## **ITEM 11. EXECUTIVE COMPENSATION**

### **Processes and Procedures for Determination of Executive and Director Compensation**

The current members of the Compensation Committee are Messrs. Greene, Mayer, Miller and Thornton. The Board has determined that each member of this Committee is an Independent Director, with Mr. Miller as the Chairman. The Board has further determined that each of Messrs. Green, Mayer, Miller, Singer and Thornton was an Independent Director during the time they served on the Compensation Committee prior to the 2009 Annual Meeting.

The Compensation Committee of the Board of Directors is responsible for overseeing the compensation and employee benefit plans and practices of the Company. The Compensation Committee reviews and approves, either as a committee or together with the other independent directors, the general compensation policies of the Company, oversees the administration of all of the Company's compensation and benefit plans and reviews and approves, either as a committee or together with the other independent directors, compensation of the executive officers of the Company. The Compensation Committee Charter requires that the Compensation Committee consist of no fewer than two Board members who qualify as non-employee directors within the meaning of Rule 16b-3 under the Exchange Act, and outside directors within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended. At all times since its formation following the Acquisition, the Compensation Committee has consisted of at least three Board members, each of whom the Board has affirmatively determined satisfied these independence requirements.

The Compensation Committee Charter sets forth the purpose of and other matters pertaining to the Compensation Committee. The form of the current Compensation Committee Charter is available on the Company's website at <http://investors.americanapparel.net>.

Pursuant to its Charter, the Compensation Committee's responsibilities include the following:

review and approve, either as a committee or together with the other independent directors, the corporate goals and objectives relevant to the compensation of the Chief Executive Officer and other executive officers of the Company;

evaluate, either as a committee or together with the other independent directors, the Chief Executive Officer's performance in light of such goals and objectives;

**Table of Contents**

review its own performance and assess the adequacy of its Charter;

review and approve the goals and objectives of and the plans underlying the Company's general compensation and other employee benefit programs, including incentive-compensation and equity-based programs;

retain and terminate any compensation consultant used to assist in the evaluation of officer compensation, including to approve the consultant's fees and other retention terms;

review and discuss with management the Company's Compensation Discussion and Analysis to be included in the Company's annual proxy statement; and

produce a report of the Compensation Committee to be included in the Company's annual proxy statement.

Our Chief Executive Officer and Chairman of the Board recommends to the Compensation Committee salary, annual bonus, equity-based awards and long-term compensation levels for other executives, including the other Named Officers (as defined under "Compensation Discussion and Analysis" below). Our other executive officers, including the other Named Officers, do not currently have any role in determining or recommending the form or amount of compensation paid to our Named Officers and our other executive officers. While the Compensation Committee reviews and makes recommendations regarding compensation paid to the Non-Employee Directors, the compensation for these directors is determined by the Board.

Equity awards to all officers subject to Section 16 of the Exchange Act are made by the Compensation Committee. The Compensation Committee was formed in December 2007, after the Acquisition, and held two meetings in 2009. In 2009, the Compensation Committee retained the firm of Pearl Meyer & Partners, LLC ( "PM&P" ) as its compensation consultant to assist in the development and evaluation of compensation policies, practices and awards. Specifically, PM&P was engaged to conduct a competitive review of executive compensation and severance policies, and to assist in developing an annual incentive plan and a long-term equity incentive program to reward and retain key executives and managers.

While PM&P was engaged by and reports directly to the Compensation Committee, PM&P interacts with our management when appropriate to gather perspectives and relevant company and compensation data. In addition, PM&P may seek feedback from the Compensation Committee Chairman, other members of the Compensation Committee or Board, or the Chief Executive Officer and Chairman of the Board regarding its work prior to presenting study results or recommendations to the Compensation Committee.

PM&P has attended or participated in certain Compensation Committee meetings and provided third-party data, advice and expertise on proposed executive compensation levels, programs and plan designs. The Compensation Committee may also ask PM&P to review and provide advice related to proposals prepared by management, including evaluating the consistency of such proposals with the Compensation Committee's compensation philosophy and in comparison to programs at other companies.

**Table of Contents****Compensation of Directors**

Compensation for non-employee directors consists of annual stock grants and Board and Committee meeting fees, as described below. Employees who are also directors will receive no additional compensation for their Board service.

**Director Compensation Fiscal 2009**

During 2009, the sole cash compensation to our non-employee directors consisted of a total of \$76,000 in Board and Committee meeting fees paid to Messrs. Greene, Klein, Mayer, Miller, Samson, Singer and Thornton for their participation in Board meetings held during 2009. Messrs. Capps and Richardson have agreed to forgo receipt of meeting fees.

