RATIOS OF EARNINGS TO FIXED CHARGES AND EARNINGS TO

COMBINED FIXED CHARGES AND PREFERRED STOCK DIVIDENDS

The following table sets forth our historical ratio of earnings to fixed charges and ratio of earnings to combined fixed charges and preferred stock dividends for the periods indicated:

	For the Years Ended December 31,				
	2007	2006	2005	2004	2003

interest and debt expense, capitalized interest and interest portion of rental expense. The ratios of earnings to combined fixed charges and preferred stock dividends were computed by dividing our earnings by fixed charges and preferred stock dividends.

DESCRIPTION OF PREFERRED STOCK

The following is a general description of the preferred stock that we may offer from time to time. The particular terms of the preferred stock being offered and the extent to which such general provisions may apply will be set forth in the applicable prospectus supplement. The statements below describing our preferred stock are in all respects subject to and qualified in their entirety by reference to the applicable provisions of our articles of incorporation and our bylaws. You should read our articles of incorporation and our bylaws for more complete information.

Authorized Stock

Our articles of incorporation allow us to issue up to 30,000,000 shares of common stock, par value \$.01 per share, and 1,000,000 shares of preferred stock, par value \$.01 per share. As of December 31, 2007, we had 17,747,529 shares of common stock outstanding and 4,000 shares of 8% Series A Cumulative Redeemable Preferred Stock outstanding, which we refer to as our Series A preferred stock.

Series A Preferred Stock

Pursuant to an articles supplementary to our articles of incorporation, we authorized 40,000 shares of Series A preferred stock, all of which are outstanding as of December 31, 2007. The Series A preferred stock is represented by 4,000,000 depository shares, each representing 1/100th of a share of Series A preferred stock. The depository shares may be redeemed, in whole or in part, at the \$25.00 liquidation preference, at our option on or after November 5, 2008. The depository shares pay an annual dividend of \$2.00 per depository share, equivalent to 8% of the \$25.00 liquidation preference. The Series A preferred stock has no stated maturity, is not subject to any sinking fund or mandatory redemption and is not convertible into any of our other securities. Investors in the depository shares generally have no voting rights, but will have limited voting rights if we fail to pay dividends for six or more quarters (whether or not declared or consecutive) and in certain other events.

Preferred Stock

General. Shares of preferred stock may be offered and sold from time to time, in one or more series, as authorized by the Board of Directors. The Board of Directors is authorized by Maryland law and our articles of incorporation to set for each series the terms, preferences, conversion or other rights, voting powers, restrictions, limitations as to distributions, qualifications and terms or conditions of redemption. The preferred stock will have no preemptive rights to subscribe for any additional securities which we may issue in the future. This means that the purchasers of shares of preferred stock will not receive any rights, as a holder of preferred stock, to buy any portion of the securities which we may issue in the future. The Board of Directors has the power to set preferences, powers and rights, voting or other terms preferred stock that are senior to, or better than, the rights of holders of common stock or other classes or series of preferred stock. The offer and sale of preferred stock could have the effect of delaying or preventing a change of our control that might involve a premium price for holders of our common stock or otherwise be favorable to them.

Terms. You should refer to the prospectus supplement relating to the offering of any preferred stock for specific terms, including the following terms:

the title and stated value of the preferred stock;

the number of shares of preferred stock offered and the offering price of those shares;

the dividend rate(s), period(s) and/or payment date(s) or method(s) of calculation of any of those terms that apply to those shares of preferred stock;

Edgar Filing: SAUL CENTERS INC - Form S-3

the date from which dividends on those shares of preferred stock will accumulate, if applicable;

the terms and amount of a sinking fund, if any, for the purchase or redemption of those shares of preferred stock;

the redemption rights, including conditions and the redemption price(s), if applicable, of those shares of preferred stock;

Table of Contents

any listing of those shares of preferred stock on any securities exchange or automated quotation system;

the relative ranking and preference of those shares of preferred stock as to dividend rights and rights upon liquidation, dissolution or the winding up of our affairs;

any limitations on issuance of any series of preferred stock ranking senior to or on a parity with that series of preferred stock as to dividend rights and rights upon liquidation, dissolution or the winding up of our affairs;

the procedures for any auction and remarketing, if any, for those shares of preferred stock;

any other specific terms, preferences, rights, limitations or restrictions of those shares of preferred stock;

a discussion of federal income tax consequences applicable to those shares of preferred stock; and

any limitations on direct or beneficial ownership and restrictions on transfer in addition to those described in Certain Provisions of Maryland Law and our Articles of Incorporation and Bylaws Restrictions on Ownership and Transfer, in each case as may be appropriate to preserve our status as a real estate investment trust.

