This Report of Foreign Private Issuer on Form 6-K is deemed filed for all purposes under the Securities Act of 1933, as amended, and the Securities Exchange Act of 1934, as amended, including by reference in the Registration Statement on Form F-3 (Registration No. 33-99550) and the Registration Statement on Form F-3 (Registration No. 333-9180).

On March 25, 2009, a consortium (the Consortium ) consisting of Korea Electric Power Corporation ( KEPCO ) and Samsung C&T Corporation was selected by JSC Samruk Energy, a state-run electricity utility company in Kazakhstan, as the preferred bidder for the construction and operation of a coal-fired power plant at Balkhash in Kazakhstan (the Project ). The Consortium and JSC Samruk Energy signed a Framework Agreement with the aim of building a generation unit with capacity of approximately 1,200 megawatts to 1,500 megawatts by 2014 on a Build, Own and Operate basis.

Details of the Project such as the actual capacity amount, the cost of construction and the investment size will be determined as the Project progresses based on further negotiation between the Consortium and Samruk.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.
