Item 1.01 Entry into a Material Definitive Agreement.

On November 20, 2009 (the Petition Date), GSI Group Inc. (the Company) and two of its United States subsidiaries, GSI Group Corporation (GSI) and MES International, Inc. (MES and, collectively with the Company and GSI, the Debtors), filed voluntary petitions for relief (the Chapter 11 Petitions) under chapter 11 of the United States Bankruptcy Code (the Bankruptcy Code) in the United States Bankruptcy Court for the District of Delaware (the Court) (the Chapter 11 Cases). Following the Petition Date, the Debtors will continue to operate their business as debtors-in-possession under the jurisdiction of the Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Court.

On November 19, 2009, in anticipation of the Chapter 11 Petitions, the Debtors entered into a Noteholder Restructuring Support Agreement (the Plan Support Agreement) with eight of ten of the beneficial holders (the Consenting Noteholders) of GSI's 11% Senior Notes due 2013 in the principal amount of \$210 million (the Senior Notes), representing Consenting Noteholders holding approximately 88.1% of the outstanding principal amount of the Senior Notes. Pursuant to the Plan Support Agreement, the Consenting Noteholders have agreed, subject to certain conditions, to support the Joint Chapter 11 Plan of Reorganization (the Plan) proposed by the Debtors, which was filed with the Chapter 11 Petitions and forms a part of the Plan Support Agreement.

The Plan as Contemplated under the Plan Support Agreement

Pursuant to the Plan, which is subject to Court approval, the holders of claims under the Senior Notes (the Senior Note Claims) would, in exchange for the Senior Note Claims, receive (i) approximately 74.3% of the Company's post-consummation outstanding shares, (ii) new secured notes in the aggregate amount of \$95 million and (iii) their pro rata portion of a cash payment (the Cash Payment) in an amount of \$2.1 million, plus \$69,315 for each day following the Petition Date until the date the Plan is either confirmed or effective. Under the terms of the Plan and because the Debtors commenced the Chapter 11 Cases by November 20, 2009, this Cash Payment would be reduced by \$2.1 million. If the Company were to meet certain deadlines with respect to the confirmation and effective date of the Plan as specified in the Plan, the Cash Payment would be further reduced. On the effective date of the Plan, the Company would also pay any and all interest accrued on the Senior Note Claims until the Petition Date. As of the Petition Date, there is approximately \$6.2 million in accrued and unpaid interest with respect to the Senior Notes. The interest rate on the new secured notes would be 12.25% and, at GSI's option, subject to the Company's compliance with a fixed charge coverage ratio defined in the indenture for the new secured notes to be entered into upon the effective date of the Plan, would be payable in kind at a compounded rate of 13%. The new secured notes would be issued by GSI, guaranteed by the Company and ten of GSI's U.S. subsidiaries and secured by substantially all the assets of GSI and the guarantors.

As part of the Plan, the Company's wholly owned subsidiary, GSI Group Limited, would, in exchange for claims under an unsecured note in the principal amount (as fixed pursuant to the Plan) of \$20 million, payable by GSI to GSI Group Limited (the GSI UK Note Claim), receive (i) approximately 7.1% of the Company's post-consummation outstanding shares, (ii) approximately \$9.1 million of the new secured notes and (iii) its pro rata share of the Cash Payment, as adjusted. On the effective date of the Plan, the Company would also pay interest accrued on the GSI UK Note Claim until the Petition Date.

As contemplated by the Plan, existing shareholders would (i) retain 18.6% of the Company's post-consummation outstanding shares and (ii) receive warrants to purchase (a) 10% of 110% of the post-consummation outstanding shares of the Company at an imputed price of \$1.10 per share and (b) 10% of 110% of the post-consummation outstanding shares of the Company at an imputed price of \$2.00 per share.

Under the proposed Plan, all classes of claims, including all claims by vendors and suppliers, would be unimpaired and paid in full, except for the Senior Note Claims, the GSI UK Note Claim and the equity interest in the Company.

The Plan provides that its effectiveness is subject to customary conditions, including, without limitation, that the effective date occurs on or before April 20, 2010, unless such date is extended pursuant to the Plan Support Agreement.

The Plan contemplates that the Debtors will continue to operate their businesses in substantially their current form. The Debtors have filed first day motions to seek authorization from the Court to continue to pay vendors and suppliers under normal terms in the ordinary course of business for all goods and services provided to the Debtors after the Petition Date.