The terms of any preferred stock we issue through this prospectus will be set forth in an articles supplementary or amendment to our articles of incorporation. We will file the articles supplementary or amendment as an exhibit to the registration statement that includes this prospectus, or as an exhibit to a filing with the SEC that is incorporated by reference into this prospectus. The description of preferred stock in any prospectus supplement will not describe all of the terms of the preferred stock in detail. You should read the applicable articles supplementary or amendment to our articles of incorporation for a complete description of all of the terms.

Rank. Unless we say otherwise in a prospectus supplement, the preferred stock offered through that supplement will, with respect to dividend rights and rights upon our liquidation, dissolution or winding up, rank:

senior to all classes or series of our common stock, and to all other equity securities ranking junior to those shares of preferred stock;

on a parity with our existing Series A preferred stock and all equity securities we have issued, the terms of which specifically provide that such equity securities rank on a parity with the preferred stock; and

junior to all of our equity securities ranking senior to the shares of preferred stock.

The term equity securities does not include convertible debt securities.

Dividends. Holders of preferred stock of each series will be entitled to receive, when, as and if declared by our Board of Directors, out of our assets legally available for payment, cash dividends (or dividends in kind or in other property if expressly permitted and described in the applicable prospectus supplement) at such rates and on such dates as will be set forth in the applicable prospectus supplement. Each such dividend shall be payable to holders of record as they appear on our share transfer books on such record dates as shall be fixed by our Board of Directors. Dividends on any series of preferred stock may be cumulative or non-cumulative, as provided in the applicable prospectus supplement. Dividends, if cumulative, will be cumulative from and after the date set forth in the applicable prospectus supplement. If our Board of Directors fails to declare a dividend payable on a dividend payment date on any series of preferred stock for which dividends are noncumulative, then the holders of such series of preferred stock will have no right to receive a dividend in respect of the dividend period ending on such dividend payment date. We will have no obligation to pay the dividend accrued for such period, whether or not dividends on such series are declared payable on any future dividend payment date.

Table of Contents

Redemption. If we provide for a redemption right in a prospectus supplement, the preferred stock offered through that supplement will be subject to mandatory redemption or redemption at our option, in whole or in part, in each case upon the terms, at the times and at the redemption prices set forth in that supplement.

The prospectus supplement relating to a series of our preferred stock that is subject to mandatory redemption will specify:

the number of shares of such preferred stock that we will redeem in each year;

the year the redemption will commence;

the redemption price per share, together with an amount equal to all accrued and unpaid dividends to the date of redemption; and

whether the redemption price may be payable in cash or other property.

If the redemption price for our preferred stock of any series is payable only from the net proceeds of the issuance of our capital stock, the terms of such preferred stock may provide that, if we have not issued capital stock or to the extent the net proceeds from any issuance are insufficient to pay in full the aggregate redemption price then due, such preferred stock shall automatically and mandatorily be converted into the applicable class or series of our capital stock pursuant to conversion provisions specified in the applicable prospectus supplement.

We cannot redeem, purchase or otherwise acquire shares of a series of preferred stock unless:

for preferred stock with cumulative dividends, we have declared and paid, or declared and set apart a sum sufficient to pay full cumulative dividends on the preferred stock through the then-current dividend period; or

for preferred stock lacking cumulative dividends, we have declared and paid, or declared and set apart a sum sufficient to pay full dividends for the then-current dividend period.

The foregoing shall not prevent the purchase or acquisition of preferred stock of such series to preserve our REIT status or pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding preferred stock of such series.

If fewer than all of our outstanding preferred stock of any series are to be redeemed, we will determine the number of shares to be redeemed. We may redeem the shares on a *pro rata* basis from the holders of record of those shares in proportion to the number of those shares held or for which redemption is requested by the holder (with adjustments to avoid redemption of fractional shares) or by lot in a manner we determine.

Notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each holder of record of preferred stock of any series to be redeemed at the address shown on our share transfer books. Each notice shall state:

the redemption date;

the number of shares and the series of preferred stock to be redeemed;

the redemption price;

Edgar Filing: SAUL CENTERS INC - Form S-3

the place or places where certificates for such shares are to be surrendered for payment of the redemption price;

that dividends on the shares to be redeemed will cease to accrue on such redemption date; and

Table of Contents

the date upon which the holder's conversion rights, if any, as to such shares shall terminate.

If fewer than all of the preferred stock of any series are to be redeemed, the notice mailed to each holder shall also specify the number of shares of preferred stock to be redeemed from each holder. If notice of redemption of any preferred stock has been given and if we have set aside the funds necessary for such redemption in trust for the benefit of the holders of any of our preferred stock so called for redemption, then from and after the redemption date dividends will cease to accrue on the preferred stock, and all rights of the holders of the redeemable shares will terminate, except the right to receive the redemption price.

Liquidation Preference. As to any preferred stock offered through this prospectus, the applicable supplement shall provide that, upon the voluntary or involuntary liquidation, dissolution or winding up of our affairs, the holders of those shares of preferred stock shall receive, before any distribution or payment shall be made to the holders of any other class or series of stock ranking junior to those shares of preferred stock in our distribution of assets upon any liquidation, dissolution or winding up, and after payment or provision for payment of our debts and other liabilities, out of our assets legally available for distribution to stockholders, liquidating distributions in the amount of any liquidation preference per share (set forth in the applicable supplement), plus an amount, if applicable, equal to all distributions accrued and unpaid thereon (not including any accumulation in respect of unpaid distributions for prior distribution periods if those shares of preferred stock do not have a cumulative distribution). After payment of the full amount of the liquidating distributions to which they are entitled, the holders of those shares of preferred stock will have no right or claim to any of our remaining assets. In the event that, upon our voluntary or involuntary liquidation, dissolution or winding up, the legally available assets are insufficient to pay the amount of the liquidating distributions on all of those outstanding shares of preferred stock and the corresponding amounts payable on all of our shares of other classes or series of equity security ranking on a parity with those shares of preferred stock in the distribution of assets upon liquidation, dissolution or winding up, then the holders of those shares of preferred stock and all other such classes or series of equity security shall share ratably in any such distribution of assets in proportion to the full liquidating distributions to which they would otherwise be respectively entitled.

If the liquidating distributions are made in full to all holders of preferred stock entitled to receive those distributions prior to any other classes or series of equity security ranking junior to the preferred stock upon our liquidation, dissolution or winding up, then our remaining assets shall be distributed among the holders of those junior classes or series of equity stock, in each case according to their respective rights and preferences and their respective number of shares of stock.

Voting Rights. Unless otherwise indicated in the applicable supplement, holders of our preferred stock will not have any voting rights, except as may be required by applicable law or any applicable rules and regulations of any national securities exchange or automated quotation system where the preferred stock is listed or quoted.

Conversion Rights. No preferred stock offered through this prospectus shall be convertible into common stock.

Restrictions on Ownership. As discussed below under Certain Provisions of Maryland Law and our Articles of Incorporation and Bylaws Restrictions on Ownership and Transfer, for us to qualify as a REIT under the U.S. Internal Revenue Code of 1986, as amended (the Code), not more than 50% in value of our outstanding equity securities may be owned, actually or constructively (based on attribution rules in the Code), by five or fewer individuals during the last half of a taxable year or a proportionate part of a shorter taxable year, which we refer to as the 5/50 Rule. To assist us in meeting this requirement, we may take certain actions to limit the beneficial ownership, directly or indirectly, by a single person of our outstanding equity securities, including any of our shares of preferred stock. Therefore, the designating amendment for each series of preferred stock may contain provisions restricting the ownership and transfer of preferred stock.