Pursuant to the 2007 Performance Equity Plan approved by stockholders in conjunction with the Acquisition, our non-employee directors each received a stock grant (of fully vested shares) as described below for their Board service, and automatically receive a stock grant for each year of service thereafter, such grant to be made at the beginning of each such year of service, equal to that number of shares of our Common Stock having an aggregate market value of \$75,000 at the time of grant.

On January 12, 2009, the Company issued the annual grant to each non-employee director of 35,211 shares of common stock, based upon the closing price per share of \$2.13, in connection with their Board service for fiscal year 2009. **Compensation Discussion and Analysis**

This section contains a discussion of the material elements of compensation awarded to, earned by or paid to the principal executive officer and principal financial officer of the Company and our three other most highly compensated individuals who were serving as executive officers as of December 31, 2009.

During 2009, Dov Charney served as the Company s Chairman of the Board, President and Chief Executive Officer, and Adrian Kowalewski served as the Company s Executive Vice President and Chief Financial Officer. Our three other most highly compensated individuals were Martin Bailey, Glenn A. Weinman and Joyce Crucillo. These individuals are referred to as the Named Officers herein.

The Company s current executive compensation programs are determined and approved by the Compensation Committee of the Board. None of the Named Officers are members of the Compensation Committee. Our Chief Executive Officer and Chairman of the Board recommends to the Compensation Committee salary, cash incentive awards, equity-based awards and long-term compensation levels for executive officers, including the other Named Officers. Our other executive officers, including the other Named Officers, do not currently have any role in determining or recommending the form or amount of compensation paid to our Named Officers and our other executive officers, but our Chief Financial Officer provides the Compensation Committee with documents used in their determination of executive compensation.

***Executive Compensation Program Objectives and Overview***

It is the Company s intent that its executive compensation programs achieve three fundamental objectives: (1) attract, motivate and retain qualified executive officers; (2) hold executives accountable for performance; and (3) align executive officers interests with the interests of our stockholders. In structuring the Company s executive compensation programs, we intend to be guided by the following basic philosophies:

*Competition.* The Company should provide competitive compensation opportunities so that it can attract, motivate and retain qualified executive officers.

*Pay for Performance.* A substantial portion of compensation should be tied to Company (and/or particular department or segment) and individual performance.

---

**Table of Contents**

*Alignment with Stockholder Interests.* A substantial portion of compensation should be contingent on the Company's performance. As an executive officer's level of responsibility increases, a greater portion of the officer's total compensation should be dependent on the Company's performance.

As described in more detail below, the material elements of our executive compensation program will generally include some or a mix of the following, at the discretion of the Compensation Committee: a base salary, an annual cash incentive bonus opportunity, and a performance equity plan component. We believe that these elements of our executive compensation program will help us to achieve one or more of our compensation objectives. The executive compensation program is intended to attract, motivate and retain qualified executive officers. The base salary is the element of our current executive compensation program where the value of the benefit in any given year is generally not variable. We anticipate that any bonus awarded in any given year will depend on the performance of the individual and the performance of the Company. We believe that in order to attract, motivate and retain top-caliber executive officers, we need to provide executive officers with predictable benefit amounts that reward the executive officer's continued service. The base salaries are paid out on a short-term or current basis. Any bonuses would generally be paid out on a short-term basis, such as at year end or upon completion of significant projects. Performance equity awards would generally be made on a longer-term basis. We believe that a mix of longer-term and short-term elements will allow us to achieve our dual goals of attracting and retaining executive officers (with the longer-term benefits geared toward retention and the short-term awards focused on recruitment).

Our cash incentive bonus opportunity would be primarily intended to hold executive officers accountable for performance, although we also believe it would align our executive officers' interests with those of our stockholders and help us attract, motivate and retain executive officers. Our performance equity incentives would also be primarily intended to align our executive officers' interests with those of our stockholders, although we believe they would help hold executive officers accountable for performance and help us motivate and retain executive officers.

These compensation elements are intended to create a total compensation package for each executive officer that we believe will achieve our compensation objectives and provide competitive compensation opportunities.

