Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The stockholders of Moody's Corporation (the "Company") voted on and approved the Amended and Restated 2001 Moody's Corporation Key Employees Stock Incentive Plan (the "2001 Stock Incentive Plan") and the 2004 Moody's Corporation Covered Employee Cash Incentive Plan, as amended (the "2004 Cash Incentive Plan"), at the Annual Meeting of Stockholders held on April 20, 2010.

The 2001 Stock Incentive Plan is an amendment and restatement of the original 2001 Moody's Corporation Key Employees Stock Incentive Plan that became effective on April 23, 2001 and was subsequently amended and restated in 2004 and 2007. On December 15, 2009, the Board of Directors approved the 2001 Stock Incentive Plan in order to make a number of changes, including to: (i) change the definition of "Change in Control" to conform to the definition used in other Company incentive plans; (ii) provide greater specificity regarding grants of performance shares; (iii) add to the performance criteria that may be used for performance-based awards; (iv) increase the number of shares that may be issued with respect to awards granted under the plan; (v) eliminate liberal share counting features in determining the number of shares subject to the plan; and (vi) add minimum vesting periods for full value awards and prohibit repricing of options and stock appreciation rights without stockholder approval.

The 2001 Stock Incentive Plan permits the granting of any or all of the following types of awards: (i) stock options, including incentive stock options and nonqualified stock options; (ii) stock appreciation rights, including limited stock appreciation rights; (iii) restricted stock; (iv) restricted stock units; (v) performance shares; and (vi) other stock-based awards. Key employees (excluding members of the Governance and Compensation Committee and any person who serves only as a director) of the Company and its affiliates, who from time to time are responsible for the management, growth and protection of the business of the Company and its affiliates, and consultants to the Company and its affiliates, are eligible to participate in the 2001 Stock Incentive Plan. The maximum number of shares with respect to which awards of any and all types may be granted under the 2001 Stock Incentive Plan during a calendar year to any participant is limited, in the aggregate, to 800,000.

The 2004 Cash Incentive Plan is an amendment to the original 2004 Moody's Corporation Covered Employee Cash Incentive Plan that was adopted on February 24, 2004. On December 15, 2009, the Board of Directors approved the 2004 Cash Incentive Plan in order to: (i) change the definition of "Change in Control" to conform to the definition used in other Company incentive plans; (ii) add additional performance criteria that can be used in establishing performance goals with respect to cash incentives; and (iii) establish the maximum amount of an award to any participant with respect to a multi-year performance period.

The 2004 Cash Incentive Plan provides for performance-based cash incentives to members of senior management whose compensation may be subject to the limitations on tax deductions imposed by Section 162(m) of the Internal Revenue Code (the "Tax Code"). The Governance and Compensation Committee selects participants from among the "Covered Employees" (as defined in Section 162(m) of the Tax Code and the Treasury Regulations promulgated thereunder) of the Company and its subsidiaries who are in a position to have a material impact on the results of the operations of the Company or its subsidiaries. It is anticipated that between five and seven executives will participate in the 2004 Cash Incentive Plan each year. Awards are payable in cash, and the maximum award payable to any participant with respect to a performance period of one calendar year or less shall be \$5,000,000. The maximum amount of an award to any participant with respect to a multi-year performance period shall be the product of \$5,000,000 multiplied by the number of years in the performance period. The maximum award was set above the Company's anticipated award levels for executives consistent with the Section 162(m) regulations in order to allow the Governance and Compensation Committee negative discretion in determining actual bonus payouts while preserving the deductibility of those awards.