The Plan provides that, following the effective date of the Plan, the Company's board of directors would be comprised of seven directors, to include its Chief Executive Officer and five members to be appointed by the beneficial holders of the Senior Notes. The Plan anticipates that the current officers of the Company would continue as officers of the Company following the effective date of the Plan.

The recoveries summarized above and the other terms of the Company's restructuring are more fully described in the Plan, which forms a part of, and is filed as an exhibit to, the Plan Support Agreement.

The Plan Support Agreement

The Debtors' proposed financial restructuring, as set forth in the Plan, has the support of Consenting Noteholders holding approximately 88.1% of the principal amount of the outstanding Senior Notes, representing 80% of all holders of the Senior Notes.

The Plan Support Agreement requires the Consenting Noteholders, and their successors and assigns, (i) to vote in favor of the Plan, (ii) not to object to confirmation of the Plan and not to object to, or otherwise commence, any proceeding to oppose or alter the Plan or support an alternative restructuring, (iii) not to withdraw, change or revoke their votes with respect to the Plan, except as otherwise permitted in the Plan Support Agreement, and (iv) except as otherwise permitted in the Plan Support Agreement, not to take any other action, including commencing any legal proceeding, that is inconsistent with, or that would materially prevent, hinder or delay the consummation of, the restructuring.

The support of the Consenting Noteholders under the Plan Support Agreement will terminate under certain circumstances, including, without limitation, if (i) the Debtors are in material breach of any obligations under the Plan Support Agreement, (ii) the Debtors file any motion or pleading with the Court that is inconsistent in a material respect with the Plan Support Agreement or the Plan, (iii) the Court grants relief that is materially inconsistent with the Plan Support Agreement or the Plan, (iv) the Debtors fail to achieve certain deadlines with respect to the approval of the Plan Support Agreement or the disclosure statement or confirmation or effectiveness of the Plan, (v) a trustee is appointed in the Chapter 11 Cases or any of the Chapter 11 Cases is dismissed or converted to a case under chapter 7 of the Bankruptcy Code or if the Debtors make a motion for such appointment, dismissal or conversion, (vi) the Court enters an order invalidating, disallowing, subordinating, recharacterizing or limiting the principal and interest components of the Senior Note Claims or disgorging any amounts paid prior to the Petition Date from any holder of the Senior Note Claims or (vii) there is a Material Adverse Change to the Company (as defined in the Plan Support Agreement).

The Plan Support Agreement provides that the Company shall use its best efforts to (i) support and complete the restructuring and all transactions contemplated by the Plan, (ii) take any and all necessary and appropriate actions in furtherance of the restructuring, (iii) complete the restructuring and all transactions contemplated under the Plan within set time-frames, (iv) obtain any and all required regulatory and/or third-party approvals for the restructuring, and (v) not directly or indirectly seek, solicit, support, consent to, or participate in the negotiation or formulation of alternate plans of reorganization, certain other corporate transactions, such as mergers, dissolutions, or a sale of substantially all of the Company's assets or any other action that is inconsistent with the reorganization as contemplated by the Plan Support Agreement.

The foregoing summary of the Plan Support Agreement is a summary only and is qualified, in all respects, by the provisions of the Plan Support Agreement, which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

Item 1.03 Bankruptcy or Receivership.

On November 20, 2009, the Debtors filed the Chapter 11 Petitions. The information set forth above in Item 1.01 of this Current Report on Form 8-K with respect to the Chapter 11 Petitions and the terms of the Plan is incorporated into this Item 1.03.

A copy of the press release, dated November 20, 2009, announcing the filing of the Chapter 11 Petitions, is attached hereto as Exhibit 99.1 and incorporated herein by reference.

Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement.

The filing of the Chapter 11 Petitions constituted an event of default under the Indenture, dated as of August 20, 2008, by and among GSI, as issuer, the Company, as guarantor, the other guarantors party thereto from time to time and The Bank of New York Mellon Trust Company, N.A., as trustee, relating to the Senior Notes. The Company has \$210 million aggregate principal amount of Senior Notes outstanding. As a result of the filing of the Chapter 11 Petitions, all indebtedness outstanding under the Senior Notes was accelerated and became due and payable, subject to an automatic stay of any action to collect, assert or recover a claim against the Company and the application of applicable bankruptcy law.