The Company has employment agreements with Dov Charney, Chairman of the Board, Chief Executive Officer and President, Glenn A. Weinman, Senior Vice President, General Counsel and Secretary, and Joyce Crucillo, Chief Litigation Counsel. On March 11, 2009, Joyce Crucillo, American Apparel (USA), LLC (as successor to Old American Apparel) and the Company entered into an amendment to her employment agreement to, effective as of February 17, 2009, (i) reflect the change in her title to Chief Litigation Counsel, and (ii) provide that if Ms. Crucillo is laid off, terminated (irrespective of whether such termination is with or without cause) or otherwise dismissed by the Company, then the Company will pay to her, as a severance payment, six months of her then current total annual compensation, which includes her annual base salary and annual guaranteed bonuses (regardless of whether any portion thereof has accrued or vested), plus continued health insurance benefits identical to what she was receiving at the time of separation for a period of six months after she leaves the Company. In addition, the amendment provided for the assignment by American Apparel (USA), LLC of its rights, duties and obligations under the employment agreement as employer to the Company, such that Ms. Crucillo is now employed directly by the Company instead of its subsidiary American Apparel (USA), LLC. For a more complete description of current employment agreements with Mr. Charney, Mr. Weinman and Ms. Crucillo, see Description of Employment Agreements below.

***Current Executive Compensation Program Elements***

***Base Salaries***

The Compensation Committee reviews and approves base salaries for executive officers, including Named Officers, annually and in connection with promotions or other changes in responsibilities. The Compensation Committee generally reviews the base salaries for each executive officer in the first quarter of each year to set

salaries, and intends to consider market data, individual compensation history, pay in relation to other executive officers at the Company, tax deductibility, individual job performance and future potential, as well as evaluations and recommendations by senior management in determining base salary. The weight given to each of these factors may differ from individual to individual, as the Compensation Committee deems appropriate.

*Annual Bonus Awards*

During 2009, the Board of Directors and stockholders of the Company approved the American Apparel, Inc. Incentive Compensation Plan (as amended from time to time, the "Incentive Plan"), under which certain cash awards are intended to qualify as performance-based compensation under Section 162(m). The Board of Directors believes that adoption of the Incentive Plan will provide the Compensation Committee with the tools necessary to meet the Company's objectives of attracting, motivating and retaining qualified employees and of tying a portion of compensation to Company performance. As such, a portion of compensation for executive officers may be based on the financial performance of the Company, as determined at the discretion of the Compensation Committee.

The payment of cash bonus awards to Mr. Charney was made under the Incentive Plan.

With respect to the performance period beginning on May 1, 2009 and ending on December 31, 2009 (the "Performance Period"), the Company's Board of Directors approved targets for Mr. Charney's bonus on June 22, 2009. The amount of the performance bonus was subject to the attainment by the Company of certain performance goals as follows: 50% based upon adjusted earnings before interest, taxes, depreciation and amortization ("Adjusted EBITDA"), 25% based upon comparable store sales and 25% based upon achievement of certain inventory levels during the Performance Period. Mr. Charney's total \$1,124,401 performance bonus was comprised of the following: \$650,000 based on the Company's achievement of an Adjusted EBITDA of \$47,946,836, \$0 based on the results of comparable store sales and \$474,401 based on the Company's achievement of inventory levels of \$156,614,556. Comparable store sales for this period were negative 11.4%. Other than the bonus payment that will be paid to Mr. Charney as described above and bonus payments that were paid to Ms. Crucillo pursuant to her employment agreement, as discussed below in "Description of Employment Agreements," there were no annual or other bonuses awarded to Named Officers for the year ended December 31, 2009.

*Long-Term Equity Incentive Awards*

The Compensation Committee has the authority to grant stock options, restricted stock and other awards under the Company's 2007 Performance Equity Plan to executive officers. No equity awards were granted in 2009 to any of the Named Officers.

*Severance and Other Benefits Upon Termination of Employment*

In order to support our compensation objective of attracting, retaining and motivating qualified executive officers, we believe that, in certain cases, we may decide to provide executive officers with severance protections upon certain types of termination. These severance protections would be negotiated on an individual by individual basis. American Apparel has not entered into any change in control agreements or other severance arrangements with any of its executive officers other than with Dov Charney, Glenn Weinman and Joyce Crucillo. On March 11, 2009, Joyce Crucillo, American Apparel (USA), LLC (as successor to Old American Apparel) and the Company entered into an amendment to her employment agreement to, effective as of February 17, 2009, (i) reflect the change in her title to Chief Litigation Counsel, and (ii) provide that if Ms. Crucillo is laid off, terminated (irrespective of whether such termination is with or without cause) or otherwise dismissed by the Company, then the Company will pay to her, as a severance payment, six months of her then current total annual compensation, which includes her annual base salary and annual guaranteed bonuses (regardless of whether any portion thereof has accrued or vested), plus continued health insurance benefits identical to what she was receiving at the time of separation for a period of six months after she leaves the

Company. In addition, the amendment provided for the assignment by American Apparel (USA), LLC of its rights, duties and obligations under the employment agreement as employer to the Company, such that Ms. Crucillo is now employed directly by the Company instead of its subsidiary American Apparel (USA), LLC. For a more complete description of current employment agreements with Mr. Charney, Mr. Weinman and Ms. Crucillo, see [Description of Employment Agreements](#) below.

