Item 1.01. Entry into a Material Definitive Agreement.

Merger Agreement

On September 7, 2008, UST Inc., a Delaware corporation ("UST" or the "Company"), Altria Group, Inc., a Virginia corporation ("Altria" or "Parent" and Armchair Merger Sub, Inc., a Delaware corporation and an indirect wholly-owned subsidiary of Parent (the "Merger Subsidiary"), entered into an Agreement and Plan of Merger, dated as of September 7, 2008 (the "Merger Agreement"). Pursuant to the Merger Agreement, the Merger Subsidiary will be merged with and into the Company (the "Merger"), with the Company surviving as an indirect wholly-owned subsidiary of Parent.

In connection with the Merger, each outstanding share of the Company's common stock (the "Common Stock"), other than those held by the Company, Parent or the Merger Subsidiary, and other than those shares with respect to which appraisal rights are properly exercised and not withdrawn, will be converted into the right to receive \$69.50 in cash ("Per Share Merger Consideration"), without interest. Each option to purchase the Company's Common Stock that is outstanding and unexercised immediately prior to the effective time of the Merger will be cancelled in exchange for the right to receive the difference between the exercise price for such option and the Per Share Merger Consideration, less applicable taxes required to be withheld.

The completion of the Merger is subject to certain conditions, including, among others (i) approval of the Merger by the Company's stockholders, (ii) the absence of certain legal impediments to the consummation of the Merger, (iii) the expiration or termination of the applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and obtaining other antitrust approvals, (iv) subject to certain materiality exceptions, the accuracy of the representations and warranties made by the Company and Parent, respectively, (v) compliance by the Company and Parent with their respective obligations under the Merger Agreement, and (vi) the absence of any change, event, circumstances or development that has had, or is reasonably expected to have, a Company Material Adverse Effect (as defined in the Merger Agreement).

Each of the Company and Parent have made representations and warranties in the Merger Agreement. The Company has also agreed to various covenants and agreements, including, among others things, subject to certain exceptions, (i) to conduct its business in the ordinary course of business between the execution of the Merger Agreement and closing of the Merger and not to engage in certain transactions during such period, (ii) not to solicit alternative transactions or enter into discussions concerning, or provide confidential information in connection with, any alternative transaction, and (iii) that the Company's board of directors will recommend that the Company's stockholders vote in favor of the adoption of the Merger Agreement. Under the terms of the Merger Agreement, the Company is permitted to pay regular quarterly dividends.

The Merger Agreement contains specified termination rights for the parties, including the right of the Company in certain circumstances to terminate the Merger Agreement and accept a Superior Proposal (as defined in the Merger Agreement). The Merger Agreement also provides that, in certain circumstances, the Company would be required to pay Parent a termination fee of \$250 million and, in the event that Parent has failed to cause the Merger to be consummated by the End Date (as defined in the Merger Agreement), under certain circumstances, Parent would be obligated to pay the Company a termination fee equal to \$200 million.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, reference to the Merger

Agreement, a copy of which is attached hereto as Exhibit 2.1 and the terms of which are incorporated herein by reference.

The Merger Agreement has been included to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about the Company, Parent or the Merger Subsidiary. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates; were solely for the benefit of the parties to the Merger Agreement; may be subject to limitations agreed upon by the contracting parties, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company, Parent or the Merger Subsidiary or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Altria's public disclosures.

Financing Commitment

On September 7, 2008, in connection with the Merger Agreement, Altria entered into a commitment letter (the "Commitment Letter"), pursuant to which JPMorgan Chase Bank, N.A. ("JPMCB"), Goldman Sachs Credit Partners L.P. ("GSCP") and Goldman Sachs Bank USA ("GSB") and together with GSCP and JPMCB, the "Initial Lenders") have committed to provide a portion of the financing for the transactions contemplated by the Merger Agreement. The Commitment Letter provides that the Initial Lenders will commit to provide up to \$7 billion under a senior 364-Day Bridge Loan Facility (the "New Bridge Facility"). The commitment is subject to various conditions, including no material adverse change having occurred in the financial conditions or operations of Altria; no Company Material Adverse Effect (as defined in the Merger Agreement) having occurred that would permit Altria not to consummate the Merger; the negotiation of definitive documentation with respect to the New Bridge Facility satisfactory to the Initial lenders; and other closing conditions.

The foregoing description of the Commitment Letter and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the full text of the Commitment Letter a copy of which is attached hereto as Exhibit 10.1 and the terms of which are incorporated herein by reference.