Book-Entry Preferred Stock. The preferred stock of a series may be issued in whole or in part in the form of one or more global securities that will be deposited with, or on behalf of, a depository identified in the applicable prospectus supplement relating to such series. Global securities may be issued in either registered or bearer form and in either temporary or permanent form. The specific terms of the depository arrangement with respect to a series of

Table of Contents

preferred stock will be described in the applicable prospectus supplement relating to such series.

Transfer Agent and Registrar. We will identify the transfer agent and registrar for any series of shares of preferred stock issued through this prospectus in a prospectus supplement. Continental Stock Transfer & Trust Company is the transfer agent of our existing Series A preferred stock.

DESCRIPTION OF DEPOSITARY SHARES

The following is a general description of the depositary shares that we may offer from time to time. The particular terms of the depositary shares being offered and the extent to which such general provisions may apply will be set forth in the applicable prospectus supplement.

General. We may issue receipts for depositary shares, each of which will represent a fractional interest of a share of a particular series of a class of our preferred stock. We will deposit the shares of preferred stock of any series represented by depositary shares with a depositary under a deposit agreement. We will identify the depositary in a prospectus supplement. Subject to the terms of the deposit agreement, if you own a depositary share, you will be entitled, in proportion to the fraction of the share of preferred stock represented by your depositary share, to all of the rights and preferences to which you would be entitled if you owned the share of preferred stock represented by your depositary share directly (including dividend, voting, redemption, subscription and liquidation rights). As of December 31, 2007, we had 4,000,000 depositary shares, each representing 1/100th of a share of our Series A preferred stock, issued and outstanding.

The depositary shares will be represented by depositary receipts issued pursuant to the applicable deposit agreement. Immediately following the issuance and delivery of our preferred stock to the depositary, we will cause the depositary to issue, on our behalf, the depositary receipts. Upon request, we will provide you with copies of the applicable form of deposit agreement and depositary receipt.

Dividends and Other Provisions. If you are a record holder (as defined below) of depositary receipts and we pay a cash dividend or other cash distribution with respect to the preferred stock represented by your depositary share, the depositary will distribute all cash dividends or other cash distributions it receives in respect of the preferred stock represented by your depositary receipts in proportion to the numbers of depositary shares you owned on the record date for that dividend or distribution.

If we make a distribution in a form other than cash, the depositary will distribute the property it receives to you and all other record holders of depositary receipts in an equitable manner, unless the depositary determines that it is not feasible to do so. If the depositary decides it cannot feasibly distribute the property, it may sell the property and distribute the net proceeds from the sale to you and the other record holders. The amount the depositary distributes in any of the foregoing cases may be reduced by any amounts that we or the depositary is required to withhold on account of taxes.

A record holder is a person who holds depositary receipts on the record date for any dividend, distribution or other action. The record date for depositary shares will be the same as the record date for the preferred stock represented by those depositary receipts.

Withdrawal of Preferred Stock. If you surrender your depositary receipts, the depositary will be required to deliver certificates to you evidencing the number of shares of preferred stock represented by those receipts (but only in whole shares). If you deliver depositary receipts representing a number of depositary shares that is greater than the number of whole shares to be withdrawn, the depositary will deliver to you at the same time a new depositary receipt evidencing the fractional shares.

Redemption of Depositary Shares. If we redeem a series of shares of preferred stock represented by depositary receipts, the depositary will redeem depositary shares from the proceeds it receives after redemption of the preferred stock. The redemption price per depositary share will be equal to the applicable fraction of the

Table of Contents

redemption price per share payable with respect to that series of shares of preferred stock. If fewer than all the depositary shares are to be redeemed, the depositary will select shares to be redeemed by lot, pro rata or by any other equitable method it may determine. After the date fixed for redemption, the depositary shares called for redemption will no longer be outstanding. All rights of the holders of those depositary shares will cease, except the right to receive the redemption price that the holders of the depositary shares were entitled to receive upon redemption. Payments will be made when holders surrender their depositary receipts to the depositary.

Voting the Preferred Stock. When the depositary receives notice of any meeting at which the holders of preferred stock are entitled to vote, the depositary will mail information contained in the notice to you as a record holder of the depositary shares relating to the preferred stock. As a record holder of the depositary shares on the record date (which will be the same date as the record date for the preferred stock), you will be entitled to instruct the depositary as to how you would like your votes to be exercised. The depositary will endeavor, insofar as practicable, to vote the number of shares of preferred stock represented by your depositary shares in accordance with your instructions. We will agree to take all reasonable action that the depositary may deem necessary to enable the depositary to do this. If you do not send specific instructions the depositary will not vote the preferred stock represented by your depositary shares.