### ***Option Grant Practices and Policies***

It is intended to be the practice of the Compensation Committee to grant stock options under the 2007 Performance Equity Plan with an exercise price equal to or greater than the closing price of the Company's Common Stock on the date of grant.

### ***Section 162(m) Policy***

Section 162(m) of the Internal Revenue Code disallows a tax deduction to publicly-held companies for compensation paid to certain executive officers, to the extent that compensation exceeds \$1 million per officer in any year. The limitation applies only to compensation which is not considered to be performance-based. The Compensation Committee intends to consider the anticipated tax treatment to the Company and our executive officers when reviewing executive compensation and our compensation programs.

While the tax impact of any compensation arrangement is one factor to be considered, such impact is evaluated in light of the Compensation Committee's overall compensation philosophy. The Compensation Committee will consider ways to maximize the deductibility of executive compensation, while retaining the discretion it deems necessary to compensate officers in a manner commensurate with performance and the competitive environment for executive officer talent. From time to time, the Compensation Committee may award compensation to our executive officers which is not fully deductible, if it determines that such award is consistent with its philosophy and is in our and our stockholders' best interests.

### **Compensation Committee Report on Executive Compensation**

The Compensation Committee has certain duties and powers as described in its Charter. The Compensation Committee is currently composed of the four non-employee directors, each of whom is independent as defined by NYSE Amex listing standards.

The Compensation Committee of the Company has reviewed and discussed with management the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K of the Exchange Act and, based on such review and discussions, the Compensation Committee has recommended to our Board of Directors that the Compensation Discussion and Analysis section be included in this Form 10K/A, as filed with the SEC.

*Glenn A. Weinman, Senior Vice President, General Counsel and Secretary*

In February 2009, Glenn A. Weinman joined the Company as Senior Vice President, General Counsel and Secretary. In connection with Mr. Weinman's appointment as Senior Vice President, General Counsel and Secretary, the Company and Mr. Weinman entered into an employment agreement, pursuant to which Mr. Weinman will serve as the Company's General Counsel and Secretary for an initial two-year term, commencing on February 17, 2009, which term will automatically extend for successive one-year periods unless terminated by the Company on at least 90 days written notice prior to the expiration of the then-current term. His employment agreement provides that Mr. Weinman will receive a minimum base salary of \$300,000 per year, subject to increase based on the annual review of the Compensation Committee, and an opportunity to earn performance bonuses as may be determined by the Board of Directors. His employment agreement also provides that Mr. Weinman will be eligible for stock and stock option grants under the Company's 2007 Performance Equity Plan, as may be determined by the Compensation Committee, and will participate in the benefit plans that the Company maintains for its executive officers and receive certain other standard benefits (including, without limitation, vacation benefits and reimbursement of travel and business-related expenses, dues and fees). See "Potential for Payments upon Termination or Change of Control" for additional information regarding Mr. Weinman's employment agreement.

*Joyce Crucillo, Chief Litigation Counsel*

The Company and Joyce Crucillo are parties to an employment agreement, dated October 26, 2006, as amended as of March 11, 2009, pursuant to which Ms. Crucillo will serve as the Company's Chief Litigation Counsel. The initial term of her agreement ended on November 30, 2007, but renewed automatically for successive one-year terms, and will renew automatically unless either party provides written notice of non-renewal at least 90 days prior to such renewal date. Her employment agreement provides that Ms. Crucillo will receive a base salary of \$225,000 per year, of which \$75,000 is a guaranteed bonus that is payable semi-annually in two equal installments and accrues and vests for each day that Ms. Crucillo remains employed with the Company. Her employment agreement also provides that Ms. Crucillo will be eligible for benefits including, without limitation, health, accident, disability, medical, pension, bonus, stock, profit-sharing, savings plans and similar benefits generally available to the Company's employees. See "Potential for Payments upon Termination or Change of Control" for additional information regarding Ms. Crucillo's employment agreement.

