## NEWS RELEASE

### **Agrium to sell portion of Carseland nitrogen facility to Terra to facilitate CF acquisition**

Expects divestiture to resolve regulatory issues in CF offer

Extends offer to November 13, 2009

### **October 19, 2009 - ALL AMOUNTS ARE STATED IN U.S.\$**

CALGARY, Alberta Agrium Inc. (TSX and NYSE: AGU) today announced that it has entered into an agreement with Terra Industries Inc. (NYSE: TRA) to sell a portion of Agrium's Carseland nitrogen facility to Terra, conditional on the closing of Agrium's proposed acquisition of CF Industries Holdings, Inc. (NYSE: CF).

Agrium believes this agreement will address regulatory concerns under Canadian competition law in connection with its offer to acquire CF. Agrium also expects to refile its Hart-Scott-Rodino notification shortly with the FTC.

Agrium President and CEO Mike Wilson said, "These actions will enable us to keep moving forward with the acquisition of CF Industries. We believe CF stockholders strongly support our offer, and we will continue to press CF to engage with Agrium. We urge CF to begin meaningful discussions with us concerning our proposed acquisition."

Under the terms of the Carseland transaction, Terra will pay Agrium approximately \$250 million in cash for 50 percent of the Carseland facility, or approximately 340,000 tonnes of urea and over 60,000 tonnes of net ammonia on an annual basis and certain U.S. assets. The purchase price for the 50 percent of Carseland is at a similar forward multiple to that which Agrium is offering for CF.

Agrium has also entered into a conditional supply arrangement with Terra for a long-term, competitively priced supply of approximately 175,000 tonnes of nitrogen products from Terra's facilities.

The agreements with Terra are subject to Terra raising \$600 million of debt capital and other customary closing conditions.

Agrium has extended the expiration of its offer to acquire CF for \$40.00 in cash plus one Agrium share per CF share until 12:00 midnight, New York City time, on November 13, 2009. The Offer is not subject to a financing condition. Agrium has sufficient cash resources and committed financing underwritten by Royal Bank of Canada and The Bank of Nova Scotia to fund the cash portion of the Offer. The Offer is subject to certain conditions described in the offer to exchange.

As of 5:00 p.m., New York City time, on October 16, 2009, approximately 9.1 million common shares of CF had been tendered into and not withdrawn from the exchange offer.

*Forward-Looking Statements*

*Certain statements and other information included in this press release constitute forward-looking information within the meaning of applicable Canadian securities legislation or constitute forward-looking statements (together, forward-looking statements). All statements in this press release, other than those relating to historical information or current condition, are forward-looking statements, including, but not limited to, estimates, forecasts and statements as to management's expectations with respect to, among other things, business and financial prospects, financial multiples and accretion estimates, future trends, plans, strategies, objectives and expectations, including with respect to future operations following the proposed acquisition of CF. These forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond our control, which could cause actual results to differ materially from such forward-looking statements.*

*Events or circumstances that could cause actual results to differ materially from those in the forward-looking statements, include, but are not limited to, CF's failure to accept Agrium's proposal and enter into a definitive agreement to effect the transaction, Agrium common shares issued in connection with the proposed acquisition may have a market value lower than expected, the businesses of Agrium and CF, or any other recent business acquisitions, may not be integrated successfully or such integration may be more difficult, time-consuming or costly than expected, the expected combination benefits and synergies and costs savings from the Agrium/CF transaction may not be fully realized or not realized within the expected time frame, the possible delay in the completion of the steps required to be taken for the eventual combination of the two companies, including the possibility that approvals or clearances required to be obtained from regulatory and other agencies and bodies will not be obtained in a timely manner or will be obtained on conditions that may require divestiture of assets expected to be acquired, disruption from the proposed transaction making it more difficult to maintain relationships with customers, employees and suppliers, general business and economic conditions, interest rates, exchange rates and tax rates, weather conditions, crop prices, the supply, demand and price level for our major products, gas prices and gas availability, operating rates and production costs, domestic fertilizer consumption and any changes in government policy in key agriculture markets, including the application of price controls and tariffs on fertilizers and the availability of subsidies or changes in their amounts, changes in development plans, construction progress, political risks, including civil unrest, actions by armed groups or conflict, governmental and regulatory requirements and actions by governmental authorities, including changes in government policy, changes in environmental, tax and other laws or regulations and the interpretation thereof and other risk factors detailed from time to time in Agrium and CF's reports filed with the SEC.*

*Agrium disclaims any intention or obligation to update or revise any forward-looking statements in this press release as a result of new information or future events, except as may be required under applicable U.S. federal securities laws or applicable Canadian securities legislation.*

*These forward-looking statements are based on certain assumptions and analyses made by us in light of our experience and perception of historical trends, current conditions and expected future developments as well as other factors we believe are appropriate in the circumstances. Expected future developments are based, in part, upon assumptions respecting our ability to successfully integrate the businesses of Agrium and CF, or any other recent acquisitions.*

*All of the forward-looking statements contained herein are qualified by these cautionary statements and by the assumptions that are stated or inherent in such forward-looking statements. Although we believe these assumptions are reasonable, undue reliance should not be placed on these assumptions and such forward-looking statements. The key assumptions that have been made in connection with the forward-looking statements include, but are not limited to, CF's acceptance of Agrium's proposal and the entering into of a definitive agreement to effect the proposed transaction, closing the proposed transaction, the market value of Agrium common shares issued in connection with the proposed acquisition, our ability to successfully integrate within expected time frames and costs, and realize the expected combination benefits and synergies and costs savings from, the combination of the businesses of Agrium and CF, or any other recent business acquisitions, and our ability to maintain relationships with customers, employees and suppliers during the course of the proposed transaction.*