Liquidation Preference. In the event of our liquidation, dissolution or winding up, whether voluntary or involuntary, you will be entitled, as a record holder of depositary shares, to the fraction of the liquidation preference accorded each applicable share of preferred stock, as has been set forth in a prospectus supplement.

Amendment and Termination of the Deposit Agreement. We and the depositary may amend the form of depositary receipt and any provision of the deposit agreement at any time. However, any amendment which materially and adversely alters your rights as a holder of depositary shares will not be effective unless the holders of at least a majority of the depositary shares then outstanding approve the amendment. The deposit agreement will only terminate if:

we redeem all outstanding depositary shares; or

we make a final distribution in respect of the related preferred stock to which the depositary shares and agreement relate, including in connection with any liquidation, dissolution or winding up and the distribution has been distributed to the holders of depositary shares.

Resignation and Removal of Depositary. The depositary may resign at any time by delivering notice to us of its election to do so. Additionally, we may remove the depositary at any time. Any resignation or removal will take effect when we appoint a successor depositary and the successor accepts the appointment. We must appoint a successor depositary within 60 days after delivery of the notice of resignation or removal. A successor depositary must be a bank or trust company having its principal office in the U.S. and having a combined capital and surplus of at least \$50 million.

Charges of Depositary. We will pay all transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangements. We will pay charges of the depositary in connection with the initial deposit of the preferred stock and issuance of depositary receipts, all withdrawals of preferred stock by owners of the depositary shares and any redemption of the preferred stock. You will pay other transfer and other taxes, governmental charges and other charges expressly provided for in the deposit agreement.

Miscellaneous. The depositary will forward to you all notices, reports and communications, including proxy soliciting material, from us that we are required, or otherwise determine, to furnish to the holders of the preferred stock.

Neither we nor the depositary will be liable under the deposit agreement to you other than for the depositary's gross negligence, willful misconduct or bad faith. Neither we nor the depositary will be obligated to prosecute or defend any legal proceeding in respect of any depositary shares or preferred stock unless satisfactory indemnity is furnished. We and the depositary may rely upon written advice of counsel or accountants, or upon information provided by persons presenting preferred stock for deposit, holders of depositary receipts or other

persons believed to be competent and on documents believed to be genuine.

**CERTAIN PROVISIONS OF MARYLAND LAW AND
OUR ARTICLES OF INCORPORATION AND BYLAWS**

The following summary of certain provisions of the Maryland General Corporation Law and our articles of incorporation and bylaws is not complete. You should read the Maryland General Corporation Law and our articles of incorporation and bylaws for more complete information. The business combination provisions and the control share acquisition provisions of Maryland law, both of which are discussed below, could have the effect of delaying or preventing a change in our control. Also, the removal of directors provisions and the advance notice provisions of the bylaws could have the effect of delaying or preventing a transaction or a change in our control. These provisions could have the effect of discouraging offers to acquire us and of increasing the difficulty of consummating any such offer, even if the offer contains a premium price for holders of our equity stock or otherwise benefits stockholders.

Restrictions on Ownership and Transfer. Restrictions on ownership and transfer of shares are important to ensure that we meet certain conditions under the Code to qualify as a REIT. For example, the Code contains the following requirements.

No more than 50% in value of a REIT's stock may be owned, actually or constructively (based on attribution rules in the Code), by five or fewer individuals during the last half of a taxable year or a proportionate part of a shorter taxable year, which we refer to as the 5/50 Rule. Under the Code, individuals include certain tax-exempt entities, except that qualified domestic pension funds are not generally treated as individuals.

If a REIT, or an owner of 10% or more of a REIT, is treated as owning 10% or more of a tenant of the REIT's property, the rent received by the REIT from the tenant will not be qualifying income for purposes of the REIT gross income tests of the Code.

A REIT's stock or beneficial interests must be owned by 100 or more persons during at least 335 days of a taxable year of 12 months or during a proportionate part of a shorter taxable year.

