ITEM 5.01. CHANGE IN CONTROL OF REGISTRANT.

On February 23, 2009, BTB Purchaser Inc. (Purchaser), a Delaware corporation and a wholly-owned subsidiary of Endo Pharmaceuticals Holdings Inc., a Delaware corporation (Parent), completed its initial tender offer (the Offer) for all outstanding shares of common stock, par value \$0.001 per share (the Shares), of Indevus Pharmaceuticals, Inc., a Delaware corporation (the Company), at a price of \$4.50 per Share, net to the seller in cash (less any required withholding taxes and without interest), plus contractual rights to receive up to an additional \$3.00 per Share in contingent cash consideration payments (the Offer Price), pursuant to the terms of the Agreement and Plan of Merger, dated as of January 5, 2009, by and among Parent, Purchaser and the Company (as amended, the Merger Agreement). The Offer expired at 5:00 p.m., New York City time, on February 20, 2009. The Company was advised by the depository for the Offer that, as of the expiration of the Offer, a total of approximately 61,358,944 Shares were validly tendered and not withdrawn (including Shares delivered through notices of guaranteed delivery), representing approximately 77.972% of the Shares outstanding. On February 23, 2009, Parent announced that Purchaser had accepted for payment in accordance with the terms of the Offer all Shares that were validly tendered and not withdrawn prior to the expiration of the Offer. On that same day, Purchaser paid \$276,115,248 in aggregate initial cash consideration for the Shares tendered to the depository and Parent entered into the Nebido Contingent Cash Consideration Agreement and the Octreotide Contingent Consideration Agreement (each as defined in the Merger Agreement), providing for the payment of up to an additional \$3.00 per Share in contingent cash consideration payments, in accordance with the terms of the Offer.

On February 23, 2009, Parent also announced that Purchaser had commenced a subsequent offering period for all remaining untendered Shares. The subsequent offering period will expire at 5:00 p.m., New York City time, on February 27, 2009, unless extended. Any such extension will be followed by a public announcement no later than 9:00 a.m., New York City time, on the next business day after the subsequent offering period was scheduled to expire.

The same Offer Price per Share offered in the initial offering period of the Offer will be paid during the subsequent offering period. Purchaser will immediately accept for payment all Shares validly tendered during this subsequent offering period, and payment will be made promptly after acceptance, in accordance with the terms of the Offer. Procedures for tendering Shares during the subsequent offering period are the same as during the initial offering period with two exceptions: (1) Shares cannot be delivered by the guaranteed delivery procedure, and (2) pursuant to Rule 14d-7(a)(2) promulgated under the Securities Exchange Act of 1934, as amended, Shares tendered during the subsequent offering period may not be withdrawn. The Company supports the Purchaser's decision to pursue the subsequent offering period.

The \$276,115,248 in initial cash consideration payable to holders of Shares tendered during the initial offer period has been, and any cash payable to holders of Shares tendered during the subsequent offering period and for Shares to be converted into the right to receive the Offer Price upon the merger of Purchaser with and into the Company pursuant to the Merger Agreement, whereby the Company will become a wholly owned subsidiary of Parent (the Merger) will be, provided by cash on hand at Parent and its subsidiaries.
