This Amendment No. 1 to Schedule 14D-9 amends and supplements the Solicitation/Recommendation Statement on Schedule 14D-9 (as amended from time to time, the *Statement* ) originally filed by Airgas, Inc., a Delaware corporation ( *Airgas* or the *Company* ), with the Securities and Exchange Commission on February 22, 2010, relating to the tender offer by Air Products Distribution, Inc. ( *AP Sub* ), a Delaware corporation and wholly owned subsidiary of Air Products and Chemicals, Inc. ( *Air Products* ), to purchase all of the outstanding shares of Airgas Common Stock, par value \$0.01 per share, including the associated rights to purchase shares of Series C Junior Participating Preferred Stock ( *Rights*, and together with the Airgas Common Stock, the *Airgas Common Shares* ), at a price of \$60.00 per share, net to the seller in cash, without interest and less any required withholding taxes. Except as specifically noted herein, the information set forth in the Statement remains unchanged.

**ITEM 8. ADDITIONAL INFORMATION**

Item 8 is hereby amended by restating the paragraph under the heading *Forward-Looking Statements* in its entirety as follows:

This Schedule 14D-9 contains statements that are forward looking. These statements include, but are not limited to: our having strong prospects for organic and acquisition growth in the coming years; the economy just beginning its recovery; the view that under the terms of Air Products proposal, our stockholders would sacrifice real value and opportunity; our belief that a combination of our two companies could destroy rather than create value; our belief that the Offer would be highly likely to be subject to substantial delays related to U.S. antitrust clearance; and our prospects for continued growth and stockholder value creation. All forward-looking statements are based on current expectations regarding important risk factors and should not be regarded as a representation by us or any other person that the results expressed therein will be achieved. Airgas assumes no obligation to revise or update any forward-looking statements for any reason, except as required by law. Important factors that could cause actual results to differ materially from those contained in any forward-looking statement include: adverse changes in customer buying patterns resulting from further deterioration in current economic conditions; weakening in the operating and financial performance of our customers, which can negatively impact our sales and ability to collect our accounts receivable; postponement of projects due to the recession; customer acceptance of price increases; the success of implementing and continuing our cost reduction programs; supply cost pressures; increased industry competition; our ability to successfully identify, consummate, and integrate acquisitions; our ability to achieve acquisition synergies; our continued ability to access credit markets on satisfactory terms; significant fluctuations in interest rates; increases in energy costs and other operating expenses eroding planned cost savings; higher than expected implementation costs of the SAP system; conversion problems related to the SAP system that disrupt our business and negatively impact customer relationships; the impact of tightened credit markets on our customers; the impact of changes in tax and fiscal policies and laws; the potential for increased expenditures relating to compliance with environmental regulatory initiatives; the impact of new environmental, healthcare, tax, accounting, and other regulation; continued potential liability under the Multiemployer Pension Plan Amendments Act of 1980 with respect to our participation in or withdrawal from multi-employer pension plans for our union employees; the extent and duration of current recessionary trends in the U.S. economy; the effect of catastrophic events; political and economic uncertainties associated with current world events; and other factors described in Airgas reports, including its March 31, 2009 Form 10-K, subsequent Forms 10-Q, and other documents filed by Airgas with the SEC. The Company notes that forward-looking statements made in connection with a tender offer are not subject to the safe harbors created by the Private Securities Litigation Reform Act of 1995, as amended, although other legal protections may apply.