In order to maintain our qualification as a REIT, our articles of incorporation, subject to certain exceptions described below, provides that no person may own, or be deemed to own by virtue of the attribution provisions of the Code, more than 2.5% in value of our issued and outstanding equity securities with the exception of members of The Saul Organization, who are restricted to 39.9% in value of our issued and outstanding equity securities. In this prospectus, the term ownership limitation is used to describe this provision of our articles of incorporation.

As of December 31, 2007, Mr. Saul II and members of The Saul Organization owned common stock representing approximately 33.7% in value of all our issued and outstanding equity securities. In addition, members of The Saul Organization beneficially owned Partnership units that are, in general, convertible into our common stock on a one-for-one basis. Members of the Saul Organization are permitted under our articles of incorporation to convert Partnership units into shares of common stock or acquire additional shares of common stock until The Saul Organization's actual ownership of common stock reaches 39.9% in value of our equity securities.

Any transfer of shares will be null and void, and the intended transferee will acquire no rights in such shares if the transfer:

results in any person owning, directly or indirectly, shares in excess of the ownership limitation;

Table of Contents

results in the shares being owned by fewer than 100 persons (determined without reference to any rules of attribution);

results in our being closely held (within the meaning of Section 856(h) of the Code); or

otherwise results in our failure to qualify as a REIT.

If a stockholder owns more than 1.9% of the value of our outstanding equity stock, then the stockholder must notify us of its share ownership by January 31 of each year.

The ownership limitation generally does not apply to the acquisition of stock by an underwriter that participates in a public offering of such stock. In addition, the Board of Directors may exempt a person from the ownership limitation under certain circumstances and conditions. The Board of Directors may not grant an exemption from the ownership limitation to any proposed transferee whose ownership, direct or indirect, of our stock in excess of the ownership limitation would result in the termination of our status as a REIT. The Board of Directors has authorized us to grant waivers to look-through entities, such as mutual funds, in which shares of equity stock owned by the entity are treated as owned proportionally by individuals who are the beneficial owners of the entity. Even though these entities may own stock in excess of the 2.5% ownership limit, no individual beneficially or constructively would own more than 2.5%.

In September 1999, our Board of Directors agreed to waive the ownership limit with respect to Wells Fargo Bank, National Association and U.S. Bank National Association, the pledgees of certain shares of our common stock and units issued by the Partnership and held by members of The Saul Organization.

The ownership limitation could have the effect of delaying, deferring or preventing a transaction or a change in our control that might involve a premium price for our stock or otherwise be in the best interest of our stockholders. All certificates representing shares of stock will bear a legend referring to the restrictions described above.

Automatic Transfer of Stock to Trust. With certain exceptions described below, if any purported transfer of shares would violate any of the restrictions described in the immediately preceding paragraph, then the transfer will be null and void, and those shares will be designated as excess stock and transferred automatically to a trust. The transfer to the trust is effective as of the end of the business day next preceding the date of the purported transfer of such shares. The record holder of the shares that are designated as excess stock must deliver those shares to us for registration in the name of the trust. We will act as trustee of the trust. The beneficiary of the trust will be the persons to whom an interest in the excess stock is eventually transferred as provided below.

Any shares of excess stock remain issued and outstanding shares of stock. From and after the purported transfer resulting in excess stock, the record holder shall not be entitled to any dividends or distributions (except upon liquidation) or voting right, except as required by law, but shall be entitled to the right to payment of the purchase price of the shares. Any dividend or distribution paid to a record holder on excess stock shall be repaid to us upon demand. Subject to the ownership limitation, the excess stock may be retransferred by the record holder to any person if the excess stock will not be excess stock in the hands of the person at a price not to exceed:

the price paid by the record holder; or

if no consideration was paid, fair market value, at which point the excess stock will automatically be exchanged for the equity stock to which the excess stock was attributable.

In addition, the excess stock will be subject to repurchase by us at our election for a period of 90 days after the date of the purported transfer which resulted in such excess stock at a price per share equal to the lesser of (1) the price per share in the transaction that created the excess stock or (2) the fair market value of such shares on the date

that we, or our designee, determine to exercise the repurchase right.