***Potential Payments Upon Termination or Change of Control***

In the discussion that follows, payments and other benefits payable upon early termination are set out as if the terminations took place on December 31, 2009. In setting out such payments and benefits, amounts that had already been earned as of the termination date are not shown. Also, benefits that are available to all full-time regular employees when their employment terminates are not shown. The amounts set forth below are estimates of the amounts which could be paid out to the Named Officers upon their termination. The actual amounts to be paid out can only be determined at the time of such Named Officer's separation from the Company.

The following are descriptions of potential payments upon termination or change of control with respect to the employment agreements with Dov Charney and Joyce Crucillo, our only Named Officers with employment agreements, and Glenn A. Weinman.

*Dov Charney, Chairman of the Board, Chief Executive Officer and President*

Mr. Charney's employment agreement provides that in the event that his employment is terminated (i) by the Company without cause or (ii) by Mr. Charney for good reason, Mr. Charney will be entitled to the following: (1) a pro rata portion of his annual and long term performance bonuses for the year in which he is terminated as if 100% of the performance targets were met, (2) a payment equal to the greater of (x) annual base salary for the remainder of his employment contract or (y) two times the sum of his annual base salary and maximum annual performance bonus, (3) immediate vesting of all equity awards granted to him by the Company and (4) all lock-up restrictions on all of Mr. Charney's stock in the Company will immediately lapse.

**Table of Contents**

In the event of a change in control, if any payments or benefits due to Mr. Charney in connection with the change in control, including payments as a result of termination of his employment, will be subject to excise taxes as defined in his employment agreement, Mr. Charney will be entitled to a tax gross-up for all effects of the excise taxes. If a change in control had occurred as of December 31, 2009, and Mr. Charney had received the termination lump sum payments described above, he would have been entitled to a tax gross-up payment of up to approximately \$1.3 million. This calculation is dependent on prior compensation as defined under applicable sections of the Internal Revenue Code.

Upon termination of Mr. Charney's employment by the Company with cause or due to Mr. Charney's permanent incapacity or death, the Company will pay Mr. Charney any unreimbursed expenses then owed by the Company to Mr. Charney and all accrued but unpaid wages. Mr. Charney will not be entitled to any other consideration or compensation.

Had Mr. Charney separated from the Company as of December 31, 2009, as a result of termination without cause or for good reason, he would have been entitled to a payment amounting to \$3,875,000 (of which \$2,375,000 is attributable to bonuses and \$1,500,000 is attributable to salary).

*Glenn A. Weinman, Senior Vice President, General Counsel and Secretary*

Mr. Weinman's employment agreement provides that if Mr. Weinman is terminated without cause or if he resigns for good reason, the Company will pay Mr. Weinman the following: (a) his base salary accrued through the date of such resignation or termination and continuing for a period of one year after the date of such resignation or termination (the Continuation Period); (b) any bonus earned but not yet paid in respect of any calendar year preceding the year in which such termination or resignation occurs; (c) a bonus for the calendar year in which such termination or resignation occurs equal to his target annual performance bonus, if any, for such year and each subsequent calendar year included in whole or in part within the Continuation Period (prorated in the case of any partial calendar year based on the number of days included in such Continuation Period); and (d) any unreimbursed expenses and all stock and stock option grants awarded to Mr. Weinman by the Company also will become vested and exercisable. In addition, in such case, Mr. Weinman will be entitled to receive, until the earlier of the last day of the Continuation Period and the date Mr. Weinman is entitled to comparable benefits by a subsequent employer, continued participation in the Company's medical, dental and insurance plans and arrangements.

If Mr. Weinman's employment terminates by reason of his death or disability, or if he is terminated for cause or if he resigns without good reason, the Company will pay him (a) his base salary accrued through the date of such resignation or termination; (b) any bonus earned but not yet paid in respect of any calendar year preceding the year in which such termination of employment occurs; (c) only in the case of a termination because of his death or disability, a prorated amount of his target annual performance bonus for the calendar year in which such termination of employment occurs; and (d) any unreimbursed expenses. If Mr. Weinman's employment terminates by reason of his death, in lieu of the payment schedule described above, his beneficiary or estate may elect to receive a single lump sum payment equal to the present value of all such payments.

Had Mr. Weinman separated from the Company as of December 31, 2009, as a result of termination without cause or for good reason, he would have been entitled to a payment amounting to \$300,000 plus health insurance benefits, of \$2,200 per month, for a period of 12 months after he leaves the Company, or until comparable benefits are obtained from a new employer.

**ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE****Certain Relationships and Related Transactions**

Under its charter, the Audit Committee is charged with reviewing the Company's policies relating to the avoidance of conflicts of interest and reviewing all related party transactions that are required to be disclosed pursuant to SEC Regulation S-K, Item 404, or any successor provision. Additionally, the Audit Committee is responsible for reviewing the Company's program to monitor compliance with the Company's Code of Ethics. The Company's Code of Ethics is applicable to all directors, officers and employees and provides examples of conflict of interest situations as including, but not limited to, the following: any significant ownership interest in any supplier or customer; any consulting or employment relationship with any customer, supplier or competitor; any outside business activity that detracts from an individual's ability to devote appropriate time and attention to his or her responsibilities with the Company; the receipt of money, non-nominal gifts or excessive entertainment from any company with which the Company has current or prospective business dealings; being in the position of supervising, reviewing or having any influence on the job evaluation, pay or benefit of any close relative; selling anything to the Company or buying anything from the Company, except on the same terms and conditions as comparable officers or directors are permitted to so purchase or sell; and any other circumstance, event, relationship or situation in which the personal interest of a person subject to the Code of Conduct interferes, or even appears to interfere, with the interests of the Company as a whole. In determining whether to approve or ratify a transaction, the Audit Committee will take into account, among other factors it deems appropriate, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related person's interest in the transaction.

The following are the material transactions or agreements between the Company and related persons since the beginning of fiscal year 2009. The Audit Committee has approved or ratified all of these transactions. All dollar amounts in this section are in United States dollars unless stated otherwise.

***Lion Transaction***

On March 13, 2009, the Company entered into a Credit Agreement (as amended from time to time, the Lion Credit Agreement) with Lion Capital (Americas) Inc. (as successor by assignment to Lion Capital (Guernsey) II Limited, Lion Capital), pursuant to which the Company borrowed \$75,000,000 and issued to Lion a seven-year warrant. In addition, under the Lion Credit Agreement, an additional \$5,000,000 of loans made to the Company thereunder constituted a fee paid by the Company to Lion Capital. Lion Capital subsequently assigned such loans and its rights and obligations under the Lion Credit Agreement to Lion Capital (Americas) Inc. Capital. Lion Capital is the sole stockholder of Lion Capital (Americas) Inc. and Mr. Capps is President of Lion Capital (Americas) Inc.

The largest aggregate amount of principal outstanding during fiscal year 2009 was \$86,129,552, the amount outstanding as of December 31, 2009. During fiscal year 2009, the amount of principal paid, the amount of interest paid and the amount of interest payable were \$0, \$3,256,405 and \$9,385,957, respectively.

In connection with such transaction, on March 13, 2009, the Company issued to Lion a seven-year warrant (the Lion Warrant ), which is exercisable at any time during its term, to purchase an aggregate of 16,000,000 shares of Common Stock at an exercise price of \$2.00 per share, subject to adjustment under certain circumstances.

***Agreements Between Mr. Charney and Lion***

In connection with financing transaction described above, Mr. Charney and Lion/Hollywood L.L.C. (as successor by assignment to Lion Capital (Guernsey) II Limited, Lion ) entered into a voting agreement, dated as of March 13, 2009 (the Investment Voting Agreement ), and the Company and Lion entered into an investment agreement, dated as of March 13, 2009 (as amended from time to time, the Investment Agreement ). Pursuant to the Investment Agreement, Lion currently has the right to designate two persons to the Board of Directors ( Investor Directors ) and a board observer ( Board Observer ). Lion s right to designate Investor Directors and a Board Observer is subject to maintaining certain minimum ownership thresholds of shares issuable under a seven-year warrant issued to Lion in connection with the financing transaction with Lion (the Lion Warrant ), which is exercisable at any time during its term, to purchase an aggregate of 16,000,000 shares of Common Stock at an exercise price of \$2.00 per share, subject to adjustment under certain circumstances. Lion has designated Jacob Capps and Neil Richardson as its Investor Directors.

Pursuant to the Investment Voting Agreement, for so long as Lion has the right to designate any person or persons to the Board of Directors, Mr. Charney has agreed to vote his shares of Common Stock in favor of Lion s designees, provided that Mr. Charney s obligation to so vote terminates if he owns less than 6,000,000 shares of Common Stock (which number will be adjusted appropriately to take into account any stock split, reverse stock split or similar transaction). In addition, pursuant to the Investment Voting Agreement, for so long as Lion has the right to designate any person or persons to the Board of Directors, Lion has agreed to vote its shares of Common Stock in favor of Mr. Charney each time Mr. Charney is nominated for election to the Board of Directors, provided that Lion s obligation to so vote terminates if either (i) Mr. Charney beneficially owns less than 27,900,000 shares of Common Stock (which number will be adjusted appropriately to take into account any stock split, reverse stock split or similar transaction) or (ii) (A) Mr. Charney is no longer employed on a full-time basis by the Company or any subsidiary of the Company and (B) Mr. Charney is in material breach of the non-competition and non-solicitation covenants contained in the Acquisition Agreement, as extended by a letter agreement, dated March 13, 2009, between Mr. Charney and Lion.

