Item 7.01. Regulation FD Disclosure

On March 24, 2009, Autoliv, Inc. (the Company) issued a press release providing an update on its GM and Chrysler exposure, liquidity position, rationalization efforts and capital expenditures trend. A copy of the press release is furnished as Exhibit 99.1 to this report and is incorporated herein by reference.

Also on March 24, 2009, the Company issued a press release announcing the proposed offering of shares of common stock and equity units. A copy of the press release is furnished as Exhibit 99.2 to this report and is incorporated herein by reference.

Additionally, as discussed in the Company s annual report on Form 10-K for the year ended December 31, 2008, at any given time the Company is undergoing tax audits in several tax jurisdictions and covering multiple years. On March 2, 2009, the U.S. Internal Revenue Service (IRS) field examination team that is auditing the Company issued notices of proposed adjustment to the Company in which the examination team stated that it is considering adjustments to increase U.S. taxable income by approximately \$294.4 million due to alleged incorrect transfer pricing in transactions between a U.S. subsidiary and other subsidiaries during the period 2003 through 2005. The Company believes, after consultation with tax counsel, that the examination team s proposed adjustments are based on errors in fact and law. The Company expects that, after the conclusion of the applicable administrative procedures and review within the IRS, including the mutual agreement procedure of income tax treaties to which the U.S. is a party, and/or a judicial determination of the facts and applicable law, any adjustment with respect to the transfer pricing in these transactions will not produce a material increase to the Company s consolidated income tax liability.

The information in this Form 8-K and the exhibits attached hereto shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
