The offering price per share and aggregate offering price are based upon the average of the high and low prices of the registrant's common stock on June 3, 2009 as reported on the Nasdaq Global Select Market for an additional 53,529,775 shares available for grant pursuant to our 2008 Equity Incentive Award Plan, as amended and restated and our Amended and Restated 1998 Employee Stock Purchase Plan.

### EXPLANATORY NOTE

We are registering an additional 50,000,000 shares of our common stock under the eBay Inc. 2008 Equity Incentive Award Plan, as amended (the 2008 Plan ), with the filing of this registration statement on Form S-8. The Company's stockholders approved the addition of these shares to the 2008 Plan at the Company's Annual Meeting of Stockholders held on April 29, 2009.

In addition, the eBay Inc. Amended and Restated 1998 Employee Stock Purchase Plan (the ESPP ) reserved a total of 7,200,000 shares of our common stock for issuance when it was originally adopted and approved by our stockholders on August 14, 1998. The evergreen provision of the ESPP provides that the total number of shares reserved for issuance under the ESPP shall be increased on each January 1 by the total number of shares purchased under the ESPP in the preceding calendar year, provided that the aggregate number of shares reserved for issuance under the ESPP may not exceed 36,000,000 shares. The amendment to the ESPP approved by our stockholders on June 14, 2007 did not change the evergreen provision. We initially registered 7,200,000 shares of our common stock reserved for issuance under the ESPP on a registration statement on Form S-8 filed with the Securities and Exchange Commission (the Commission ) on September 24, 1998, and subsequently registered an additional 2,768,564 shares and 6,235,813 shares reserved for issuance under the evergreen provision of the ESPP on registration statements on Form S-8 filed with the Commission on August 4, 2004 and February 8, 2008, respectively. We are registering an additional 3,529,775 shares that have been reserved for issuance pursuant to the evergreen provision of the ESPP with the filing of this registration statement on Form S-8. All historical share numbers in this registration statement have been adjusted to give retroactive effect to all of our stock splits effected prior to the date hereof.

**ITEM 9. UNDERTAKINGS**

**1.** The undersigned registrant hereby undertakes:

**(a)** To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

**(i)** To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

**(ii)** To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

**(iii)** To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (a)(i) and (a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference herein.

**(b)** That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

**(c)** To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
  
3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

**SIGNATURES**

Pursuant to the requirements of the Securities Act of 1933, as amended, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of San Jose, State of California, on June 5, 2009.
