Dong, Mapo-Gu, Seoul 121-836, Korea.

**Item 2. Identity and Background.**

(a)-(c) and (f)

This statement is filed by GungHo Online Entertainment, Inc. (**GungHo**), a corporation organized under the laws of Japan and having its principal executive office at 2-2 Yurakucho 1-chome, Chiyoda-ku, Tokyo 100-0006, Japan. GungHo's principal business is online game planning, development, operations and internet distribution.

The name, present principal occupation, business address and citizenship of each of GungHo's directors and executive officers are set forth on the Schedule I to this Schedule 13D.

(d) and (e)

Neither GungHo nor, to the best of its knowledge, any of its directors or executive officers has, during the last five years, been (a) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (b) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

**Item 3. Source and Amount of Funds or Other Consideration.**

On February 14, 2008, GungHo executed a share subscription agreement (the **Share Subscription Agreement**) with Heartis Inc. (**Heartis**), a corporation organized under the laws of Japan, pursuant to which, on April 1, 2008, Heartis will transfer 3,640,619 shares of Common Stock (the **Shares**) to GungHo as a contribution in kind for 24,308 newly issued shares of common stock of GungHo. The number of shares to be issued by GungHo was determined based on an aggregate valuation of the Shares of 4,035,180,549 Japanese Yen. GungHo will obtain the legal title to the Shares when such contribution in kind is made. The consummation of the Share Subscription Agreement is not subject to any conditions.

An English translation of the Share Subscription Agreement is filed as Exhibit A to this Schedule 13D and is hereby incorporated by reference herein.

**Item 4. Purpose of Transaction.**

The information set forth under Item 3 above is incorporated herein by reference.

GungHo is acquiring the Shares with a view to establishing and maintaining a strategic relationship with the Company to, among other things, explore the development and marketing of products and services through a synergy to be created by harnessing GungHo's strengths in multi platform delivery with the Company's game development process.

Following consummation of the Share Subscription Agreement, if GungHo deems market and other conditions favorable, or if it otherwise decides, GungHo may increase or decrease its ownership of the Common Stock through open market purchases or sales, negotiated purchases or sales, or other transactions. However, if GungHo does not deem market and other conditions as favorable or if it otherwise decides, it may not do so. Except as set forth in this Item 4, GungHo does not have any plans or proposals which relate to or would result in the acquisition or disposition of Common Stock by it or any of the other events described in Items 4(a) through 4(j) of Schedule 13D.

**Item 5. Interest in Securities of the Issuer.**

(a) Prior to February 14, 2008, GungHo was not a beneficial owner of any shares of Common Stock. Upon execution of the Share Subscription Agreement, GungHo may be deemed to have beneficially acquired 3,640,619 shares of Common Stock, constituting approximately 52.4% of the total issued and outstanding Common Stock (based on 6,948,900 shares of Common Stock, the total number of Common Stock issued and outstanding as of the most recently available filing with the Securities and Exchange Commission by the Company on June 29, 2007). The Share Subscription Agreement will be consummated on April 1, 2008, and there are no conditions to be satisfied prior to that date.

After GungHo issues new shares pursuant to the Share Subscription Agreement, GungHo will be held 21.1% by Heartis and 14.7% by Asian Groove, Inc. ( Asian Groove ), a corporation organized under the laws of Japan. Taizo Son, the Chairman of GungHo, controls Heartis through his ownership of 100% of the issued share capital of Inter Operations Inc. ( Inter Operations ), a corporation organized under the laws of Japan, which owns 100% of the issued share capital of Heartis. Taizo Son also controls Asian Groove by directly owning 33.3% of the issued share capital of Asian Groove, and indirectly owning, through his ownership of Inter Operations, a further 33.3% of Asian Groove. Thus, Taizo Son indirectly will own or control 35.8% of the issued share capital of GungHo after GungHo issues new shares pursuant to the Share Subscription Agreement.

Also, after GungHo issues new shares pursuant to the Share Subscription Agreement, 33.6% of the issued share capital of GungHo will be owned by Softbank BB Corp. ( Softbank BB ), a corporation organized under the laws of Japan, and a subsidiary of SOFTBANK CORP. ( Softbank ), a corporation organized under the laws of Japan. Masayoshi Son is the Chairman & CEO of Softbank and Softbank BB, and brother to Taizo Son.

Despite the abovementioned direct and indirect ownership of GungHo by Taizo Son, Inter Operations and Asian Groove, along with Taizo Son's familial relationship with Masayoshi Son, Taizo Son, Inter Operations and Asian Groove disclaim beneficial ownership of the Shares because they do not believe they have, or will have, the ability to control GungHo's voting or disposition of the Shares. There is no agreement or understanding between Taizo Son and Masayoshi Son as to GungHo's voting or disposition of the Shares. Shares of GungHo not held by Heartis, Asian Groove or Softbank BB are held by public shareholders unaffiliated with Taizo Son, Inter Operations and Asian Groove. GungHo is a public company listed on the Nippon New Market Hercules in Japan, and the directors of GungHo owe a fiduciary duty to shareholders under Japanese law.

(b) After the Share Subscription Agreement is consummated, GungHo will be the registered owner and will have the sole power to vote or dispose or to direct the vote or disposition of the 3,640,619 shares of Common Stock beneficially owned by GungHo.

(c) Except for the transfer contemplated by the Share Subscription Agreement as described in Item 3, neither GungHo nor, to its knowledge, any of its directors or executive officers has effected any transaction in the Common Stock during the past sixty days.

(d) None.

(e) Not applicable.

**Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.**

The information set forth under Items 3 and 5 above is incorporated herein by reference.

**Item 7. Material to be Filed as Exhibits.**

Exhibit A English translation of Share Subscription Agreement, dated as of February 14, 2008, by and between GungHo Online Entertainment, Inc. and Heartis Inc.

**Signatures**

After reasonable inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.