Any person who acquires or attempts to acquire common stock or preferred stock which would be null and void under the restrictions described above, or any person who owned common stock or preferred stock that were transferred to a trust, must (1) give us immediate written notice of such event and (2) provide us such other information as requested in order to determine the effect, if any, of such transfer on our status as a REIT.

Business Combinations. Maryland General Corporation Law prohibits us from entering into business combinations and other corporate transactions unless special actions are taken. The business combinations that require these special actions include a merger, consolidation, share exchange, or, in certain circumstances, an asset transfer or issuance of equity securities when the combination is between us and an interested stockholder (as defined below). An interested stockholder is:

any person who beneficially owns 10% or more of the voting power of our shares; or

any of our affiliates which beneficially owned 10% or more of the voting power of our shares within two years prior to the date in question.

We may not engage in a business combination with an interested stockholder or any of its affiliates for five years after the interested stockholder becomes an interested stockholder. We may engage in business combinations with an interested stockholder if at least five years have passed since the person became an interested stockholder, but only if the transaction is:

recommended by our Board of Directors; and

approved by at least

80% of our outstanding shares entitled to vote; and

two-thirds of our outstanding shares entitled to vote that are not held by the interested stockholder.

Stockholder approval will not be required if our stockholders receive a minimum price (as defined in the statute) for their shares and our stockholders receive cash or the same form of consideration as the interested stockholder paid for its shares.

This prohibition does not apply to business combinations involving us that are exempted by the Board of Directors before the interested stockholder becomes an interested stockholder. Our articles of incorporation have exempted from this provision any business combination with a member of The Saul Organization.

Control Share Acquisitions. The Maryland General Corporation Law provides that control shares of a Maryland corporation acquired in a control share acquisition have no voting rights unless two-thirds of the stockholders (excluding shares owned by the acquirer, and by the officers and directors who are employees of the Maryland corporation) approve their voting rights.

Control Shares are shares that, if added with all other shares previously acquired, would entitle that person to vote, in electing the directors

10% or more but less than one-third of such shares;

one-third or more but less than a majority of such shares; or

a majority of the outstanding shares.

Control shares do not include shares the acquiring person is entitled to vote with stockholder approval. A

control share acquisition means the acquisition of control shares, subject to certain exceptions.

If this provision becomes applicable to us, a person who has made or proposes to make a control share acquisition could, under certain circumstances, compel our Board of Directors to call a special meeting of stockholders to consider the voting rights of the control shares. We could also present the question at any stockholders meeting on our own.

If this provision becomes applicable to us, subject to certain conditions and limitations, we would be able to redeem any or all control shares. If voting rights for control shares were approved at a stockholders meeting and the acquirer were entitled to vote a majority of the shares entitled to vote, all other stockholders could exercise appraisal rights and exchange their shares for a fair value as defined by statute.

Our articles of incorporation state that the Maryland control share acquisition law will not apply to any acquisition of our capital stock by the following persons:

members of The Saul Organization;

directors, officers and employees of us and the Partnership; and

any other persons authorized by the Board of Directors.

Limitation of Liability of Directors and Officers. Our articles of incorporation provide that, to the fullest extent that limitations on the liability of directors and officers are permitted by the Maryland General Corporation Law, no director or officer shall be liable to us or our stockholders for money damages. The Maryland General Corporation Law provides that we may restrict or limit the liability of directors or officers for money damages except

to the extent anyone actually received an improper benefit or profit in money property or services; or

a judgment or other final adjudication adverse to the person is entered in a proceeding based on a finding that the person's action was material to the cause of action adjudicated and the action or failure to act was the result of bad faith or active and deliberate dishonesty.

Indemnification of Directors and Officers. Our articles and bylaws require us to indemnify to the fullest extent permitted by and under the applicable provisions of Maryland General Corporation Law any person who is or was, or who agrees to become, one of our directors or officers or, while one of our directors, is or was serving or agrees to serve, as a director, officer, partner, joint venturer, employee or trustee of another entity, who, by reason of his or her status or service as such was, or is threatened to be made a party, or otherwise involved in any proceeding. The indemnification extends to all losses suffered and all expenses actually and reasonably incurred in connection with any proceeding. The Maryland General Corporation Law provides that we may indemnify directors and officers unless

the director actually received an improper benefit or profit in money, property or services;

the act or omission of the director was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty; or

in a criminal proceeding, the director had reasonable cause to believe that the act or omission was unlawful.