The descriptions of the Lion transaction, the Lion Warrant, the Investment Agreement, the Investment Voting Agreement and the other transaction documents are qualified in their respective entireties by reference to the descriptions contained in the Current Reports on Forms 8-K filed by the Company with the SEC on March 16, 2009, April 16, 2009, June 19, 2009, August 20, 2009, November 3, 2009, April 1, 2010, and the documents filed as exhibits to such Current Report.

In connection with the Lion Credit Agreement and the Investment Agreement, Mr. Charney also entered into a letter agreement, dated March 13, 2009, with the Company and Lion to extend, with respect to Mr. Charney only, the time period applicable to the non-competition and non-solicitation covenants contained in Section 5.27(a) of the Acquisition Agreement from December 12, 2011 to December 31, 2013, provided that such extension period will terminate upon the earliest to occur of the Trigger Events described below.

In connection with the Lion Credit Agreement and the Investment Agreement, Mr. Charney also agreed to extend the lock-up agreement, dated as of December 12, 2007, pursuant to which Mr. Charney agreed not to

make certain transfers of the 37,258,065 shares of Common Stock that he received pursuant to the Acquisition Agreement, from December 12, 2010 to December 31, 2013 (the Extension Period ). However, the Extension Period will terminate upon the earliest to occur of the following events (the Trigger Events ): (i) (A) Lion and its affiliates beneficially own less than 4 million shares of Common Stock issued or issuable upon exercise of the Lion Warrant and (B) the loans made pursuant to the Lion Credit Agreement have been repaid in full, (ii) Mr. Charney's employment is terminated by the Company without cause or (iii) Mr. Charney terminates his employment with the Company for good reason (the terms without cause and good reason having the respective meanings set forth in his employment agreement, dated as of December 12, 2007, as it may be hereafter amended, supplemented or modified from time to time, between Mr. Charney and the Company). Notwithstanding the foregoing, during the Extension Period, in addition to any other transfers permitted prior to the Extension Period, Mr. Charney will have the right to transfer, in a single transaction or in multiple transactions from time to time, a number of shares of Common Stock otherwise subject to the lock-up agreement not to exceed 25% of the total number of shares of Common Stock in which Mr. Charney has a legal or beneficial interest as of December 12, 2010.

On October 28, 2009, the Company entered into a letter agreement (the Letter Agreement ) with Mr. Charney and Lion, under which the Company and Lion agreed that notwithstanding restrictions on Mr. Charney's ability to transfer shares of the Company's common stock that are subject to the Lock-Up Agreement, dated December 12, 2007, executed by Mr. Charney, as extended by the Letter Agreement Re: Extension of Lock-Up Agreement, dated March 13, 2009 (the Lock-Up Extension Letter ), among Mr. Charney, the Company and Lion, Mr. Charney has the right to pledge his right, title and interest in, to and under, in a single transaction or in multiple transactions, at any time and from time to time, an aggregate of up to five million such shares. The description of the Letter Agreement is qualified in its entirety by reference to the descriptions contained in the Current Report on Form 8-K filed by the Company with the SEC on November 3, 2009, and the documents filed as exhibits to such Current Report.

***Loans from Mr. Charney to the Company***

At the closing of the Acquisition, the Company converted C\$6.0 million owed to Mr. Charney into two loans payable, which mature in December 2012 and bear interest at 6% from December 12, 2007. During the first quarter of 2008, Mr. Charney subordinated the loans to Toronto Dominion Bank in connection with the Company's Canadian-dollar denominated line of credit. As of December 31, 2009, the outstanding loan balance was \$922,718. No interest was paid during 2009.

