Item 8.01. Other Events.

In accordance with the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, the Company notes that certain statements set forth in this Current Report on Form 8-K provide other than historical information and are forward looking. The actual achievement of any forecasted results, or the unfolding of future economic or business developments in a way anticipated or projected by the Company, involve numerous risks and uncertainties that may cause the Company's actual performance to be materially different from that stated or implied in the forward-looking statement. Among those risks and uncertainties, many of which are beyond the control of the Company, include, without limitation, fluctuations in worldwide energy demand and oil and gas prices; fleet additions by competitors and industry overcapacity; changes in capital spending by customers in the energy industry for offshore exploration, development and production; changing customer demands for different vessel specifications, which may make some of our older vessels technologically obsolete for certain customer projects or in certain markets; instability of global financial markets and difficulty in accessing credit or capital; acts of terrorism and piracy; significant weather conditions; unsettled political conditions, war, civil unrest and governmental actions, especially in higher risk countries of operations; foreign currency fluctuations; and enforcement of laws related to the environment, labor and foreign corrupt practices. Readers should consider all of these risk factors as well as other information contained in this report.

On Wednesday, December 9, 2009, Dean E. Taylor, Chairman, President and Chief Executive Officer, and Joseph M. Bennett, Executive Vice President and Chief Investor Relations Officer, delivered a presentation at the Capital One Southcoast Energy Conference in New Orleans, Louisiana.

The following information is being provided under Item 8.01 Other Events in this Current Report on Form 8-K: (1) a slide presentation presented at the Capital One Southcoast Energy Conference held on December 9, 2009 in New Orleans, Louisiana included as Exhibit 99.1 and (2) a transcript of the Capital One Southcoast Energy Conference presentation held on December 9, 2009 in New Orleans, Louisiana included as Exhibit 99.2. Both Exhibit 99.1 and 99.2 are incorporated herein by reference as if fully set forth.

The information contained in the transcript, which was prepared by Wall Street Webcasting, is a textual representation of the Company's presentation at the Capital One Southcoast Energy Conference. There may be material errors, omissions or inaccuracies in the reporting of the contents of the presentation. The Company assumes no responsibility to correct or update the third-party transcript. Users are advised to review the Company's presentation itself (which is accessible via the Company's website) and the Company's SEC filings before making any investment or other decisions.

Item 9.01. Financial Statements and Exhibits.