Our articles of incorporation and bylaws require, as a condition to advancing expenses, (1) a written affirmation by the director or officer of his good faith belief that he has met the standard of conduct necessary for indemnification by us and (2) a written affirmation to repay the amount paid by us if it is determined that the director or officer was not entitled to indemnification.

Our articles of incorporation and bylaws also provide that:

we may, but are not required to, provide indemnification, payment or reimbursement of expenses to any of our employees or agents in such capacity or any person who is or was serving at our request as a director, officer, partner, joint venturer, employee, trustee or agent of another corporation or entity;

the Board of Directors may authorize management to act on our behalf in matters relating to indemnification, subject to any limitations that may be imposed by the Board of Directors and to the requirements of applicable law;

indemnification and payment or reimbursement of advances as may be permitted or required pursuant to our bylaws shall be furnished in accordance with the procedures set forth in the Maryland General Corporation Law; and

we may provide such other further indemnification or provision for the payment or advancement of expenses as may be permitted by the Maryland General Corporation Law for directors of Maryland corporations.

Duties of Directors. Under Maryland law, there is a presumption that the act of a director satisfies the required standard of care. An act of a director relating to or affecting an acquisition or a potential acquisition of control is not subject under Maryland law to a higher duty or greater scrutiny than is applied to any other act of a director. This provision does not impose an enhanced level of scrutiny when a board implements anti-takeover measures in a change of control context, and shifts the burden of proof for demonstrating that the defensive mechanism adopted by a board is reasonable in relation to the threat posed to the board.

Number of Directors; Classified Board. The number of directors may be increased or decreased pursuant to the bylaws, provided that the total number of directors may not be less than three or more than 15. Under Maryland law and our articles of incorporation, directors, subject to the rights of holders of any shares of preferred stock, are elected in three classes for staggered, three-year terms.

Removal of Directors. Under the articles of incorporation, and subject to the rights of any holders of preferred stock, our stockholders may remove a director only with cause upon the affirmative vote of 75% of the Board of Directors or 75% of the number of shares outstanding and entitled to vote on that matter.

Vacancies on the Board of Directors. The bylaws provide that, subject to the rights of any holders of preferred stock, any vacancy on the Board of Directors, including a vacancy created by an increase in the number of directors, may be filled by vote of a majority of the remaining directors. Each director so elected shall serve for the unexpired term of the director he is replacing.

Meetings of Stockholders. Our bylaws provide for an annual meeting of stockholders, to be held in April, to elect individuals to the Board of Directors for that class of directors then standing for election and transact such other business as may properly be brought before the meeting. Special meetings of stockholders may be called by our Chairman of the Board, President or by a majority of the Board of Directors, and shall be called at the request in writing of the holders of 25% of all votes entitled to be cast at the meeting.

Our bylaws provide that any action required or permitted to be taken at a meeting of stockholders may be taken without a meeting, if all of the shares entitled to vote on the matter consent to the action in writing, the written consents are filed with the records of the meetings of stockholders and each stockholder executed a written waiver of any right to dissent.

Advance Notice for Stockholder Nominations and Stockholder New Business Proposals. Our bylaws require advance written notice for stockholders to nominate a director or bring other business before a meeting of stockholders. For an annual meeting, to nominate a director or bring other business before a meeting of stockholders, a stockholder must deliver notice to our Secretary not later than the close of business on the 60th day

nor earlier than the close of business on the 90th day prior to the first anniversary of the preceding year's annual meeting. If the date of the annual meeting is advanced by more than 30 days or delayed by more than 60 days from the anniversary date, however, notice must be timely delivered not earlier than the close of business on the 90th day prior to such annual meeting and not later than the close of business on the later of the 60th day prior to the annual meeting or the 10th day following the date on which public announcement is first made of the annual meeting.

For a special meeting, to nominate a director, a stockholder must deliver notice to our Secretary not earlier than the close of business on the 90th day prior to the special meeting and not later than the close of business on the