On December 19, 2008, Mr. Charney loaned the Company \$2.5 million in exchange for a promissory note (the December Note ). On February 10, 2009, Mr. Charney loaned the Company an additional \$4.0 million in exchange for a promissory note (the February Note and together with the December Note, the Promissory Notes ). The Promissory Notes mature in January 2013 and provide for interest at an annual rate of 6%, payable in kind. The Promissory Notes were repaid in part in an aggregate amount equal to \$3.25 million with a portion of the proceeds of the loans under the Lion Credit Agreement during fiscal year 2009. The largest aggregate amount of principal outstanding during fiscal year 2009 was \$6,500,000 and \$182,352 of interest was accrued. As of December 31, 2009, the outstanding balance was \$3,432,352.

**Director Independence**

The Board is currently composed of nine directors, five of whom qualify as independent directors as defined under the applicable listing standards of the NYSE Amex (each an Independent Director ). In establishing independence, the Board affirmatively determines that each director or nominee does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In addition, the Board has determined as provided in the NYSE Amex rules that the following categories of persons would not be considered independent: (1) a director who is, or during the past three years was, employed by the Company, other than prior employment as an interim executive officer (provided the interim employment did not last longer than one year); (2) a director who accepted or has an immediate family member who accepted any compensation from the company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence (unless such compensation falls under exceptions provided for under the NYSE Amex rules); (3) a director who is an immediate family member of an individual who is, or at any time during the past three years was, employed by the Company as an executive officer; (4) a director who is an executive officer, partner or a controlling shareholder, or has an immediate family member who is an executive officer, partner or a controlling shareholder, of an organization to which the Company made, or from which the Company received, payments (other than those arising solely from investments in the Company's securities or payments under non-discretionary charitable contribution matching programs) which, in any of the past three fiscal years, exceeds or exceeded the greater of \$200,000, or 5% of the other organization's consolidated gross revenues; (5) a director who is, or has an immediate family member who is, employed as an

**Table of Contents**

executive officer of another entity where at any time during the most recent three fiscal years any of the Company's executive officers serve on the compensation committee of such other entity; and (6) a director who is, or has an immediate family member who is, a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three years.

Applying these standards, the Board determined that the following directors qualify as Independent Directors: Messrs. Greene, Mayer, Miller, Samson and Thornton. Each of the members of each of the committees of the Board is an Independent Director, and, in the case of members of the Audit Committee (Messrs. Miller, Samson and Thornton, with Mr. Samson as Chairman), each also meets the additional criteria for independence of audit committee members set forth in Rule 10A-3 under the Exchange Act. For additional information regarding the Audit Committee, see Audit Committee and Audit Committee Financial Expert above.

**ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES****Principal Accounting Firm Fees**

Aggregate fees billed to us for the fiscal years ended December 31, 2009 and 2008 by Deloitte & Touche LLP, our independent auditors since April 3, 2009 (Deloitte), and Marcum LLP, our former independent auditors during fiscal year 2008 and through April 3, 2009, for such periods, are as follows:

<b>Deloitte &amp; Touche LLP</b>

Tax fees (2)	35	
All other fees (3)	5

Audit fees (1)	\$ 152	\$ 2,893
Tax fees		
All other fees		
<b>Total</b>	<b>\$ 152</b>	<b>\$ 2,893</b>

- (1) Audit fees consist of fees for professional services rendered for the audit of the Company's annual financial statements included in Form 10-Ks, the review of financial statements included in Form 10-Qs and for services that are normally provided by the auditor in connection with statutory and regulatory filings or engagements for those fiscal years.
- (2) Tax fees consist of fees for tax compliance, tax advice and tax planning.
- (3) All other fees consist of fees for any products and services not included in the first three categories and related to the Company purchasing access to Deloitte's online technical library.

In accordance with Section 10A(i) of the Exchange Act, before the Company engages its independent accountant to render audit or non-audit services, the engagement will be approved by our Audit Committee. The Audit Committee considered whether the provision of non-audit services provided by Deloitte during 2009 was compatible with maintaining Deloitte's independence. In addition to retaining Marcum LLP to audit and review our consolidated financial statements for 2008, the Company retained other accounting firms to provide tax and

advisory services in 2009. Marcum LLP did not provide any tax or advisory services to the Company in 2009. The Company understands the need for its independent auditors to maintain objectivity and independence in its audit of the Company's financial statements.

All of our independent auditor's fees were pre-approved by the Audit Committee in 2009. The Audit Committee utilizes a policy pursuant to which the audit, audit-related, and permissible non-audit services to be performed by the independent auditor are pre-approved prior to the engagement to perform such services. Pre-approval is generally provided annually, and any pre-approval is detailed as to the particular service or category of services and is generally limited by a maximum fee amount. The independent auditor and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditor in accordance with this pre-approval, and the fees for the services performed to date.
